SYNOPSIS

ORDINANCE NO. 78-55

To Amend the Zoning Maps of June 7, 1978

The Zoning Ordinance classifies all land within the planning jurisdiction into residential, business, and manufacturing zones. The boundaries for these zones are established by the Plan Commission and the Common Council and within each district only certain uses are permitted.

This ordinance, if approved, will designate the property located at the N. W. Corner of Vernal Pike and W. 11th Street as a PCD, Planned Commercial Development, and change the zoning from RS, Single Dwelling Residential to ML, Light Manufacturing and Industrial District. The petitioner is Robert Townsend and the land will be used for various trade shops.
