(a) Except as otherwise expressly provided herein, references to “the City” in this Chapter shall mean the Department of Public Works, acting through its Director, Director’s designee or an agent appointed hereunder. The City may issue permits for its parking garages and lots allowing their use without the application of time charges that would otherwise apply. The City shall negotiate leases for Lots 12 and 13. The City through its Board of Public Works may contract with one or more agents to administer on its behalf and at its direction the provisions of this Chapter relating to one or more City parking facilities.

(b) Garage and lot permit fees are specified in Schedule V of this Chapter. The City may issue permits for durations other than one year by prorating the annual fee to match the permit’s term. A reserved lease grants parking privileges for a particular parking space in one specific municipal lot or garage. A nonreserved parking lease grants parking privileges within a designated area in a specific municipal lot or garage, and that area shall exclude reserved lease spaces and meter only spaces.

(c) No permit shall be issued under this Chapter except upon:

Violation of any provision of a permit lease shall constitute a violation of this Chapter subject to all penalties and remedies provided herein, including but not limited to revocation of the permit or permits covered by the lease.

(d) The City shall determine the number and type of permits to be issued and the method for their allocation. The presence of a price in Schedule V does not necessarily mean that the corresponding parking permit is available.

(e) No permit will be issued until all outstanding debts, related to the vehicle associated with the permit or the vehicle’s owner, owed to the city of Bloomington or any of its agencies, have been paid. This includes, but is not limited to, all outstanding penalties for parking violations.

This includes, but is not limited to, all outstanding penalties for parking violations.

(g) A parking permit holder may not resell, sublet or otherwise distribute the permit to another party without a written agreement with the City to do so.

(h) A parking permit holder may enter into a written agreement with the City for the distribution of parking permits to its employees or tenants.

(1) Should the holder charge another party for use of a permit more than it paid for the permit, the City may cancel any and all permits held by the holder, in addition to invoking all other penalties and remedies available hereunder.

(2) The City reserves the right to withhold the release of the permit or permits until it is provided all requested information regarding the final user or users and their vehicle(s) pursuant to subsection (c).

(3) The City reserves the right to withhold the release of a permit until all outstanding debts, related to the vehicle associated with the permit final user or the vehicle's owner, and any other debts owed to the City of Bloomington or any of its agencies, have been paid. This includes, but is not limited to, all outstanding penalties for parking violations.

(i) A parking permit holder may not resell or sublet the permit to another party for a fee greater than the prorated equivalent price the permit holder paid to the city of Bloomington for the permit. Should the holder charge another party for use of a permit more than it paid for the permit, the City may cancel any and all permits held by the holder, in addition to invoking all other penalties and remedies available hereunder.

(j) The charge for duplicate permits and parking garage access cards for reserved parking spaces shall be ten dollars each and shall be available under conditions determined by the City. Use of such duplicates for any purpose other than that determined by the City may result in the cancellation of the original permit, in addition to invoking all other penalties and remedies available hereunder.
