SYNOPSIS

ORDINANCE 76-03

An Ordinance Transferring Appropriations within the General Fund, Parks & Recreation Fund, and Rosehill Cemetery Fund.

When money is budgeted for use by the City departments, it is broken into "line items", such as services personal, equipment, etc. State law requires that an appropriation from one item cannot be used for something covered by another line item without a budget transfer by action of the Common Council.

Several City departments have assessed their budget as the end of the fiscal year approaches. They are able to determine those areas where an appropriation will be underspent and transferred in order to open new opportunities in the area of another appropriation. Or, if they have bills weighing on one empty appropriation, they can now make a decision not to spend money left in another area so that the bill can be met by transfer.

I HEREBY MOVE THAT ORDINANCE 76-23

BE INTRODUCED AND READ AT FIRST READING AT THE COUNCIL

MEETING ON November 18, 1976
