Interdepartmental Memo

TO: Common- Council SUBJ: Budget Transfer
FROM: City Controller DATE: 12/18/74

Because the first payroll in January, 1974, was reduced from the 1974 budget for the payment of the last part of December, 1973, for which period the payment was \$30.00 more than the 1974 budget called for, there is created a shortage of that amount in Line Item #11 of the Drug Commission budget. There are sufficient funds in Line Item #62 (Social Security) to transfer into the Salary account. This discrepancy was not discovered until the payroll came through; therefore, this is a request that Resolution No. 74-60 be placed on the Agenda during the December 19th meeting of the Council.

Merry Christmas!
