New rules, regulations, and guidelines may be adopted by the Commission after a public hearing by a majority vote of the Commission.

The rules, regulations, and guidelines of the Commission shall be available to the public at the office of the legal department.

2.21.070 Powers and Duties. The Commission shall have the following powers and duties:

(1) To create subcommittees and advisory committees as in its judgment will aid in effectuating the purpose of this section.

(2) To issue such publications and such results of investigation and research as in its judgment will tend to minimize or eliminate discrimination because of race, religion, color, sex, national origin, ancestry or handicap.

(3) To schedule complaints for public hearings upon a determination of probable cause by the legal department. When the recommendation after the investigation is no probable cause, the complainant shall be furnished a copy of the findings of fact and recommendations and shall be given ten days to make a written request, with the reasons therefore, to the chairperson of the Commission for review of the finding. Upon the receipt of the request for review, the chairperson or their designee shall review the request and the decision of the reviewing commissioner regarding probable cause shall be final. Whenever a commissioner reviews a decision at the request of a complainant, such commissioner shall be disqualified from any further participation in that case, except as a witness at a public hearing on the complaint. Complaints of discrimination shall be received and investigated by the legal department. To be acceptable to the legal department, a complaint shall be sufficiently complete so as to reflect properly the name and address of the complainant; the name and address of respondent against whom the complaint is made; the alleged discriminatory practice and a statement of particulars thereof; the date or dates and places of the alleged discriminatory practice; if it is of a continuing nature, the dates between which said continuing acts of discrimination are alleged to have occurred; and a statement as to any other action, civil or criminal, instituted in any other form based upon the same grievance as is alleged in the complaint; together with a statement as to the status or disposition of such other action; provided, that no complaint or charge of discrimination in employment on the basis of handicap shall be considered valid and acceptable to the legal department unless it is submitted by an individual who has been properly certified as a handicapped person as defined in subsection 15 of Section 2.71.030. No complaint shall be valid unless filed within ninety days from the occurrence of the alleged discriminatory practice, or from the date of the termination of a published and meaningful grievance procedure provided by a respondent employer or labor union; provided, that complaints filed only with the Equal Employment Opportunity Commission shall be deemed to have been filed simultaneously with the legal department for purposes of measuring the ninety-day limitation, as long as the complaint is otherwise within the legal department's jurisdiction; provided further, that any person who files a complaint with the Indiana Civil Rights Commission shall have no recourse to the city legal department concerning any of the matters alleged in such complaint; provided, further, that the legal department shall have no jurisdiction over the state or any of its agencies, or over the City or any of its departments. After a complaint is scheduled for a public hearing, the legal department shall make reasonable efforts to conciliate all issues raised during the investigation of the case.

(4) To prevent any person from discharging, expelling, or otherwise discriminating against any other person because he filed a complaint or testified in any hearing before the Commission or in any way assisted in any matter under investigation.

(5) To issue a temporary emergency order against any person requiring such person to do an act preserving the possibility of a remedy for a complaint or to refrain from doing an act damaging the possibility of a remedy during the investigation of the complaint; provided, however:

- (a) That no emergency order shall be issued unless a time and place for hearing on the temporary order is designated in the order;
- (b) That the hearing on the temporary emergency order shall be held within ten days following the issuance of the temporary order, unless continued by the commission at the request of the respondent. At such hearing the complainant shall show that a failure to continue the temporary order would damage his remedy. The Commission shall thereupon weigh the comparative hardship to the complainant and respondent and issue a decision continuing or terminating the temporary emergency order, pending final disposition of the complaint. The respondent may waive said hearing without prejudice to his defense of the matters charged in the complaint, in which case the temporary order shall remain in effect pending final disposition of the complaint;
- (c) The Commission may by rule provide for issuance of its temporary order by a majority of the Commission, and it may compel compliance with any such temporary order by bringing in any circuit or superior court for prohibitory or mandatory injunction upon showing that such person is subject to the court's jurisdiction, resides or transacts business within the county in which the proceeding is brought, and that such injunction is necessary to protect the complainant's rights under this chapter until his complaint is resolved through conciliation or public hearing.

(6) To reduce the terms of conciliation agreed to by the parties in writing, to be called a consent agreement, which the parties and a majority of the commissioners shall sign. When so signed, the consent agreement shall have the same effect as a cease and desist order pursuant to subsection (8) of this section. If the Commission determines that a party to the consent agreement is not complying with it, the Commission may obtain enforcement of the consent agreement in a circuit or superior court upon showing that the party is not complying with the consent agreement, and the party is subject to the Commission's jurisdiction, and resides or transacts business within the county in which the petition for enforcement is brought.

(7) To hold hearings, subpoena witnesses, compel their attendance, administer oaths, take testimony of any person under oath and require the production for examination of all books and papers relating to any matter under investigation or in question before the commission. The commission may make rules governing the issuance of subpoenas by individual commissioners. Contumacy or refusal to obey a subpoena or temporary emergency order issued pursuant to this section shall be a breach of this chapter and such person shall be liable to a penalty therefore, if adjudged by the circuit or superior court, of the payment of a penalty not to exceed three hundred dollars. Each penalty shall be deposited in the general fund of the City; provided, however, that the payment of such penalty by a party shall not impair the Commission's ability to grant affirmative relief and compensatory damages to the complainant, should justice so require.

(8) To state its findings of fact after hearing which statement shall be made in a written opinion containing both the findings of fact and the principles of law applied. All written opinions shall be compiled and maintained as public record and, in making decisions, the Commission shall give due consideration to

its prior decisions which may be applicable. If a majority of the commissioners who hear the case finds that a person has engaged in unlawful discriminatory practice, the Commission shall cause to be served on the person an order requiring the person to cease and desist from the unlawful discriminatory practice and requiring such person to take further affirmative action necessary to effectuate the purposes of this section.

If unlawful discrimination is found in the area of employment, an order shall be issued requiring the respondent to take such affirmative action including but not limited to hiring, reinstatement, and upgrading of employees or people deprived of employment, with or without compensatory damages to which the complainants would have been entitled had they not been deprived of equal opportunity; provided, that this subsection shall not be construed to require any employer to modify physical accommodations or administrative procedures to accommodate a handicapped person.

If unlawful discrimination is found in the area of housing or acquisition of real property, an order may be issued requiring a respondent to take affirmative action, including but not limited to renting, selling, or leasing to a person deprived of equal opportunity. Compensation for the denial of equal opportunity shall be allowed within the discretion of the Commission.

If unlawful discrimination is found in the area of public accommodation, an order shall be issued requiring respondent to take affirmative action, including but not limited to providing services, goods, or access to property, instatement to membership, reinstatement to membership, posting of notice that a facility is a public accommodation, with or without compensatory damages for a complainant's being denied equal opportunity.

If upon all the evidence, the Commission finds that a person has not engaged in any such unlawful practice or violation of this section, the Commission shall state its findings of fact and shall issue and cause to be served on the complainant an order dismissing the said complaint as to such person.

Judicial review of such cease and desist order, or other final order, or other affirmative action or damages as referred to in this chapter may be obtained by filing in the county circuit or superior courts. The scope of review shall be in accordance with the provisions set out in IC Chapter 4-22-1. All contracting agencies of the City or any department thereof shall include in all contracts hereafter negotiated or renegotiated by them a provision obligating the contractor to take affirmative action to insure that the applicants are employed and that employees are treated during employment in a manner which provides equal employment opportunity and tends to eliminate in-equality based upon race, religion, color, sex, national origin, ancestry or handicap.

Such contracts shall provide further that breach of the obligation to take affirmative action shall be a material breach of the contract for which the City shall be entitled, at its option:

No member of the Board who is an elected or salaried official of the City shall receive the above mentioned salary. Members shall be reimbursed for expenses properly incurred in connection with their duties pursuant to this section.

2.24.070 Meetings. All official business shall be conducted only at official meetings of the Board, notice of which must be published according to state law. The Board shall adopt rules of the procedure for conducting their meetings. Upon any vote each Board member shall, on demand, briefly state the reasoning underlying the member's vote and these shall be incorporated into the minutes of the meeting.

2.24.080 Majority Vote. No action of the Board is official unless authorized by a majority of the entire membership.

2.24.090 Powers and Duties. The Utilities Service Board shall have general supervisory power over the utilities owned by the City as detailed in I.C. 8-1.5-3-4. The Board is in no way to interfere with the detailed supervision and administration of the utility by the Director, who is responsible to the Mayor. Furthermore, the Common Council is authorized to specify by resolution the areas involving utilities including rate determination which it must approve and the procedure by which approval will be executed.

2.24.100 Budget. Each year the Board with the advice of the Director shall submit to the Common Council a budget and salary ordinance for the Utilities Department at the same time that the city budget and salary ordinance are presented to the Common Council. Submission at this time shall be for the purpose of comparing the city budget and salary ordinance with those proposed by the Utilities Service Board for the Utilities Department. The budget presented by the Board shall detail the projected incomes and expenses of the Utilities Department including those covered by the current interlocal agreement entered into between the Utilities Service Department and the City of Bloomington. The budget shall be presented in the form required by state law as well as the form promulgated by the Mayor's office. The Common Council shall consider and pass the utilities budget in concert with the Civil City's budget.

2.24.110 Employees - Rules. The Board shall adopt rules and regulations with the approval of the Personnel Director, governing the appointments of all employees. All rules regulating employment shall be consistent with all city-wide personnel policy, including equal opportunity employment and affirmative action practices and consistent with duly negotiated union agreements.

2.24.120 Employees - Compensation. The Board shall fix the number and compensation of all employees, such compensation to be submitted to the Common Council each year at the same time the city salary ordinance is presented to the Council. The statutory deadline for passage of the city salary ordinance shall apply to the Utilities salary ordinance as well.

2.24.130 Members - Personal Interest. Every member of the Board shall be under the affirmative duty to disclose publicly any personal interest he/she may have in a matter prior to participation in the hearing or decision of such board on the matter in question. Provided, however, that the existence of a personal interest other than direct or indirect financial interest, shall not prevent a member from participating in the hearing or decision of a matter unless a majority of the voting members of the Board feels the member should not participate and further provided that the failure to disclose personal interests, as provided above, shall not invalidate the vote of the members failing to disclose any personal interests nor shall such failure invalidate any decision of the Board as a whole. The willful failure to disclose personal interest shall, however, be cause for removal from the Board. It is the expressed intent of the City that this section be supplementary and complimentary to the provisions set out in the Indiana Code.

SYNOPSIS

The new Home Rule statutes passed by the Legislature require every City to create City Departments by ordinance upon the recommendation of the Mayor. Even though Bloomington had, for the most part, already done this, the new law requires all reestablishment of the executive departments, boards, and commissions of the City of Bloomington. For the most part the ordinance simply restates the current law; however this ordinance does make the following specific changes:

1) The sizes of the following boards and commissions are reduced: Traffic Commission (11 to 9), Animal Control Commission (7 to 6), and the Commission on the Status of Women (12 to 5).

2) All commissions are required to use Roberts Rule of Order just as the Common Council does, uniform definitions are established and terms of commission members are standardized.

3) This Ordinance reflects the change in state law which allows the Mayor to appoint all Department Heads (including the Utilities Department, Parks and Recreation Director, Director of Public Works, Planning Director, Redevelopment Director) subject to the approval of any statutory board or commission established in the department.
