#### SYNOPSIS

This ordinance amends, in part, Ordinance 13-16, fixing the salaries of appointed officers, non-union and A.F.S.C.M.E employees for all departments of the City for the year 2014, by doing three essential things. First, it creates a new department to be known as the Planning and Transportation Department. That Department will be composed of current Planning and Engineering Department positions and employees. Second, it creates a new position, entitled "Assistant Director of Operations" in the Public Works Administration Division of the Public Works Department. Third, it moves the Parking Enforcement Division from the Public Works Department to the Police Department.
