

RESOLUTION 79-21

To Recommend that the Civil City Obtain Its Own Computer Facility

WHEREAS, the Civil City and Utilities Department have discussed the possibility of obtaining one central facility to handle all computer functions of the two entities; and

WHEREAS, a study group composed of representatives of the Council, Controller's Office, and Utilities Department was established to examine whether such a joint venture would be feasible; and

WHEREAS, the computer study group has recommended that the Civil City obtain its own computer separate from that obtained by the Utilities Department;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, MONROE COUNTY, INDIANA, THAT:

The Bloomington Common Council adopts the recommendations of the computer study group that the Civil City proceed with obtaining its own computer facility separate and distinct from the computer facility of the Utilities Department.

PASSED and ADOPTED by the Common Council of the City of Bloomington, Monroe County, Indiana, upon this 31 day of July, 1979.

City of Bloomington

SYNOPSIS

Both the Civil City and the Utilities Department are considering purchasing computer equipment to perform various functions, and the possibility of obtaining one central computer for both entities was considered. A computer study group was established to examine this issue and the group has developed a final recommendation that each entity obtain its own separate computer facility. This resolution represents the Council's endorsement of the computer study group's recommendation.
