SYNOPSIS

Petitioner (Evergreen Place Apartments, L.P.) has filed an application for designation of the property located at 318 South Washington Street as an "Economic Revitalization Area" to facilitate a mixed use project involving the renovation of an existing building and construction of a new building on adjacent vacant property for use as low-income senior housing and commercial space. Under Indiana law the property taxes on improvements to real estate in areas designated as an "Economic Revitalization Area," may be abated for a period from one to ten years. This resolution provides that the owners of the property shall be entitled to a deduction for a period of ten (10) years. It is the first of two resolutions that must be adopted by the Council before this tax abatement may take effect.
