

ORDINANCE 87-48

To Amend Title 10 of the Bloomington Municipal Code Entitled
"Wastewater"

BE IT HEREBY ORDAINED BY THE COMMON COUNCIL OF THE CITY
OF BLOOMINGTON, MONROE COUNTY, INDIANA, THAT THE FOLLOWING
SECTION OF TITLE 10 OF THE BLOOMINGTON MUNICIPAL CODE SHALL BE
ADDED TO READ AS FOLLOWS:

SECTION I. Title 10 of the Bloomington Municipal Code shall be
amended to add the following:

10.04.095 Tapping Existing Sewer Mains. It shall be unlawful for
anyone other than the Bloomington Utilities Department to make taps
on existing sewer mains or manholes. The following rules shall
apply:

1. The customer/contractor shall be responsible for all
excavation necessary to perform the tap.
2. A minimum of 48 hours advance notice shall be required for
the Utilities Department to schedule the necessary work.
3. The contractor shall be responsible for exposing the top of
the existing sewer pipe in order to determine location of joint
and/or existing lateral.
4. The center of the new tap shall be at least one foot from
any joint or existing lateral.
5. The contractor shall clean all dirt and debris from the
existing sewer main and excavate in a manner permitting
installation of a chain completely around the pipe to restrain
the tapping machine.
6. If the existing main appears to be cracked or broken, or if
for any reason there appears to be some difficulty in making the
tap, the contractor shall immediately call Transmission and
Distribution at 339-1444 ext. 229, and report the location and
problem.
7. For the tapping fee charged, the Utilities Department will
make the tap, supply and install the fitting, and leave an open
6" PVC SDR 35 gasket-joint bell. The Utilities Department will
NOT supply a plug or reducer, or make any connections for the
customer/contractor.
8. All permits shall be furnished and paid for by the
customer/contractor. This will include a street cut permit from
either City or County Engineering, and either an excavating or
plumbing permit from City Engineering. Permits will NOT be
issued by City Engineering unless a paid receipt for the tapping
fee is presented.
9. The fee for all taps shall be paid before any work is performed
by the Utilities Department. The fee for the tap is \$75.00, but
will be reviewed annually by the Utilities Service Board and
adjusted to reflect actual costs. This does NOT include any permit
fees. Application and payment for sewer tap are to be made at
the New Services Office of the Utility Department, 1969 S.
Henderson Street.

10. If the Utilities Department finds it necessary to make extra trips to the job site because of problems created by the customer/contractor, there will be an additional charge of \$25.00 for each extra trip.

11. Tapping of manholes for lateral connection will no longer be permitted without permission of the Utilities Engineer or his representatives.

12. Violators may be fined \$100.00 and the cost of correcting the illegal tap.

SECTION II. Severability. If any section, sentence or provision of this ordinance, or the application thereof to any person or circumstances shall be declared invalid, such invalidity shall not affect any of the other sections, sentences, provisions, or applications of this ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

SECTION III. This ordinance shall be in full force and effect from and after its passage by the Common Council of the City of Blomington and approval by the Mayor.

PASSED and ADOPTED by the Common Council of the City of Bloomington, Monroe County, Indiana, upon this 21 day of October, 1987.

SYNOPSIS

The Utilities Department is requesting to make all taps on existing sewer mains and to make it illegal for anyone else to make a sewer tap. This is necessary to establish uniform quality of sewer connections, to maintain the integrity of the existing sewer mains, to eliminate potential protruding taps, and to prevent infiltration resulting from improper tapping methods.
