B-2. Bravo Award – Kip Kress

Nikki Wooten, Special Service Coordinator, presented the June Bravo Award to Kip Kress for his service as a coach in the Bloomington Girls Softball program. The Girls Softball league offers several levels of play, and focuses on responsible competition, skill building and understanding of the game. Mr. Kress is a deserving recipient of this award due to his passion and desire to help participants become better softball players. Mr. Kress has several first time players on his team this year, and these players noticeably improved week after week. Over the past three years, Coach Kress has emphasized having fun and inclusion among every one of his players, regardless of their level of talent. The Department relies on the generous gifts of time and hard work by all its volunteer coaches. Without these volunteers, the Department would not be able to offer the numerous youth sports programs. The Department is grateful for the volunteer coaches for making these programs possible.

Mr. Kress was unable to attend tonight's meeting but is grateful of the recognition and sends his regards.

The Board thanked Mr. Kress for the hard work and support he has provided to Bloomington Parks and Recreation.

B-3. Parks Partner Award – None

B-4. Staff Introduction

Ms. Harika (Ria) Upadhyayula is the Community Relation intern for BPRD. Ms. Upadhyayula is a Finance and Management major at Kelley School of Business. This is her first public sector internship and she is grateful to be able to do this with the City of Bloomington.

Ms. Ashley Miller, is the Health and Wellness intern for BPRD. Ms. Miller is a recent graduate of Taylor University with a Bachelor's of Science in Exercise Science with concentration in Health Science and Human Performance, with a minor in coaching. Ms. Miller wanted to do something in the health field and chose Exercise Science upon entering college. After watching her grandmother struggle with health issues, Ms. Miller decided she wanted to educate others in a healthy lifestyle. Ms. Miller is very excited to help with the upcoming events that will help improve the well-being of Bloomington and for the opportunity to continue to expand her current knowledge.

Mr. Jacob Miller, is the Sports Division intern for BPRD. Mr. Miller is a senior at Indiana University's School of Public and Environmental Affairs with a Bachelor's degree in Law and Public Policy with a minor in Political Science, Spanish and Educational Policy. Mr. Miller is excited to accept this position because of his interest in the intersection between government, law, policy and sports. He appreciates the opportunity to experience and learn everything he can, while contributing and giving back to the community.

The Board welcomed the interns.

C. OTHER BUSINESS

C-1. Review/Approval of Partnership Agreement with the Bloomington Parks Foundation

Ms. Paula McDevitt, Acting Director, this partnership agreement outlines the responsibility of the BPRD and the Bloomington Parks Foundation. The co-collaboration of this effort is to remove the existing trees around the downtown square, expand on the tree plot size, provide new tree grates and in addition include tree plaques. Once sponsorships have been secured, by the Bloomington Parks Foundation, the project is anticipated to begin in the fall. The cost of sponsoring a tree is \$2,000. The sponsors will contribute to a new tree, new tree grate and a plaque that is good for a ten year period.

Ms. McDevitt introduced Travis Vencel, President of Bloomington Parks Foundation.

Mr. Vencel approached the podium. The Bloomington Parks Foundation is pleased to have this agreement to work with the BPRD in replacing the downtown trees. Business and public response has been very supportive and we are hopeful the trees will be replaced over the next three years.

The Board thanked the Bloomington Parks Foundation for their support.

Mr. Joe Hoffman made a motion to approve the Partnership Agreement with the Bloomington Parks Foundation Tree Campaign. Ms. Mills seconded the motion. Motion was unanimously carried.

C-2. Review/Approval of Partnership Agreement with Mad 4 My Dog for Drool in the Pool

Mr. Bill Ream, Community Events Coordinator, this is the twelfth year for Drool in the Pool. This year, Mad 4 My Dog will be the new partner. The event will once again be held at Mills Pool and is scheduled on August 10th and 11th. Last year's event had 225 dogs and 400 humans participate. The dogs will be able to swim and participate in contests and activities. Dog vendors will be present to hand out samples, interact with the public and promote the dog specialty. Dog guards will be on duty to oversee all pool activity. All dogs must be six months old and be spayed or neutered. No humans will be allowed in the water. Animal Control officers will be on site to check dog vaccination records.

Mr. Joe Hoffman made a motion to approve the Partnership Agreement with Mad 4 My Dog for Drool in the Pool. Ms. Kathleen Mills seconded the motion. The motion was unanimously carried.

C-3 Review/Approval of contract with Above All Floors INC

Mr. John Turnbull, Sports Division Director, the basketball floors at Twin Lakes Recreation Center need to be refinished. Due to the type of foot traffic at recreation centers, the life span of these basketball floors are shorten.

Quotes to sand, refinish, and paint lines and logos, were actively requested from four companies. Above All Floors was the higher of the two submitted bids by \$1,943.00. However, staff recommends using Above All Floors for several reasons: they have an exceptional work history with us; they are local; and Cincinnati Floors quoting process and responsiveness caused concern.

The Board inquired if there are any special procedures required when the lowest bidder is not awarded the contract.

Mr. Turnbull stated when choosing a vendor they are to be defined as; a vendor who is responsive and responsible. Do they have a reputation, have they done work for you before, do they respond to your questions, do they respond to warranty work, is the vendor vetted, do they follow Affirmative Action Plan. Staff determined Above All Floors was the vendor that best met this definition.

The Board questioned if the language of the contract should contain the rules of our facilities.

Mr. McDevitt stated we would take this under advisement with our Legal Department.

Mr. Joe Hoffman made a motion to approve the contract with Above All Floors, INC for the refinishing of Twin Lakes Recreation Center basketball floors. Ms. Mills seconded the motion. The motion was unanimously carried.

C-4. Review/Approval of Contract with Milestone Contractors for Southeast Park Tennis and Basketball

Paving.

Mr. Turnbull, Sports Division Director, due to budget constraints over the past few years, the tennis courts and basketball courts at Southeast Park have been deteriorating. The release of general fund “reversion” money has given us the opportunity to proceed with this project. The condition of these courts will require a more drastic overhaul that will include grinding, filling, and covering cracks. Followed by a new layer of pavement and then a top coating will be applied. The top coating will be executed by a different company. The neighborhood association was solicited with a request to reduce the two full basketball courts to one, due to cost savings and lack of usage. The second basketball court will be dismantled and the court will be replaced with grass. The neighborhood association were in agreement of this strategy that will save approximately \$9,000 on the project. Quotes were solicited from many paving companies. One was too busy, others never provided quotes. Milestone Contractors has a good work history and of assisting the City on smaller jobs.

The Board inquired if another contract would be presented for the top coating.

Mr. Turnbull stated a contract for top coating will be presented to the Board at the August meeting.

Mr. Hoffman made a motion to approve the Contract with Milestone Contractors for Southeast Park Tennis and Basketball Paving. Ms. Mills seconded the motion. The motion was unanimously carried.

C-5 Review/Approval of the Partnership with Middle Way House for use of Mills Pool

Mr. Turnbull, Sports Division Director, Middle Way House has used Mills Pool at a discount for many years. The original price of \$250 was based on the historical cost of an individual pool pass that was price structured over six years ago. Staff is comfortable with this price for 2016, but would like to visit the benchmark and basis for the price next year. During the time they are at the pool, Middle Way House has agreed to provide supervisory personnel at a ratio of one (1) supervisor to every five (5) children and not to exceed a 50 persons total. The staff feels this is a worthwhile organization to support.

Mr. Turnbull introduced Leslie LaComte representative of Middle Way House.

Ms. LaComte approached the podium. Ms. LaComte thanked the Board for their support of Middle Way House over the last several years. Ms. LaComte stated Middle Way House serves families who are fleeing domestic violence. The Youth Empowerment Services (YES) is a program for school age children. These children are the individuals who benefit and use the pool passes. Confidentiality is highly critical for the safety of these children. As their abusers can identify families through individual passes, group passes have been requested in the past. The group pass helps maintain the confidentiality and safety of these children.

Mr. Hoffman made a motion to approve the Partnership Agreement with Middle Way House to use Mills Pool. Ms. Mills seconded the motion. The motion was unanimously carried.

C-6 Review/Approval of Summer Star Foundation Partnership Agreement for Banneker Nature Days.

Ms. Elizabeth Tompkins, Natural Resources Coordinator, this is the fifth year for this partnership. The goal of this partnership is to combine resources from BPRD and Summer Star Foundation to provide environmental education programming to participants of the Banneker Summer Food Program. Monday thru Thursday, a group of twenty (20) children, from this program, will be taken to parks throughout our system as well as other sites around Bloomington. BPRD staff will facilitate experiential environmental education programming each day. They will lead hands-on activities, games, and field trips for participants in Kindergarten through sixth grade. This is a great way to continue education through the summer months and gives urban based children an opportunity to experience nature.

Mr. Hoffman made a motion to approve the Partnership Agreement of Summer Star Foundation and Banneker Nature Days. Ms. Mills seconded the motion. Motion was unanimously carried.

D-4. Administration Division – Google Trekker Project

Julie Ramey, Community Relations Manager, the Indiana Parks and Recreation Associations has a partnership with Google. The Google Maps projects uses unique technology to capture panoramic 360 degree view of streets at eye level. The Google Trekker is a piece of technology that allows image collection of areas that are not accessible by vehicle, such as parks and trails. The BPRD, through IPRA, has use of the Google Trekker and staff will hike to capture images of the Cascades Park Trail, the B-Line Trail, the Clear Creek Trail, the Jackson Creek Trail, and the Bloomington Rail Trail. Once this project is completed, individuals will have the ability to virtually hike our trails on-line through Google Trekker. We are delighted to partner with IPRA on this project. You can follow the Google Trekker and find out where it is and what it's up to on Twitter: @INParkandRec or @BlmgtParksnRec.

Ms. McDevitt recognized Ryan Killoren, BPRD Mills Pool lifeguard, who had a successful rescue last night. Ryan will be publicly recognized in the near future. We would like to take this opportunity to thank Ryan and the aquatic staff for the excellent training skills and the success of the rescue.

Ms. McDevitt reported the accreditation visit was a success. The preliminaries of the site visit went well, with BPRD meeting 149 out of 151 standards. The application has been turned into the Accreditation Commission at the National Park and Recreation Association, with the final hearing scheduled in October. Ms. McDevitt thanked the Board for their assistance during the accreditation visit.

Ms. McDevitt stated the next Board of Park Commissioner meeting will be held Tuesday, July 26th in the Council Chambers.

TO: Board of Park Commissioners
FROM: Nikki Wooten, Community Relations Coordinator
SUBJECT: **BRAVO AWARD- Rita Stephens**
DATE: July 26, 2016

The Bloomington Parks and Recreation Department would like to recognize Rita Stephens for her service as a volunteer, specifically her service to Natural Resources program including Leonard Springs Nature Days, Bug Fest, and Adopt-a-Stream. Rita generously gave approximately 25 hours of time to Leonard Springs Nature Days. In May, Rita adopted a portion of Jackson Creek where she monitors the stream's condition, provides routine maintenance such as removing litter, and reports to the Department. She also volunteered at Bug Fest on June 25.

Rita is originally from Carmel, Indiana. After receiving a biology degree from Indiana University (IU), Rita worked for IU's Physiology department and spent ten years at Cook, Inc. Rita recently moved back to Bloomington after being gone for 25 years while her husband was in the Air Force. During her time away from Bloomington, she lived in five countries and six states. She holds master's degrees in Biology and Science Education.

"There was no question about where I wanted to move when my husband retired from the Air Force, I love the community, university, and the natural history of the area, plus we both still have lots of friends living here," Rita says.

Rita decided to volunteer for Bloomington Parks and Recreation to re-connect with the community and to re-learn the area's native species and geology. She enjoys volunteering with old friends and meeting new ones. Rita loves the enthusiasm of the other volunteers, the kids, and families involved in the programs.

Rita is the ideal volunteer—she signs up well in advance, shows up early, and has a fantastic attitude! Rita's passion for protecting the environment, expertise in biology, and approachability make her an excellent advocate of our work.

"It is very rewarding to see children and adults get excited about experiencing and learning about their natural environment. The BPR programs are some of the best I have seen throughout my travels, I am proud to be a part of them," she says.

Rita earned a 2016 Indiana Master Naturalist Certification and is finalizing a National Wildlife Habitat Steward Certification. In her spare time, Rita enjoys soccer, birding, hiking, cycling, and being with friends.

We are pleased to present Rita with the BRAVO award for her exceptional service to the Department's Natural Resources program.

**SUBJECT: REVIEW/APPROVAL OF CONTRACT AWARD
TIF FUNDED PROJECTS
BUSKIRK-CHUMLEY THEATER CINEMA IMPROVEMENTS**

Recommendation

Staff recommends the approval of a TIF funded contract through Entertainment Supply & Technologies at a cost of \$101,390.00 for improvements to the Buskirk-Chumley Theater cinema systems.

Background

This project to replace and upgrade the BCT's cinema capability along with a contract for audio system improvements previously approved by the Board, will be funded by the TIF. Contract agreements are submitted for Board review and approval so we may initiate purchase orders and proceed with completion of these projects. Although funding is provided by the TIF, as holder of the deed for this facility an approved contract through the Board of Park Commissioners is required.

Completion of the sound and cinema equipment upgrades at the Buskirk-Chumley Theater will allow staff to more aggressively pursue film programming; adding an estimated 50 events per year, all of which would enhance the BCT's revenue collections through admissions and concession sales.

RESPECTFULLY SUBMITTED,

Dave Williams, Operations Director

ARTICLE 4. GENERAL PROVISIONS

4.01 CONTRACTOR agrees to indemnify and hold harmless CITY and its officers, agents, officials and employees for any and all claims, actions, causes of action, judgments and liens arising out of any negligent act or omission by CONTRACTOR or any of its officers, agents, officials, employees, or subcontractors or any defect in materials or workmanship of any supply, materials, mechanism or other product or service which it or any of its officers, agents, officials, employees, or subcontractors has supplied to CITY or has used in connection with this Agreement and regardless of whether or not it is caused in part by a party indemnified herein under. Such indemnity shall include attorney's fees and all costs and other expenses arising there from or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein.

4.02 Abandonment, Default and Termination

4.02.01 CITY shall have the right to abandon the work contracted for in this Agreement without penalty. If CITY abandons the work described herein, CONTRACTOR shall deliver to CITY all surveys, notes, drawings, specifications and estimates completed or partially completed and these shall become the property of CITY. The earned value of the work performed shall be based upon an estimate of the proportion between the work performed by CONTRACTOR under this Agreement and the work which CONTRACTOR was obligated to perform under this Agreement. This proportion shall be mutually agreed upon by CITY and CONTRACTOR. The payment made to CONTRACTOR shall be paid as a final payment in full settlement of his services hereunder.

4.02.02 If CONTRACTOR defaults or fails to fulfill in a timely and proper manner the obligations pursuant to this Agreement, CITY may, after seven (7) days' written notice has been delivered to CONTRACTOR, and without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to CONTRACTOR. In the alternative, CITY, at its option, may terminate this Agreement and take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by CONTRACTOR, and may finish the project by whatever method it

may deem expedient, and if the such action exceeds the unpaid balance of the sum amount, CONTRACTOR or his surety, shall pay the difference to CITY.

4.02.03 **Default** If CONTRACTOR breaches this Agreement or fails to perform the work in an acceptable manner, he shall be considered in default. Any one or more of the following will be considered a default:

- Failure to begin the work under this Agreement within the time specified.
- Failure to perform the work with sufficient supervision, workmen, equipment and materials to insure prompt completion of said work within the time limits allowed.
- Unsuitable performance of the work as determined by City Superintendent of Operations or his representative.
- Neglecting or refusing to remove defective materials or failure to perform anew such work as shall have been rejected.
- Discontinuing the prosecution of the work or any part of it.
- Inability to finance the work adequately.
- If, for any other reason, CONTRACTOR breaches this Agreement or fails to carry on the work in an acceptable manner.

4.02.04 CITY shall send CONTRACTOR a written notice of default. If CONTRACTOR, or his Surety, within a period of ten (10) days after such notice, fails to remedy the default, then CITY shall have full power and authority, without violation of the Contract, to take the prosecution of the work out of the hands of said CONTRACTOR, to appropriate or use any or all materials and equipment on the ground as may be suitable and acceptable, and may, at its option, turn the work over to the Surety, or enter into an agreement with another Contractor for the completion of the Agreement according to the terms and provisions thereof, or CITY may use such other methods as, in its opinion, shall be required for the completion of said Contract in an acceptable manner.

4.02.05 All cost of completing the work under the Contract shall be deducted from the monies due or which may become due to said CONTRACTOR. In case the expenses so incurred by CITY shall be less than the sum which would have been payable under the Contract if it had been completed by said CONTRACTOR, CONTRACTOR shall be entitled to receive the difference. However, in case such expense shall exceed the sum which would have been payable under the Contract, CONTRACTOR and his Surety will be liable and shall pay to CITY the amount of said excess. By taking over the prosecution of the work, CITY does not forfeit the right to recover damages from CONTRACTOR or his Surety for his failure to complete the work in the time specified.

4.02.06 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of the Agreement by CITY are at any time not forthcoming or are insufficient, through failure of any entity to appropriate the funds or otherwise, then CITY shall have the right to terminate this Agreement without penalty by giving prior written notice documenting the lack of funding in which instance, unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void.

4.02.07 CITY agrees that it will make its best effort to obtain sufficient funds, including but not limited to, including in its budget for each fiscal period during the term hereof a request for sufficient funds to meet its obligations hereunder in full.

4.03 Successors and Assigns

4.03.01 Both parties agree that for the purpose of this Agreement, CONTRACTOR shall be an Independent Contractor and not an employee of CITY.

4.03.02 No portion of this Agreement shall be sublet, assigned, transferred or otherwise disposed of by CONTRACTOR except with the written consent of CITY being first obtained. Consent to sublet, assign, transfer, or otherwise dispose of any portion of this Agreement shall not be construed to relieve CONTRACTOR of any responsibility of the fulfillment of this Agreement.

4.04 Extent of Agreement: Integration

4.04.01 This Agreement consists of the following parts, each of which is as fully a part of this Agreement as if set out herein:

1. This Agreement and its Attachments.
2. All Written Amendments and other documents amending, modifying, or supplementing the Contract Documents which may be delivered or issued after the Effective Date of the Agreement and are not attached hereto.

The decision as to whether or not such material or equipment is equal to that specified shall be made by the City Director of Operations or his representative. The approval by the City Director of Operations or his representative of alternate material or equipment as being equivalent to that specified, shall not in any way relieve CONTRACTOR of responsibility for failure of the material or equipment due to faulty design, material, or workmanship, to perform the function required by the Contract Documents. Specifications as determined by other entities within the City of Bloomington such as City Utilities shall only be substituted or changed by their approval which shall be submitted in writing to the City Director of Operations or his representative.

4.11 Amendments/Changes

4.11.01 Except as provided in Paragraph 5.11.02, this Agreement may be amended only by written instrument signed by both CITY and CONTRACTOR.

4.11.02 Without invalidating the Agreement and without notice to any surety, CITY may, at any time or from time to time, order, in writing, additions, deletions, or revisions in the work. Upon receipt of any such document, CONTRACTOR shall promptly proceed with the work involved, which will be performed under the applicable conditions of the Agreement Documents.

4.11.03 If CONTRACTOR believes that any direction of CITY under paragraph 5.11.02, or any other event or condition, will result in an increase in the Contract time or price, he shall file written notice with CITY no later than twenty (20) calendar days after the occurrence of the event giving rise to the claim and stating the general nature of the claim with supporting data. No claim for any adjustment of the Contract time or price will be valid if not submitted in accordance with this Paragraph.

4.11.04 CONTRACTOR shall carry on the work and adhere to the progress schedule during all disputes or disagreements with CITY. No work shall be delayed or postponed pending resolution of any dispute or disagreement except as CONTRACTOR and CITY may otherwise agree in writing.

4.12 Payment of Subcontractors CONTRACTOR shall pay all subcontractors, laborers, material suppliers and those performing services to CONTRACTOR on the project under this Agreement. CITY may, as a condition precedent to any payment hereunder, require CONTRACTOR to submit satisfactory evidence of payments of any and all claims of subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR. Upon receipt of a lawful claim, CITY shall withhold money due to CONTRACTOR in a sufficient amount to pay the subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR.

4.13 Written Notice Written notice shall be considered as served when delivered in person or sent by mail to the individual, firm, or corporation, or to the last business address of such known to CONTRACTOR who serves the Notice. Notice shall be sent as follows:

TO CITY:

TO CONTRACTOR:

City of Bloomington/Buskirk-Chumley Theater	Entertainment Supply & Technologies, LLC
Attn: Jacob Lish, Technical Director	Attn: Barney Bailey, President and CEO
114 East Kirkwood Ave.	3820 Northdale Blvd., Suite 308B
Bloomington, Indiana 47408	Tampa, FL 33624

4.14 Severability and Waiver In the event that any clause or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect any other provision of this Agreement. Failure of either party to insist on strict compliance with any provision of this Agreement shall not constitute waiver of that party's right to demand later compliance with the same or other provisions of this Agreement.

4.15 Notice to Proceed CONTRACTOR shall not begin the work pursuant to the "Scope of Work" of this Agreement until it receives an official written Notice to Proceed from the City. Contractor shall start active and continuous work on the Agreement within five (5) calendar days after the date of the Notice to Proceed. In no case shall work begin prior to the date of the Notice to Proceed. If a delayed starting date is indicated in the proposal, the five (5) calendar day limitation will be waived. Work day charges will then begin on a date mutually agreed upon, but not later than the delayed starting date specified. In the event that any Agreement is canceled after an award has been made but prior to the issuing of the Notice to Proceed, no reimbursement will be made for any expenses accrued relative to this contract during that period.

4.16 Steel or Foundry Products

4.16.01 To comply with Indiana Code 5-16-8, affecting all contracts for the construction, reconstruction, alteration, repair, improvement or maintenance of public works, the following provision shall be added: If steel or foundry products are to be utilized or supplied in the performance of any contract or subcontract, only domestic steel or foundry products shall be used. Should CITY feel that the cost of domestic steel or foundry products is unreasonable; CITY will notify CONTRACTOR in writing of this fact.

4.16.02 Domestic Steel products are defined as follows:
"Products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two (2) or more of such operations, from steel made in the United States by open hearth, basic oxygen, electric furnace, Bessemer or other steel making process."

4.16.03 Domestic Foundry products are defined as follows:
"Products cast from ferrous and nonferrous metals by foundries in the United States."

4.16.04 The United States is defined to include all territory subject to the jurisdiction of the United States.

4.16.05 CITY may not authorize or make any payment to CONTRACTOR unless CITY is satisfied that CONTRACTOR has fully complied with this provision.

4.17 Verification of Employees' Immigration Status

CONTRACTOR is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). CONTRACTOR shall sign an affidavit, attached as Attachment B, affirming that CONTRACTOR does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code Chapter 12 or by the U.S. Attorney General.

CONTRACTOR and any of its subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the CONTRACTOR or any of its subcontractors learns is an unauthorized alien. If the City obtains information that the CONTRACTOR or any of its subcontractors employs or retains an employee who is an unauthorized alien, the City shall notify the CONTRACTOR or its subcontractors of the Agreement violation and require that the violation be remedied within thirty (30) calendar days of the date of notice. If the CONTRACTOR or any of its subcontractors verify the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the CONTRACTOR or its subcontractor did not knowingly employ an unauthorized alien. If the CONTRACTOR or its subcontractor fails to remedy the violation within the thirty (30) calendar day period, the City shall terminate the Agreement, unless the City determines that terminating the Agreement would be detrimental to the public interest or public property, in which case the City may allow the Agreement to remain in effect until the City procures a new contractor. If the City terminates the Agreement, the CONTRACTOR or its subcontractor is liable to the City for actual damages.

CONTRACTOR shall require any subcontractors performing work under this Agreement to certify to the CONTRACTOR that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. CONTRACTOR shall maintain on file all subcontractors' certifications throughout the term of this Agreement with the City.

4.18 Conflict of Interest

CONTRACTOR declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of services required under this Agreement. CONTRACTOR agrees that no person having any such interest shall be employed in the performance of this Agreement

4.19 Non-Collusion

CONTRACTOR is required to certify that it has not, nor has any other member, representative, or agent of CONTRACTOR, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference

to any other offer. CONTRACTOR shall sign an affidavit, attached hereto as Attachment C, affirming that CONTRACTOR has not engaged in any collusive conduct.

Attachment C is attached hereto and incorporated by reference as though fully set forth.

IN WITNESS WHEREOF, the parties of this Agreement have hereunto set their hands.

ARTICLE 2. SERVICES

2.01 CONTRACTOR shall complete all work required under this Agreement on or before October 21, 2016, unless the parties mutually agree to a later completion date. Substantial Completion shall mean completion of all work.

2.02 CONTRACTOR agrees that no charges or claims for damages shall be made by him for any delays or hindrances, from any cause whatsoever during the progress of any portion of the services specified in the Agreement. Such delays or hindrances, if any, may be compensated for

by an extension of time for a reasonable period as may be mutually agreed upon between the parties, it being understood, however, that permitting CONTRACTOR to proceed to complete any service, or any part of the services / project, after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of CITY of any of its rights herein.

ARTICLE 3.COMPENSATION

3.01 CONTRACTOR shall provide services as specified in Attachment A, “Scope of Work”, attached hereto and incorporated into this Agreement.

3.02 Upon the submittal of approved claims, CITY shall compensate CONTRACTOR in a lump sum not to exceed One Hundred Twenty-Three Thousand, Two-Hundred Fifty dollars and zero cents (\$123,250.00). This amount shall include all reimbursable services.

CONTRACTOR shall submit an invoice to the City upon the completion of the services described in the SCOPE OF WORK. The invoice shall be sent to:

City of Bloomington
Attn: Dave Williams, Operations Director
401 N. Morton St., Suite 250
Bloomington, Indiana 47404

Payment will be remitted to CONTRACTOR within forty-five (45) days of receipt of invoice. Payment under this Agreement is subject to the appropriation and availability of funds. If funds for the CITY’s costs are not forthcoming or are insufficient, through the failure of any entity—including the CITY—to appropriate funds, then the CITY shall have the right to immediately terminate this Contract without penalty.

Additional services not set forth in Scope of Work, changes in work, or incurred expenses in excess of amounts provided herein must be authorized in writing by the CITY prior to such work being performed or such expenses incurred. The CITY shall not make payment for any unauthorized work or expenses.

CITY may withhold payment, in whole or in part, to the extent necessary to protect itself from a loss on account of any of the following:

- Defective work.
- Evidence indicating the probable filing of claims by other parties against CONTRACTOR which may adversely affect CITY.
- Failure of CONTRACTOR to make payments due to subcontractors, material suppliers or employees.
- Damage to CITY or a third party.

3.03 The submission of any request for payment shall be deemed a waiver and release by CONTRACTOR of all liens and claims with respect to the work and period to which such payment request pertains except as specifically reserved and noted on such request.

3.04 CONTRACTOR shall maintain proper account records for the scope of all services of this Agreement and provide an accounting for all charges and expenditures as may be necessary for audit purposes. All such records shall be subject to inspection and examination by CITY's representatives at reasonable business hours.

3.05 For projects utilizing federal funding the CONTRACTOR shall submit time sheets (WH-347) for his own and all subcontracted employees, to City Superintendent of Operations or his representative for approval and review, including review for compliance with Davis Bacon requirements, if federal funds are used.

3.06 Operations Director. The Operations Director of the Bloomington Parks and Recreation department shall act as the CITY's representative and assume all duties and responsibilities and have all the rights and authority assigned to the Director of Operations in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE 4. RETAINAGE

For contracts in excess of \$100,000, the Owner requires that retainage be held set out below.

4.01 Escrow Agent The retainage amount withheld shall be placed in an escrow account. First Financial Bank, Bloomington, Indiana, shall serve as the escrow agent.

4.02 Retainage Amount The escrow agent, Owner and Contractor shall enter into a written escrow agreement. Under that agreement, the Owner shall withhold ten percent (10%) of the dollar value of all work satisfactorily completed until the Contract work is fifty percent (50%) completed. No additional retainage shall be withheld on the remaining fifty percent (50%) of the Contract work. The escrow agent shall invest all escrowed principal in obligations selected by the escrow agent. The escrow agent shall be compensated for the agent's services by a reasonable fee, agreed upon by the parties, that is comparable with fees charged for the handling of escrow accounts of similar size and duration. The fee shall be paid from the escrow income. The escrow agent's fee may be determined by specifying an amount of interest the escrow agent will pay on the escrowed amount, with any additional earned interest serving as the escrow agent's fee. The escrow agreement may include other terms and conditions as deemed necessary by the parties.

4.03 Payment of Escrow Amount The escrow agent shall hold the escrowed principal and income until receipt of the notice from the Owner and Contractor that the Contract work has been substantially completed to the reasonable satisfaction of the Owner, at which time the Owner shall pay to the Contractor the balance to be paid under this Contract and execute such documents as are necessary to authorize the escrow agent to pay to the Contractor the funds in the escrow account, including both specifying the part of the escrowed principal to be released from the escrow and the person to whom that portion is to be released. After receipt of the notice, the escrow agent shall remit the designated part of the escrowed principal and the escrowed income, minus the escrow agent's fees, to the person specified in the notice. However, nothing in this section shall prohibit Owner from requiring the escrow agent to withhold amounts necessary to complete minor items of the Contract, following substantial completion of the Contract in accordance with the provisions of paragraph 4.04.

4.04 Withholding Funds for Completion of Contract If, upon substantial completion of the Contract, there still remains minor Contract work that needs to be completed, or minor Contract work that needs to be performed to the satisfaction of the Owner, Owner may direct the escrow agent to retain in the escrow account, and withhold from payment to the Contractor, an amount equal to two hundred percent (200%) of the value of said work. The value of said work shall be determined by the architect/Superintendent of Operations or his representative. The escrow agent shall release the funds withheld under this section after receipt of notice from the Owner that all work on the Contract has been satisfactorily completed. In the event that said work is not completed by the Contractor, but by Owner or another party under contract with the Owner, said funds shall be released to the Owner.

ARTICLE 5. GENERAL PROVISIONS

5.01 CONTRACTOR agrees to indemnify and hold harmless CITY and its officers, agents, officials and employees for any and all claims, actions, causes of action, judgments and liens arising out of any negligent act or omission by CONTRACTOR or any of its officers, agents, officials, employees, or subcontractors or any defect in materials or workmanship of any supply, materials, mechanism or other product or service which it or any of its officers, agents, officials, employees, or subcontractors has supplied to CITY or has used in connection with this Agreement and regardless of whether or not it is caused in part by a party indemnified herein under. Such indemnity shall include attorney's fees and all costs and other expenses arising there from or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein.

5.02 Abandonment, Default and Termination

5.02.01 CITY shall have the right to abandon the work contracted for in this Agreement without penalty. If CITY abandons the work described herein, CONTRACTOR shall deliver to CITY all surveys, notes, drawings, specifications and estimates completed or partially completed and these shall become the property of CITY. The earned value of the work performed shall be based upon an estimate of the proportion between the work performed by CONTRACTOR under this Agreement and the work which CONTRACTOR was obligated to perform under this Agreement. This proportion shall be mutually agreed upon by CITY and CONTRACTOR. The payment made to CONTRACTOR shall be paid as a final payment in full settlement of his services hereunder.

5.02.02 If CONTRACTOR defaults or fails to fulfill in a timely and proper manner the obligations pursuant to this Agreement, CITY may, after seven (7) days' written notice has been delivered to CONTRACTOR, and without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to CONTRACTOR. In the alternative, CITY, at its option, may terminate this Agreement and take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by CONTRACTOR, and may finish the project by whatever method it may deem expedient, and if the such action exceeds the unpaid balance of the sum amount, CONTRACTOR or his surety, shall pay the difference to CITY.

5.02.03 **Default:** If CONTRACTOR breaches this Agreement or fails to perform the work in an acceptable manner, he shall be considered in default. Any one or more of the following will be considered a default:

- Failure to begin the work under this Agreement within the time specified.
- Failure to perform the work with sufficient supervision, workmen, equipment and materials to insure prompt completion of said work within the time limits allowed.
- Unsuitable performance of the work as determined by City Superintendent of Operations or his representative.
- Neglecting or refusing to remove defective materials or failure to perform anew such work as shall have been rejected.
- Discontinuing the prosecution of the work or any part of it.
- Inability to finance the work adequately.
- If, for any other reason, CONTRACTOR breaches this Agreement or fails to carry on the work in an acceptable manner.

5.02.04 CITY shall send CONTRACTOR a written notice of default. If CONTRACTOR, or his Surety, within a period of ten (10) days after such notice, fails to remedy the default, then CITY shall have full power and authority, without violation of the Contract, to take the prosecution of the work out of the hands of said CONTRACTOR, to appropriate or use any or all materials and equipment on the ground as may be suitable and acceptable, and may, at its option, turn the work over to the Surety, or enter into an agreement with another Contractor for the completion of the Agreement according to the terms and provisions thereof, or CITY may use such other methods as, in its opinion, shall be required for the completion of said Contract in an acceptable manner.

5.02.05 All cost of completing the work under the Contract shall be deducted from the monies due or which may become due to said CONTRACTOR. In case the expenses so incurred by CITY shall be less than the sum which would have been payable under the Contract if it had been completed by said CONTRACTOR, CONTRACTOR shall be entitled to receive the difference. However, in case such expense shall exceed the sum which would have been payable under the Contract, CONTRACTOR and his Surety will be liable and shall pay to CITY the amount of said excess. By taking over the prosecution of the work, CITY does not forfeit the right to recover damages from CONTRACTOR or his Surety for his failure to complete the work in the time specified.

5.02.06 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of the Agreement by CITY are at any time not forthcoming or are insufficient, through failure of any entity to appropriate the funds or otherwise, then CITY shall have the right to terminate this Agreement without penalty by giving prior written notice documenting the lack of funding in which instance, unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void.

5.02.07 CITY agrees that it will make its best effort to obtain sufficient funds, including but not limited to, including in its budget for each fiscal period during the term hereof a request for sufficient funds to meet its obligations hereunder in full.

5.03 Successors and Assigns

5.03.01 Both parties agree that for the purpose of this Agreement, CONTRACTOR shall be an Independent Contractor and not an employee of CITY.

5.03.02 No portion of this Agreement shall be sublet, assigned, transferred or otherwise disposed of by CONTRACTOR except with the written consent of CITY being first obtained. Consent to sublet, assign, transfer, or otherwise dispose of any portion of this Agreement shall not be construed to relieve CONTRACTOR of any responsibility of the fulfillment of this Agreement.

5.04 Extent of Agreement: Integration

5.04.01 This Agreement consists of the following parts, each of which is as fully a part of this Agreement as if set out herein:

1. This Agreement and its Attachments.

5.09 Workmanship and Quality of Materials

5.09.01 CONTRACTOR shall guarantee the work for a period of one (1) year from the date of substantial completion. Failure of any portion of the work within one (1) year due to improper construction, materials of construction, or design may result in a refund to CITY of the purchase price of that portion which failed or may result in forfeiture of CONTRACTOR's Performance Bond.

5.09.02 OR EQUAL: Wherever in any of the Agreement Documents an article, material or equipment is defined by describing a proprietary product, or by using the name of a manufacturer or vender, the term "Or Equal" or the term "The Equivalent" if not inserted, shall be implied, and it is done for the express purpose of establishing a basis of durability and efficiency and not for the purpose of limiting completion. Whenever material or equipment is submitted for approval as being equal to that specified, the submittal shall include sufficient information and data to demonstrate that the material or equipment conforms to the Contract requirements. The decision as to whether or not such material or equipment is equal to that specified shall be made by the City Director of Operations or his representative. The approval by the City Director of Operations or his representative of alternate material or equipment as being equivalent to that specified, shall not in any way relieve CONTRACTOR of responsibility for failure of the material or equipment due to faulty design, material, or workmanship, to perform the function required by the Contract Documents. Specifications as determined by other entities within the City of Bloomington such as City Utilities shall only be substituted or changed by their approval which shall be submitted in writing to the City Director of Operations or his representative.

5.11.01 Except as provided in Paragraph 5.11.02, this Agreement may be amended only by written instrument signed by both CITY and CONTRACTOR.

5.11.02 Without invalidating the Agreement and without notice to any surety, CITY may, at any time or from time to time, order, in writing, additions, deletions, or revisions in the work. Upon receipt of any such document, CONTRACTOR shall promptly proceed with the work involved, which will be performed under the applicable conditions of the Agreement Documents.

5.11.03 If CONTRACTOR believes that any direction of CITY under paragraph 5.11.02, or any other event or condition, will result in an increase in the Contract time or price, he shall file written notice with CITY no later than twenty (20) calendar days after the occurrence of the event giving rise to the claim and stating the general nature of the claim with supporting data. No claim for any adjustment of the Contract time or price will be valid if not submitted in accordance with this Paragraph.

5.11.04 CONTRACTOR shall carry on the work and adhere to the progress schedule during all disputes or disagreements with CITY. No work shall be delayed or postponed pending resolution of any dispute or disagreement except as CONTRACTOR and CITY may otherwise agree in writing.

5.12.02 Failure by CONTRACTOR to perform the work in a timely or satisfactory fashion may result in forfeiture of CONTRACTOR'S Performance Bond.

5.12.03 If the surety on any bond furnished by CONTRACTOR becomes a party to supervision, liquidation, or rehabilitation action pursuant Indiana Code 27-9 *et seq.* or its right to do business in the State of Indiana is terminated, CONTRACTOR shall, within thirty (30) calendar days thereafter, substitute another bond and surety, both of which must be acceptable to CITY.

5.13 Payment of Subcontractors CONTRACTOR shall pay all subcontractors, laborers, material suppliers and those performing services to CONTRACTOR on the project under this Agreement. CITY may, as a condition precedent to any payment hereunder, require CONTRACTOR to submit satisfactory evidence of payments of any and all claims of subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR. Upon receipt of a lawful claim, CITY shall withhold money due to CONTRACTOR in a sufficient

amount to pay the subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR.

5.14 Written Notice Written notice shall be considered as served when delivered in person or sent by mail to the individual, firm, or corporation, or to the last business address of such known to CONTRACTOR who serves the Notice. Notice shall be sent as follows:

TO CITY:

TO CONTRACTOR:

City of Bloomington	Cusak’s Masonry Restoration, Inc.
Attn: Dave Williams, Operations Director	Attn: Doug Cusak, President
401 N. Morton St., Suite 250	P.O. Box 220
Bloomington, Indiana 47404	Hubbardston, MI 48845

5.15 Severability and Waiver In the event that any clause or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect any other provision of this Agreement. Failure of either party to insist on strict compliance with any provision of this Agreement shall not constitute waiver of that party’s right to demand later compliance with the same or other provisions of this Agreement.

5.16 Notice to Proceed CONTRACTOR shall not begin the work pursuant to the “Scope of Work” of this Agreement until it receives an official written Notice to Proceed from the City. Contractor shall start active and continuous work on the Agreement within five (5) calendar days after the date of the Notice to Proceed. In no case shall work begin prior to the date of the Notice to Proceed. If a delayed starting date is indicated in the proposal, the five (5) calendar day limitation will be waived. Work day charges will then begin on a date mutually agreed upon, but not later than the delayed starting date specified. In the event that any Agreement is canceled after an award has been made but prior to the issuing of the Notice to Proceed, no reimbursement will be made for any expenses accrued relative to this contract during that period.

5.17 Steel or Foundry Products

5.17.01 To comply with Indiana Code 5-16-8, affecting all contracts for the construction, reconstruction, alteration, repair, improvement or maintenance of public works, the following provision shall be added: If steel or foundry products are to be utilized or supplied in the performance of any contract or subcontract, only domestic steel or foundry products shall be used. Should CITY feel that the cost of domestic steel or foundry products is unreasonable; CITY will notify CONTRACTOR in writing of this fact.

5.17.02 Domestic Steel products are defined as follows:
 “Products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two (2) or more of such operations, from steel made in the United States by open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.”

5.17.03 Domestic Foundry products are defined as follows:
 “Products cast from ferrous and nonferrous metals by foundries in the United States.”

5.17.04 The United States is defined to include all territory subject to the jurisdiction of the United States.

5.17.05 CITY may not authorize or make any payment to CONTRACTOR unless CITY is satisfied that CONTRACTOR has fully complied with this provision.

5.18 Verification of Employees' Immigration Status

CONTRACTOR is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). CONTRACTOR shall sign an affidavit, attached as Attachment B, affirming that CONTRACTOR does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code Chapter 12 or by the U.S. Attorney General.

CONTRACTOR and any of its subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the CONTRACTOR or any of its subcontractors learns is an unauthorized alien. If the City obtains information that the CONTRACTOR or any of its subcontractors employs or retains an employee who is an unauthorized alien, the City shall notify the CONTRACTOR or its subcontractors of the Agreement violation and require that the violation be remedied within thirty (30) calendar days of the date of notice. If the CONTRACTOR or any of its subcontractors verify the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the CONTRACTOR or its subcontractor did not knowingly employ an unauthorized alien. If the CONTRACTOR or its subcontractor fails to remedy the violation within the thirty (30) calendar day period, the City shall terminate the Agreement, unless the City determines that terminating the Agreement would be detrimental to the public interest or public property, in which case the City may allow the Agreement to remain in effect until the City procures a new contractor. If the City terminates the Agreement, the CONTRACTOR or its subcontractor is liable to the City for actual damages.

CONTRACTOR shall require any subcontractors performing work under this Agreement to certify to the CONTRACTOR that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. CONTRACTOR shall maintain on file all subcontractors' certifications throughout the term of this Agreement with the City.

5.19 Conflict of Interest

CONTRACTOR declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of services required under this Agreement. CONTRACTOR agrees that no person having any such interest shall be employed in the performance of this Agreement

5.20 Non-Collusion

CONTRACTOR is required to certify that it has not, nor has any other member, representative, or agent of CONTRACTOR, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. CONTRACTOR shall sign an affidavit, attached hereto as Attachment C, affirming that CONTRACTOR has not engaged in any collusive conduct.

Attachment C is attached hereto and incorporated by reference as though fully set forth.

IN WITNESS WHEREOF, the parties of this Agreement have hereunto set their hands.

TO: Board of Parks Commissioners
FROM: **Becky Barrick-Higgins**
DATE: **July 26, 2016**
SUBJECT: **REVIEW/APPROVAL OF DECLARATION OF SURPLUS EQUIPMENT FROM
BUSKIRK-CHUMLEY THEATER**

Recommendation

Staff recommends the following equipment currently located either at the Buskirk-Chumley Theater or at Bloomington Parks and Recreation Department be declared as surplus. See attached list for details.

Background

The Buskirk-Chumley Theater (BCT) is owned by the City of Bloomington. The Parks and Recreation Department oversees the asset management of the property as well as providing oversight for the management of the Theater via a contract with BCT Management, Inc., a private non-profit organization. Funding for this arrangement comes from the Redevelopment Commission via the Downtown Tax-Increment Finance District.

Some of the sound, stage and theater equipment at the BCT is no longer functional, reached it maturity, or has been upgraded and is no longer useful to the theater. This equipment is deemed to be surplus by staff. The Board of Park Commissioners must declare this equipment surplus for it to be removed from the facility. After equipment has been declared surplus, City Legal has advised us of the following options: equipment can be sold individually on an internet auction site such as E-bay, donated to a local non-profit organization, used for trade-in value, or entered into the City auction.

The BCT has given some of the equipment to the Parks Department to be included as inventory in the Parks sound equipment inventory. BCT intends for some equipment to be used for trade-in value to aid in purchasing new equipment at reduced cost. If BCT cannot find a vendor to trade in, they would like to be able to sell the equipment and in turn, purchase new equipment.

RESPECTFULLY SUBMITTED,

Becky Barrick-Higgins

SUBJECT: REVIEW/APPROVAL OF CONTRACT WITH HARRIS BARRIERS
CORPORATION FOR SOUTHEAST PARK TENNIS AND BASKETBALL
COATING

Recommendation

Staff recommends the approval of this contract with Harris Barriers Corporation for \$11,314.

Background

The tennis courts and basketball courts at Southeast Park have been deteriorating over the last several years. The release of general fund 'reversion' money from 2015 has made this project possible. The paving portion of this project has been completed and the paving has to cure for at least 30 days before it can be coated.

Under the terms of this agreement, Harris Barriers will apply the standard four coats of Laykold Colorcoat System on both tennis courts and the one basketball court. Then lines will be painted to finish the job.

Quotes were solicited from the two coating vendors located in central Indiana. Leslie Coatings did not submit a bid as their production schedule is full of school and college jobs. Harris Barriers has been our vendor of choice over the years with excellent references and solid work.

RESPECTFULLY SUBMITTED,

John Turnbull, Division Director Sports

**AGREEMENT
BETWEEN
CITY OF BLOOMINGTON
PARKS AND RECREATION DEPARTMENT
AND
THE HARRIS BARRIER CORPORATION
FOR
COLORCOAT AND STRIPE 2 TENNIS COURTS AND 1 BASKETBALL COURT**

THIS AGREEMENT, executed by and between the City of Bloomington, Parks and Recreation Department through its Board of Park Commissioners (hereinafter CITY), and The Harris Barrier Corporation, (hereinafter CONTRACTOR);

WITNESSETH THAT:

WHEREAS, CITY desires to retain CONTRACTOR'S services for **SCOPE OF WORK** (more particularly described in Attachment A, "Scope of Work"); and

WHEREAS, in accordance with Indiana Code 5-16-13 et seq., incorporated herein by reference, Contractor is a Tier 1 or General Contractor for this project; and

WHEREAS, CONTRACTOR is capable of performing work as per his/her proposal; and

WHEREAS, CONTRACTOR, based upon his/her proposal, was determined to be the most advantageous to the City for the said project.

NOW, THEREFORE, in consideration of the mutual promises hereinafter enumerated, the parties agree as follows:

ARTICLE 1. TERM

1.01 This Agreement shall be in effect upon execution of this Agreement by all parties. In accordance with Indiana Code 5-16-13 *et seq.*, incorporated herein by reference, Contractor is a Tier 1 contractor or general contractor for this project.

ARTICLE 2. SERVICES

2.01 CONTRACTOR shall complete all work required under this Agreement on or before October 30, 2016, unless the parties mutually agree to a later completion date. Substantial Completion shall mean completion of all work.

2.02 CONTRACTOR agrees that no charges or claims for damages shall be made by him for any delays or hindrances, from any cause whatsoever during the progress of any portion of the services specified in the Agreement. Such delays or hindrances, if any, may be compensated for by an extension of time for a reasonable period as may be mutually agreed upon between the parties, it being understood, however, that permitting CONTRACTOR to proceed to complete any

service, or any part of the services / project, after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of CITY of any of its rights herein.

ARTICLE 3.COMPENSATION

3.01 CONTRACTOR shall provide services as specified in Attachment A, “Scope of Work”, attached hereto and incorporated into this Agreement.

3.02 Upon the submittal of approved claims, CITY shall compensate CONTRACTOR in a lump sum not to exceed Eleven Thousand Three Hundred Fourteen and no Cents (\$11,314.00).

This amount shall include all reimbursable services.

CONTRACTOR shall submit an invoice to the City upon the completion of the services described in the SCOPE OF WORK. The invoice shall be sent to:

City of Bloomington
Attn: John Turnbull, Division Director Sports
401 N. Morton, Suite 250
Bloomington, Indiana 47404

Payment will be remitted to CONTRACTOR within forty-five (45) days of receipt of invoice. Payment under this Agreement is subject to the appropriation and availability of funds. If funds for the CITY’s costs are not forthcoming or are insufficient, through the failure of any entity—including the CITY—to appropriate funds, then the CITY shall have the right to immediately terminate this Contract without penalty.

Additional services not set forth in Scope of Work, changes in work, or incurred expenses in excess of amounts provided herein must be authorized in writing by the CITY prior to such work being performed or such expenses incurred. The CITY shall not make payment for any unauthorized work or expenses.

CITY may withhold payment, in whole or in part, to the extent necessary to protect itself from a loss on account of any of the following:

- Defective work.
- Evidence indicating the probable filing of claims by other parties against CONTRACTOR which may adversely affect CITY.
- Failure of CONTRACTOR to make payments due to subcontractors, material suppliers or employees.
- Damage to CITY or a third party.

3.03 The submission of any request for payment shall be deemed a waiver and release by CONTRACTOR of all liens and claims with respect to the work and period to which such payment request pertains except as specifically reserved and noted on such request.

3.04 CONTRACTOR shall maintain proper account records for the scope of all services of this Agreement and provide an accounting for all charges and expenditures as may be necessary for audit purposes. All such records shall be subject to inspection and examination by CITY's representatives at reasonable business hours.

3.05 For projects utilizing federal funding the CONTRACTOR shall submit time sheets (WH-347) for his own and all subcontracted employees, to Division Director of Sports or his representative for approval and review, including review for compliance with Davis Bacon requirements, if federal funds are used.

3.06 **Division Director Sports.** The Division Director of Sports or his representative shall act as the CITY's representative and assume all duties and responsibilities and have all the rights and authority assigned to the Division Director of Sports in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE 4. RETAINAGE

For contracts in excess of \$100,000, the Owner requires that retainage be held set out below.

4.01 **Escrow Agent** The retainage amount withheld shall be placed in an escrow account. First Financial Bank, Bloomington, Indiana, shall serve as the escrow agent.

4.02 **Retainage Amount** The escrow agent, Owner and Contractor shall enter into a written escrow agreement. Under that agreement, the Owner shall withhold ten percent (10%) of the dollar value of all work satisfactorily completed until the Contract work is fifty percent (50%) completed. No additional retainage shall be withheld on the remaining fifty percent (50%) of the Contract work. The escrow agent shall invest all escrowed principal in obligations selected by the escrow agent. The escrow agent shall be compensated for the agent's services by a reasonable fee, agreed upon by the parties, that is comparable with fees charged for the handling of escrow accounts of similar size and duration. The fee shall be paid from the escrow income. The escrow agent's fee may be determined by specifying an amount of interest the escrow agent will pay on the escrowed amount, with any additional earned interest serving as the escrow agent's fee. The escrow agreement may include other terms and conditions as deemed necessary by the parties.

4.03 **Payment of Escrow Amount** The escrow agent shall hold the escrowed principal and income until receipt of the notice from the Owner and Contractor that the Contract work has been substantially completed to the reasonable satisfaction of the Owner, at which time the Owner shall pay to the Contractor the balance to be paid under this Contract and execute such documents as are necessary to authorize the escrow agent to pay to the Contractor the funds in the escrow account, including both specifying the part of the escrowed principal to be released from the escrow and the person to whom that portion is to be released. After receipt of the notice, the escrow agent shall remit the designated part of the escrowed principal and the escrowed income, minus the escrow agent's fees, to the person specified in the notice. However, nothing in this section shall prohibit Owner from requiring the escrow agent to withhold amounts necessary

to complete minor items of the Contract, following substantial completion of the Contract in accordance with the provisions of paragraph 4.04.

4.04 Withholding Funds for Completion of Contract If, upon substantial completion of the Contract, there still remains minor Contract work that needs to be completed, or minor Contract work that needs to be performed to the satisfaction of the Owner, Owner may direct the escrow agent to retain in the escrow account, and withhold from payment to the Contractor, an amount equal to two hundred percent (200%) of the value of said work. The value of said work shall be determined by the architect/Superintendent of Operations or his representative. The escrow agent shall release the funds withheld under this section after receipt of notice from the Owner that all work on the Contract has been satisfactorily completed. In the event that said work is not completed by the Contractor, but by Owner or another party under contract with the Owner, said funds shall be released to the Owner.

ARTICLE 5. GENERAL PROVISIONS

5.01 CONTRACTOR agrees to indemnify and hold harmless CITY and its officers, agents, officials and employees for any and all claims, actions, causes of action, judgments and liens arising out of any negligent act or omission by CONTRACTOR or any of its officers, agents, officials, employees, or subcontractors or any defect in materials or workmanship of any supply, materials, mechanism or other product or service which it or any of its officers, agents, officials, employees, or subcontractors has supplied to CITY or has used in connection with this Agreement and regardless of whether or not it is caused in part by a party indemnified herein under. Such indemnity shall include attorney's fees and all costs and other expenses arising there from or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein.

5.02 Abandonment, Default and Termination

5.02.01 CITY shall have the right to abandon the work contracted for in this Agreement without penalty. If CITY abandons the work described herein, CONTRACTOR shall deliver to CITY all surveys, notes, drawings, specifications and estimates completed or partially completed and these shall become the property of CITY. The earned value of the work performed shall be based upon an estimate of the proportion between the work performed by CONTRACTOR under this Agreement and the work which CONTRACTOR was obligated to perform under this Agreement. This proportion shall be mutually agreed upon by CITY and CONTRACTOR. The payment made to CONTRACTOR shall be paid as a final payment in full settlement of his services hereunder.

5.02.02 If CONTRACTOR defaults or fails to fulfill in a timely and proper manner the obligations pursuant to this Agreement, CITY may, after seven (7) days' written notice has been delivered to CONTRACTOR, and without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to CONTRACTOR. In the alternative, CITY, at its option, may terminate this Agreement and take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by CONTRACTOR, and may finish the project by whatever method it

may deem expedient, and if the such action exceeds the unpaid balance of the sum amount, CONTRACTOR or his surety, shall pay the difference to CITY.

5.02.03 **Default:** If CONTRACTOR breaches this Agreement or fails to perform the work in an acceptable manner, he shall be considered in default. Any one or more of the following will be considered a default:

- Failure to begin the work under this Agreement within the time specified.
- Failure to perform the work with sufficient supervision, workmen, equipment and materials to insure prompt completion of said work within the time limits allowed.
- Unsuitable performance of the work as determined by City Superintendent of Operations or his representative.
- Neglecting or refusing to remove defective materials or failure to perform anew such work as shall have been rejected.
- Discontinuing the prosecution of the work or any part of it.
- Inability to finance the work adequately.
- If, for any other reason, CONTRACTOR breaches this Agreement or fails to carry on the work in an acceptable manner.

5.02.04 CITY shall send CONTRACTOR a written notice of default. If CONTRACTOR, or his Surety, within a period of ten (10) days after such notice, fails to remedy the default, then CITY shall have full power and authority, without violation of the Contract, to take the prosecution of the work out of the hands of said CONTRACTOR, to appropriate or use any or all materials and equipment on the ground as may be suitable and acceptable, and may, at its option, turn the work over to the Surety, or enter into an agreement with another Contractor for the completion of the Agreement according to the terms and provisions thereof, or CITY may use such other methods as, in its opinion, shall be required for the completion of said Contract in an acceptable manner.

5.02.05 All cost of completing the work under the Contract shall be deducted from the monies due or which may become due to said CONTRACTOR. In case the expenses so incurred by CITY shall be less than the sum which would have been payable under the Contract if it had been completed by said CONTRACTOR, CONTRACTOR shall be entitled to receive the difference. However, in case such expense shall exceed the sum which would have been payable under the Contract, CONTRACTOR and his Surety will be liable and shall pay to CITY the amount of said excess. By taking over the prosecution of the work, CITY does not forfeit the right to recover damages from CONTRACTOR or his Surety for his failure to complete the work in the time specified.

5.02.06 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of the Agreement by CITY are at any time not forthcoming or are insufficient, through failure of any entity to appropriate the funds or otherwise, then CITY shall have the right to terminate this Agreement without penalty by giving prior written notice documenting the lack of funding in which instance, unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void.

5.02.07 CITY agrees that it will make its best effort to obtain sufficient funds, including but not limited to, including in its budget for each fiscal period during the term hereof a request for sufficient funds to meet its obligations hereunder in full.

5.03 Successors and Assigns

5.03.01 Both parties agree that for the purpose of this Agreement, CONTRACTOR shall be an Independent Contractor and not an employee of CITY.

5.03.02 No portion of this Agreement shall be sublet, assigned, transferred or otherwise disposed of by CONTRACTOR except with the written consent of CITY being first obtained. Consent to sublet, assign, transfer, or otherwise dispose of any portion of this Agreement shall not be construed to relieve CONTRACTOR of any responsibility of the fulfillment of this Agreement.

5.04 Extent of Agreement: Integration

5.04.01 This Agreement consists of the following parts, each of which is as fully a part of this Agreement as if set out herein:

1. This Agreement and its Attachments.

5.05 Insurance

5.05.01 CONTRACTOR shall, as a prerequisite to this Agreement, purchase and thereafter maintain such insurance as will protect him from the claims set forth below which may arise out of or result from CONTRACTOR'S operations under this Agreement, whether such operations be by CONTRACTOR or by any SUBCONTRACTORS or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

C) That there may be deducted from the amount payable to CONTRACTOR, by CITY, under this Agreement, penalty of Five Dollars (\$5.00) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement. Any such person discriminated against retains the right to file a discrimination complaint with the appropriate civil rights agency or court.

D) That this Agreement may be canceled or terminated by CITY and all money due or to become hereunder may be forfeited, for a second or any subsequent violations of the terms or conditions under this section of the Agreement.

5.09 Workmanship and Quality of Materials

5.09.01 CONTRACTOR shall guarantee the work for a period of one (1) year from the date of substantial completion. Failure of any portion of the work within one (1) year due to improper construction, materials of construction, or design may result in a refund to CITY of the purchase price of that portion which failed or may result in the forfeiture of CONTRACTOR's Performance Bond.

5.09.02 OR EQUAL: Wherever in any of the Agreement Documents an article, material or equipment is defined by describing a proprietary product, or by using the name of a manufacturer or vender, the term "Or Equal" or the term "The Equivalent" if not inserted, shall be implied, and it is done for the express purpose of establishing a basis of durability and efficiency and not for the purpose of limiting completion. Whenever material or equipment is submitted for approval as being equal to that specified, the submittal shall include sufficient information and data to demonstrate that the material or equipment conforms to the Contract requirements. The decision as to whether or not such material or equipment is equal to that specified shall be made by the City Division Director Sports or his representative. The approval by the City Division Director Sports or his representative of alternate material or equipment as being equivalent to that specified, shall not in any way relieve CONTRACTOR of responsibility for failure of the material or equipment due to faulty design, material, or workmanship, to perform the function required by the Contract Documents. Specifications as determined by other entities within the City of Bloomington such as City Utilities shall only be substituted or changed by their approval which shall be submitted in writing to the City Director of Operations or his representative.

5.09.03 CITY shall be the sole judge of the sufficiency of workmanship and quality of materials. Disputes shall be resolved by the Director of Parks and Recreation and are not subject to arbitration.

5.10 Safety. CONTRACTOR shall be responsible for the safety of employees at all times and shall provide all equipment necessary to insure their safety. CONTRACTOR shall ensure the enforcement of all applicable safety rules, regulations, ordinances and laws, whether federal, state or local. Contractor's Superintendent of Safety shall make daily inspections upon the arrival and leaving of the site at the close of each workday.

5.11 Amendments/Changes

5.11.01 Except as provided in Paragraph 5.11.02, this Agreement may be amended only by written instrument signed by both CITY and CONTRACTOR.

5.11.02 Without invalidating the Agreement and without notice to any surety, CITY may, at any time or from time to time, order, in writing, additions, deletions, or revisions in the work. Upon receipt of any such document, CONTRACTOR shall promptly proceed with the work involved, which will be performed under the applicable conditions of the Agreement Documents.

5.11.03 If CONTRACTOR believes that any direction of CITY under paragraph 5.11.02, or any other event or condition, will result in an increase in the Contract time or price, he shall file written notice with CITY no later than twenty (20) calendar days after the occurrence of the event giving rise to the claim and stating the general nature of the claim with supporting data. No claim for any adjustment of the Contract time or price will be valid if not submitted in accordance with this Paragraph.

5.11.04 CONTRACTOR shall carry on the work and adhere to the progress schedule during all disputes or disagreements with CITY. No work shall be delayed or postponed pending resolution of any dispute or disagreement except as CONTRACTOR and CITY may otherwise agree in writing.

5.12 Performance Bond and Payment Bond

5.12.01 For contracts in excess of \$100,000, CONTRACTOR shall provide CITY with a Performance Bond and a Payment Bond in the amount of one hundred percent (100%) of the contract amount.

5.12.02 Failure by CONTRACTOR to perform the work in a timely or satisfactory fashion may result in forfeiture of CONTRACTOR'S Performance Bond.

5.12.03 If the surety on any bond furnished by CONTRACTOR becomes a party to supervision, liquidation, or rehabilitation action pursuant Indiana Code 27-9 *et seq.* or its right to do business in the State of Indiana is terminated, CONTRACTOR shall, within thirty (30) calendar days thereafter, substitute another bond and surety, both of which must be acceptable to CITY.

5.13 Payment of Subcontractors CONTRACTOR shall pay all subcontractors, laborers, material suppliers and those performing services to CONTRACTOR on the project under this Agreement. CITY may, as a condition precedent to any payment hereunder, require CONTRACTOR to submit satisfactory evidence of payments of any and all claims of subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR. Upon receipt of a lawful claim, CITY shall withhold money due to CONTRACTOR in a sufficient amount to pay the subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR.

5.14 Written Notice Written notice shall be considered as served when delivered in person or sent by mail to the individual, firm, or corporation, or to the last business address of such known to CONTRACTOR who serves the Notice. Notice shall be sent as follows:

TO CITY:	TO CONTRACTOR:
City of Bloomington	The Harris Barrier Corporation
Attn: John Turnbull, Division Director Sports	Attn: Dave Bleizeffer
401 N. Morton, Suite 250	PO Box 88243
Bloomington, Indiana 47404	Indianapolis, IN 46208

5.15 Severability and Waiver In the event that any clause or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect any other provision of this Agreement. Failure of either party to insist on strict compliance with any provision of this Agreement shall not constitute waiver of that party’s right to demand later compliance with the same or other provisions of this Agreement.

5.16 Notice to Proceed CONTRACTOR shall not begin the work pursuant to the “Scope of Work” of this Agreement until it receives an official written Notice to Proceed from the City. Contractor shall start active and continuous work on the Agreement within five (5) calendar days after the date of the Notice to Proceed. In no case shall work begin prior to the date of the Notice to Proceed. If a delayed starting date is indicated in the proposal, the five (5) calendar day limitation will be waived. Work day charges will then begin on a date mutually agreed upon, but not later than the delayed starting date specified. In the event that any Agreement is canceled after an award has been made but prior to the issuing of the Notice to Proceed, no reimbursement will be made for any expenses accrued relative to this contract during that period.

5.17 Steel or Foundry Products

5.17.01 To comply with Indiana Code 5-16-8, affecting all contracts for the construction, reconstruction, alteration, repair, improvement or maintenance of public works, the following provision shall be added: If steel or foundry products are to be utilized or supplied in the performance of any contract or subcontract, only domestic steel or foundry products shall be used. Should CITY feel that the cost of domestic steel or foundry products is unreasonable; CITY will notify CONTRACTOR in writing of this fact.

5.17.02 Domestic Steel products are defined as follows:
“Products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two (2) or more of such operations, from steel made in the United States by open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.”

5.17.03 Domestic Foundry products are defined as follows:
“Products cast from ferrous and nonferrous metals by foundries in the United States.”

5.17.04 The United States is defined to include all territory subject to the jurisdiction of the United States.

5.17.05 CITY may not authorize or make any payment to CONTRACTOR unless CITY is satisfied that CONTRACTOR has fully complied with this provision.

5.18 Verification of Employees' Immigration Status

CONTRACTOR is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). CONTRACTOR shall sign an affidavit, attached as Attachment B, affirming that CONTRACTOR does not knowingly employ an unauthorized alien. “Unauthorized alien” is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code Chapter 12 or by the U.S. Attorney General.

CONTRACTOR and any of its subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the CONTRACTOR or any of its subcontractors learns is an unauthorized alien. If the City obtains information that the CONTRACTOR or any of its subcontractors employs or retains an employee who is an unauthorized alien, the City shall notify the CONTRACTOR or its subcontractors of the Agreement violation and require that the violation be remedied within thirty (30) calendar days of the date of notice. If the CONTRACTOR or any of its subcontractors verify the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the CONTRACTOR or its subcontractor did not knowingly employ an unauthorized alien. If the CONTRACTOR or its subcontractor fails to remedy the violation within the thirty (30) calendar day period, the City shall terminate the Agreement, unless the City determines that terminating the Agreement would be detrimental to the public interest or public property, in which case the City may allow the Agreement to remain in effect until the City procures a new contractor. If the City terminates the Agreement, the CONTRACTOR or its subcontractor is liable to the City for actual damages.

CONTRACTOR shall require any subcontractors performing work under this Agreement to certify to the CONTRACTOR that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. CONTRACTOR shall maintain on file all subcontractors' certifications throughout the term of this Agreement with the City.

5.19 Conflict of Interest

CONTRACTOR declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of services required under this Agreement. CONTRACTOR agrees that no person having any such interest shall be employed in the performance of this Agreement

5.20 Non-Collusion

CONTRACTOR is required to certify that it has not, nor has any other member, representative, or agent of CONTRACTOR, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. CONTRACTOR shall sign an affidavit, attached hereto as Attachment C, affirming that CONTRACTOR has not engaged in any collusive conduct.

Attachment C is attached hereto and incorporated by reference as though fully set forth.

IN WITNESS WHEREOF, the parties of this Agreement have hereunto set their hands.

**SUBJECT: REVIEW/APPROVAL OF DECLARATION OF SURPLUS EQUIPMENT
FOR THE GRIFFY LAKE BOATHOUSE**

Recommendation

Staff recommends six kayaks currently in inventory at the Griffy Lake Boathouse be declared as surplus.

Background

The City of Bloomington Parks and Recreation Department operates a seasonal boat rental operation at the Griffy Lake Nature Preserve. Canoes, kayaks, rowboats, and stand-up paddleboards are all available for rent from April through October each year.

With regular rentals and use, six kayaks in inventory are no longer functional. After multiple attempts to repair the damages to these boats, staff has replaced them and recommends the removal of the damaged boats from the rental fleet. The Board of Park Commissioners must declare this equipment surplus for it to be removed. After equipment has been declared surplus, City Legal has advised us of the following options: equipment can be entered into the City auction or disposed of.

BPR plans to dispose of the kayaks by recycling the plastic, if a facility can be found who will accept them. If a facility cannot be found to accept them, they will be disposed of in the landfill.

SUBJECT: **KaBOOM 2016 Playful City Designation and Play Everywhere Challenge**

Background

KaBOOM! is a national non-profit dedicated to giving all children - particularly those growing up in poverty – the childhood they deserve filled with balanced and active play, so they can thrive. The City of Bloomington has held the KaBOOM Playful City USA designation since 2007. An annual application is submitted outlining the city's commitment to play.

We are pleased to announce the City of Bloomington is again being honored with a 2016 Playful City USA designation for the ninth time. The national program honors cities and towns across the country for making their cities more playable.

The City of Bloomington has a Playful City USA committee with representatives from the City's Parks and Recreation Department, Housing and Neighborhood Development Department, Planning and Transportation Department, IU Health Bloomington, IU Health Southern Indiana Physicians. All of the members of the Bloomington Playful City Committee represent their respective departments and organizations for play related initiatives.

Programs and initiatives highlighted in the application include the GOAL program, two Open Streets events and play initiatives in all five sectors including schools, worksite, community at-large, community organizations and healthcare.

Bloomington, IN is a finalist for a "Community Dream Chalkboard" in the KaBoom Play Everywhere Challenge. The Play Committee is working on this application (due July 31, 2016). We will be notified by late August 2016.

Recommendation

For reporting purposes.

Background

The Bloomington Parks and Recreation Department along with Visit Bloomington will play host for this event that begins on Monday, August 1 and ends Sunday, August 7. At this date, we have 87 teams entered from all across the country.

This event involves the entire Parks staff and much of the Visit Bloomington staff as well. We were awarded this event back in 2014 at the Amateur Softball Association convention in Reno, Nevada. The bid finalists were Moline, IL and Sioux Falls, SD with Bloomington winning by a very slim margin.

The economic impact to our city will be in the millions. Team entries total \$52,000; gate admissions will exceed \$40,000; souvenir sales will be approximately \$37,000; and concessions sales will exceed \$20,000. The hotels are sold out in Bloomington and the surrounding areas.
