SYNOPSIS

This Resolution affirms the determination of the Common Council expressed in Resolution 83-37, that designated the property located at 532 North Walnut Street (the old Morgan House) as an Economic Revitalization Area. Jack W. Tracy, d/b/a Gaslight Publications, filed an application for designation of this property as an Economic Revitalization Area. Indiana law provides that upon a finding by the Common Council that an area is an Economic Revitalization Area, property taxes are reduced on improvements to that real estate for a ten year period. Property taxes on land and improvements existing prior to the designation are not reduced.
