LOCATION: Northwest corner of SR 45 and Industrial Dr.

PETITIONER: Public Investment Corporation

The petitioner is requesting a rezone from RS to ML/PCD and outline plan approval for 0.35 acres of land on the Northwest corner of SR 45 and Industrial Dr. The land would be rezoned for the purpose of using the land as a portion of the parking area for a proposed industrial office building .

Because several trees were cut on this site, the Plan Commission discussed the possibility of requiring the petitioner to plant a D-value of 2500 in trees in reparation for the damage done.

The surrounding zoning is RS to the west as is most of the land south of Bloomfield Road. Along Leonard Springs Road there is BL zoning, as well as a non-conforming filling station at the corner. Manufacturing zoning exists Curry to the SR 37 By-pass to the north.

The Plan Commission voted to deny this petition by a 7:2 vote.
