SYNOPSIS

This resolution approves a Funding Agreement between the City of Bloomington and the Bloomington Community Foundation. According to the Agreement, the City will provide the Foundation with a \$125,000 endowment for grants to education and training programs. Upon complying with certain conditions, the Community Alliance for Lifelong Learning Board will be authorized to make recommendations to the Foundation on grant applications. One of those conditions, which barred applicants who are in default with the City from receiving fund monies, was removed by amendment. Those in favor of the amendment thought that the Board would be in a better position to develop these type of criteria.
