SYNOPSIS

When the Old Carnegie Library Building was transferred to The Old Library, Inc. (TOLI) on October 22, 1977, TOLI agreed that it would obtain approval by the Common Council before it transferred, leased, or assigned any interest in the property. TOLI and the Monroe County Historical Society have signed an Agreement under which the Historical Society will become the owner of the property. This represents Council approval of this transfer and also waives certain provisions of the original agreement.
