

Appropriation Ordinance No. 1, 1954

City of Bloomington, Indiana

An Ordinance specially appropriation from the General Funds not otherwise appropriated of the City of Bloomington, Monroe County, Indiana, and reducing funds heretofore appropriated for the use of Departments of said City, to meet the extraordinary emergencies found to exist in the various Departments.

BE IT ORDAINED, by the Common Council of the City of Bloomington, Monroe County, Indiana:

Section 1. That there be, and hereby is, appropriated from the General Funds of said City, not otherwise appropriated, to meet the extraordinary emergencies found to exist for the expenditure of more money for the current year, 1954, than was set out in detail in the Budget as finally adopted, and appropriations as finally made, the following sums to the funds and Departments of the City of Bloomington, Indiana:

1. City Administration

(a) #58 - Gross Income Tax \$ 100.00

(An audit by the State Department of Revenue finds this amount is due on 1950 income from sale of property, and this was not anticipated at the time the Budget for 1954 was prepared.)

2. Board of Health

(a) #252 - Repair Equipment 30.00  
(b) #362 - Stationary & Printing 25.00

(It has been found necessary to have repairs made to the typewriter owned by the Board of Health and to have more printing than was anticipated on the 1954 Budget.)

3. Engineering Department

#114 - Office Assistant, Regular 2,400.00  
#121 - Engineer 2,400.00  
#334 - Garage and Motor Supplies 50.00

(Since the inauguration of the 1953 Water Works Improvement Program, it has been found necessary to have additional help in the Engineer's office, and additional funds in the motor equipment fund)

Section 2. That there be, and hereby is, appropriated from the Special Funds of the respective Departments of said City, not otherwise appropriated, the following sums to the funds and Departments of the City of Bloomington, Indiana:

1. Bruner Courts

#11 - Temporary Labor 600.00  
#57 - Gross Income Taxes 365.00  
#58 - Social Security Taxes 12.00

(The temporary labor and social security taxes items are requested at this time for the purpose of repairs to the buildings, which was anticipated at the time of preparing the 1954 Budget, but covered in the Budget under a different item, and it is necessary to have part of the funds under the salary and tax items. The gross income tax item is requested to pay tax disclosed by recent audit.)

## 2. Rosehill Cemetery

#221 - Electric Current	50.00
#223 - Coal	100.00
#57 - Taxes	25.00

(The additional amounts are needed for Electric Current and Coal because these expenses are greater than was anticipated at the time the 1954 Budget was prepared. The additional amount for taxes is necessary because of the recent audit.)

## 3. Park Department

(a) #224 - Water	\$ 600.00
(b) #251/2 - Repairs to Buildings and Equipment	274.00
(c) #261 - Grading, Seeding, & Planting Bryan Park	7,500.00
(d) #321 - Coal for Golf Course	15.00
(e) #33/4 - Garage and Motor Gas and Oil, and Supplies	68.00
(f) #38 - Supplies, General	150.00
(g) #44 - Seeding & Landscaping for Golf Course	143.00
(h) #57 - Taxes	1,550.00

(Most of these requests for additional amounts are occasioned by the fact that the 1953 Budget was not sufficient to pay all bills incurred, because of emergencies and unexpected needs, and additional amounts are needed to take care of these bills. The amount requested for Bryan Park Development represents balance remaining in the 1953 appropriation and not used in 1953 because it was impossible to have the work done before the end of the year. The amount requested for taxes is made up of additional gross income tax due, and property tax for the West Ninth Street Park which it is anticipated will be due this year.)

## 4. Aviation Department

(a) #57 - Taxes	110.00
-----------------	--------

(This additional amount for taxes is needed to take care of the amount due according to recent audit.)

## 5. Parking Meter Fund

(a) 725 - Office Equipment	125.00
----------------------------	--------

(This amount is requested to replace a coin sorter machine which has been in use for several years, and now has a broken part. This amount represents cost of new machine less allowance for the old machine.)

Section 3. That there be, and hereby is, reduced from certain funds of the various Departments of said City, hereinafter referred to, for the reason that the amounts previously appropriated are in excess of actual needs at this time, and these funds may be returned to the unappropriated funds of the General or Special Funds from which they were appropriated, as follows:

1. Board of Health - #344 - Other Institutional & Medical Supplies	30.00
- #363 - Other Office Supplies	25.00
2. Engineering Department - #114 - Office Assistant & Engineer	4,800.00
3. Bruner Courts - #251 - Repairs to Buildings	612.00

Section 4. This Ordinance shall be in full force and effect from and after its passage by the Common Council and its approval by the Mayor, subject to the approval of the State Board of Tax Commissioners.

Passed and adopted by the Common Council of the City of Bloomington, Indiana, this 2 day of March, 1954.
