## SYNOPSIS

This Ordinance appropriates County Option Income Tax (COIT) funds set aside for the Showers Project in accordance with the Council's pledge in Ordinance 91-8 and reaffirmed in Ordinance 92-46. Because the bonds for the project will be sold this year, the City will not tender a lease-purchase payment in 1993. Therefore, it is necessary to appropriate the funds to be used for reimbursement to the City for advances and project expenditures from the Non-reverting Improvement Fund (Westside Industries), and to be used for direct expenditures for the Showers Project. The net effect of this appropriation is to reduce the amount of bonds we will have to issue for the project.
