Re: List of approved uses - Westplex PCD

This ordinance has two parts. The first is a change of zone from BA to RL for 3.645 acres and outline plan approval. Up to 36 duplex units would be built on the site. Twenty of the units would be owned and operated by South Central Community Mental Health as group housing for their clients. The remaining units would be built and managed by the current land owner Bob Shaw.

The other component of this request would designate 3.893 acres of existing BA land directly adjacent to the RL/PUD as a BA/PCD. The intent of the Commission in this regard is to insure compatible commercial land uses adjacent to the residential planned development. Both uses, the commercial and the residential, will be served by the same public street.

The approved uses for the BA/PCD are as follows with the uses marked by an asterisk (*) being permitted only in the building facing Third Street:
