#### SYNOPSIS

Joe R. and Patricia L. Harrell have filed an application with the Common Council for designation of the property located at 213 S. Rogers Street as an "Economic Revitalization Area." In order for the petitioner to receive a tax abatement, Indiana law requires that the Common Council designate the property as an "Economic Revitalization Area" and reduce the property taxes on that real estate for a period of three, six, or ten years. This resolution designates the property as an "Economic Revitalization Area" and, subject to certain conditions on the development and use of the property, provides that the owners of the property shall be entitled to a deduction for a period of ten (10) years. A subsequent resolution reconfirming this action is necessary before the approval is final.
