SYNOPSIS

This ordinance if approved will change the zoning from RH, High Density Residential, to ML, Light Manufacturing, for a parcel of .28 acres on the east side of Park Avenue south of Thornton Road. The petitioners, Berlin Hawkins and Lyander Honeycutt, intend to build an auto body shop. This rezoning will stimulate construction of a non-residential building in the city. Property taxes will accrue to the city. Since the site is within the existing network of service capability there will be no increase in service cost. Sewer, water & street are available to the site without capital cost.
