The Issuer shall issue its Notes in one or more series, as described above, in the aggregate principal amount not to exceed \$11,000,000, for the purpose of procuring funds to loan to the Borrower in order to finance the acquisition, renovation, improvement and equipping of the Project which Notes will be payable as to principal and interest solely from the payments made by the Borrower pursuant to the Financing Documents to evidence and secure said loan and as otherwise provided in the above-described Financing Documents. SECTION 10. It is hereby determined that the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project. In making the foregoing determination, the Council has solely relied upon representations of the Borrower. The foregoing determinations shall not be construed to be a representation or warranty by the Issuer as to the feasibility or viability of the Project. The Council hereby authorizes and directs the Clerk to review and make the foregoing determination again for and on behalf of the Issuer at the request of the Borrower, following receipt of supporting materials submitted by the Borrower to the Indiana Housing and Community Development Authority ("IHCDA") and either written representations of the Borrower or of IHCDA to the effect that (i) the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project and (ii) the Project satisfies the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan. Such determinations shall occur on or about the date of the sale of the Notes to the purchasers thereof and on or about the date that each building of the Project is placed in service. In reliance upon the representations of the Borrower, it is hereby found and determined that the Project satisfies the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan.

SECTION 11. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 12. All ordinances, resolutions and orders or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.
