Sec. 3. Registrar and Paying Agent; Payments under the Municipal Bond Insurance Policy and the Surety Bond. (a) The Utility Service Board is hereby authorized to contract with a qualified financial institution to serve as Registrar and Paying Agent for the Bonds (the "Registrar" or "Paying Agent"). The Registrar is hereby charged with the responsibility of authenticating the Bonds. The Assistant Director-Finance of the utility is hereby authorized to enter into such agreements or understandings with the Registrar as will enable the institution to perform the services required of a registrar and paying agent. The Assistant Director-Finance of the utility is further authorized to pay such fees as the Registrar may charge for the services it provides as Registrar and Paying Agent and such fees may be paid from the Sewage Works Sinking Fund established to pay the principal of and interest on the Bonds as fiscal agency charges. As to the BANs, the Controller shall serve as Registrar and Paying Agent and is hereby charged with the duties of Registrar and Paying Agent.

The principal of the Bonds shall be payable at the principal corporate trust office of the Paying Agent. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners thereof as the names appear as of the fifteenth day of the month preceding the interest payment date (the "Record Date") and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner. All payments on the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the principal corporate trust office of the Registrar by the registered owner in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner, or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in an authorized aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the City except for any tax or governmental charge required to be paid with respect to the transfer or exchange, which taxes or governmental charges are payable by the person requesting such transfer or exchange. The City, Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the City. Any such notice to the City may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the City may appoint a successor registrar and paying agent. The City shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the Registrar and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the City, the Assistant Director-Finance of the utility is authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Assistant

Director-Finance of the utility is further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent and such fees may be paid from the Sewage Works Sinking Fund continued in Section 15 hereof. Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

Interest on the Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the Bonds unless the Bonds are authenticated after the Record Date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless the Bonds are authenticated on or before the Record Date preceding the first interest payment date, in which case they shall bear interest from the original date until the principal shall be fully paid.

(b) In the event that, on the second Business Day, and again on the Business Day, prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second following or following, as the case may be, Business Day, the Paying Agent shall immediately notify MBIA or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

If the deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent shall so notify MBIA or its designee.

In addition, if the Paying Agent has notice that any bondholder has been required to disgorge payments of principal or interest on the Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes a voidable preference to such bondholder within the meaning of any applicable bankruptcy laws, then the Paying Agent shall notify MBIA or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

The Paying Agent is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

(i) If and to the extent there is a deficiency in amounts required to pay interest on the Bonds, the Paying Agent shall (a) execute and deliver to State Street Bank, or its successors under the Municipal Bond Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing MBIA as agent for such holders in any legal proceeding related to the payment of such interest and an assignment to MBIA of the claims for interest to which such deficiency relates and which are paid by MBIA, (b) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Municipal Bond Insurance Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to such respective holders; and

(ii) If and to the extent of a deficiency in amounts required to pay principal of the Bonds, the Paying Agent shall (a) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing MBIA as agent for such holder in any legal proceeding relating to the payment of such principal and an assignment to MBIA of any of the Bonds surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Paying Agent and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Municipal Bond Insurance Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to such holders.

Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent from proceeds of the Municipal Bond Insurance Policy shall not be considered to discharge the obligation of the City with respect to such Bonds, and MBIA shall become the owner of such unpaid Bonds and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

Irrespective of whether any such assignment is executed and delivered, the City and the Paying Agent hereby agree for the benefit of MBIA that:

1. They recognize that to the extent MBIA makes payments, directly or indirectly (as by paying through the Paying Agent), on account of principal or interest on the Bonds, MBIA will be subrogated to the rights of such holders to receive the amount of such principal and interest from the City, with interest thereon as provided and solely from the sources stated in this ordinance and the Bonds; and

2. They will accordingly pay to MBIA the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Municipal Bond Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in this ordinance and the Bonds, but only from the sources and in the manner provided herein for the payment of principal or interest on the Bonds to holders, and will otherwise treat MBIA as the owner of such rights to the amount of such principal and interest.

As to the 1995 Surety Bond, if it becomes necessary to draw funds under the 1995 Surety Bond, the Paying Agent shall deliver to MBIA a Demand for Payment in the form provided by MBIA at least three days prior to the date funds are required. It will be the responsibility of the Paying Agent and the City to maintain adequate records, verified with MBIA as to the amount available to be drawn at any given time under the 1995 Surety Bond and as to the amounts paid and owing to MBIA under the terms of the 1995 Financial Guaranty Agreement.

Sec. 4. Redemption of BANs and Bonds. (a) The BANs are prepayable by the City, in whole or in part, at any time upon 7 days' notice to the owner of the BANs without any premium.

(b) The Bonds of this issue maturing on and after January 1, 2006, are redeemable at the option of the City on January 1, 2005, or any date thereafter, on thirty (30) days' notice, in whole or in part, in inverse order of maturity and by lot within a maturity, at face value, together with the following premiums:

- 2% if redeemed on January 1, 2005, or thereafter on or before December 31, 2005;
- 1% if redeemed on January 1, 2006, or thereafter on or before December 31, 2006;
- 0% if redeemed on January 1, 2007, or thereafter prior to maturity;

plus accrued interest to the date fixed for redemption.

So long as the 1995 Surety Bond is in effect, there may be no optional redemption of Bonds or distribution of funds unless all amounts owed to MBIA under the terms of the 1995 Financial Guaranty Agreement or any other documents have been paid in full.

(c) If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or cancelled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

If less than all of the Bonds are called for redemption at one time, the Bonds shall be redeemed in inverse order of maturity, for optional redemption, and by lot within a maturity. Each Five Thousand Dollars (\$5,000) principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select

by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

(d) In either case, notice of such redemption shall be given at least thirty (30) days prior to the date fixed for redemption by mail unless the notice is waived by the registered owner of a Bond. Such notice shall be mailed to the address of the registered owners as shown on the registration records of the City as of the date which is forty-five (45) days prior to such redemption date. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption shall be determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the principal office of the Paying Agent to pay the redemption price on the date so named. Coincidentally with the payment of the redemption price, the Bonds so called for redemption shall be surrendered for cancellation.

Sec. 5. Execution and Negotiability. Each of the BANs and Bonds shall be executed in the name of the City by the manual or facsimile signature of the Mayor, countersigned by the manual or facsimile signature of its Controller and attested by the manual or facsimile signature of its Clerk, and the seal of the City shall be affixed, imprinted or impressed to or on each of the BANs and Bonds manually, by facsimile or any other means; and these officials, by the execution of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures the facsimile signatures appearing on the Bonds or BANs. In case any officer whose signature or facsimile signature appears on the Bonds or BANs shall cease to be such officer before the delivery of the Bonds or BANs, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

The BANs and Bonds shall have all of the qualities and incidents of negotiable instruments under the laws of the State of Indiana, subject to the provisions for registration herein.

The Bonds shall also be authenticated by the manual signature of the Registrar, and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

Sec. 6. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, all blanks to be filled in properly prior to delivery;

This bond is one of an authorized issue of bonds of the City of Bloomington, of like date, tenor and effect, except as to rates of interest and dates of maturity; aggregating _____ Dollars (\$ _____); numbered consecutively from 1 up; issued for the purpose of providing funds to be applied on the cost of additions, extensions and improvements to the City's sewage works (the "Project"), funding a reserve for the bonds, [to refund interim notes issued in anticipation of the bonds] and to pay issuance expenses. This bond is issued pursuant to an Ordinance adopted by the Common Council of said City on the ___ day of _____, 1994, entitled "An Ordinance of the City of Bloomington authorizing the issuance of sewage works revenue bonds for the purpose of providing funds to pay the cost of certain additions, extensions and improvements to the municipal sewage works of said City, providing for the safeguarding of the interests of the owners of said bonds, other matters connected therewith, including the issuance of notes in anticipation of bonds, and repealing ordinances inconsistent herewith" (the "Ordinance"), and in accordance with the provisions of Indiana law, including without limitation Indiana Code 36-9-23 as in effect on the date of delivery of the bonds of this issue (the "Act"), the proceeds of which bonds are to be applied to the costs of the Project, funding a reserve for the bonds, [the payment of notes issued in anticipation of the bonds, a premium for a municipal bond insurance policy,] and expenses incurred in connection therewith.

Pursuant to the provisions of the Act and the Ordinance, the principal of and interest on this bond and all other bonds of said issue, and any bonds hereafter issued on a parity therewith are payable solely from the Sewage Works Sinking Fund continued by the Ordinance (the "Sinking Fund") to be provided from the Net Revenues (herein defined as the gross revenues of the sewage works of the City after deduction only for the payment of the reasonable expenses of operation, repair and maintenance) of the sewage works of the City. The payment of this bond ranks on a parity with the payment of the 1989 Bonds (as defined in the Ordinance).

The City of Bloomington irrevocably pledges the entire Net Revenues of the sewage works to the prompt payment of the principal of and interest on the bonds authorized by the Ordinance, of which this is one, and any bonds ranking on a parity therewith, including the 1989 Bonds, to the extent necessary for that purpose, and covenants that it will cause to be fixed, maintained and collected such rates and charges for services rendered by the utility as are sufficient in each year for the payment of the proper and reasonable expenses of operation, repair and maintenance of the sewage works and for the payment of the sums required to be paid into the Sinking Fund under the provisions of the Act and the Ordinance. The rates and charges shall be established, to the extent permitted by law, to produce Net Revenues sufficient to pay 1.20 times the annual debt service on the 1989 Bonds, the bonds of this issue and all amounts owed to the insurer of the 1989 Bonds under the terms of the Financial Guaranty Agreement pertaining to the 1989 Bonds. If the

City or the proper officers thereof shall fail or refuse to so fix, maintain and collect such rates or charges, or if there be a default in the payment of the interest on or principal of this bond, the owner of this bond shall have all of the rights and remedies provided for in the Act, including the right to have a receiver appointed to administer the works and to charge and collect rates sufficient to provide for the payment of this bond and the interest hereon.

Pursuant to the ordinance authorizing the issuance of the 1989 Bonds (the "1989 Ordinance") and the Escrow Agreement defined therein (the "1989 Escrow Agreement"), the City has set aside obligations of the United States of America (purchased from proceeds of the 1989 Bonds and funds on hand of the sewage works) and certain cash in a trust account to provide payment of the principal of and interest on the Prior Refunded Bonds (as defined in the Ordinance). If there are insufficient funds held under the 1989 Escrow Agreement to pay the Prior Refunded Bonds, the Prior Refunded Bonds shall, to that extent, be paid from Net Revenues prior and superior to the claim of the bonds and the 1989 Bonds.

The City of Bloomington further covenants that it will set aside and pay into its Sinking Fund monthly, as available, or more often if necessary, a sufficient amount of the Net Revenues of the works for payment of (a) the interest on all bonds which by their terms are payable from the revenues of the sewage works, as such interest shall fall due, (b) the necessary fiscal agency charges for paying bonds and interest, (c) the principal of all bonds which by their terms are payable from the revenues of the sewage works, as such principal shall fall due, and (d) an additional amount as a margin of safety to maintain the debt service reserve required by the Ordinance. Such required payments shall constitute a first charge upon all the Net Revenues of the sewage works on a parity with the aforementioned 1989 Bonds, subject to section 17 of the Ordinance.

Prior to the sale of said Bonds, the Controller shall cause to be published either (i) a notice of bond sale in the Bloomington Herald-Times, the only newspaper published in the City of Bloomington, Indiana, two times, at least one week apart, the first publication made at least fifteen (15) days before the date of the sale and the second publication being made at least three (3) days before the date of the sale, or (ii) a notice of intent to sell in the Bloomington Herald-Times and the Court & Commercial Record all in accordance with IC 5-1-11 and IC 5-3-1. The notice shall state the character and amount of the Bonds, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Controller and the attorneys employed by the City shall deem advisable and any summary notice may contain any information deemed so advisable. The notice may

provide, among other things, that each bid shall be accompanied by a certified or cashier's check or a financial surety bond in an amount equal to 1% of the principal amount of the Bonds described in the notice to guarantee performance on the part of the bidder. If a financial surety bond is used, it must be from an insurance company licensed to issue such bond in the State of Indiana, and such bond must be submitted to the City prior to the opening of the bids. The financial surety bond must identify each bidder whose good faith deposit is guaranteed by such financial surety bond. If the Bonds are awarded to a bidder utilizing a financial surety bond, then that purchaser is required to submit to the City a certified or cashier's check (or wire transfer such amount as instructed by the City) not later than 3:30 p.m. (Bloomington Time) on the next business day following the award. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then said check and the proceeds thereof shall be the property of the City and shall be considered as its liquidated damages on account of such default. Bidders for said Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and such interest rate or rates shall be in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than 98.75% of the face amount of the Bonds will be considered. The opinion of Ice Miller Donadio & Ryan, bond counsel of Indianapolis, Indiana, approving the legality of said Bonds, will be furnished to the purchaser at the expense of the City.

The Bonds shall be awarded by the Controller to the best bidder who has submitted his bid in accordance with the terms of this ordinance, IC 5-1-11 and the notice of sale. The best bidder will be the one who offers the lowest net interest cost to the City, to be determined by computing the total interest on all of the Bonds to their maturities and adding thereto the discount bid, if any, and deducting the premium bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which is lower than the best bid received at the time of the advertised sale will be considered.

Sec. 9. Use of Proceeds and Costs of Issuance. The proceeds from the sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds shall be deposited in a bank or banks which are legally designated depositories for the funds of the City, in a special account or accounts to be designated as "City of Bloomington, Sewage Works Construction Account" (the "Construction Account"). All funds deposited to the credit of the Sewage Works Sinking Fund or the Construction Account shall be deposited, held, secured or invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds, including particularly IC 5-13, as amended and supplemental. The funds in the Construction Account shall be expended only for the purpose of paying the cost of the Project, refunding the BANs, if issued, or as otherwise required by the Act or for the expenses of issuance of the Bonds. The cost of obtaining the legal services of Ice Miller Donadio & Ryan, shall be considered as a part of the cost of the Project on account of which the BANs and Bonds are issued. Any balance or balances remaining unexpended in such special account or accounts after completion of the Project, which are not required to meet unpaid obligations incurred in connection with such Project, shall either (1) be paid into the Sinking Fund and used solely for the purposes of said Sinking Fund or (2) be used for the same purpose or type of project for which the Bonds were originally issued, all in accordance with IC 5-1-13, as amended and supplemented.

Sec. 10. Accrued Interest. The accrued interest received at the time of delivery of the Bonds, if any, and premium, if any, shall be deposited in the Sewage Works Sinking Fund continued in Section 15.

Sec. 11. Financial Records and Accounts. The City shall keep proper records and books of account, separate from all of its other records and accounts, in which complete and correct entries shall be made showing all revenues received on account of the operation of the sewage works and all disbursements made therefrom and all transactions relating to the utility. There shall be prepared and furnished upon request, to any owner of the Bonds, an annual report setting out complete operating, income and financial statements of the utility, in reasonable detail, covering the preceding fiscal year. Such report shall be prepared by the Assistant Director-

Finance of the utility and furnished within one hundred twenty (120) days after the close of each calendar year. There shall also be furnished upon request, to any owner of the Bonds, within thirty (30) days of their receipt by the City, the audited financial statements of the utility prepared by the State Board of Accounts. Copies of all such statements and reports shall be kept on file in the office of the Assistant Director-Finance. Any owner of the Bonds shall have the right at all reasonable times to inspect the sewage works system and the records, accounts and data of the City.

Sec. 12. Pledge of Net Revenues. The interest on and the principal of the Bonds issued pursuant to the provisions of this ordinance, and any bonds hereafter issued on a parity therewith, shall constitute a first charge on all the Net Revenues, on a parity with the 1989 Bonds, subject to Section 17 herein, and such Net Revenues are hereby irrevocably pledged to the payment of the interest on and principal of such Bonds, to the extent necessary for that purpose.

Sec. 13. Revenues. All revenues derived from the operation of the sewage works and from the collection of sewer rates and charges shall be segregated and deposited as set forth in this ordinance. Of these revenues the proper and reasonable expenses of operation, repair and maintenance of the works shall be paid, the principal and interest of all bonds and fiscal agency charges of registrars or paying agents shall be paid, and the costs of replacements, extensions, additions and improvements shall be paid.

Sec. 14. General Account. (a) There is hereby continued an account known as the "General Account". All revenues of the sewage works shall be deposited in the General Account. The balance maintained in this Account shall be sufficient to pay the expenses of operation, repair and maintenance for the then next succeeding two calendar months. The moneys credited to this Account shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the sewage works on a day-to-day basis, including reasonable legal and professional expenses not taken into account in the definition of Net Revenues, but none of the monies in such Account shall be used for depreciation, payments in lieu of taxes, replacements, improvements, extensions or additions.. Any monies in said Account may be transferred to the Sewage Works Sinking Fund if necessary to prevent a default in the payment of principal of or interest on the outstanding bonds of the sewage works.

(b) Moneys in the General Account shall be transferred from time to time to meet the requirements of the Sewage Works Sinking Fund. Moneys in excess of those transferred to the Sewage Works Sinking Fund may be transferred to the Sewage Works Improvement Fund or may be retained in the General Account, in the discretion of the Utility Service Board, and in a manner consistent with the requirements of this ordinance, provided that any excess Net Revenues must be used first to pay interest to MBIA, if any, on amounts advanced under the 1989 Surety Bond or the 1995 Surety Bonds before such excess Net Revenues may be transferred to the Sewage Works Improvement Fund. Moneys in excess of those (i) required to be in the General Account and the Sewage Works Sinking Fund, and (ii) any amounts payable to MBIA under the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement may also be used, in the discretion of the Utility Service Board, for any other lawful purpose related to the sewage works.

Sec. 15. Sewage Works Sinking Fund (a) There is hereby continued a special fund designated the "Sewage Works Sinking Fund" (herein, "Sewage Works Sinking Fund" or "Sinking Fund") for the payment of the principal of and interest on all outstanding revenue bonds which by their terms are payable from the Net Revenues of the sewage works, the payment of any fiscal agency charges in connection with the payment of bonds and for payment of any amounts owed to MBIA under the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement. There shall be set aside and deposited in the Sinking Fund, as available, and as hereinafter provided, a sufficient amount of the Net Revenues of the sewage works to meet the requirements of the Bond and Interest Account and Reserve Account hereby continued in the Sinking Fund. Such payments shall continue until the balances in the Bond and Interest Account and the Reserve Account equal the principal of and interest on all of the then outstanding bonds of the sewage works to their final maturity and provide for payment of all fiscal agency charges and any amounts owed to MBIA under the 1989 Financial Guaranty Agreement and the 1995 Financial Guaranty Agreement.

(b) Bond and Interest Account. There is hereby continued, within the Sinking Fund, the Bond and Interest Account. There shall be credited on the last day of each calendar month to the Bond and Interest Account an amount of the Net Revenues equal to at least one-sixth (1/6) of the interest on all then outstanding bonds payable on the then next succeeding interest payment date and at least one-twelfth (1/12) of the principal on all then outstanding bonds payable on the then next succeeding principal payment date, until the amount of interest and principal payable on the then next succeeding respective interest and principal payment dates shall have been so credited. There shall similarly be credited to the Account any amount necessary to pay the bank fiscal agency charges for paying interest on outstanding bonds as the same become payable. There shall similarly be credited an amount at least equal to one-twelfth (1/12) of the aggregate amounts owed to MBIA under the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement. The City shall, from the sums deposited in the Sinking Fund and credited to the Bond and Interest Account, remit promptly to the registered owner or to the bank fiscal agency sufficient moneys to pay the interest one business day prior to the interest payment date and principal on the due date thereof together with the amount of bank fiscal agency charges. The City shall repay all amounts owed to MBIA under the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement in accordance with the terms thereof. Draws under the 1989 Surety Bond and 1995 Surety Bond shall bear interest at the respective rates specified in the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement.

(c) Reserve Account. There is hereby continued, within the Sinking Fund, the Reserve Account. The City purchased the 1989 Surety Bond as a reserve for the 1989 Bonds. For the Bonds, the City shall purchase the 1995 Surety Bond which shall cause the Reserve Account to contain an amount equal to the least of (i) 10% of the proceeds of the Bonds and the 1989 Bonds, (ii) maximum annual debt service on the Bonds and the 1989 Bonds, (iii) 125% of average annual debt service on the Bonds and the 1989 Bonds ("Reserve Requirement"). For purposes of this subsection, proceeds means the face amount of the Bonds and the 1989 Bonds minus original issue discount, if any, plus any premium received on the Bonds or the 1989 Bonds. The Reserve Account shall constitute the margin for safety and protection against default in the payment of principal of and interest on the Bonds and the 1989 Bonds, and the moneys in the Reserve Account shall be used to pay current principal and interest on the Bonds and the 1989 Bonds to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiency in the balance maintained in the Reserve Account shall be made up from the next available Net Revenues remaining after credits into the Bond and Interest Account. To the extent that cash is held in the Reserve Account, the cash shall be drawn down completely before any demand is made on the 1989 Surety Bond or the 1995 Surety Bond. In the event moneys in the Reserve Account (whether cash or funds provided under the 1989 Surety Bond or the 1995 Surety Bond) are transferred to the Bond and Interest Account to pay principal and interest on outstanding Bonds or 1989 Bonds, then such depletion of the balance in the Reserve Account shall be made up from the next available Net Revenues after credits into the Bond and Interest Account, provided that MBIA be reimbursed first to reinstate the 1989 Surety Bond and the 1995 Surety Bond and second, to replenish any cash held in the Reserve Account. Any moneys in the Reserve Account in excess of the Reserve Requirement may, in the discretion of the Utility Service Board, be transferred to the General Account or be used for the purchase of outstanding bonds or installments of principal of fully registered Bonds or 1989 Bonds at a price not exceeding par and accrued interest.

Sec. 16. Sewage Works Improvement FundAs set forth in Section 14(b), revenues may be transferred or credited from the General Account to a fund designated the "Sewage Works Improvement Fund", which is hereby continued. The Sewage Works Improvement Fund shall be used for improvements, replacements, additions and extensions of the sewage works, and for payments in lieu of taxes. Moneys in the Sewage Works Improvement Fund shall be transferred to the Sewage Works Sinking Fund if necessary to prevent a default in the payment of principal and interest on the then outstanding Bonds or 1989 Bonds or, if necessary, to eliminate any deficiencies in credits to or minimum balance in the Reserve Account of the Sewage Works Sinking Fund or may be transferred to the General Account to meet unforeseen contingencies in the operation, repair and maintenance of the sewage works.

Sec. 17. Reversion of Flow of Funds. Simultaneously with the issuance of the 1989 Bonds, the Prior Refunded Bonds were refunded and economically defeased with proceeds of the 1989 Bonds and cash on hand of the sewage works. If the cash and Government Obligations, together with any increment thereto and interest earned thereon, will not be sufficient to pay when due all principal of and interest on the Prior Refunded Bonds to and including their final maturity dates, the City covenants and agrees that (i) the revenues of the sewage works shall be applied in accordance with the terms of the ordinances authorizing the Prior Refunded Bonds (the "Prior Ordinances"), and (ii) the claim of the owners of the Bonds and the 1989 Bonds is in all respects junior and subordinate to the rights of the holders of the Prior Refunded Bonds under the Prior Ordinances.

Sec. 18. Maintenance of Funds: Investments. The Sinking Fund shall be deposited in and maintained as a separate account or accounts from all other accounts of the City. The General Account and the Sewage Works Improvement Fund may be maintained in a single account, or accounts, but such account, or accounts, shall likewise be maintained separate and apart from all other accounts of the City and apart from the Sinking Fund account or accounts. All moneys deposited in the accounts shall be deposited, held and secured as public funds in accordance with the public depository laws of the State of Indiana; provided that moneys therein may be invested in obligations in accordance with the applicable laws, including particularly Indiana Code, Title 5, Article 13, as amended or supplemented, and in the event of such investment the income therefrom shall become a part of the funds invested and shall be used only as provided in this ordinance.

(1) Any pool investment fund administered by the State of Indiana in which the City is statutorily permitted or required to invest.

Sec. 19. Defeasance of the Bonds. If, when the Bonds or a portion thereof shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or a portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds or a portion thereof then outstanding shall be paid; or (i) cash (insured at all times by the Federal Deposit Insurance Corporation or otherwise collateralized with obligations described in (ii) below), or (ii) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys for such purpose, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds or any designated portion thereof issued hereunder shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the City's sewage works. Amounts paid by MBIA under the 1989 Surety Bond or 1995 Surety Bond shall not be deemed paid pursuant to this Section 19 and shall continue to be due and owing hereunder until paid by the City in accordance with this ordinance.

Sec. 20. Rate Covenant. The City covenants and agrees that it will establish and maintain just and equitable rates or charges for the use of and the service rendered by the works, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses said sewage works by or through any part of the sewage system of the City, or that in any way uses or is served by such works; that such rates or charges shall be sufficient in each year for the payment of the proper and reasonable expenses of operation, repair and maintenance of the works, and for the payment of the sums required to be paid into the Sinking Fund by the Act and this ordinance. The rates and charges shall be established, to the extent permitted by law, to produce Net Revenues sufficient to pay 1.20 times the annual debt service on the 1989 Bonds, the Bonds and all amounts owed to MBIA under the terms of the 1989 Financial Guaranty Agreement and the 1995 Financial Guaranty Agreement. Such rates or charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be sufficient to meet the expenses of operation, repair and maintenance of the sewage works and the requirements of the Sinking Fund. The rates or charges so established shall apply to any and all use of such works by and service rendered to the City and all departments thereof, and shall be paid by the City or the various departments thereof as the charges accrue.

(a) Additional Bond Provisions. The City reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The City reserves the right to authorize and issue additional bonds payable out of the revenues of its sewage works ranking on a parity with the Bonds for the purpose of financing the cost of future additions, extensions and improvements to its sewage works, or to refund obligations, subject to the following conditions: All required payments into the Sinking Fund shall have been made in accordance with the provisions of this ordinance, and the interest on and principal of all bonds payable from the revenues of the sewage works shall have been paid in accordance with their terms. A debt service reserve for the additional parity bonds commensurate with and proportional to the debt service reserve continued for the Bonds under Section 15(c) shall be created, upon the delivery of the additional parity bonds, and maintained. Such reserve may either be funded with bond proceeds, funds of the sewage works or a combination thereof, or the City may obtain a Qualified Surety Bond for said additional parity bonds.

(b) The Net Revenues of the sewage works in the fiscal year immediately preceding the issuance of any such bonds ranking on a parity with the Bonds shall be not less than one

hundred twenty percent (120%) of the maximum annual interest and principal requirements of the then outstanding bonds and the additional parity bonds proposed to be issued; or, prior to the issuance of the parity bonds the sewage rates and charges shall be increased sufficiently so that the increased rates and charges applied to the previous year's operations would have produced net operating revenues for said year equal to not less than one hundred twenty percent (120%) of the maximum annual interest and principal requirements of all bonds payable from the revenues of the sewage works, including the additional parity bonds proposed to be issued.

For purposes of this subsection, the records of the sewage works shall be analyzed and all showings prepared by a certified public accountant or nationally recognized financial consultant or consulting engineer employed by the City for that purpose.

(c) The interest on the additional parity bonds shall be payable semiannually on the first days of January and July and the principal on, or mandatory sinking fund redemptions for, the additional parity bonds shall be payable annually on the first day of January.

(d) So long as the Municipal Bond Insurance Policy is in effect, in connection with the issuance of additional parity bonds, the City shall deliver to MBIA a copy of the disclosure document, if any, circulated with respect to such additional parity bonds.

Sec. 21. Further Covenants of the City; Maintenance, Insurance, Pledge Not To Encumber, Subordinate Indebtedness, and Contract with Bondholders. For the purpose of further safeguarding the interests of the owners of the BANS and the Bonds, it is hereby specifically provided as follows:

(a) All contracts let by the City in connection with the construction of the Project shall be let after due advertisement as required by the laws of the State of Indiana, and all contractors shall be required to furnish surety bonds in an amount equal to 100% of the amount of such contracts, to insure the completion of said contracts in accordance with their terms, and such contractors shall also be required to carry such employers' liability and public liability insurance as are required under the laws of the State of Indiana in the case of public contracts, and shall be governed in all respects by the laws of the State of Indiana relating to public contracts.

(b) The Project shall be constructed under plans and specifications approved by a competent engineer designated by the City. All estimates for work done or material furnished shall first be checked by the engineer and approved by the City.

(c) So long as any of the Bonds or BANs are outstanding, the City shall at all times maintain the sewage works system in good condition, and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the Bonds or BANs are outstanding, the City shall maintain insurance on the insurable parts of the system, of a kind and in an amount such as is usually carried by private corporations engaged in a similar type of business. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the state of Indiana.

As an alternative to maintaining such insurance, the City may maintain a self-insurance program with catastrophic or similar coverage so long as such program meets the requirements of any applicable laws or regulations and is maintained in a manner consistent with programs maintained by similarly situated municipalities.

All insurance or self-insurance proceeds shall be used either in replacing or restoring the property destroyed or damaged, or shall be deposited in the Sinking Fund.

(e) So long as any of the BANs and Bonds are outstanding, the City shall not mortgage, pledge or otherwise encumber the property and plant of its sewage works system, or any part thereof, and shall not sell, lease or otherwise dispose of any part of the same, excepting only such machinery, equipment or other property as may be replaced, or shall no longer be necessary for use in connection with said utility.

(f) Except as otherwise specifically provided in Section 21 of this ordinance, so long as any of the Bonds are outstanding, no additional bonds or other obligations pledging any portion of the revenues of the system shall be authorized, issued or executed by the City, except such as shall be made junior and subordinate in all respects to the Bonds, unless all of the Bonds are redeemed or defeased coincidentally with the delivery of such additional bonds or other obligations.

(g) The City shall take all actions or proceedings necessary and proper, to the extent permitted by law, to require connection of all property where liquid and solid waste, sewage,

night soil or industrial waste is produced with available sanitary sewers. The City shall, insofar as possible, and to the extent permitted by law, cause all such sanitary sewers to be connected with said sewage works.

(h) The provisions of this ordinance shall constitute a contract by and between the City and the owners of the Bonds and BANs herein authorized, all the terms of which shall be enforceable by any BAN or bondholder by any and all appropriate proceedings in law or in equity. After the issuance of the Bonds and BANs, this ordinance shall not be repealed, amended or modified in any respect which will adversely affect the rights or interests of the owners of the Bonds or BANs, nor shall the Common Council or any other body of the City adopt any law, ordinance or resolution in any way adversely affecting the rights of such owners so long as any of the Bonds and BANs, or the interest thereon, remain outstanding or unpaid. Except in the case of changes described in Section 23(a)-(f), this ordinance may be amended, however, without the consent of the owners of the Bonds or BANs, if the Common Council determines, in its sole discretion, that such amendment would not adversely affect the owners of the Bonds or BANs.

(i) The provisions of this ordinance shall be construed to create a trust in the proceeds of the sale of the Bonds and BANs herein authorized for the uses and purposes herein set forth, and the owners of the Bonds and BANs shall retain a lien on such proceeds until the same are applied in accordance with the provisions of this ordinance and said governing Act. The provisions of this ordinance shall also be construed to create a trust in the Net Revenues herein directed to be set apart and paid into the Sinking Fund for the uses and purposes of that Fund as in this ordinance set forth. The owners of the Bonds shall have all the rights, remedies and privileges set forth in the provisions of the governing Act, including the right to have a receiver appointed to administer the sewage works in the event the City shall fail or refuse to fix and collect sufficient rates and charges for those purposes, or shall fail or refuse to operate and maintain said system and to apply properly the revenues derived from the operation thereof, or if there be a default in the payment of the interest on or principal of the Bonds.

(j) If the City shall fail to repay any amounts owing to MBIA under 1989 Financial Guaranty Agreement or 1995 Financial Guaranty Agreement in accordance with the requirements of Section 15(c) hereof, MBIA shall be entitled to exercise any and all remedies available at law or hereunder other than (i) acceleration of the maturity of the 1989 Bonds or Bonds or (ii) remedies which would adversely affect 1989 Bondholders or Bondholders.

(k) This ordinance shall not be discharged until all amounts owing to MBIA under the 1989 Financial Guaranty Agreement and 1995 Financial Guaranty Agreement shall have been paid in full.

Sec. 22. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then outstanding shall have the right from time to time, to consent to and approve the adoption by the Common Council of the City of such ordinance or ordinances supplemental hereto or amendatory hereof, as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

(a) An extension of the maturity of the principal of or interest on, or any mandatory sinking fund redemption date for, any Bond issued pursuant to this ordinance; or

(b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon; or

(c) The creation of a lien upon or a pledge of the revenues of the sewage works ranking prior to the pledge thereof created by this ordinance; or

(d) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or

(e) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or

(f) A reduction in the Reserve Requirement.

If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained

on file in the office of the Controller of the City, no owner of any Bond issued pursuant to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Common Council of the City from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City and all owners of Bonds then outstanding, shall thereafter be determined, exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the City and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental or amendatory ordinance, may be modified or altered in any respect with the consent of the City and the consent of the owners of all the Bonds then outstanding.

Sec. 23. Investment of Funds.

(a) The Controller is hereby authorized to invest moneys pursuant to the provisions of this ordinance and IC 5-1-14-3 (subject to applicable requirements of federal law to insure such yield is then current market rate) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the Bonds and BANs under federal law.

(b) The Controller shall keep full and accurate records of investment earnings and income from moneys held in the funds and accounts created or referenced herein. In order to comply with the provisions of the ordinance, the Controller is hereby authorized and directed to employ consultants or attorneys from time to time to advise the City as to requirements of federal law to preserve the tax exclusion. The Controller may pay any fees as operation expenses of the sewage works.

Sec. 24. Tax Covenants. In order to preserve the exclusion of interest on the Bonds and BANs from gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance of the Bonds and BANs, as the case may be (the "Code") and as an inducement to purchasers of the Bonds and BANs, the City represents, covenants and agrees that:

(a) No person or entity other than the City or another state or local governmental unit will use proceeds of the Bonds or BANs or property financed by the Bond or BAN proceeds other than as a member of the general public. No person or entity other than the City or another state or local governmental unit will own property financed by Bond or BAN proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts or any other type of arrangement that differentiates that person's or entity's use of such property from use by the general public.

(b) No portion of the principal of or interest on the Bonds or BANs is (under the terms of the Bonds, BANs, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for any private business use or payments in respect of any private business use or payments in respect of such property or to be derived from payments (whether or not to the City) in respect of such property or borrowed money used or to be used for a private business use.

(c) No Bond or BAN proceeds will be loaned to any person or entity other than another state or local governmental unit. No Bond or BAN proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond or BAN proceeds.

(d) The City will not take any action nor fail to take any action with respect to the Bonds or BAN that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds or BANs pursuant to Section 103 of the Code, nor will the City act in any other manner which would adversely affect such exclusion.

(e) It shall be not an event of default under this ordinance if the interest on any Bond or BAN is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds or BANs, as the case may be.

(f) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds and BANs, as the case may be.

(g) The City represents that it will rebate any arbitrage profits to the United States in accordance with the Code.

Sec. 25. Issuance of BANs. (a) The City, having satisfied all the statutory requirements for the issuance of its Bonds, may elect to issue its BAN or BANs to a financial institution, the Indiana Bond Bank, or to any other purchaser, pursuant to a Bond Anticipation Note Purchase Agreement (the "Purchase Agreement") to be entered into between the City and the purchaser of the BAN or BANs. The Common Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing the Bonds to provide interim financing for the Project until permanent financing becomes available. It shall not be necessary for the City to repeat the procedures for the issuance of its Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs.

(b) The Mayor and the Controller are hereby authorized and directed to execute a Purchase Agreement in such form or substance as they shall approve acting upon the advice of counsel. The Mayor, the Clerk and the Controller may also take such other actions or deliver such other certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as they deem necessary or desirable in connection therewith.

Sec. 26. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the "Tax Sections") which are designed to preserve the exclusion of interest on the Bonds and BANs from gross income under federal law (the "Tax Exemption") need not be complied with if the City receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Sec. 27. Rate Ordinance. The rates and charges of the sewage works are set forth in Ordinance No. 94-41 to be adopted on July 27, 1994. Such ordinance is incorporated herein by reference.

Sec. 28. MBIA Provisions. As long as the Municipal Bond Insurance Policy is in effect, the City shall:

(a) Provide to MBIA any notice which is required to be given to any other party pursuant to this ordinance; all notices required to be given to MBIA Insurance Corporation hereunder shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504 Attention: Surveillance.

(b) Provide to MBIA notice of any amendment to this ordinance permitted by Section 22 hereof which amendment does not require consent of the holders of the Bonds,

(c) Request and receive consent from MBIA prior to amending or supplementing this ordinance to the extent that the amendment or supplement requires consent of the holders of the Bonds pursuant to Section 23 hereof,

(d) Send a copy of any amendment to this ordinance to Standard & Poor's Corporation, provided such amendment requires the consent of MBIA pursuant to this Section 29(c) hereof,

(e) Require that any Paying Agent selected pursuant to this ordinance shall be a commercial bank with trust powers, and that MBIA shall receive notice of the resignation or removal of the Paying Agent and the appointment of a successor thereto,

(f) Request and receive consent from MBIA to utilize a forward supply contract in connection with any refunding of the Bonds,

(g) MBIA shall receive copies of all notices required to be delivered to Bondholders and, on an annual basis, copies of the City's audited financial statements and annual budget.

Sec. 29. MBIA Rights Arising from an Event of Default. If the City shall fail to comply with any provision under this ordinance which noncompliance shall provide a holder of the Bonds to pursue any available legal remedy against the City, MBIA shall have the right to consent to any

such legal action before said Bondholder takes such action. In addition, MBIA shall have the same rights as the owners of the Bonds to pursue all legal remedies.

Sec. 30. Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith, except the ordinance authorizing the 1989 Bonds and the Prior Ordinances, are hereby repealed; provided, however, that this ordinance shall not be construed as adversely affecting the rights of the owners of the 1989 Bonds or the Prior Refunded Bonds.

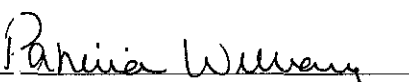

Sec. 31. Headings. The headings or titles of the several sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this ordinance.

Sec. 32. Effective Date. This ordinance shall be in full force and effect from and after its passage and signing by the Mayor.
