ORDINANCE 05-11

**TO AMEND TITLE 9
OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "WATER"
(Rate Adjustment)**

- WHEREAS, the City of Bloomington, Indiana ("City") owns and operates a waterworks system, through its Utilities Service Board, pursuant to IC 8-1.5-2 and -3, as amended ("Act"), which waterworks system is subject to the jurisdiction of the Indiana Utility Regulatory Commission ("Commission"); and,
- WHEREAS, the current rates and charges of the waterworks system of the City were established by the order of the Commission in Cause No. 42083 on May 15, 2002; and,
- WHEREAS, the City has determined that the construction of additions and improvements to the waterworks will be necessary and that it will be necessary to finance said additions and improvements through the issuance of bonds and, if necessary, bond anticipation notes; and,
- WHEREAS, the City, through its Utilities Service Board, has engaged Crowe Chizek and Company, LLP to study the revenue requirements for the waterworks system pursuant to the provisions of the Act; and,
- WHEREAS, Crowe Chizek and Company, LLP has studied the revenue requirements of the waterworks system pursuant to the provisions of the Act and has determined that the waterworks system annual operating revenues from water service do not produce sufficient revenues to meet the requirements of the Act and that such revenues need to be increased to provide income sufficient to pay the debt service on the proposed financing of the additions and improvements to the waterworks and otherwise provide for the revenue requirements set forth in the Act, specifically IC 8-1.5-3-8; and,
- WHEREAS, based upon the aforementioned study, the Common Council of the City finds that the rates and charges of the waterworks system of the City should be increased as set forth herein so as to produce sufficient revenues to meet the requirements of the Act; and,
- WHEREAS, the Common Council of the City finds that the rates and charges set forth herein are reasonable and just and are based upon the cost of providing service to the customers of the waterworks system of the City;
