SYNOPSIS

APPROPRIATION ORDINANCE 76- 11AN ORDINANCE TO APPROPRIATE FUNDS FROM THE GENERAL FUND TO THE BOARD OF
PUBLIC WORKS

Under state law, no money can be spent by the city without authorization from the Council in the form of an appropriation ordinance. Since the monies covered by this ordinance were not part of the budget for 1976 passed last August, they must now be approved by the Council if they are to be spent.

Both of these items represent reimbursements by other governmental units of expenses paid by the Board of Works. The County has reimbursed the City for the County's share of some remodeling to the Court room; the Utilities department has paid back a portion of one of the salaries included in the franchise agreement amendment which was paid out before the agreement was finalized from Board of Works funds.

When the money was receipted, it was placed according to law in the unappropriated balance of the General Fund. This special appropriation simply moves money which has been reimbursed back into the accounts where it can be used properly.

No new monies are drawn on for this appropriation; the appropriation will not affect the tax rate.
