SYNOPSIS

Appropriation Ordinance 77-17

Under state law, no money can be spent by the City without authorization from the Council in the form of an appropriation ordinance.

This appropriation handles four separate matters.

The Board of Works receives Revenue Sharing to make the lease payments on the Park & Shop lot to the end of 1977. In 1978, Parking Meter revenues will be appropriated to that purpose.

An interim emergency housing program will be run by Perry Township Trustee Joel Grogan by contract with the City and County.

The City and County likewise are to combine efforts to help support the Youth Shelter program which will be funded primarily through a Criminal Justice grant.

Finally, the Parks and Recreation department has a rare opportunity to replace a badly deteriorated boat ramp at Lake Lemon. The Bass Masters Association has offered to donate the largest portion of the money for the project to the City, and the City will contribute just under \$5,000. This project was included in the Capital Improvements budget for a great deal more money.
