The program should address a previously identified priority for social services funds (as indicated in the *Service Community Assessment of Needs (SCAN)*, the City of Bloomington Housing and Neighborhood Development Department's *2005-2010 Consolidated Plan* or any other community-wide survey of social service needs); and
 2. The funds should provide a one-time investment that, through matching funds or other fiscal leveraging, makes a significant contribution to the program; and
 3. This investment in the program should lead to broad and long lasting benefits to the community; and
- WHEREAS, given the dire economic climate, the Committee decided to focus funding on emergency services which included food, shelter and medical services and made that known via the Solicitation Letter and materials; and
- WHEREAS, by the deadline at 4:00 p.m. on April 6, 2009, 16 agencies had submitted applications seeking approximately \$190,385 in funds; and

- WHEREAS, all the foregoing meetings were open to the public to attend, observe and record what transpired and a period of public comment was offered before a vote on the recommendations was taken; and
- WHEREAS, funding agreements have been executed by the 16 agencies recommended to receive funds and those agencies understand and agree to abide by the terms of those agreements; and

SYNOPSIS

This resolution brings forward the recommendations of the Jack Hopkins Social Services Funding Program Committee. The principal task of the Committee is to recommend funding for local social services agencies which offer proposals consistent with program criteria. Over the last 16 years (1993 – 2008), the City has expended in excess of \$1.7 million dollars to local social services programs. In 2009, the City decided to increase the annual amount of funds for this program from \$165,000 to \$180,000. The resolution allocates the social services funds to 16 agency programs, approves the funding agreements with these agencies, accepts the report of the Committee, and authorizes the chair of the Committee to resolve any questions regarding the interpretation of the agreements.

Note: This resolution was revised after it was distributed in the Legislative Packet but before it was introduced to correct the name of Councilmember Piedmont-Smith in the third whereas clause.
