SYNOPSIS

This resolution brings forward the recommendations of the Jack Hopkins Social Services Funding Program Committee for 2014. The principal task of the Committee is to recommend funding for local social services agencies which offer proposals consistent with program criteria. From 1993-2013, the City expended approximately \$3.14 million dollars to local social services programs. Funding for the Jack Hopkins program has increased every year and has more than doubled since 2004. In 2014, the program was increased to \$266,325. The resolution allocates the social services funds to 21 agency programs (including one collaborative project), approves the funding agreements with these agencies, accepts the report of the Committee, authorizes the chair of the Committee to resolve any questions regarding the interpretation of the agreements, and also authorizes the chair of each year's Committee to appoint the Committee's representatives from other City entities.
