SYNOPSIS

This Ordinance would update Section 15.36.080 of the Code by authorizing existing traffic signals which had not previously been approved by the Council in ordinance form. The signals now covered by the Code were authorized by ordinance in 1949 and 1971, but a number of signals were turned over to the City when it acquired various state roads, and it is mainly these additional ones that will be added to the Code.

I HEREBY MOVE THAT ORDINANCE # 78- 60 ,  
ENTITLED Amend BMC re signals, etc. ,  
BE INTRODUCED AND READ FOR FIRST READING BY TITLE  
ONLY AT THE COUNCIL MEETING HELD on 9/3/78
