ORDINANCE NO. 77-48

An Ordinance to Amend the Bloomington Municipal Code  
Regarding Intracity Bus Stops and Parking Meters

The City of Bloomington has power to make laws regarding certain aspects of parking and traffic control on its streets, and these are collected in the "Vehicles and Traffic" sections of the Bloomington Municipal Code. Consequently when parking, speed zone, or sign changes are found to be required by the Traffic Commission or other member of the City Administration, the Council must amend the code to incorporate the changes.

This ordinance makes change in Intracity Bus Stops as follows:

The 100 block of South Washington Street  
on the West side starting at the East and  
West alley and running south to 4th Street  
shall be designated as an intracity bus stop.

also change in Parking Meter Spaces as follows:

The 100 block of South Washington Street  
on the West side starting at Kirkwood and  
running South to the East and West alley  
shall be designated as metered parking spaces.
