

RESOLUTION 17-22

**A FISCAL PLAN AND POLICY RESOLUTION FOR ANNEXING
CONTIGUOUS TERRITORY TO THE CITY OF BLOOMINGTON,
MONROE COUNTY, INDIANA**

South Island Bloomington Annexation Area

- WHEREAS, the City of Bloomington, Indiana ("City") has identified several areas outside of the City's current municipal boundaries for annexation to the City, of which the "South Island Bloomington Annexation Area" is one; and
- WHEREAS, Ind. Code § 36-4-3-3.1 requires that an annexing municipality develop a written fiscal plan and establish a definite policy, by resolution of the legislative body, before mailing notification to landowners of the annexation public hearing; and
- WHEREAS, the City engaged Reedy Financial Group, P.C., municipal financial and annexation consultants, to develop a written fiscal plan and policy for the provision of municipal services to the annexation areas, including the estimated effect on taxpayers, municipal finances, and other political subdivisions, that meets the requirements of Ind. Code § 36-4-3-13(d); and
- WHEREAS, Reedy Financial worked with the City to develop a comprehensive fiscal plan for the several areas identified for annexation, which fiscal plan is then divided into separate fiscal plans for each area, including the South Island Bloomington Annexation Area; and
- WHEREAS, the written fiscal plan and definite policy provide for the provision of City services of a noncapital nature to the annexation territory within one (1) year after the effective date of annexation, including fire protection beginning the date the ordinance is effective, in a manner equivalent in standard and scope to those noncapital services provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density; and
- WHEREAS, the written fiscal plan and definite policy provide for the provision of City services of a capital nature to the annexation territory within three (3) years after the effective date of annexation in the same manner the services are provided to areas within the current corporate boundaries, regardless of similar topography, patterns of land use, and population density, and in a manner consistent with federal, state and local laws, procedures, and planning criteria; and
- WHEREAS, the written fiscal plan and definite policy provide for the cost estimates of planned services, the methods of financing the planned services, and the organization and extension of services; and
- WHEREAS, the written fiscal plan and definite policy provide for the estimated effect of the proposed annexations on taxpayers, municipal finances, and other political subdivisions for four (4) years after the effective date of the annexation; and
- WHEREAS, the written fiscal plan and definite policy include a list of all parcels of property in the annexation territory including owner names, parcel identification numbers, and most recent assessed value; and

WHEREAS, the Common Council finds that the fiscal plan represents a credible commitment by the City to provide the several annexation areas, including the South Island Bloomington Annexation Area, with comparable capital and non-capital services in accordance with Ind. Code § 36-4-3-13(d).

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, MONROE COUNTY, INDIANA, THAT:
