ORDINANCE No. 76-38

SYNOPSIS

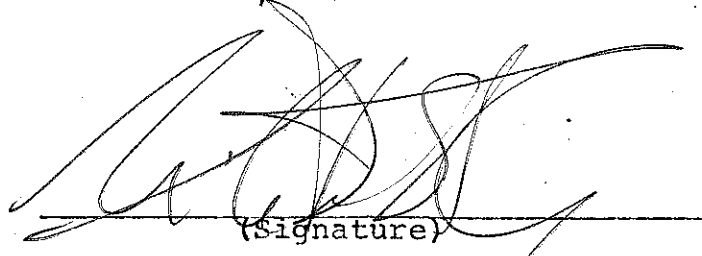

An Ordinance to Amend the Bloomington Municipal Code
Title 15 Regarding Parking and Loading Zones.

The City of Bloomington has power to make laws regarding certain aspects of parking and traffic control on its streets, and these are collected in the "Vehicles and Traffic" sections of the Bloomington Municipal Code. Consequently, when parking, speed zone, or sign changes are found to be required by the Traffic Commission or other member of the City administration, the Council must amend the code to incorporate the changes.

This ordinance makes changes in the parking sections of the code and creates a loading and unloading zone as follows: It creates parallel parking (unlimited time) on South Side 14th Street between College and Madison, creates loading and unloading zone on the South side of the 400 block of West Dodds Street and 35 feet east of Rogers Street; creates two hour parking zone on West side of Morton between 9th and 10th Streets; creates no parking zones on South Side of 1000 block of East 14th Street; West side of Eastside Drive between Atwater and Third Street; North side of 14th Street between College and Madison; creates metered parking spaces of first two parking spaces on West side of 200 block North College Avenue; and first two parking spaces West of alley in 200 block West Sixth Street on South side of street.

I HEREBY MOVE THAT ORDINANCE 76-38

BE INTRODUCED AND READ AT FIRST READING AT THE COUNCIL
MEETING HELD ON JUNE 17
