

RESOLUTION NO. 70-20
OF THE COMMON COUNCIL OF THE
CITY OF BLOOMINGTON, INDIANA

WHEREAS, the Board of Public Works of the City of
Bloomington, Indiana, did on the 23rd day of June, 1970,
confirm a resolution recommending the location, size and character
of and the probable cost of acquiring and developing additional
off-street parking lots within the City of Bloomington,
which resolution is as follows:

RESOLUTION NO. 70-7
OF THE BOARD OF PUBLIC WORKS AND SAFETY
OF THE CITY OF BLOOMINGTON, INDIANA

TO THE COMMON COUNCIL
OF THE CITY OF BLOOMINGTON,
INDIANA:

WHEREAS, Alan M. Voorhees and Associates, Inc., consultants of St. Louis, Missouri, employed by the City, have made surveys and studies to determine the need for off-street parking facilities, and their proper location, giving due consideration to the free and safe movement of traffic and the terminal points and concentration of such traffic, and the adequacy of existing privately-owned parking lots; and

WHEREAS, plats, descriptions, plans and drawings have been prepared, together with a general estimate of the cost of acquisition, construction and installation of off-street parking facilities; and

WHEREAS, the Board now finds that upon investigation it has been found necessary for the proper protection of the public safety and welfare, and will be of public utility and benefit to the City of Bloomington and its citizens to construct and maintain the off-street parking facilities hereinafter described, and for such purpose to acquire by purchase and appropriation the property hereinafter described.

NOW, THEREFORE, THE BOARD OF PUBLIC WORKS in accordance with the Acts of the General Assembly of 1955, Chapter 190, now states its intention to proceed with the establishment of the municipally owned off-street parking facilities in accordance with the recommendations of Alan M. Voorhees, Associates, Inc.

THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF BLOOMINGTON, INDIANA, that it finds that it is necessary for the proper protection of the public safety and

welfare and will be of public utility and benefit to the City of Bloomington and its citizens to construct and maintain off-street parking facilities hereinafter described and for the purpose of establishing and maintaining such off-street parking facilities to acquire by purchase or by appropriation the property hereinafter described.

Such off-street parking facilities shall be established upon the following described real estate situated in the City of Bloomington, Monroe County, Indiana:

- PROJECT A-70 In Lot Number 108 and Out Lot Number 354 of the City of Bloomington, Indiana, the same being more generally described as lying at the east end of the block between Fifth and Fourth Streets and fronting on Dunn Street.
- PROJECT B-70 In Lots Number 187 and 188 of the City of Bloomington, Indiana, the same being generally described as the Northwest quarter block between Fifth and Sixth Streets and Washington and Lincoln Streets in said City, now occupied by the Monroe County Public Library.
- PROJECT C-70 In Lots Number 265, 266, 267 and 268 of the City of Bloomington, Indiana, the same being generally described as the North one-half block between College and Morton Streets and Sixth and Seventh Streets in said City.
- PROJECT D-70 In Lots Number 157, 158, 195 and 196 of the City of Bloomington, Indiana, the same being generally described as the West one-half of the block between Fifth and Sixth Streets and College Avenue and Morton Street in said City.

BE IT FURTHER RESOLVED THAT THE BOARD OF PUBLIC WORKS now finds that the estimated cost of the property proposed to be acquired and the construction of the proposed parking facilities thereon is \$2,725,000.00.

BE IT FURTHER RESOLVED that a copy of this Resolution be published in each daily newspaper within the City of Bloomington once each week for two (2) weeks, and that the Board of Public Works

meet upon the 23rd day of June, 1970 to hear all persons interested in or affected by such proceedings and consider any remonstrances or objections filed and finally determine the public utility and benefit of the proposed parking facilities hereinabove described to the City of Bloomington and its citizens.
