#### SYNOPSIS

This Ordinance amends Chapter 2.21 of the Bloomington Municipal Code relating to the Bloomington Human Rights Commission. The Ordinance makes the following two substantive changes: (1) To petition the circuit or superior court for enforcement of an order of the Human Rights Commission, the petitioner must show that the Respondent resides or transacts business (rather than resides and transacts business) in the county in which enforcement is sought; (2) the requirement of state certification of handicap for persons alleging discrimination on the basis of handicap is deleted, thereby bringing the Code into compliance with the 1985 amendment to IC 22-9-1-13.
