STAFF REPORT
PUD-34-88
SUPERIOR PARTNERSHIP
4383 W. GIFFORD ROAD
May 16, 1988

This five-acre parcel received outline plan approval for 60 condominium units in late 1987. It is immediately to the west of the existing Hickory Grove apartments on the south side of Gifford Road. Petitioner is now requesting an outline plan amendment to allow 15 single family lots on the parcel in lieu of the approved condominiums. The proposed lots would be situated on a new cul-de-sac with sidewalk on both sides. All lots are larger than RS minimums in terms of area.

The proposed outline plan appears to be acceptable. Petitioner is working with the Engineering Department on drainage details. Staff anticipates a recommendation of approval if a proposed drainage plan concept is presented which meets Engineering Department approval.

Re: PUD - 74 - 87

Dear Plan Commission Members:

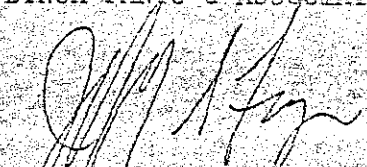

Our client, Superior Partnership, wishes to amend the referenced outline plan approval from allowing the construction of 60 apartment units to allow the construction of 15 single family lots on a simple cul-de-sac.

The proposed lots will front on a proposed cul-de-sac accessing to Gifford Road. The lot sizes are shown and exceed the RS Zone requirements.

Since the request is significantly reducing the use of the land and construction season is upon us, we are also requesting waiver of second hearing to allow use to the City Council with less delay.

If you have any questions regarding the above, please feel free to contact me at any time.

Very truly yours,
