SYNOPSIS

Appropriation Ordinance 79-12

This appropriation is simply a vehicle for moving an insurance payment into a line item where it may be spent. This particular reimbursement is for damage to the Bryan Park bubble.

In past years, insurance reimbursements could automatically be receipted into departmental line items; however, IC 6-1.1-18-7 now calls for an appropriation of insurance claim proceeds if they are to be placed in a line item. The law also specifies that such an appropriation need not be advertised nor approved by the State Tax Commission as other appropriations must be.

If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion.

*The appropriation merely appropriates the payment of an insurance claim to its proper use.*

If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible. (Continue on second sheet if necessary)
