WHEREAS, The City of Bloomington is expected to receive approximately three quarters of its present allocation of \$1,004,000 of Community Development Block Grant Funds in 1978, and

SYNOPSIS

Resolution 77-9

To Support the Creation of a Title XX
Support Fund to Provide Matching Funds
for Public Service Programs Under the
Community Development Block Grant Fund

At the Common Council meeting of February 17, 1977, several Councilmembers expressed the need for the maximum utilization of available local funds for supporting community social service programs and that the Community Development Block Grant Fund could be used more effectively as a matching or support fund to attract additional Federal monies.

This resolution supports the development of the mechanism of a Title XX Support Fund that will enable social service programs eligible for funding under Title XX of the Social Security Act to apply for matching funds from the City of Bloomington Community Development Block Grant.
