SYNOPSIS

This ordinance amends the 2015 Ordinance Fixing Salaries for the City of Bloomington by adding one position to the Office of the Mayor, merging two temporary part-time positions into one full-time position and assigning that position to either the Department of Economic and Sustainable Development or to the Public Works Department. The ordinance also eliminates the position of Receptionist from the Controller's Department. That position will be re-assigned to either the Department of Economic and Sustainable Development or to the Public Works Department. These positions have been added/re-assigned to offer improved delivery of operations in each respective department. In addition, this ordinance changes the titles of two existing positions in the Parks Department to more accurately reflect the duties of these positions.

Note: Ord 16-05 was amended by Am 01 which made a change in job title to a position in the City's ITS department. The change shifted the title of "Systems and Network Administrator" to "Systems Administrator." The change was made to better reflect the job description of this position and bears no fiscal impact.
