

ORDINANCE 92-04

TO AMEND SECTION 2.04.320 (PUBLIC INSPECTION OF LEGISLATION) AND SECTION 2.24.380 (ORDER OF AGENDA) OF THE BLOOMINGTON MUNICIPAL CODE

- WHEREAS, The Common Council generally controls the order and time allotted for each item of the agenda; and
- WHEREAS, The Common Council desires to change the order of the agenda by allowing public comment before the end of the meeting; and
- WHEREAS, In general unscheduled matters should not cause undue inconvenience for those who are presenting legislation and other arranged business before the Council; and
- WHEREAS, It is reasonable to seek public comment during the "Reports" portion of the council agenda; and
- WHEREAS, The Council recognizes that a suggested twenty minute limitation for each report category and a five minute limitation for each speaker from the public should avoid undue inconvenience for those with scheduled business before the council; and
- WHEREAS, It is the duty of the Council President to keep reports within these limits; and
- WHEREAS, The Council recognizes that since the twenty minute limitation may not accommodate all those in the public who wish to address issues not on the agenda, some time should still remain available at the end of the meeting; and
- WHEREAS, The Council will review this change prior to the yearly code update in late spring; and
- WHEREAS, The Common Council also desires to make legislation available for inspection at one predictable and central location in the center of the City outside of the Municipal Building.

SYNOPSIS

This ordinance amends Title II of the BMC in two sections. The first change provides for a public comment period earlier on the agenda. And the second one directs the clerk to mail legislation to one rather than post it at two locations outside of the Municipal Building.
