## SYNOPSIS

This Ordinance takes one of the statutory steps necessary to approve the issuance of bonds by the City of Bloomington Park District under Indiana Code § 36-10-4-35 in order to purchase new equipment for facilities operated by the City of Bloomington Parks Department, including Bryan Park Pool, Butler Park, Crestmont Park, Highland Village Park, Mills Pool, Park Ridge Park, Sherwood Oaks Park, and Twin Lakes Recreation Center.

## EXHIBIT A

The Series 2016E Bonds will be used to fund new equipment for facilities operated by the City of Bloomington Parks Department. This will include equipment to be installed at Bryan Park Pool (including equipment for the bathhouse and the pool itself), Butler Park (including improving existing playground equipment), Crestmont Park (including replacing and expanding existing playground equipment, improving the lighting at the park, resurfacing the basketball court, and installing new landscaping and shade structures), Highland Village Park (including resurfacing the basketball court), Mills Pool (including equipment for the bathhouse and the pool itself), Park Ridge Park (including installing a drinking fountain), Sherwood Oaks Park (including equipment to improve floodway drainage and the pedestrian bridge), and Twin Lakes Recreational Center (including installing all equipment necessary as a result of redesigning the interior of Twin Lakes, replacing the existing cardio equipment, replacing the existing air handling units, repaving the parking lot, installing a new barrel roof—which is expected to include replacing the gutters—and ensuring adequate disbursement of water).

The Series 2016E Bonds will also include installing various site amenities (such as drinking fountains, shade sails, tables, benches, bike racks, basketball goals, fitness stations, lighting, and interpretive signs) across the facilities operated by the City of Bloomington Parks Department.
