SYNOPSIS

Appropriation Ordinance 77-19

Under State law, no money can be spent by the City without authorization from the Council in the form of an appropriation ordinance. This ordinance addresses two separate matters.

The Mayor has agreed to an appropriation for the Youth Shelter of \$2,000 beyond the \$2,189 already voted by the Council.

The City's former grantsperson, Eve Brigl, gave several grants seminars on behalf of the City this year. Fees were charged to cover expenses of room rental and purchase of necessary publications. Those fees were receipted, according to legal procedure, into the General Fund.

In the meantime, Human Resources paid \$261.40 for room rentals, and the Controller's Office paid \$352.92 for publications. Both departments now hope to appropriate a portion of the general fund receipts to their departments in order to negate the extra expenses of the grants-workshops.

I HEREBY MOVE THAT ^{Approp.} ORDINANCE # 77-19
