Will the legislation have a major impact on existing City appropriations, fiscal liability or revenues? Yes _____ No

If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion.

The Parks and Recreation, Rosehill, and General Fund additional appropriations will have very small impacts on the fund balances. The Non-Reverting Improvements Fund has earned over \$30,000 in interest. The \$27,000 will be repaid to the funds at a later date and is to be treated as a loan.

If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible. (Continue on second sheet if necessary)
