SYNOPSIS

The comprehensive plan advises a pattern of land use among its elements. This amendment to the plan addresses land use for the vacant land in the area bounded by State Route 37 By-pass, Allen Street South Rogers Street, and Fullerton Pike (Tapp Road Neighborhood). Growth trends, current conditions and land use and street characteristics were taken into account in updating the plans recommending land use for this area, as a prelude to pending decisions on specific re-zoning requests.
