- Work with city and county government and business communities to incentivize stricter, better-than-ADA standards within Bloomington city limits for new constructions of hotels, restaurants, the new convention center, etc. (Ongoing, increasing over 1-5 years)
- Work with BMV, City, IU and police department to educate drivers about accessible parking etiquette and develop methods for enforcing while educating offenders. (5 years)
- Work with City and subcontractors on effective snow removal procedures to remove access barriers to paths of travel for people with disabilities. (now and ongoing)

### Community Connections

- Increase community engagement and outreach by meeting people where they are with "Traveling CCA Meetings" (similar to Meet the Mayor) hosted by the CCA once a quarter at Stone Belt, Endwright, or other locations. (now and ongoing)
- Increase diversity of perspectives by connecting with other social service organizations that work with people with disabilities, such as the library, Beacon, HealthNet, and Middle Way House. (1-5 years)
