CAPS Commission Goals and Purpose:

Perform research and gather data on the perceptions and preferences about public safety from community members, with specific focus on perceptions and preference data gathered from minority community members, individuals who are disabled, and other often marginalized community members

Research evidence-based alternatives to traditional policing

Identify best practices in public safety globally and evaluate the efficacy of such practices for implementation in Bloomington.

Make recommendations to the Common Council, the Board of Public Safety, and/or the Mayor or the Mayor's designee on policies and programs that enhance public safety for all community members.
