**COLLECTIVE BARGAINING AGREEMENT
BETWEEN THE CITY OF BLOOMINGTON
AND THE DON OWENS MEMORIAL LODGE 88,
FRATERNAL ORDER OF POLICE, INC.**

This Agreement is entered into by and between the City of Bloomington, Indiana (hereafter "City") and Don Owens Memorial Lodge 88, Fraternal Order of Police, Inc. (hereafter "Union").

The City and the Union recognize and declare that they have bargained collectively with respect to terms and conditions of employment for police officers, and it is their desire and in the best interests of the citizens of the City of Bloomington to promote harmonious relations between the City and the Union and improve police protection for the citizens of the City. Understandings reached have been incorporated into this written contract which will provide an orderly, equitable and binding means of resolving any future differences between the parties.

IT IS THEREFORE AGREED AS FOLLOWS:

SECTION I. Terms and Conditions of Agreement

This Agreement between the parties constitutes a four (4) year settlement of all bargainable issues, as defined in Bloomington Municipal Code § 2.32, and following, for calendar years 2011, 2012, 2013 and 2014. It is understood and expressly agreed by the parties that all terms and conditions in this Agreement are contingent on and subject to the following conditions:

(1) Receipt in each and every year of the Agreement by the Civil City of Bloomington of no less than one million, two-hundred thousand dollars (\$1,200,000.00) from the Utility Department of the City of Bloomington in satisfaction of what is commonly known as the "Interdepartmental Agreement."

(2) The City of Bloomington being legally authorized in each and every year of the Agreement to increase its *ad valorem* property tax by a minimum of three percent (3%) rate of growth over the previous year's maximum permissible *ad valorem* property tax levy, and a maximum increase equal to the total non-farm personal income growth multiplied by the maximum permissible *ad valorem* property tax levy for the preceding year (beginning with fiscal year 2011) as provided for and defined in Ind. Code § 6-1.1-18.5-1 *et seq.* entitled "Civil Government Property Tax Controls." The City shall not be required to petition for financial relief as provided for and defined in the above-cited chapter as a prerequisite to showing its inability to increase its *ad valorem* property tax levies in the above-stated amounts.

(3) Receipt in each and every year of the Agreement by the City of Bloomington of no less than seven million, five-hundred thousand dollars (\$7,500,000.00) as county option income tax distribution as provided for and defined in Ind. Code § 6-3.5-6-1 *et seq.* entitled "County Option Income Tax."

(4) Any and all changes in State and/or Federal law, policies, procedures, or regulations which have a fiscal impact upon the City of Bloomington shall be fully funded by the source from which such change originates.

In the event that any of the above-stated conditions do not occur, then it is specifically understood and agreed by the parties that the City may declare this

Agreement open with respect to the salary rates provided in Section XX for all subsequent years covered by this Agreement. The City shall inform the Union of such declaration in writing. In the event of such declaration by the City, the parties shall immediately as practicable begin new negotiations on the subject of said salary rates only, pursuant to Bloomington Municipal Code 2.32, and following. In the event that Bloomington Municipal Code 2.32.040, "Issues Subject to Bargaining" is amended, then it is specifically understood and agreed by the parties that either party may declare this Agreement open with respect to said added issue (or issues) for all subsequent years covered by this Agreement.

SECTION II. Recognition

This Agreement between the parties is entered into pursuant to and in compliance with Bloomington Municipal Code § 2.32, and following.

SECTION III. Management Rights

This Agreement shall not be deemed in any way to limit or diminish the authority and responsibility of the City to manage and direct the operation and activities of the City, including the police operation and activities, to the full extent authorized or permitted by law.

Nothing in this Section shall be construed to negate the clear and unambiguous meaning of this Agreement.

SECTION IV. Labor-Management Committee

The City and Union agree to form a joint labor/management committee which shall consist of two representatives appointed by the Mayor and two representatives appointed by the Union. The committee shall meet quarterly or as needed and may discuss, *inter alia*, issues not subject to bargaining pursuant to the Bloomington Municipal Code Section 2.32. The results of the committee deliberations shall be in the form of a recommendation forwarded to the Chief of police. The Chief shall have thirty (30) days to forward the recommendation to the board of public safety along with his/her comments. The board may then consider the recommendation at a subsequent regularly scheduled meeting.

In the event the Chief is a member of the committee, the recommendation shall be forwarded directly to the board of public safety along with any comments, pro or con, from committee members.

SECTION V. Benefit Time

Unit members will receive Benefit Time by the following formula:

Members who have completed one year of employment shall receive twenty-eight (28) vacation days (also referred to as "benefit time") per year. One additional vacation day per year shall be added at the completion of year five (5) through year twenty-six (26). Vacation days under this section shall not exceed fifty (50) days per calendar year.

Work days are eight and one-half (8 ½) hours for members assigned to Uniform Division and eight (8) hours for members assigned to Detective or Administration duty. Benefit Time may be taken subject to staff approval which will not be arbitrarily withheld. The minimum amount of benefit time taken at any one time shall be no less than one-half hour, but additional time after the first one-half hour may be used in increments of fifteen (15) minutes.

No accumulated Benefit Time may be carried over into the next year.

In addition, any bargaining unit member who resigns or retires shall be eligible to receive a credit for earned benefit time prorated over the entire year by payroll periods and based upon the last day the employee is actually present and working. For the purposes of benefit time credit, 16 of the benefit time days are considered to be subject to pro-ration. The formula is as follows: 16 benefit time days divided by number of payroll periods in year times number of payroll periods worked. The number of payroll periods worked shall include any partial payroll period worked, even if only one day of the payroll period is worked. The number of days shall be rounded up if the calculation contains a decimal of .5 or above, and rounded down if below .5. (For example, an employee "eligible" for 28 benefit time days in 2011 works his/her last day on October 2, 2011. The calculation is: 16 days divided by 26 payroll periods = .615, times 20 periods worked = 12.3 days. This employee is entitled to receive 12 prorated benefit days and the 12 benefit days not subject to pro-ration for 2011).

SECTION VI. Benefit Time Buy-Back and Bank

Throughout the term of this Agreement, a bargaining unit member may opt to sell Benefit Time back to the City at a buy-back rate as follows:

2011 – 2012 – One hundred seventy-five dollars (\$175.00) per day

2013 – 2014 – Two hundred dollars (\$200.00) per day

A maximum of ten (10) vacation days per calendar year may be sold back by each member of the unit.

A bargaining unit member may request that a benefit bank be established for a qualifying event under the Family Medical Leave Act (FMLA). Eligibility shall be determined by the Employee Services Department and the member shall be required to utilize one-half (1/2) of their benefit leave before utilizing donated leave. Each member of the bargaining unit may donate a maximum of six (6) benefit days per calendar year to a benefit bank in lieu of selling days back to the City.

SECTION VII. Pay Days

Employees shall be paid their wages bi-weekly every other Friday. An annual bi-weekly schedule of pay days shall be posted before the first pay day of the calendar year.

When possible, overtime pay shall be paid with the next pay check following the period such overtime pay was earned.

When possible, errors in an employee's pay shall be corrected no later than the next pay period.

SECTION VIII. Personnel Service Records

Inspection of documents contained in an employee's personnel file shall be in accordance with state law. Each employee shall be given a copy of all additions to their personnel file at the time such additions are made.

Complaints determined to be unfounded or those in which the employee was found not to be involved or is exonerated will not be placed in the personnel file or any other departmental file. Sustained complaints will be retained in accordance with state law.

Adverse personnel actions may not be considered by the department beyond three (3) years from date of the personnel action.

SECTION IX. Bereavement Leave

Upon the death in an officer's immediate family (spouse, registered domestic partner, child, brother, sister, parent, parent of spouse, the parent or child of domestic partner, grandparent, grandchild, or step equivalents thereof) the officer will be granted three (3) days of leave with pay.

Upon the death of a relative other than immediate family (brother-in-law, sister-in-law, aunt, uncle, cousin, niece, or nephew), the officer will be granted one (1) day leave with pay.

Bereavement leave shall be granted at the officer's request, unless extreme circumstances, including but not limited to civil emergency or manpower shortage, require rescheduling of such leave.

Additional leave in the above cases, or leave in connection with the death of other relatives or friends, may be granted with pay at the discretion of the Chief of Police, by using benefit time. Special circumstances may be approved without pay at the discretion of the Chief of Police.

SECTION X. Clothing and Uniform Allowance

A basic departmental uniform, clothing, and accessory issue shall be established by general order. This initial issue shall be at the City's expense. All maintenance, repair, replacement, cleaning and upkeep of said items is to be borne by the individual officer except for the following items (which remain the property of the department):

1. helmet
2. gas mask (if issued)
3. firearm, magazines and duty ammunition
4. handcuffs; 1 pair w/2 keys
5. portable radio and batteries
6. shield, badge, shoulder patches
7. identification
8. defensive weapons, unless damage is due to individual negligence or misuse.

Changes in style or additional clothing or equipment mandated by the Department shall be furnished at City expense. Maintenance, repair, cleaning and upkeep shall be an employee expense.

An annual allowance to defray the costs of the replacement purchase, maintenance, etc. of the officer's uniform and equipment in the amount of One Thousand Six Hundred Dollars (\$1,600.00) shall be provided by the City to each officer after the first full year of employment and annually thereafter. This allowance shall be paid in two (2) equal installments on or before June 15 and December 15.

SECTION XI. Private Vehicle Parking

While on duty, officers shall be provided with parking in a designated area within three (3) blocks of the Police Department. If a permit is required, the cost will not exceed Ten Dollars \$10.00 per year.

SECTION XII. Meal and Rest Breaks

Employees are entitled to meal and rest breaks for a period not to exceed one (1) hour for each eight (8) hour shift worked. Work periods of less than four (4) hours do not entitle the employee to a break. Extended work periods of twelve (12) or more hours entitle the employee to an additional half ($\frac{1}{2}$) hour break for each four (4) hour period in excess of eight (8) hours.

Breaks will be taken at times acceptable to shift supervisors and are subject to cancellation or interruption because of emergencies or staff shortages. The employee will be entitled to resume the break at the next opportunity to do so and at the shift supervisor's discretion.

SECTION XIII. Bulletin Boards

Union shall have access to all bulletin boards, voice mail and electronic mail channels of communication within the Police Department for information from either the Lodge Executive Board or the Bargaining Committee.

SECTION XIV. Shift Transfers

All shift transfers shall conform with the following procedures:

1. Between December 1 and December 15 for each year affected by this Agreement, a "bidding season" shall be open for each member in the Bargaining Unit to submit their first, second and third choice for shift assignment in the patrol division. Shift assignments will be determined based solely upon seniority, with the most senior members of the unit assigned to their preferred shifts first. Management retains the authority and responsibility for the determination of the required staffing level assigned to each shift. Shift assignments become effective on the first (1st) day of January of each year of this Agreement following the "bidding season." The most junior officers on the shift to which the transfer is made can be reassigned.

2. Officers assigned to the patrol division may not request, nor be granted an assignment to detective division or other position in the department solely on the basis of seniority. The "bidding season" described in paragraph one (1) shall apply to assignments only within the patrol division.

3. Officers may agree to temporarily exchange shifts for full or partial days with the approval of their supervisors. Shift differential pay will not be altered unless the temporary exchange is in excess of one (1) month.

4. An officer in the detective division or other position within the department, with the approval of the Chief, the approval which shall not be unreasonably withheld, may return to the patrol division by:

- a. Requesting transfer to patrol division; or
- b. Requesting transfer to a desired shift during "bidding season" of each year of this Agreement.

5. Officers and detectives may request a shift transfer outside of the "bidding season" for special circumstances such as medical or family needs. The officer or detective must submit supportive documentation of the special circumstance, including the reasons the present assignment cannot reasonably be fulfilled. The Chief of Police shall retain the final authority for such reassignment based upon special circumstances. The most junior officer on the requested shift shall be reassigned, and such reassignment shall not exceed ninety (90) days.

6. The Chief or a designee of the Chief may offer a Senior Assignment shift differential to officers who are entitled to a shift bid seniority preference in exchange for another shift assignment that management perceives to be in the best interest of the department. The offer shall only apply to officers who are entitled to their first "choice" preference and shall be made to the officer in the presence of a labor representative. The duration of a Senior Assignment shall be for three (3) months and may be extended for that period of time upon mutual agreement of the Chief or designee and the officer.

The Senior Assignment shift differential shall be in addition to any other applicable shift differential. (See Section XXII) Officers may elect to accept the offer for the Senior Assignment shift differential and be assigned to another shift or to remain on their preferred shift. Officers who have accepted the offer for the Senior Assignment may, at the conclusion of the three (3) month assignment or any increment thereof, elect to return to their preferred shift.

7. Shift assignments may be altered during this Agreement only by the procedures indicated in this section and by:

- a. Agreement of the City and the Union; or
- b. In the event of a civil emergency declared by the Mayor; or
- c. By order of the Police Chief on a temporary basis (not to exceed ninety (90) consecutive days per year), due to a manpower shortage as expressed in writing to the Board of Public Safety and the Union. In the case of a declaration of civil emergency by the Mayor, or a temporary order by the Police Chief, officers shall be paid at current contractual rates of accumulation and pay for all time worked outside their regular schedule.

SECTION XV. Sickness/Injury

Officers of the Department shall report sick only when they are suffering from an illness or injury which would prevent them from properly performing their assigned duties. Such report shall be made to the commanding officer at least one (1) hour prior to reporting time for each tour of duty.

Sick leave in excess of two (2) work days in a specified work week will require a doctor's statement. That statement will be forwarded to the Chief's office. The statement should include the expected date of return and specify any limitations of duty.

The Chief of Police or Board of Public Safety may order a member to consult a physician, psychiatrist or clinic regarding a physical or psychological condition or for the purpose of obtaining a second opinion. Cost of such diagnostic consultation and/or testing shall be borne by the Department. Cost of therapy and/or treatment shall be borne by the officer. Reports of diagnostic consultation and/or testing shall be submitted to the Chief or Board.

Officers shall be entitled to sick leave with full pay without limitation, subject to processing of medical disability pension status under current Indiana law. Additionally, the City will pay for the medical expenses of the officer in accordance with Indiana law at the time of the illness or injury. Such expenses will be paid by the City to the extent that such expenses are not reimbursed by the officer's medical insurance or worker's compensation insurance, subject to a maximum liability to the City of the amount of non-reimbursed medical expenses that would have been incurred if the officer was on the City's medical insurance plan.

A police officer who is unable to perform his or her full duties due to temporary medical limitations documented by the officer's physician and provided to the Chief of Police as indicated herein, may be assigned to other duties in the Department, at the discretion of the Chief of Police or his/her designee, so long as the reassignment is consistent with the recommendation of the police officer's physician that such reassignment will not jeopardize the health, safety, and welfare of the police officer.

SECTION XVI. Layoffs

In the event that the City may find layoffs necessary they shall determine the number of sworn personnel to be laid off.

Sworn personnel with the least seniority will be laid off first and recalled last. Sworn personnel that have been laid off will be given the opportunity to return to duty before any new personnel will be hired.

Civilian personnel will not be hired as the result of a layoff to perform the duties of a police officer.

SECTION XVII. Duties of Police Officer

A police officer's duties shall be outlined in job descriptions maintained in the office of the Chief of Police and the City's Human Resources Department. These files shall be accessible to the members of the bargaining unit during normal working hours of the Police Chief's Office and the City's Human Resources Department.

SECTION XVIII. Strike Prohibition

The Union will not engage in nor sanction any strike during the life of this Agreement or any extension thereof.

SECTION XIX. Grievance Procedure

involving interpretation, meaning, application or violation of the provisions of this contract. A grievant is defined as any police officer covered by this Agreement, or a group of police officers covered by this Agreement.

It shall first be the responsibility of the grievant to reduce the grievance into writing within fourteen (14) days after it arises and present it to the Chief.

If the grievance is not resolved after a period of fourteen (14) days after being presented to the Chief, the written grievance shall be presented to the Board of Public Safety. The Board of Public Safety shall recommend a remedy consistent with the terms of this Agreement.

If the matter is not resolved by the Board of Public Safety within fourteen (14) days to the satisfaction of the grievant, the matter may be submitted to the Mayor.
