c/o Max Lauchli
706 E. Hillside Drive
Bloomington, Indiana 47401

Re: 600 E. Hillside Drive; Park South Apartments (015-26070-00, Barclay Gardens Part Lot 1)

Dear Mr. Lauchli:

The City of Bloomington's Housing and Neighborhood Development Department ("HAND"), under Indiana Code Section 36-7-9-9 and Bloomington Municipal Code Section 17.16.070, issues this **Emergency Order to Vacate** the unsafe structure located at the above-referenced property. HAND is required to give all substantial property interest holders in the above-referenced property notice of this **Emergency Order to Vacate** the unsafe structure.

The structure is being declared unsafe and this **Emergency Order to Vacate** is being issued as a result of inspections conducted by the City of Bloomington Fire Department, HAND, the Monroe County Building Department, and City of Bloomington Planning Department. All four (4) agencies agree that this **Emergency Order to Vacate** should be issued. The inspections by these four (4) agencies revealed that the property is:

- In an impaired structural condition that makes it unsafe to a person or property;
- A fire hazard;
- A hazard to the public health;
- A public nuisance; and
- Dangerous to a person or property because of violations of Bloomington Municipal Code Title 18, the Indiana Building Code, and the Indiana Fire Code concerning the building's condition and maintenance.

Inspections by representatives of the four agencies revealed that (1) emergency lighting at the above-referenced property is not in place, (2) live electrical panels are exposed, (3) not all fire doors have been installed, (4) and doors are not self-closing.

This Order is effective immediately, pursuant to the authority granted to the City by Indiana Code 36-7-9-9, as the unsafe premises described herein poses an immediate danger to the life or safety of persons using and/or visiting the property. Upon receipt of this **Emergency Order to Vacate**, all tenants of the property described herein shall immediately vacate the premises.

The law does not requires a hearing be held in regards to this **Emergency Order to Vacate** as it is being issued under the emergency provisions of Indiana Code Section 36-7-9-9. However, this **Emergency Order to Vacate** will be discussed at the City's Board of Public Works meeting scheduled for August 21, 2017, at 5:30 p.m. and HAND will ask the Board of Public Works to reauthorize this **Emergency Order to Vacate** during the meeting. The meeting will be held in the Council Chambers of City Hall located at 401 North Morton Street, Bloomington, Indiana.

You are entitled to appear at the August 21, 2017, hearing with or without legal counsel. You are entitled to present evidence, cross-examine opposing witnesses and present your arguments during this hearing.

If you fail to vacate the building in accordance with this **Emergency Order to Vacate**, the following may occur:

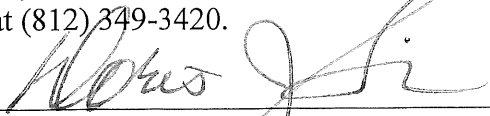

1. The City of Bloomington will have the building vacated.
2. The City of Bloomington's Board of Public Works may charge you for a fine of up to \$5,000.00, under Indiana Code section 36-7-9-7, because if you fail to vacate the building this is considered a willful failure to comply.
3. The City will bill you for any costs it incurred in vacating the building.

After you have been issued and received notice of this **Emergency Order to Vacate**, you are required under Indiana Code § 36-7-9-27, to supply full information regarding this **Emergency Order to Vacate** to any person who takes or agrees to take a substantial property interest in the unsafe property herein described before transferring or agreeing to transfer that interest.

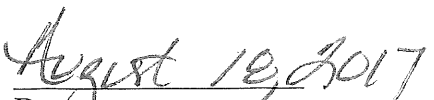

Once you have fully eliminated all life safety dangers to the satisfaction of HAND, the Monroe County Building Department and the Bloomington Fire Department, HAND will rescind this **Emergency Order to Vacate**. You must schedule reinspections with HAND, the Monroe County Building Department and the Bloomington Fire Department so that each department may determine that all life safety dangers have been resolved to their satisfaction.

Within five (5) days after transferring or agreeing to transfer a substantial property interest in the above-referenced property, you are required to provide to HAND written copies of the full name, address, and telephone number of the person taking a substantial property interest in the property, and written copies of the legal instrument under which the transfer or agreement to transfer the substantial property interest is accomplished.

If you have any questions concerning this **Order to Vacate**, please, do not hesitate to contact me at (812) 349-3420.

Staff Report

To: Board of Public Works
From: Christopher J. Wheeler, Assistant City Attorney
Date: August 8, 2017
Re: Request For Abatement of 3807 E. 3rd St., Bloomington, IN

Attachments:

1. Notice of Violation Issued June 20, 2017
2. Notice of Violation Issued June 27, 2017
3. Notice of Violation Issued July 18, 2017
4. Notice of Violation Issued July 26, 2017
5. Notice of Violation Issued August 3, 2017
6. Photographs of the property
7. Notice of Request to Abate

Facts:

1. Chapter 6.06 of the Bloomington Municipal Code (specifically Section 6.06.050) makes it unlawful for “the owner of any lot or tract of ground within the city to allow it to become overgrown with weeds, grass, or noxious plants beyond the height of eight inches or to such extent that the growth is detrimental to the public health and constitutes a nuisance.”
2. On June 13, 2017, the City of Bloomington received a uReport complaining of excessive growth at the property located at 3807 E. 3rd St., Bloomington, IN.
3. On June 27, 2017, the City of Bloomington received a second uReport also complaining of excessive growth at the property located at 3807 E. 3rd St., Bloomington, IN.
4. On five separate occasions (June 20, June 27, July 18, July 26 and August 3, 2017) Neighborhood Compliance Officer Dee Wills inspected the property located at 3807 E. 3rd St., Bloomington, IN and issued Notice of Violation (“NOV”) to Wwei Li (“Li”) because Li’s property located at 3807 E. 3rd St., on each occasion, was, and continued to be, in violation of BMC 6.06.050 in that it contained grass, weeds and/or noxious plants growing at a height exceeding 8 inches.
5. The violation has not been corrected and none of the five NOV were appealed.
6. This request for abatement ensued and a Notice of Request to Abate was provided to Li in accordance with BMC 6.06.080 by certified mail and by leaving a copy at the property located at 3807 E. 3rd Street, Bloomington, IN.

Status of the Property and Reason for Abatement:

The property at 3807 E. 3rd St., Bloomington, IN., remains in a continued state of excessive growth. Thistle is now blooming and will go to seed soon, and vermin will take refuge and nest in the excessive growth, all of which is a public nuisance. The property needs to be abated to eliminate the violation and public nuisance.

Staff Recommendation:

Staff recommends that Li's property at 3807 E. 3rd St., Bloomington, IN be abated as soon as reasonably possible as the property contains grass, weeds and noxious plants which exceed the height of eight (8) inches in violation of the City of Bloomington Municipal Code 6.06.050.

Waste and Recycling Management Plan Template

Event name: First Methodist All Church Picnic
 Number of expected attendees: 200
 Number of food vendors: 0
 Number of other vendors: 0

Designated waste and recycling manager: This may be a staff member or a volunteer. Events expecting over 100 attendees are required to designate a waste and recycling manager who will be in charge of overseeing the implementation of the waste and recycling management plan.

Event map: In the event map you submit with your event application, please clearly designate where waste and recycling bins will be placed. Each waste bin should be paired with one or more recycling bins. Also designate any larger collection areas (such as dumpsters) and the path for access by waste haulers.

TIP: Recycling bins should be visually distinct from waste bins, and all bins should be clearly labeled for easy use by attendees. ClearStream recycling bins are available for use through Downtown Bloomington, Inc.

Targeted waste: Please enumerate the types of waste expected at the event and plans for collecting each type of item using the following table. Examples are listed, but feel free to modify as appropriate.

Type of waste	Collection plan
<Containers>* <u>35gal barrels</u>	<Recycling, composting, etc.>
<Mixed paper> <u>35gal barrels</u>	<Recycling in on-site, designated bins staffed by volunteers>
<Food waste> <u>35gal barrels</u>	<Composting bins, waste bins, etc.>

*Note that "compostable" plastics are only compostable in industrial composters, which are not available in the Bloomington area. If you opt for compostable items at your event, ensure that they are compostable paper rather than plastic.

Collection and hauling system: Describe where and how waste and recycling will be collected and separated. Include information on how attendees and vendors will be educated on where materials should be placed, including signage, pre-event training and publicity, volunteer-staffed waste management stations, etc.

Events with over 100 attendees must provide staffed (by paid staff or volunteers) waste management stations to ensure that materials are separated according to the waste and recycling management plan.

Vendor and volunteer education and training: Describe your plans for educating volunteers about waste and recycling management plans at the event, and vendors on what materials will be permitted in order to comply with the Plan and to minimize waste through both reduction and recycling.

Materials and supplies: List the materials you plan to have on hand to implement the waste and recycling management plan, including bins, labels, bags, signage, etc.

Designation of duties: Clearly designate the volunteers, staff, or other individuals who will be responsible for implementing each component of the waste and recycling management plan.

We have a dedicated staff who will setup and remove all recycle materials. Plastic, paper. We remove and take care of our own recycle weekly. This will just be added to our regular.

PETITIONER:

DATE:

FIRST METHODIST UNITED & OPEN

August 9, 2017

Chief Jason Moore
300 E Fourth Street
Bloomington, IN 47408

Dear Chief Moore,

Hello, neighbor! The First United Methodist Church at 219 East 4th street is once again planning an All Church Picnic on September 10 beginning at 11 am. I will be going before the Bloomington Board of Public Works to ask for a road closure of 4th Street between Washington and Lincoln.

The estimated time of closure is Saturday, September 9 ⁶ 4pm - Sunday, September 10 3 pm. I wish to take a letter from you as representative of the Bloomington Fire Department to the Board of Public Works meeting which would state your approval of our event and of the street closing.

We realize our picnic is an inconvenience for the firehouse as you must alter your route when our block of 4th Street is closed. We have many safety concerns when such a large number (about 500) of our congregation gathers outside the building and utilizes the empty Post Office lot across the street. When we last spoke in July, you had concerns about 4th Street closing along with the construction work happening east of the firehouse during this same period of time. We briefly discussed closing 4th Street with removable barriers and keeping the north lanes free and open for the passage of fire trucks. This is something we are willing and able to do. Therefore we hope and pray you will consider our request favorably once again as you have in years past.

Of course, we extend an invitation to our picnic to everyone at the firehouse and their families. We will be serving hamburgers, hot dogs, etc . . . standard picnic fair. This year will also include a magician, oversized games and possibly lawn bowling or croquet. Please encourage your staff to attend as we would really love to have them!

Looking forward to hearing from you,

We are also very excited about hosting the Good Catholic after party.

Dear Michael,
Just wanted to check in with you to see if you have made a decision on the 2018 and beyond sponsorship. Please let me know as soon as you can.

Also, the cast and crew are super excited about the Uptown hosting the after party for The Good Catholic premiere. The details:
Sunday, Sept 17
9:30pm-11pm
50 people
a variety of appetizers and some desserts would be perfect - no special requests, so whatever would work for you.

Finally, we've requested street closure for that evening (3pm-11pm), and I'm hoping you'd be willing to write a brief note offering your support for the closing. Just an email reply to me would be adequate. The closure will allow us to have limousine arrival for the stars, and fully utilize the marquee and front of the theater for photo opportunities.

Looking forward to working with you on all of this!

Board of Public Works Staff Report

Project/Event: Bloomingfoods Co Op Vendor Fair

Staff Representative: Sean Starowitz

Petitioner/Representative: Natascha Jacob, Marketing Administrator

Date: August 22, 2017

Report: This Resolution is being amended to clarify that Bloomingfoods is also requesting the closure of West 6th Street from Madison to their parking lot. Bloomingfoods Co Op will be hosting their 2nd Vendor Fair on Saturday, September 9, 2017 (rain date September 16, 2017). This event was brought to the Board in April, but the date was rained out. Bloomingfoods has regrouped and is now requesting the use of City property for September 9, 2017 with a rain date of September 16th. In the past the event has been held in the store but now requests the use of Madison Street and 6th Street in front of their building. This will allow for expansion of the event for members and the community.

They are requesting to close N. Madison Street between W. 6th Street and the east/west alley from 9:00 a.m. until 5:00 p.m. and 6th Street from Madison to their parking lot. The Vendor Fair will include approximately 15 of their vendors, as well as a DJ, classes, yoga, and food. Set up will begin at 9:00 a.m. and Bloomingfoods Co Op commits to having Madison Street opened by 5:00 p.m. after clean up. The hours of the vendor food fair will be 11:00 a.m. until 3:00 p.m. As part of these events, they have requested a Noise Permit, and included their waste management plan.

City Staff requests the amendment of this Resolution

Runs/Walks/Parade approvals:

1. All routes that include city streets must first receive a parade permit from the Bloomington Police Department (Scott Oldham, 349-3309). Upon receiving approval, all applicants must then...
2. Contact the Department of Public Works for any street closure approvals @ 812-349-3410.
3. Lastly, if use of park land or facilities is requested, applicants must turn in an event permit application or B-Line permit application to the Parks and Recreation Department after successfully completing the above mentioned steps (Greg Jacobs, 349-3725).

Meeting:

Once the application has been approved, BPRD staff will contact the applicant to determine if a planning meeting is necessary. If deemed necessary, this meeting will be mandatory to work out all the details of the event.

Walk-through:

You are responsible for scheduling a "walk-through" of your event with park staff to review your site plan. This should take place once the application has been approved and no less than two weeks prior to the date of your event. The purpose of the walk-through is to make you completely aware of all site guidelines and to answer any additional questions you may have. Contact Greg Jacobs 812-349-3725.

Vehicles and Parking:

Vehicles are not allowed on Park property (other than streets and parking areas) without prior written approval. Failure to comply with this guideline will result in a loss of deposit. Parking is permitted in designated park parking lots.

Food and Drink:

Alcohol is not permitted in any park. Absent explicit consent from the Director of Parks and Recreation and the Park Board of Commissioners, consumption of alcoholic beverages in parks is prohibited. Persons observed consuming alcohol in violation of any law, regulation, ordinance or rule are subject to arrest. Any rental group given explicit consent to consume alcoholic beverages in the park must do so in compliance with all state and federal regulations. In addition to state and federal regulations, groups must also employ security to be present during the entire event at which alcohol is to be served.

Non-catered events serving food or beverages must place a protective material around serving areas to prevent staining and/or the contamination of Park grounds. Monroe County Health Department requirements apply for any groups planning to sell food.

Grilling in parks is only allowed where grills have been permanently installed by the Parks Department. Personal grills of any kind are not permitted. The dumping of hot coals or grease on Park property is not allowed. If either is found after an event, the amount for cleaning and removal plus labor will be retained from the damage deposit.

Trash Removal/Recycling:

You are responsible for securing additional receptacles or having your trash hauled away if park containers won't accommodate the needs for your event. Bagged trash (10 bag maximum) may be placed next to a park trash receptacle after an event for park staff to remove. You are responsible for providing trash bags and any additional trash receptacles as needed. Trash that is not disposed of properly or overfills a receptacle may result in a loss of deposit. Dumpsters are to be placed in designated areas or as approved by park staff. You are responsible for taking any recycling to the recycle center.

Portable Toilets:

You are responsible for securing the appropriate number of portable toilets for your event (1 per 500 attendees). They should be delivered at the latest date and time possible prior to your event and removed from Park property no more than 24 hours after your event ends. BPRD takes no responsibility for any damage to portable toilet prior to removal. Portable toilets are to be placed in designated areas or as approved by park staff. If portable toilets require hoses for a water source, the vendor must supply the hose.

Tents/Displays:

Bloomington Parks and Recreation is not responsible for any tents or items set up for your event. You are responsible for scheduling security to watch over your area. Staking tents is not permitted without approval. You are responsible for contacting the Parks Operation Department (JD Boruff 812-349-3498) to confirm the location of irrigation lines before any tent is staked. It is the responsibility of the renter to contact Holey Moley (1-800-382-5544) to locate any utility lines prior to staking any tents in any parks. **All components of vendor display, including tents, umbrellas and signs, must be properly secured on all sides.**

Board of Public Works Staff Report

Project/Event: Request to extend approval to close city streets at the Mathers Museum

Staff Representative: Dan Backler

Petitioner/Representative: Indiana University

Date: August 22, 2017

Report: Indiana University's Mathers Museum is located at 416 North Indiana and encompasses most of the city block from Indiana to Fess and from 8th Street to 9th Street. They have previously requested that Fess be closed between 9th Street and the midblock east/west alley. Also, the southern half of 9th Street, which is one-way west, would be closed from Fess to Indiana. In other words, the closures would be at the northeast corner of the museum property. The original requested closure was from May 8th until August 14th, 2017. The streets in the area are brick streets. Due to delays, the project will need to be extended until September 15th, 2017.

Recommendation and Supporting Justification: The area around the museum is primarily comprised of university buildings and is relatively quiet during the summer. However, three of the nearby properties are not owned by the university: 708 E 9th and 420 North Fess are owned by Elkins Apartments and 619 E. 9th is owned by Rose-Lo Properties. Both landlords were notified in writing of tonight's meeting and the scope of the project. The perimeter of the work zone will be fenced in. The closure is minimal and has little impact on traffic. They have, however, provided a traffic plan and have agreed to repair any damage they cause to the right of way including the brick streets. They are also upgrading the adjoining sidewalks and are providing a new ADA ramp at the southwest corner of 9th and Fess. Staff recommends extending approval of this extension.

Re: N. Fess Ave. and N. Woodlawn Ave. projects

Dear Board Members:

Indiana University ("IU") is in the process of improving accessibility pursuant to the Americans with Disabilities Act at the Mathers Museum of World Cultures, located at 601 E. 8th Street in Bloomington. IU obtained the approval of the Board of Public Works (the "Board") of the closure of N. Fess Ave. between 8th St. and 9th St. through August 14, 2017. I write to the Board now to request an extension of your approval of this street closure through September 15, 2017. The project's start date was delayed by a month due to unfavorable bids, which is why IU is requesting this extension. The street closure will still be for the same amount of time initially approved by the Board, the start and end dates are simply being moved back by a month. I therefore respectfully request that the Board extends its approval of the closure of N. Fess Ave. between 8th and 9th Streets through September 15, 2017.

Kind regards,

Re: N. Fess Ave. and N. Woodlawn Ave. projects

Dear Board Members:

Indiana University ("IU") is planning two projects in Bloomington, one at the Mathers Museum of World Cultures located at 601 E. 8th St. (the "Mathers Project") and one along Woodlawn Ave. between Cottage Grove Ave. and 12th St. (the "Woodlawn Project"). The Mathers Project is being undertaken to improve accessibility pursuant to the Americans with Disabilities Act ("A.D.A."). This project will involve the closing of N. Fess Ave. between 8th St. and 9th St. Both 8th St. and 9th St. will remain open, however the parallel parking on the north side of 9th St. between N. Fess Ave. and N. Indiana Ave. will need to be temporarily converted to vehicular through traffic during the project in order for 9th St. to remain open as a thoroughfare. We are respectfully requesting these restrictions through August 14, 2017.

The Woodlawn Project is being undertaken to improve the N. Woodlawn Ave. corridor. This project will involve IU granting extra right-of-way to the City of Bloomington. Certain encroachments by private property owners into the right-of-way will be removed, such as a fence, sidewalk, and trash can enclosure. IU is amicably working with these owners and will agree to build a new section of fence and trash can enclosure, and a new sidewalk will be installed as well. This project will also be complete by August 14, 2017.

IU will coordinate with the City of Bloomington and City of Bloomington Utilities, law enforcement, and transit providers to assure that this restriction and closure information is well communicated. Therefore, IU respectfully requests that the Board of Public Works approves the restrictions and closure referenced above from the date of acceptance by the Board of Public Works until August 14, 2017.

Kind regards,

Jason R. Banach

Board of Public Works Staff Report

Project/Event: Request an agreement for the encroachment of a deck into public right of way 110 N Walnut Street

Staff Representative: Dan Backler

Petitioner/Representative: Frank Perrelle, Restaurant Owner

Date: August 22, 2017

Report: This property is located at 110 N Walnut Street between Kirkwood and 6th Street. The restaurant owner is requesting an agreement with the City for an encroachment into the public right of way for a deck that will facilitate outdoor seating. The encroachment includes a deck, twelve feet, four inches (12'-4") by seven feet, eight inches (7'-8") along the west side of the building. Among the provisions included in this encroachment agreement are provision that this encroachment will carry over to any subsequent owner of the building in its current state but if the building should be demolished the encroachment agreement would be removed. Also included is the provision that if the City determined that the street or sidewalk should be improved and that the encroaching improvements interfere with the work the encroachment would have to be removed at the owner's expense. The deck meets all requirements according to Bloomington Municipal Code.

Recommendation: Staff recommends approval of the encroachment agreement.

**BOARD OF PUBLIC WORKS
RESOLUTION 2017- 78**

Encroachment with Deck for Outdoor Seating

WHEREAS, the 1928 Beaux Arts Building, LLC (hereinafter "Owner") owns the real property at 110 N Walnut in Bloomington, which real estate is more particularly described in a deed recorded as Instrument Number 2001004671 in the Office of the Recorder of Monroe County (Hereinafter "Property"); and

WHEREAS, a deck area has been proposed to be built at this location to be utilized as an outdoor dining area and described as follows: A twelve foot, four inch (12'4") by seven foot, eight inch (7'8") raised deck along the west side of the building enclosed by a railing as depicted in Exhibit A, attached hereto; and

WHEREAS, the proposed deck does not interfere with pedestrian traffic or the vehicular line of sight along the roadway; and

WHEREAS, the City of Bloomington Board of Public Works has authority pursuant to IC 36-9-2-5 to establish, vacate, maintain, and operate public ways, including air ways over sidewalks; and

NOW, THEREFORE, BE IT RESOLVED:

That the City agrees not to initiate any legal action against Owner or its successor(s) in interest regarding the encroachment into the described right of way provided that:

1. Owner agrees for itself and its successor(s) in interest to release and forever discharge, hold harmless and indemnify the City of Bloomington, its departments, officers, agents, employees and assigns for any and all claims, actions, losses or injuries, including reasonable attorney's fees, that may arise as a result of Owner's use of the right of way. In case any claim or action is brought against the City of Bloomington or any of its officers or agents, for the failure, omission or neglect of the Owner or its successor(s) to perform any of the covenants of this Resolution, or for injury or damage caused by alleged negligence of Owner or its agents, subcontractors, employees or successor(s), the Owner or its successor(s) shall indemnify and hold harmless the City and its officers, agents and assigns from any and all losses, damages, costs (including attorney's fees) or judgments arising out of such claim or action.

2. Owner agrees that no further structural encroachments may be made onto the right-of-way without first obtaining the Board of Public Works' approval for the additional encroachment.
3. Owner agrees to maintain described encroachment and to keep it safe and attractive.
4. The Owner acknowledges that the Board may alter the terms and conditions of this Resolution to address unanticipated problems or may revoke permission if the Board determines the encroachment is undesirable in terms of the general welfare of the City.
5. If at any time it is determined that the street or sidewalk should be improved to better serve the public or other public improvements need to be made in the right of way, and the encroaching improvement interferes with the planned public improvements, the City shall provide notice to Owner for removal of the encroachment. The City shall provide said notice to Owner as far in advance as possible of the date the City requires access to the right of way.
6. In the event the Owner sells the Property during the term of this authorization, this authorization will continue under the original conditions and be binding on their successor. However, if current owner or the new Owner wishes to change the encroachment in any way, they must first return to the Board of Public Works for permission to do so.
7. Notice shall be given by the City to 1928 Beaux Arts Building, LLC, at the address of its then current registered agent, by United States Certified Mail or recognized national overnight delivery carrier.
8. Upon receipt of said notice and prior to the date set forth in the notice, the Owner or its successor(s) shall remove the encroachment described herein. This removal shall be performed at the Owner's expense and without compensation by the City.
9. This Resolution is not intended to relieve Owner or its successor(s) of any provisions of any applicable zoning or other ordinance or statute that may apply to the Property.
10. By executing this Resolution on behalf of the Owner, Christopher D. Smith, as a Member of 1928 Beaux Arts Building, LLC, represents and certifies that he has been fully empowered to execute this Resolution and that all necessary corporate action for the execution of this Resolution has been taken and done.
11. This Resolution shall be effective upon the following: (a) passage by the Board of Public Works; (b) written acceptance by the Owner; and (c) the return of a copy of the recorded Resolution, which must include the Recorder's file information, to the Department of Public Works.

SECTION V TERM AND SCHEDULE.

- A. If the LPA has the plans, special provisions, and cost estimate (list of pay items, quantities, and unit prices) for the Project ready such that federal funds can be obligated (INDOT obligates the funds about 7 weeks before the date bids are opened for the construction contract), between **July 1, 2019 and June 30, 2020**, INDOT will make the federal funds shown in section I.A. and/or I.B. of Attachment D available for the Project, provided the Project is eligible, and provided the federal funds shown in section I.B. of Attachment D are available.
- B. SECTION VI **GENERAL PROVISIONS**

- A. **Access to Records.** The LPA shall maintain all books, documents, papers, correspondence, accounting records and other evidence pertaining to the cost incurred under this Contract, and shall make such materials available at their respective offices at all reasonable times during the period of this Contract and for five (5) years from the date of final payment under the terms of this Contract, for inspection or audit by INDOT and/or the Federal Highway Administration ("FHWA") or its authorized representative, and copies thereof shall be furnished free of charge, if requested by INDOT, and/or FHWA. The LPA agrees that, upon request by any agency participating in federally-assisted programs with whom the LPA has contracted or seeks to contract, the LPA may release or make available to the agency any working papers from an audit performed by INDOT and/or FHWA of the LPA in connection with this Contract, including any books, documents, papers, accounting records and other documentation which support or form the basis for the audit conclusions and judgments.
- B. **Assignment of Antitrust Claims.** As part of the consideration for the award of this Contract, the LPA assigns to the State all right, title and interest in and to any claims the LPA now has, or may acquire, under state or federal antitrust laws relating to the products or services which are the subject of this Contract.
- C. **Audits.** The LPA acknowledges that it may be required to submit to an audit of funds paid through this Contract. Any such audit shall be conducted in accordance with IC §5-11-1, *et seq.*, and audit guidelines specified by the State.

The State considers the LPA to be a "sub-recipient" for purposes of this Contract. However, if required by applicable provisions of the Office of Management and Budget Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations), following the expiration of this Contract the LPA shall arrange for a financial and compliance audit of funds provided by the State pursuant to this Contract. Such audit is to be conducted by an independent public or certified public accountant (or as applicable, the Indiana State Board of Accounts), and performed in accordance with Indiana State Board of Accounts publication entitled "Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources," and applicable provisions of the Office of Management and Budget Circulars A-133 (Audits of States, Local Governments, and Non-Profit Organizations). The LPA is responsible for ensuring that the audit and any management letters are completed and forwarded to the State in accordance with the terms of this Contract.

For audits conducted pursuant to Indiana Code 5-11-1, and audited by the Indiana State Board of Accounts on the time schedule set forth by the Indiana State Board of Accounts, the LPA shall provide to the Indiana State Board of Accounts, all requested documentation necessary to audit the Local Public Agency in its entirety.

If the audit is conducted by an independent public or certified public account and not the Indiana State Board of Accounts, the LPA shall submit the completed audit to the Indiana State Board of Accounts within 10 (ten) days of the completion of the audit.

The audit shall be an audit of the actual entity, or distinct portion thereof that is the LPA, and not of a parent, member, or subsidiary corporation of the LPA, except to the extent such an expanded audit may be determined by the Indiana State Board of Accounts or the State to be in the best interests of the State.

D. Certification for Federal-Aid Contracts Lobbying Activities. The LPA certifies, by signing and submitting this Contract, to the best of its knowledge and belief that the LPA has complied with Section 1352, Title 31, U.S. Code, and specifically, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal Contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, (Disclosure Form to Report Lobbying), in accordance with its instructions.
3. The LPA also agrees by signing this Contract that it shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000, and that all such sub recipients shall certify and disclose accordingly. Any person who fails to sign or file this required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each failure.

E. Compliance with Laws.

1. The LPA shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations there under, after execution of this Contract shall be reviewed by INDOT and the LPA to determine whether the provisions of this Contract require formal modification.
2. The LPA acknowledges that federal requirements provide for the possible loss of federal funding to one degree or another when the requirements of Public Law 91-646 and other applicable federal and state laws, rules and regulations are not complied with.
3. The LPA acknowledges paragraph 7 of the Federal Highway Program Manual, Volume 7, Chapter 1, Section 3, entitled "Withholding Federal Participation" which is herewith quoted in part as follows: "Where correctable noncompliance with provisions of law or FHWA requirements exist, federal funds may be withheld until compliance is obtained. Where compliance is not correctable, the FHWA may deny participation in parcel or project costs in part or in total."

4. The LPA and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6, *et seq.*, Indiana Code § 4-2-7, *et seq.*, the regulations promulgated there under, and Executive Order 05-12, dated January 12, 2005. If the LPA is not familiar with these ethical requirements, the LPA should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <http://www.in.gov/ig/>. If the LPA or its agents violate any applicable ethical standards, INDOT may, in its sole discretion, terminate this Contract immediately upon notice to the LPA. In addition, the LPA may be subject to penalties under Indiana Code §§ 4-2-6, 4-2-7, 35-44.1-1-4 and under any other applicable State or Federal laws.
5. The LPA represents and warrants that the LPA and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities under this agreement. Failure to do so may be deemed a material breach of this Contract and grounds for termination and denial of further work with the State.
6. As required by I.C. 5-22-3-7:
 - (1) The LPA and any officials of the LPA certify that:
 - (A) the LPA, except for de minimis and nonsystematic violations, has not violated the terms of:
 - (i) IC §24-4.7 [Telephone Solicitation Of Consumers];
 - (ii) IC §24-5-12 [Telephone Solicitations]; or
 - (iii) IC §24-5-14 [Regulation of Automatic Dialing Machines]; in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) the LPA will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.
 - (2) The LPA and any officials of the LPA certify that an affiliate or official of the LPA and any agent acting on behalf of the LPA or on behalf of an affiliate or official of the LPA except for de minimis and nonsystematic violations,
 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

F. Debarment and Suspension.

1. The LPA certifies by entering into this Contract that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, key employee or other person with primary management or supervisory responsibilities, or a person who has critical influence on or substantive control over the operations of the LPA.
2. The LPA certifies that it will verify the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred

subcontractor. The LPA shall immediately notify INDOT if any subcontractor becomes debarred or suspended, and shall, at INDOT's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

- G. Disadvantaged Business Enterprise Program.** Notice is hereby given to the LPA or a LPA Contractor that failure to carry out the requirements set forth in 49 CFR Sec. 26.13(b) shall constitute a breach of this Contract and, after notification, may result in termination of this Contract or such remedy as INDOT deems appropriate.

The referenced section requires the following policy and disadvantaged business enterprise ("DBE") assurance to be included in all subsequent contracts between the LPA and any contractors, vendors or suppliers:

The LPA shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The LPA shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the LPA to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy, as INDOT, as the recipient, deems appropriate.

As part of the LPA's equal opportunity affirmative action program, it is required that the LPA shall take positive affirmative actions and put forth good faith efforts to solicit proposals or bids from and to utilize disadvantaged business enterprise contractors, vendors or suppliers.

H. Disputes.

1. Should any disputes arise with respect to this Contract, the LPA and INDOT agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
2. The LPA agrees that, the existence of a dispute notwithstanding, it shall continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the LPA fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by INDOT or the LPA as a result of such failure to proceed shall be borne by the LPA.
3. If a party to the contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. Upon written notice, the PARTIES have ten (10) working days, unless the PARTIES mutually agree to extend this period, following the notification to resolve the dispute. If the dispute is not resolved within ten (10) working days, a dissatisfied party will submit the dispute in writing according to the following procedure:
4. The PARTIES agree to resolve such matters through submission of this dispute to the Commissioner of INDOT. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the LPA within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the PARTIES concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If a party is not satisfied with the

Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.

5. INDOT may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by INDOT to the LPA of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for LPA to terminate this Contract, and the LPA may bring suit to collect these amounts without following the disputes procedure contained herein.

I. Drug-Free Workplace Certification. As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor, or an employee of the Contractor in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

1. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
2. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
3. Notifying all employees in the statement required by subparagraph (1) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
4. Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (3)(2) above, or otherwise receiving actual notice of such conviction;
5. Within thirty (30) days after receiving notice under subdivision (3)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
6. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (1) through (5) above.

- J. Force Majeure.** In the event either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a Force Majeure Event), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.
- K. Funding Cancellation Clause.** When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of the performance of this Contract, this Contract shall be canceled. A determination by the Director of the State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.
- L. Governing Laws.** This Contract shall be construed in accordance with and governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.
- M. Indemnification.** The LPA agrees to and shall indemnify, defend, exculpate, and hold harmless the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys and employees, individually and/or jointly, from any and all claims, demands, actions, liability and/or liens that may be asserted by the LPA and/or by any other person, firm, corporation, insurer, government or other legal entity, for any claim for damages arising out of any and all loss, damage, injuries, and/or other casualties of whatsoever kind, or by whomsoever caused, to the person or property of anyone on or off the right-of-way, arising out of or resulting from the performance of the contract or from the installation, existence, use, maintenance, condition, repairs, alteration and/or removal of any equipment or material, whether due in whole or in part to the acts and/or omissions and/or negligent acts and/or omissions:
- (a) of the State of Indiana, INDOT, and/or its/their officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (b) of the LPA, and/or its officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (c) of any and all persons, firms, corporations, insurers, government or other legal entity engaged in the performance of the contract; and/or
 - (d) the joint negligence of any of them, including any claim arising out of the Worker's Compensation law or any other law, ordinance, order, or decree.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in connection herewith in the event that the LPA shall default under the provisions of this section.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in asserting successfully a claim against the LPA for indemnity pursuant to this contract.

- N. Merger & Modification.** This Contract constitutes the entire agreement between the PARTIES. No understandings, agreements, or representations, oral or written, not specified within this

Contract will be valid provisions of this Contract. This Contract may not be modified, supplemented or amended, in any manner, except by written agreement signed by all necessary PARTIES.

O. Non-Discrimination.

1. This Contract is enacted pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the Civil Rights Act of 1964 as amended, the Age Discrimination in Employment Act, and the Americans with Disabilities Act. Breach of this covenant may be regarded as a material breach of this Contract, but nothing in this covenant shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the LPA or any subcontractor.

Under IC 22-9-1-10 LPA covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, or status as a veteran.

2. The LPA understands that INDOT is a recipient of federal funds. Pursuant to that understanding, the LPA agrees that if the LPA employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the LPA will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The LPA shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, income status, limited English proficiency, or status as a veteran).

3. During the performance of this Contract, the LPA, for itself, its assignees and successors in interest (hereinafter referred to as the "LPA") agrees to the following assurances under Title VI of the Civil Rights Act of 1964:
 - a. Compliance with Regulations: The LPA shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.
 - b. Nondiscrimination: The LPA, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, or status as a veteran in the selection and retention of subcontractors, including procurements of materials and

leases of equipment. The LPA shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.

- c. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the LPA for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the LPA of the LPA's obligations under this Contract, and the Regulations relative to nondiscrimination on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, income status, limited English proficiency, or status as a veteran.
- d. Information and Reports: The LPA shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a LPA is in the exclusive possession of another who fails or refuses furnish this information, the LPA shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- e. Sanctions for Noncompliance: In the event of the LPA's noncompliance with the nondiscrimination provisions of this Contract, the Indiana Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to: (a) withholding payments to the LPA under the Contract until the LPA complies, and/or (b) cancellation, termination or suspension of the Contract, in whole or in part.
- f. Incorporation of Provisions: The LPA shall include the provisions of paragraphs a through f in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The LPA shall take such action with respect to any subcontract or procurement as the Indiana Department of Transportation or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the LPA becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the LPA may request the Indiana Department of Transportation to enter into such litigation to protect the interests of the Indiana Department of Transportation, and, in addition, the LPA may request the United States of America to enter into such litigation to protect the interests of the United States of America.

- P. **Payment.** All payments made by INDOT, if any, shall be made in arrears in conformance with State fiscal policies and procedures and, as required by I.C. 4-13-2-14.8, by electronic funds transfer to the financial institution designated by the LPA in writing unless a specific waiver has been obtained from the Indiana Auditor of State. No payments will be made in advance of receipt of the goods or services that are the subject of this Contract except as permitted by I.C. 4-13-2-20.

- Q. Penalties, Interest and Attorney's Fees.** INDOT will in good faith perform its required obligations hereunder, and does not agree to pay any penalties, liquidated damages, interest, or attorney's fees, except as required by Indiana law in part, I.C. 5-17-5, I.C. 34-54-8, and I.C. 34-13-1.
- R. Pollution Control Requirements.** If this Contract is for \$100,000 or more, the LPA:
1. Stipulates any facility to be utilized in performance under or to benefit from this Contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities issued pursuant to the requirements of the Clean Air Act, as amended, and the Federal Water Pollution Control Act, as amended;
 2. Agrees to comply with all of the requirements of the Clean Air Act (including section 114) and the Federal Water Pollution Control Act (including section 308) and all regulations and guidelines issued there under; and
 3. Stipulates, as a condition of federal aid pursuant to this Contract, it shall notify INDOT and the FHWA of the receipt of any advice indicating that a facility to be utilized in performance under or to benefit from this Contract is under consideration to be listed on the EPA List of Violating Facilities.
- S. Severability.** The invalidity of any section, subsection, clause or provision of the Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of the Contract.
- T. Status of Claims.** The LPA shall be responsible for keeping INDOT currently advised as to the status of any claims made for damages against the LPA resulting from services performed under this Contract. The LPA shall send notice of claims related to work under this Contract to:

LPA'S RIGHTS AND DUTIES

In addition to any other rights and duties required by Indiana or federal law, regulations, rules, policies or procedures, or described elsewhere in this Contract, the following are the LPA's rights and duties under this Contract for the Project.

1. The LPA has requested and intends to use federal funds to partially pay for the Project. The LPA asserts that the LPA has completed or will complete the Project in accordance with INDOT's Design Manual (See http://www.in.gov/indot/design_manual/) and all pertinent state and federal laws, regulations, policies and guidance. The LPA or its consultant shall prepare the environmental document(s) for the Project in accordance with INDOT's Environmental Manual (See <http://www.in.gov/indot/2523.htm>). Land acquisition for the Project by the LPA or its consultant shall be in accordance with INDOT's Real Estate Manuals (See <http://www.in.gov/indot/2493.htm>).
2. The LPA acknowledges that in order for the cost of consultant services to be eligible for federal funds or federal credits, the consultant selection must be accordance with INDOT's consultant selection procedure.
3. REQUIREMENTS FOR ADDITIONAL CONTRACTS
 - A. If the LPA wishes to contract with a consultant, contractor or other agent to complete work on the Project, LPA may:
 1. use the "LPA-CONSULTANT Agreement", which is found at <http://www.in.gov/indot/2833.htm> and is incorporated by reference; or
 2. use a form of agreement that has been reviewed and approved by INDOT.
4. The LPA agrees to provide all relevant documents including, but not limited to, all plans, specifications and special provisions, to INDOT for review and approval, and such approval will not be unreasonably withheld. If INDOT does not approve an LPA submittal, the LPA shall cause the submittal to be modified in order to secure INDOT's approval. The LPA understands that if it fails to provide a submittal, submits it late, or the submittal is not approvable, the schedule, cost, and federal funds for the Project may be jeopardized.
5. The LPA agrees to complete all right-of-way acquisition, utility coordination and acquire the necessary permit(s) and submit documentation of such to INDOT. The utility coordination shall be in accordance with 105 IAC 13.
6. At least ninety to one hundred twenty (90 to 120) calendar days prior to INDOT's scheduled construction letting for the project, the LPA will submit to INDOT documentation of the LPA's fiscal body's resolution or other official action irrevocably committing the LPA to fund the LPA's cost of the Project as described in Attachment D.

7. If the LPA has failed to meet any of the requirements of sections 1, 2, 4, 5, or 6 above, INDOT will not let the construction project. If INDOT, and FHWA where necessary, approve LPA's submittals, INDOT shall schedule the Project for letting at the next reasonable date.
8. The LPA shall pay the cost of the invoice of the construction, utility, and/or railroad work within thirty (30) calendar days from the date of INDOT's award of the construction contract.
9. The LPA understands time is of the essence regarding the Project timeline and payment of costs by the LPA. Delays in payment may cause substantial time delays and/or increased costs for the Project. If the LPA has not paid the full amount of the amount billed by INDOT, in accordance with Attachment D, within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this contract including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.
10. The LPA shall also be responsible for all costs associated with additional provisions and/or expenses in excess of the federal funds allocated to the project. The LPA, in conjunction with FHWA (if applicable) and INDOT shall review and approve all change orders submitted by the field Project Engineer/Supervisor, and such approvals shall not be unreasonably withheld.
11. The LPA shall provide competent and adequate engineering, testing, and inspection service to ensure the performance of the work is in accordance with the construction contract, plans and specifications and any special provisions or approved change orders. If, in INDOT's opinion, the services enumerated in this section are deemed to be incompetent or inadequate or are otherwise insufficient or if a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the services or replace the engineers or inspectors providing these services at the sole expense of the LPA.
 - A. If project inspection will be provided by full-time LPA employees:
The personnel must be employees of the LPA. Temporary employment or retainage-based payments are not permissible. INDOT must pre-approve, in writing, the LPA's personnel. Only costs incurred after INDOT's written notice to proceed to the LPA shall be eligible for federal-aid participation. All claims for federal-aid shall be submitted to the District office, referenced on Page 1, for payment.

or

- B. If project inspection will be provided by the LPA's consultant:
INDOT must approve, in writing, the consultant personnel prior to their assignment to the project. The LPA shall execute a contract with a consultant setting forth the scope of work and fees. The LPA shall submit this contract to INDOT prior to INDOT's Ready for Contracts date for the Project. Only costs incurred after INDOT's written notice to proceed to the LPA and the LPA's written notice to proceed to the consultant shall be eligible for federal aid participation. All claims for federal-aid shall be submitted to the District office, referenced on page 1, for payment.

12. The LPA shall submit reports, including but not limited to quarterly reports, to INDOT regarding the project's progress and the performance of work per INDOT standard reporting methods. If the required reports are not submitted, federal funds may be withheld.
13. The LPA hereby agrees that all utilities which cross or otherwise occupy the right-of-way of said Project shall be regulated on a continuing basis by the LPA in accordance with INDOT's Utility Procedure and Accommodation Policy (See <http://www.in.gov/indot/2389.htm>). The LPA shall execute written use and occupancy contracts as defined in this Policy.
14. If FHWA or INDOT invokes sanctions per Section VI.D.2. of the General Provisions of this contract, or otherwise denies or withholds federal funds (hereinafter called a citation or cited funds) for any reason and for all or any part of the Project, the LPA agrees as follows:
 - a. In the case of correctable noncompliance, the LPA shall make the corrections, to the satisfaction of FHWA and INDOT, in a reasonable amount of time. If the LPA fails to do so, paragraph 14.b. and/or 14.c. below, as applicable, shall apply.
 - b. In case a citation for noncompliance is not correctable or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA and INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, this paragraph shall apply and adjustments shall be made as follows:
 1. The LPA shall reimburse INDOT the total amount of all right-of-way costs that are subject to FHWA citation that have been paid by INDOT to the LPA.
 2. If no right-of-way costs have as yet been paid by INDOT to the LPA or to others, INDOT will not pay any right-of-way claim or billing that is subject to FHWA citation.
 3. The LPA agrees that it is not entitled to bill INDOT or to be reimbursed for any of its right-of-way liabilities or costs that are subject to any FHWA citation in force.
 - c. If FHWA issues a citation denying or withholding all or any part of construction costs due to LPA noncompliance with right-of-way requirements, and construction work was or is in progress, the following shall apply:
 1. INDOT may elect to terminate, suspend, or continue construction work in accord with the provisions of the construction contract.
 2. INDOT may elect to pay its obligations under the provisions of the construction contract.
 3. In the case of correctable noncompliance, the LPA shall make the corrections in a reasonable amount of time to the satisfaction of FHWA and INDOT.

4. In case the noncompliance is not correctable, or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA or INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, and construction work has been terminated or suspended, the LPA agrees to reimburse INDOT the full amount it paid for said construction work, less the amount of federal funds allowed by FHWA.
- d. In any case, the LPA shall reimburse INDOT the total cost of the Project, not eligible for federal participation.
- e. If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or any other entity through INDOT under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within forty-five (45) days after receipt of a billing from INDOT. Payment for any and all costs incurred by the LPA which are not eligible for federal funding shall be the sole obligation of the LPA.

ATTACHMENT C

INDOT'S RIGHTS AND DUTIES

In addition to any other rights and duties required by Indiana or federal law or regulations or described elsewhere in this Contract, the following are INDOT's rights and duties under the Contract:

1. INDOT shall have full authority and access to inspect and approve all plans, specifications and special provisions for the Project regardless of when those plans, specifications, special provisions or other such Project documents were created.
2. INDOT shall complete all railroad coordination for the Project on behalf of the LPA.
3. After the LPA has submitted and INDOT has accepted and/or approved all pre-letting documents, INDOT will prepare the Engineer's Estimate for construction of the Project.
4. If the LPA owes INDOT money which is more than 60 days past due, INDOT will not open the construction bids for the Project.
5. Not later than sixty (60) calendar days after receipt by INDOT of a certified copy of a resolution from the LPA's fiscal body authorizing the LPA to make payment to INDOT according to the terms of Attachment D, and fulfillment of all other pre-letting obligations of this contract, INDOT shall, in accordance with applicable laws and rules (including I.C. 8-23-9, I.C. 8-23-10, and 105 I.A.C. 11), conduct a scheduled letting.
6. Subject to the LPA's written approval, INDOT shall award the construction contract for the Project according to applicable laws and rules.
7. Not later than seven (7) calendar days after INDOT awards the construction contract described above, INDOT shall invoice the LPA for the LPA's share of the construction cost.
8. If INDOT has received the LPA's share of the Project construction cost and if the lowest qualified bidder has not otherwise been disqualified, INDOT shall issue notice to proceed for the Project to the contractor within fourteen (14) calendar days of its receipt of the LPA share of the construction cost.
9. INDOT shall have the right and opportunity to inspect any construction under this Contract to determine whether the construction is in conformance with the plans and specifications for the Project.
10. In the event the engineering, testing, and inspection services provided by the LPA, in the opinion of INDOT, are deemed to be incompetent or inadequate or are otherwise insufficient or a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the engineering, testing, and inspection force or to replace engineers or inspectors employed in such work at the expense of the LPA. INDOT's engineers shall control the work the same as on other federal aid construction contracts.
11. After the final Project audit is approved by INDOT, the LPA shall, within forty-five (45) days after receipt of INDOT's bill, make final payment to INDOT pursuant to Attachment D or INDOT shall, within forty-five (45) days after approval of the audit, refund any Project overpayment to the LPA.

ATTACHMENT D

PROJECT FUNDS

I. Project Costs.

A. If the Program shown on Attachment A is receiving Group II federal-aid funds for the project, the LPA is allocated the funds through the MPO as written in their fiscally constrained TIP. Any adjustments (positive or negative) to the dollar amount listed in the TIP, or any increase or decrease in the funding from a prior year, authorized by the MPO that may not be reflected in the current TIP, are hereby considered adjustments to the contract between the LPA and INDOT, as the MPO must maintain fiscal constraint for all projects listed. Federal funds made available to the LPA by INDOT will be used to pay 80% of the eligible Project costs. The maximum amount of federal-aid funds allocated to the Project is dependent upon the current TIP allocation. As of this date, August 7, 2017, the maximum amount according to the TIP dated July 12, 2017 is \$ 1,500,491.00. The most current MPO TIP page, or MPO authorization, is uploaded into INDOT's Scheduling Project Management System (SPMS).

OR

- B. Federal-aid Funds made available to the LPA by INDOT will be used to pay _____ % of the eligible Project costs. The maximum amount of federal funds allocated to the project is \$ _____.
- C. The LPA understands and agrees that in accordance with I.C. 8-23-2-14, INDOT retains 2.5% of the final construction costs for oversight of construction inspection and the testing of construction materials.
- D. The LPA understands and agrees that it is INDOT's policy to only allow non-discretionary changes to a Project scope after bidding. Changes to the Project scope after bidding that are by the choice of the LPA and are not required to complete the Project will not be eligible for federal-aid funds and must be funded 100% locally.
- E. The LPA understands and agrees that the federal-aid funds allocated to the Project are intended to accomplish the original scope of the Project as designed. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the Local Program.
- F. If the Program shown on Attachment A is Group I or Group II, Section E. does not apply. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the MPO.
- G. The remainder of the Project cost shall be borne by the LPA. For the avoidance of doubt, INDOT shall not pay for any costs relating to the Project unless the PARTIES have agreed in a document (which specifically references section I.D. of Attachment D of this contract) signed by an authorized representative of INDOT, the Indiana Department of Administration, State Budget Agency, and the Attorney General of Indiana.
- H. Costs will be eligible for FHWA participation provided that the costs:
- (1) Are for work performed for activities eligible under the section of title 23, U.S.C., applicable to the class of funds used for the activities;

- (2) Are verifiable from INDOT's or the LPA's records;
- (3) Are necessary and reasonable for proper and efficient accomplishment of project objectives and meet the other criteria for allowable costs in the applicable cost principles cited in 49 CFR section 18.22;
- (4) Are included in the approved budget, or amendment thereto; and
- (5) Were not incurred prior to FHWA authorization.

II. Billings.

A. Billing:

1. When INDOT awards and enters into a contract (i.e., construction, utility, and/or railroad) on behalf of the LPA, INDOT will invoice the LPA for its share of the costs. The LPA shall pay the invoice within thirty (30) calendar days from date of INDOT's billing.
2. The LPA understands time is of the essence regarding the Project timeline and costs and delays in payment may cause substantial time delays and/or increased costs for the Project.
3. If the LPA has not paid the full amount due within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this Contract, including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.

B. Other Costs:

1. The LPA shall pay INDOT for expenses incurred in performing the final audit less the amount eligible for Federal-aid reimbursement.

III. Repayment Provisions.

If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or on behalf of the LPA under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within thirty (30) days after receipt of a billing from INDOT. If the LPA has not paid the full amount due within sixty (60) calendar days past the due date, INDOT may proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds for the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account until the amount due has been repaid.

The LPA agrees that, upon request by any agency participating in federally-assisted programs with whom the LPA has contracted or seeks to contract, the LPA may release or make available to the agency any working papers from an audit performed by INDOT and/or FHWA of the LPA in connection with this Contract, including any books, documents, papers, accounting records and other documentation which support or form the basis for the audit conclusions and judgments.

3. The LPA acknowledges paragraph 7 of the Federal Highway Program Manual, Volume 7, Chapter 1, Section 3, entitled "Withholding Federal Participation" which is herewith quoted in part as follows: "Where correctable noncompliance with provisions of law or FHWA requirements exist, federal funds may be withheld until compliance is obtained. Where compliance is not correctable, the FHWA may deny participation in parcel or project costs in part or in total."

4. The LPA and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6, *et seq.*, Indiana Code § 4-2-7, *et seq.*, the regulations promulgated there under, and Executive Order 05-12, dated January 12, 2005. If the LPA is not familiar with these ethical requirements, the LPA should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <http://www.in.gov/ig/>. If the LPA or its agents violate any applicable ethical standards, INDOT may, in its sole discretion, terminate this Contract immediately upon notice to the LPA. In addition, the LPA may be subject to penalties under Indiana Code §§ 4-2-6, 4-2-7, 35-44.1-1-4 and under any other applicable State or Federal laws.
5. The LPA represents and warrants that the LPA and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities under this agreement. Failure to do so may be deemed a material breach of this Contract and grounds for termination and denial of further work with the State.
6. As required by I.C. 5-22-3-7:
 - (1) The LPA and any officials of the LPA certify that:
 - (A) the LPA, except for de minimis and nonsystematic violations, has not violated the terms of:
 - (i) IC §24-4.7 [Telephone Solicitation Of Consumers];
 - (ii) IC §24-5-12 [Telephone Solicitations]; or
 - (iii) IC §24-5-14 [Regulation of Automatic Dialing Machines]; in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) the LPA will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.
 - (2) The LPA and any officials of the LPA certify that an affiliate or official of the LPA and any agent acting on behalf of the LPA or on behalf of an affiliate or official of the LPA except for de minimis and nonsystematic violations,
 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

F. Debarment and Suspension.

1. The LPA certifies by entering into this Contract that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, key employee or other person with primary management or supervisory responsibilities, or a person who has critical influence on or substantive control over the operations of the LPA.
2. The LPA certifies that it will verify the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred

subcontractor. The LPA shall immediately notify INDOT if any subcontractor becomes debarred or suspended, and shall, at INDOT's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

- G. Disadvantaged Business Enterprise Program.** Notice is hereby given to the LPA or a LPA Contractor that failure to carry out the requirements set forth in 49 CFR Sec. 26.13(b) shall constitute a breach of this Contract and, after notification, may result in termination of this Contract or such remedy as INDOT deems appropriate.

The referenced section requires the following policy and disadvantaged business enterprise ("DBE") assurance to be included in all subsequent contracts between the LPA and any contractors, vendors or suppliers:

The LPA shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The LPA shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the LPA to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy, as INDOT, as the recipient, deems appropriate.

As part of the LPA's equal opportunity affirmative action program, it is required that the LPA shall take positive affirmative actions and put forth good faith efforts to solicit proposals or bids from and to utilize disadvantaged business enterprise contractors, vendors or suppliers.

H. Disputes.

1. Should any disputes arise with respect to this Contract, the LPA and INDOT agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
2. The LPA agrees that, the existence of a dispute notwithstanding, it shall continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the LPA fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by INDOT or the LPA as a result of such failure to proceed shall be borne by the LPA.
3. If a party to the contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. Upon written notice, the PARTIES have ten (10) working days, unless the PARTIES mutually agree to extend this period, following the notification to resolve the dispute. If the dispute is not resolved within ten (10) working days, a dissatisfied party will submit the dispute in writing according to the following procedure:
4. The PARTIES agree to resolve such matters through submission of this dispute to the Commissioner of INDOT. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the LPA within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the PARTIES concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If a party is not satisfied with the

Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.

5. INDOT may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by INDOT to the LPA of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for LPA to terminate this Contract, and the LPA may bring suit to collect these amounts without following the disputes procedure contained herein.

- I. Drug-Free Workplace Certification.** As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor, or an employee of the Contractor in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

1. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
2. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
3. Notifying all employees in the statement required by subparagraph (1) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
4. Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (3)(2) above, or otherwise receiving actual notice of such conviction;
5. Within thirty (30) days after receiving notice under subdivision (3)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
6. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (1) through (5) above.

- J. Force Majeure.** In the event either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a Force Majeure Event), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.
- K. Funding Cancellation Clause.** When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of the performance of this Contract, this Contract shall be canceled. A determination by the Director of the State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.
- L. Governing Laws.** This Contract shall be construed in accordance with and governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.
- M. Indemnification.** The LPA agrees to and shall indemnify, defend, exculpate, and hold harmless the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys and employees, individually and/or jointly, from any and all claims, demands, actions, liability and/or liens that may be asserted by the LPA and/or by any other person, firm, corporation, insurer, government or other legal entity, for any claim for damages arising out of any and all loss, damage, injuries, and/or other casualties of whatsoever kind, or by whomsoever caused, to the person or property of anyone on or off the right-of-way, arising out of or resulting from the performance of the contract or from the installation, existence, use, maintenance, condition, repairs, alteration and/or removal of any equipment or material, whether due in whole or in part to the acts and/or omissions and/or negligent acts and/or omissions:
- (a) of the State of Indiana, INDOT, and/or its/their officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (b) of the LPA, and/or its officials, agents, representatives, attorneys and/or employees, individually and/or jointly;
 - (c) of any and all persons, firms, corporations, insurers, government or other legal entity engaged in the performance of the contract; and/or
 - (d) the joint negligence of any of them, including any claim arising out of the Worker's Compensation law or any other law, ordinance, order, or decree.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in connection herewith in the event that the LPA shall default under the provisions of this section.

The LPA also agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State of Indiana, INDOT and/or its/their officials, agents, representatives, attorneys, and/or employees, individually and/or jointly, in asserting successfully a claim against the LPA for indemnity pursuant to this contract.

- N. Merger & Modification.** This Contract constitutes the entire agreement between the PARTIES. No understandings, agreements, or representations, oral or written, not specified within this

Contract will be valid provisions of this Contract. This Contract may not be modified, supplemented or amended, in any manner, except by written agreement signed by all necessary PARTIES.

O. Non-Discrimination.

1. This Contract is enacted pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the Civil Rights Act of 1964 as amended, the Age Discrimination in Employment Act, and the Americans with Disabilities Act. Breach of this covenant may be regarded as a material breach of this Contract, but nothing in this covenant shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the LPA or any subcontractor.

Under IC 22-9-1-10 LPA covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, or status as a veteran.

2. The LPA understands that INDOT is a recipient of federal funds. Pursuant to that understanding, the LPA agrees that if the LPA employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the LPA will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The LPA shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, income status, limited English proficiency, or status as a veteran).

3. During the performance of this Contract, the LPA, for itself, its assignees and successors in interest (hereinafter referred to as the "LPA") agrees to the following assurances under Title VI of the Civil Rights Act of 1964:
 - a. Compliance with Regulations: The LPA shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.
 - b. Nondiscrimination: The LPA, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, or status as a veteran in the selection and retention of subcontractors, including procurements of materials and

leases of equipment. The LPA shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.

- c. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the LPA for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the LPA of the LPA's obligations under this Contract, and the Regulations relative to nondiscrimination on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, income status, limited English proficiency, or status as a veteran.
- d. Information and Reports: The LPA shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a LPA is in the exclusive possession of another who fails or refuses furnish this information, the LPA shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- e. Sanctions for Noncompliance: In the event of the LPA's noncompliance with the nondiscrimination provisions of this Contract, the Indiana Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to: (a) withholding payments to the LPA under the Contract until the LPA complies, and/or (b) cancellation, termination or suspension of the Contract, in whole or in part.
- f. Incorporation of Provisions: The LPA shall include the provisions of paragraphs a through f in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The LPA shall take such action with respect to any subcontract or procurement as the Indiana Department of Transportation or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the LPA becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the LPA may request the Indiana Department of Transportation to enter into such litigation to protect the interests of the Indiana Department of Transportation, and, in addition, the LPA may request the United States of America to enter into such litigation to protect the interests of the United States of America.

- P. **Payment.** All payments made by INDOT, if any, shall be made in arrears in conformance with State fiscal policies and procedures and, as required by I.C. 4-13-2-14.8, by electronic funds transfer to the financial institution designated by the LPA in writing unless a specific waiver has been obtained from the Indiana Auditor of State. No payments will be made in advance of receipt of the goods or services that are the subject of this Contract except as permitted by I.C. 4-13-2-20.

- Q. Penalties, Interest and Attorney's Fees.** INDOT will in good faith perform its required obligations hereunder, and does not agree to pay any penalties, liquidated damages, interest, or attorney's fees, except as required by Indiana law in part, I.C. 5-17-5, I.C. 34-54-8, and I.C. 34-13-1.
- R. Pollution Control Requirements.** If this Contract is for \$100,000 or more, the LPA:
1. Stipulates any facility to be utilized in performance under or to benefit from this Contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities issued pursuant to the requirements of the Clean Air Act, as amended, and the Federal Water Pollution Control Act, as amended;
 2. Agrees to comply with all of the requirements of the Clean Air Act (including section 114) and the Federal Water Pollution Control Act (including section 308) and all regulations and guidelines issued there under; and
 3. Stipulates, as a condition of federal aid pursuant to this Contract, it shall notify INDOT and the FHWA of the receipt of any advice indicating that a facility to be utilized in performance under or to benefit from this Contract is under consideration to be listed on the EPA List of Violating Facilities.
- S. Severability.** The invalidity of any section, subsection, clause or provision of the Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of the Contract.
- T. Status of Claims.** The LPA shall be responsible for keeping INDOT currently advised as to the status of any claims made for damages against the LPA resulting from services performed under this Contract. The LPA shall send notice of claims related to work under this Contract to:

LPA'S RIGHTS AND DUTIES

In addition to any other rights and duties required by Indiana or federal law, regulations, rules, policies or procedures, or described elsewhere in this Contract, the following are the LPA's rights and duties under this Contract for the Project.

1. The LPA has requested and intends to use federal funds to partially pay for the Project. The LPA asserts that the LPA has completed or will complete the Project in accordance with INDOT's Design Manual (See http://www.in.gov/indot/design_manual/) and all pertinent state and federal laws, regulations, policies and guidance. The LPA or its consultant shall prepare the environmental document(s) for the Project in accordance with INDOT's Environmental Manual (See <http://www.in.gov/indot/2523.htm>). Land acquisition for the Project by the LPA or its consultant shall be in accordance with INDOT's Real Estate Manuals (See <http://www.in.gov/indot/2493.htm>).
2. The LPA acknowledges that in order for the cost of consultant services to be eligible for federal funds or federal credits, the consultant selection must be accordance with INDOT's consultant selection procedure.
3. REQUIREMENTS FOR ADDITIONAL CONTRACTS
 - A. If the LPA wishes to contract with a consultant, contractor or other agent to complete work on the Project, LPA may:
 1. use the "LPA-CONSULTANT Agreement", which is found at <http://www.in.gov/indot/2833.htm> and is incorporated by reference; or
 2. use a form of agreement that has been reviewed and approved by INDOT.
4. The LPA agrees to provide all relevant documents including, but not limited to, all plans, specifications and special provisions, to INDOT for review and approval, and such approval will not be unreasonably withheld. If INDOT does not approve an LPA submittal, the LPA shall cause the submittal to be modified in order to secure INDOT's approval. The LPA understands that if it fails to provide a submittal, submits it late, or the submittal is not approvable, the schedule, cost, and federal funds for the Project may be jeopardized.
5. The LPA agrees to complete all right-of-way acquisition, utility coordination and acquire the necessary permit(s) and submit documentation of such to INDOT. The utility coordination shall be in accordance with 105 IAC 13.
6. At least ninety to one hundred twenty (90 to 120) calendar days prior to INDOT's scheduled construction letting for the project, the LPA will submit to INDOT documentation of the LPA's fiscal body's resolution or other official action irrevocably committing the LPA to fund the LPA's cost of the Project as described in Attachment D.

7. If the LPA has failed to meet any of the requirements of sections 1, 2, 4, 5, or 6 above, INDOT will not let the construction project. If INDOT, and FHWA where necessary, approve LPA's submittals, INDOT shall schedule the Project for letting at the next reasonable date.
8. The LPA shall pay the cost of the invoice of the construction, utility, and/or railroad work within thirty (30) calendar days from the date of INDOT's award of the construction contract.
9. The LPA understands time is of the essence regarding the Project timeline and payment of costs by the LPA. Delays in payment may cause substantial time delays and/or increased costs for the Project. If the LPA has not paid the full amount of the amount billed by INDOT, in accordance with Attachment D, within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this contract including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.
10. The LPA shall also be responsible for all costs associated with additional provisions and/or expenses in excess of the federal funds allocated to the project. The LPA, in conjunction with FHWA (if applicable) and INDOT shall review and approve all change orders submitted by the field Project Engineer/Supervisor, and such approvals shall not be unreasonably withheld.
11. The LPA shall provide competent and adequate engineering, testing, and inspection service to ensure the performance of the work is in accordance with the construction contract, plans and specifications and any special provisions or approved change orders. If, in INDOT's opinion, the services enumerated in this section are deemed to be incompetent or inadequate or are otherwise insufficient or if a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the services or replace the engineers or inspectors providing these services at the sole expense of the LPA.
 - A. If project inspection will be provided by full-time LPA employees:
The personnel must be employees of the LPA. Temporary employment or retainage-based payments are not permissible. INDOT must pre-approve, in writing, the LPA's personnel. Only costs incurred after INDOT's written notice to proceed to the LPA shall be eligible for federal-aid participation. All claims for federal-aid shall be submitted to the District office, referenced on Page 1, for payment.

or

- B. If project inspection will be provided by the LPA's consultant:
INDOT must approve, in writing, the consultant personnel prior to their assignment to the project. The LPA shall execute a contract with a consultant setting forth the scope of work and fees. The LPA shall submit this contract to INDOT prior to INDOT's Ready for Contracts date for the Project. Only costs incurred after INDOT's written notice to proceed to the LPA and the LPA's written notice to proceed to the consultant shall be eligible for federal aid participation. All claims for federal-aid shall be submitted to the District office, referenced on page 1, for payment.

12. The LPA shall submit reports, including but not limited to quarterly reports, to INDOT regarding the project's progress and the performance of work per INDOT standard reporting methods. If the required reports are not submitted, federal funds may be withheld.
13. The LPA hereby agrees that all utilities which cross or otherwise occupy the right-of-way of said Project shall be regulated on a continuing basis by the LPA in accordance with INDOT's Utility Procedure and Accommodation Policy (See <http://www.in.gov/indot/2389.htm>). The LPA shall execute written use and occupancy contracts as defined in this Policy.
14. If FHWA or INDOT invokes sanctions per Section VI.D.2. of the General Provisions of this contract, or otherwise denies or withholds federal funds (hereinafter called a citation or cited funds) for any reason and for all or any part of the Project, the LPA agrees as follows:
 - a. In the case of correctable noncompliance, the LPA shall make the corrections, to the satisfaction of FHWA and INDOT, in a reasonable amount of time. If the LPA fails to do so, paragraph 14.b. and/or 14.c. below, as applicable, shall apply.
 - b. In case a citation for noncompliance is not correctable or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA and INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, this paragraph shall apply and adjustments shall be made as follows:
 1. The LPA shall reimburse INDOT the total amount of all right-of-way costs that are subject to FHWA citation that have been paid by INDOT to the LPA.
 2. If no right-of-way costs have as yet been paid by INDOT to the LPA or to others, INDOT will not pay any right-of-way claim or billing that is subject to FHWA citation.
 3. The LPA agrees that it is not entitled to bill INDOT or to be reimbursed for any of its right-of-way liabilities or costs that are subject to any FHWA citation in force.
 - c. If FHWA issues a citation denying or withholding all or any part of construction costs due to LPA noncompliance with right-of-way requirements, and construction work was or is in progress, the following shall apply:
 1. INDOT may elect to terminate, suspend, or continue construction work in accord with the provisions of the construction contract.
 2. INDOT may elect to pay its obligations under the provisions of the construction contract.
 3. In the case of correctable noncompliance, the LPA shall make the corrections in a reasonable amount of time to the satisfaction of FHWA and INDOT.

4. In case the noncompliance is not correctable, or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA or INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, and construction work has been terminated or suspended, the LPA agrees to reimburse INDOT the full amount it paid for said construction work, less the amount of federal funds allowed by FHWA.
- d. In any case, the LPA shall reimburse INDOT the total cost of the Project, not eligible for federal participation.
 - e. If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or any other entity through INDOT under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within forty-five (45) days after receipt of a billing from INDOT. Payment for any and all costs incurred by the LPA which are not eligible for federal funding shall be the sole obligation of the LPA.

1. INDOT shall have full authority and access to inspect and approve all plans, specifications and special provisions for the Project regardless of when those plans, specifications, special provisions or other such Project documents were created.
2. INDOT shall complete all railroad coordination for the Project on behalf of the LPA.
3. After the LPA has submitted and INDOT has accepted and/or approved all pre-letting documents, INDOT will prepare the Engineer's Estimate for construction of the Project.
4. If the LPA owes INDOT money which is more than 60 days past due, INDOT will not open the construction bids for the Project.
5. Not later than sixty (60) calendar days after receipt by INDOT of a certified copy of a resolution from the LPA's fiscal body authorizing the LPA to make payment to INDOT according to the terms of Attachment D, and fulfillment of all other pre-letting obligations of this contract, INDOT shall, in accordance with applicable laws and rules (including I.C. 8-23-9, I.C. 8-23-10, and 105 I.A.C. 11), conduct a scheduled letting.
6. Subject to the LPA's written approval, INDOT shall award the construction contract for the Project according to applicable laws and rules.

INDOT's engineers shall control the work the same as on other federal aid construction contracts.
11. After the final Project audit is approved by INDOT, the LPA shall, within forty-five (45) days after receipt of INDOT's bill, make final payment to INDOT pursuant to Attachment D or INDOT shall, within forty-five (45) days after approval of the audit, refund any Project overpayment to the LPA.

ATTACHMENT D

PROJECT FUNDS

I. Project Costs.

- A. If the Program shown on Attachment A is receiving **Group II Safety** federal-aid funds for the project, the LPA is allocated the funds through the MPO as written in their fiscally constrained TIP. Any adjustments (positive or negative) to the dollar amount listed in the TIP, or any increase or decrease in the funding from a prior year, authorized by the MPO that may not be reflected in the current TIP, are hereby considered adjustments to the contract between the LPA and INDOT, as the MPO must maintain fiscal constraint for all projects listed. Federal funds made available to the LPA by INDOT will be used to pay **90%** of the eligible Project costs. The maximum amount of federal-aid funds allocated to the Project is dependent upon the current TIP allocation. As of this date, **August 7, 2017**, the maximum amount according to the TIP dated **July 26, 2017** is **\$ 470,684.00**. The most current MPO TIP page, or MPO authorization, is uploaded into INDOT's Scheduling Project Management System (SPMS).

OR

- B. Federal-aid Funds made available to the LPA by INDOT will be used to pay _____ % of the eligible Project costs. The maximum amount of federal funds allocated to the project is \$ _____.
- C. The LPA understands and agrees that in accordance with I.C. 8-23-2-14, INDOT retains 2.5% of the final construction costs for oversight of construction inspection and the testing of construction materials.
- D. The LPA understands and agrees that it is INDOT's policy to only allow non-discretionary changes to a Project scope after bidding. Changes to the Project scope after bidding that are by the choice of the LPA and are not required to complete the Project will not be eligible for federal-aid funds and must be funded 100% locally.
- E. The LPA understands and agrees that the federal-aid funds allocated to the Project are intended to accomplish the original scope of the Project as designed. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the Local Program.
- F. If the Program shown on Attachment A is Group I or Group II, Section E. does not apply. If the Project bid prices are lower than estimated, the LPA may not utilize those federal-aid funds and the remaining balance of federal-aid funds will revert back to the MPO.
- G. The remainder of the Project cost shall be borne by the LPA. For the avoidance of doubt, INDOT shall not pay for any costs relating to the Project unless the PARTIES have agreed in a document (which specifically references section I.D. of Attachment D of this contract) signed by an authorized representative of INDOT, the Indiana Department of Administration, State Budget Agency, and the Attorney General of Indiana.
- H. Costs will be eligible for FHWA participation provided that the costs:
- (1) Are for work performed for activities eligible under the section of title 23, U.S.C., applicable to the class of funds used for the activities;

- (2) Are verifiable from INDOT's or the LPA's records;
- (3) Are necessary and reasonable for proper and efficient accomplishment of project objectives and meet the other criteria for allowable costs in the applicable cost principles cited in 49 CFR section 18.22;
- (4) Are included in the approved budget, or amendment thereto; and
- (5) Were not incurred prior to FHWA authorization.

II. Billings.

A. Billing:

1. When INDOT awards and enters into a contract (i.e., construction, utility, and/or railroad) on behalf of the LPA, INDOT will invoice the LPA for its share of the costs. The LPA shall pay the invoice within thirty (30) calendar days from date of INDOT's billing.
2. The LPA understands time is of the essence regarding the Project timeline and costs and delays in payment may cause substantial time delays and/or increased costs for the Project.
3. If the LPA has not paid the full amount due within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this Contract, including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.

B. Other Costs:

1. The LPA shall pay INDOT for expenses incurred in performing the final audit less the amount eligible for Federal-aid reimbursement.

III. Repayment Provisions.

If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or on behalf of the LPA under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within thirty (30) days after receipt of a billing from INDOT. If the LPA has not paid the full amount due within sixty (60) calendar days past the due date, INDOT may proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds for the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account until the amount due has been repaid.

RESOLUTION 2017-79
CITY OF BLOOMINGTON BOARD OF PUBLIC WORKS

WHEREAS, in accordance with the provisions of Indiana Code 5-22-10-1 *et seq.*, the City of Bloomington Board of Public Works, as authorized Purchasing Agency for the City of Bloomington, may make a determination that conditions are such that a Special Purchase should be made if any of the conditions listed in that Chapter are present; and,

WHEREAS, I.C. § 5-22-10-8 states that a purchasing agent may make a special purchase when the compatibility of equipment, accessories, or replacement parts is a substantial consideration in the purchase and only one source meets the using agency's reasonable requirements; and,

WHEREAS, the City of Bloomington Board of Public Works has been advised by the City of Bloomington Director of Public Works, by his statement attached hereto, that this condition exists and supports the adoption of a determination that a special purchase of a station mounted filtration system for each of the City's five (5) fire stations, which purchase also includes installation of the system and a three (3) year service contract for maintenance and filter replacement, from Air Technology Solutions of Delaware LLC be authorized;

BE IT RESOLVED, that the City of Bloomington Board of Public Works hereby finds that a special purchase is appropriate under the circumstances described in the statement from the City of Bloomington Director of the Department of Public Work and adopts that statement as its determination. It further authorizes the appropriate City officials to proceed with the acquisition of the equipment and services referenced above in the most expeditious manner available.

ALL OF WHICH IS RESOLVED this _____ day of _____, 2017.

SPECIAL PURCHASE DETERMINATION
City of Bloomington, Indiana

Pursuant to the authority of Indiana Code Section 5-22-10-1 *et. seq.*, Adam Wason, Director of the City of Bloomington's Department of Public Works, does hereby make the determination that a Special Purchase is appropriate for the acquisition of a station mounted filtration system for each of the City's fire stations.

In this situation the following provision of the Indiana Code authorizes use of the special purchase procedure:

I.C. § 5-22-10-8: A purchasing agent may make a special purchase when the compatibility of equipment, accessories, or replacement parts is a substantial consideration in the purchase and only one source meets the reasonable requirements of the of the agency.

Five (5) fire stations serve the City of Bloomington. Each of the fire stations needs an efficient filtration system capable of removing vehicle exhaust fumes, airborne contaminants and gas pollutants from the work bays, living spaces, and sleeping quarters of the stations. Various types of systems exist including hose type capture, vehicle mounted, and station mounted filtration systems. The Fire Chief has requested station mounted systems for the stations due to their lower cost initially as well as low maintenance costs. These systems function without human interaction, remove contaminants rather than displacing them, and provide an energy efficient option. While several vendors have industrial filtration systems, Air Technology Solutions of Delaware LLC ("Air Technology") is the only company that has a long history of installations in fire stations. Air Technology would also provide a three (3) year contract for maintenance service and filter replacement. This filtration system should automatically activate in the presence of toxins and require little to no human interaction. This system can remove toxins and prevent them from entering the stations' living spaces, including the sleeping quarters. This type of system should provide Fire Department employees with a safe workplace environment.

Pursuant to Indiana Code 5-22-10-1 *et. seq.*, as referenced above, purchase and installation of a station mounted filtration system for each of the City's five (5) fire stations from Air Technology was authorized by the undersigned as a Special Purchase.

Dated this 18th day of August, 2017

Director, Department of Public Works

It is hereby agreed that CITY will be damaged for every day the work has not been performed in the manner herein provided. CONTRACTOR agrees the CITY, at its sole discretion, may withhold monies otherwise due CONTRACTOR. It is expressly understood by the parties hereto that these damages relate to the time of performance and do not limit CITY's other remedies under this Agreement, or as provided by applicable law, for other damages.

2.03. CONTRACTOR agrees that no charges or claims for damages shall be made by him for any delays or hindrances, from any cause whatsoever during the progress of any portion of the services specified in the Agreement. 3.02. Upon the submittal of approved claim(s), CITY shall compensate CONTRACTOR in a lump sum not to exceed One Hundred Forty-Nine Thousand Nine Hundred Dollars (\$ 149,900.00). CITY may withhold payment, in whole or in part, to the extent necessary to protect itself from a loss on account of any of the following:

Failure of CONTRACTOR to make payments due to subcontractors, material suppliers or employees.

4.01. **Escrow Agent** The retainage amount withheld shall be placed in an escrow account. First Financial Bank, Bloomington, Indiana, shall serve as the escrow agent.

4.02. **Retainage Amount** The escrow agent, Owner (also known as City) and Contractor shall enter into a written escrow agreement. Under that agreement, the Owner shall withhold five percent (5%) of the dollar value of all work satisfactorily completed until the Contract work is complete. The escrow agent shall invest all escrowed principal in obligations selected by the escrow agent. The escrow agent shall be compensated for the agent's services by a reasonable fee, agreed upon by the parties, that is comparable with fees charged for the handling of escrow accounts of similar size and duration. The fee shall be paid from the escrow income. The escrow agent's fee may be determined by specifying an amount of interest the escrow agent will pay on the escrowed amount, with any additional earned interest serving as the escrow agent's fee. After receipt of the notice, the escrow agent shall remit the designated part of the escrowed principal and the escrowed income, minus the escrow agent's fees, to the person specified in the notice. However, nothing in this section shall prohibit Owner from requiring the escrow agent to withhold amounts necessary to complete minor items of the Contract, following substantial completion of the Contract in accordance with the provisions of paragraph 4.04.

4.04 Withholding Funds for Completion of Contract If, upon substantial completion of the Contract, there still remains minor Contract work that needs to be completed, or minor Contract work that needs to be performed to the satisfaction of the Owner, Owner may direct the escrow agent to retain in the escrow account, and withhold from payment to the Contractor, an amount equal to two hundred percent (200%) of the value of said work. ARTICLE 5. GENERAL PROVISIONS

5.01. CONTRACTOR agrees to indemnify and hold harmless CITY and its officers, agents, officials and employees for any and all claims, actions, causes of action, judgments and liens arising out of any negligent act or omission by CONTRACTOR or any of its officers, agents, officials, employees, or subcontractors or any defect in materials or workmanship of any supply, materials, mechanism or other product or service which it or any of its officers, agents, officials, employees, or subcontractors has supplied to CITY or has used in connection with this Agreement and regardless of whether or not it is caused in part by a party indemnified herein under. Such indemnity shall include attorney's fees and all costs and other expenses arising there from or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein.

5.02. Abandonment, Default and Termination

5.02.01 CITY shall have the right to abandon the work contracted for in this Agreement without penalty. If CITY abandons the work described herein, CONTRACTOR shall deliver to CITY all surveys, notes, drawings, specifications and estimates completed or partially completed and these shall become the property of CITY. The earned value of the work performed shall be based upon an estimate of the proportion between the work performed by CONTRACTOR under this Agreement and the work which CONTRACTOR was obligated to perform under this Agreement. This proportion shall be mutually agreed upon by CITY and CONTRACTOR. The payment made to CONTRACTOR shall be paid as a final payment in full settlement of his services hereunder.

5.02.02 If CONTRACTOR defaults or fails to fulfill in a timely and proper manner the obligations pursuant to this Agreement, CITY may, after seven (7) days' written notice has been delivered to CONTRACTOR, and without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to CONTRACTOR. In the alternative, CITY, at its option, may terminate this Agreement and take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by CONTRACTOR, and may finish the project by whatever method it may deem expedient, and if the such action exceeds the unpaid balance of the sum amount, CONTRACTOR or his surety, shall pay the difference to CITY.

5.02.03 Default: If CONTRACTOR breaches this Agreement or fails to perform the work in an acceptable manner, he shall be considered in default. Any one or more of the following will be considered a default:

Failure to begin the work under this Agreement within the time specified.

Failure to perform the work with sufficient supervision, workmen, equipment and materials to insure prompt completion of said work within the time limits allowed.

Unsuitable performance of the work as determined by CITY ENGINEER or his representative.

Neglecting or refusing to remove defective materials or failure to perform anew such work as shall have been rejected.

Discontinuing the prosecution of the work or any part of it.

Inability to finance the work adequately.

If, for any other reason, CONTRACTOR breaches this Agreement or fails to carry on the work in an acceptable manner.

5.02.04 CITY shall send CONTRACTOR a written notice of default. If CONTRACTOR, or his Surety, within a period of ten (10) days after such notice, fails to remedy the default, then CITY shall have full power and authority, without violation of the Contract, to take the prosecution of the work out of the hands of said CONTRACTOR, to appropriate or use any or all materials and equipment on the ground as may be suitable and acceptable, and may, at its option, turn the work over to the Surety, or enter into an agreement with another Contractor for the completion of the Agreement according to the terms and provisions thereof, or CITY may use such other methods as, in its opinion, shall be required for the completion of said Contract in an acceptable manner.

5.02.05 All cost of completing the work under the Contract shall be deducted from the monies due or which may become due to said CONTRACTOR. In case the expenses so incurred by CITY shall be less than the sum which would have been payable under the Contract if it had been completed by said CONTRACTOR, CONTRACTOR shall be entitled to receive the difference. However, in case such expense shall exceed the sum which would have been payable under the Contract, CONTRACTOR and his Surety will be liable and shall pay to CITY the amount of said excess. By taking over the prosecution of the work, CITY does not forfeit the right to recover damages from CONTRACTOR or his Surety for his failure to complete the work in the time specified.

5.02.06 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of the Agreement by CITY are at any time not forthcoming or are insufficient, through failure of any entity to appropriate the funds or otherwise, then CITY shall have the right to terminate this Agreement without penalty by giving prior written notice documenting the lack of funding in which instance, unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void.

5.02.07 CITY agrees that it will make its best effort to obtain sufficient funds, including but not limited to, including in its budget for each fiscal period during the term hereof a request for sufficient funds to meet its obligations hereunder in full.

5.03. Successors and Assigns

5.03.01 Both parties agree that for the purpose of this Agreement, CONTRACTOR shall be an Independent Contractor and not an employee of CITY.

5.03.02 No portion of this Agreement shall be sublet, assigned, transferred or otherwise disposed of by CONTRACTOR except with the written consent of CITY being first obtained. Consent to sublet, assign, transfer, or otherwise dispose of any portion of this Agreement shall not be construed to relieve CONTRACTOR of any responsibility of the fulfillment of this Agreement.

5.04. Extent of Agreement: Integration

5.04.01 This Agreement consists of the following parts, each of which is as fully a part of this Agreement as if set out herein:

1. This Agreement and its Attachments.

5. The Specifications.
6. CONTRACTOR'S submittals.
7. The Performance and Payment Bonds.

9. Request for Taxpayer Identification number and certification: Substitute W-9.

5.04.02 In resolving conflicts, errors, discrepancies and disputes concerning the Scope of Work to be performed by CONTRACTOR, and other rights and obligations of CITY and CONTRACTOR, the document expressing the greater quantity, quality or other scope of work in question, or imposing the greater obligation upon CONTRACTOR and affording the greater right or remedy to CITY shall govern; otherwise the documents shall be given precedence in the order as enumerated above.

5.05. Insurance

5.09.03 CITY shall be the sole judge of the sufficiency of workmanship and quality of materials. Disputes shall be resolved by the City Engineer and are not subject to arbitration.

5.10. Safety. CONTRACTOR shall be responsible for the safety of employees at all times and shall provide all equipment necessary to insure their safety. CONTRACTOR shall ensure the enforcement of all applicable safety rules, regulations, ordinances and laws, whether federal, state or local. Contractor's Superintendent of Safety shall make daily inspections upon the arrival and leaving of the site at the close of each workday.

5.11. Amendments/Changes

5.11.01 Except as provided in Paragraph 5.11.02, this Agreement may be amended only by written instrument signed by both CITY and CONTRACTOR.

5.11.02 Without invalidating the Agreement and without notice to any surety, CITY may, at any time or from time to time, order, in writing, additions, deletions, or revisions in the work. Upon receipt of any such document, CONTRACTOR shall promptly proceed with the work involved, which will be performed under the applicable conditions of the Agreement Documents.

5.11.03 If CONTRACTOR believes that any direction of CITY under paragraph 5.11.02, or any other event or condition, will result in an increase in the Contract time or price, he shall file written notice with CITY no later than twenty (20) calendar days after the occurrence of the event giving rise to the claim and stating the general nature of the claim with supporting data. No claim for any adjustment of the Contract time or price will be valid if not submitted in accordance with this Paragraph.

5.11.04 CONTRACTOR shall carry on the work and adhere to the progress schedule during all disputes or disagreements with CITY. No work shall be delayed or postponed pending resolution of any dispute or disagreement except as CONTRACTOR and CITY may otherwise agree in writing.

5.12. Performance Bond and Payment Bond

5.12.01 For contracts in excess of \$100,000, CONTRACTOR shall provide CITY with a Performance Bond and Payment Bond in the amount of one hundred percent (100%) of the contract amount.

5.12.02 Failure by CONTRACTOR to perform the work in a timely or satisfactory fashion may result in forfeiture of CONTRACTOR'S Performance Bond.

5.12.03 If the surety on any bond furnished by CONTRACTOR becomes a party to supervision, liquidation, or rehabilitation action pursuant Indiana Code 27-9 *et seq.* or its right to do business in the State of Indiana is terminated, CONTRACTOR shall, within thirty (30) calendar days thereafter, substitute another bond and surety, both of which must be acceptable to CITY.

5.13. Payment of Subcontractors CONTRACTOR shall pay all subcontractors, laborers, material suppliers and those performing services to CONTRACTOR on the project under this Agreement. CITY may, as a condition precedent to any payment hereunder, require CONTRACTOR to submit satisfactory evidence of payments of any and all claims of subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR. Upon receipt of a lawful claim, CITY shall withhold money due to CONTRACTOR in a sufficient amount to pay the subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR.

5.14. Written Notice Written notice shall be considered as served when delivered in person or sent by mail to the individual, firm, or corporation, or to the last business address of such known to CONTRACTOR who serves the Notice. Notice shall be sent as follows:

TO CITY:

TO CONTRACTOR:

City of Bloomington	Air Technology Systems
Attn: J. D. Boruff, Operations and Facilities Director	Attn: Daniel Orto, Owner/CEO
P.O. Box 100	5299 Zenith Parkway
Bloomington, Indiana 47402	Loves Park, Illinois 61111

5.15. Severability and Waiver In the event that any clause or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect any other provision of this Agreement. Failure of either party to insist on strict compliance with any provision of this Agreement shall not constitute waiver of that party's right to demand later compliance with the same or other provisions of this Agreement.

5.16. Notice to Proceed CONTRACTOR shall not begin the work pursuant to the "Scope of Work" of this Agreement until it receives an official written Notice to Proceed from the City. Contractor shall start active and continuous work on the Agreement within thirty (30) calendar days after the date of the Notice to Proceed. In no case shall work begin prior to the date of the Notice to Proceed. If a delayed starting date is indicated in the proposal, the thirty (30) calendar day limitation will be waived. Work day charges will then begin on a date mutually agreed upon, but not later than the delayed starting date specified. In the event that any Agreement is canceled after an award has been made but prior to the issuing of the Notice to Proceed, no reimbursement will be made for any expenses accrued relative to this contract during that period.

5.17. Steel or Foundry Products

5.17.01 To comply with Indiana Code 5-16-8, affecting all contracts for the construction, reconstruction, alteration, repair, improvement or maintenance of public works, the following provision shall be added: If steel or foundry products are to be utilized or supplied in the performance of any contract or subcontract, only domestic steel or foundry products shall be used. Should CITY feel that the cost of domestic steel or foundry products is unreasonable; CITY will notify CONTRACTOR in writing of this fact.

5.17.02 Domestic Steel products are defined as follows:

"Products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two (2) or more of such operations, from steel made in the United States by open hearth, basic oxygen, electric furnace, Bessemer or other steel making process."

5.17.03 Domestic Foundry products are defined as follows:

"Products cast from ferrous and nonferrous metals by foundries in the United States."

5.17.04 The United States is defined to include all territory subject to the jurisdiction of the United States.

5.17.05 CITY may not authorize or make any payment to CONTRACTOR unless CITY is satisfied that CONTRACTOR has fully complied with this provision.

5.18. Verification of Employees' Immigration Status

Contractor is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). Contractor shall sign an affidavit, attached as Attachment B, affirming that Contractor does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code Chapter 12 or by the U.S. Attorney General.

Contractor and any of its subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the Contractor or any of its subcontractors learns is an unauthorized alien. If the City obtains information that the Contractor or any of its subcontractors employs or retains an employee who is an unauthorized alien, the City shall notify the Contractor or its subcontractors of the Agreement violation and require that the violation be remedied within thirty (30) calendar days of the date of notice. If the Contractor or any of its subcontractors

verify the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Contractor or its subcontractor did not knowingly employ an unauthorized alien. If the Contractor or its subcontractor fails to remedy the violation within the thirty (30) calendar day period, the City shall terminate the Agreement, unless the City determines that terminating the Agreement would be detrimental to the public interest or public property, in which case the City may allow the Agreement to remain in effect until the City procures a new contractor. If the City terminates the Agreement, the Contractor or its subcontractor is liable to the City for actual damages.

Contractor shall require any subcontractors performing work under this Agreement to certify to the Contractor that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Contractor shall maintain on file all subcontractors' certifications throughout the term of this Agreement with the City.

5.19. No Collusion: Contractor is required to certify that it has not, nor has any other member, representative, or agent of Contractor, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevent any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. Contractor shall sign an affidavit affirming that Contractor has not engaged in any collusive conduct. Attachment C is attached hereto and incorporated herein by reference as though fully set forth.

IN WITNESS WHEREOF, the parties of this Agreement have hereunto set their hands.

Scope of Work

Air Filtration System for City of Bloomington Fire Stations Provided by Air Technology Solutions of Delaware LLC

1. Scope and Intent

1.1 Scope: The AirMATION air filtration units and activation systems shall work together to control, capture, and/or reduce the vehicle exhaust produced by apparatus, in addition to contaminants generated from other sources. There are multiple sources of apparatus bay contamination consisting of airborne engine vapors, apparatus leaking seals, diesel and gas exhaust, soot, gases, carbon monoxide, nitrous dioxide, turn-out gear out gassing, power saw or other on board emergency gasoline or diesel powered equipment. The system must be capable of removing intermittent exhaust migration due to apparatus or other internal combustion equipment being run on the facility tarmac or apron.

1.2 Intent: The Vehicle Exhaust Capture system is a totally "hands-free," automatic activated system containing a manual override system to allow emergency personnel to respond to the emergency at hand. The system automatically activates: when bay doors open and close, when apparatus egress and ingress the station, and through additional options as stated within these specifications. The vehicle exhaust capture filtration system must operate for a minimum of twenty-one (21) minutes at a time to complete station air cleaning. The system must have the capability to increase this time to a maximum of ninety (90) minutes or decrease preset time on an initial activation. A reset button capability must be built in to the TSCMM timer.

The Timer Control Maintenance Monitor (TSCMM) is designed to start and stop the vehicle exhaust capture air filtration units to avoid power surges. For both the TSCMM and the filtration units, all components are ETL, UL 507 and CSA C22.2 approved and meet the requirements NFPA, OSHA, EPA and GSA Standards.

The timer control box will be 100% low voltage (24V max.) to eliminate shock hazards to personnel with no high voltage incorporated in the controls.

2. Equipment, Safety, and Equipment Features

2.1 Equipment: The filtration system shall be delivered and installed as a turnkey project with no requirement for station personnel involvement. The exhaust capture equipment will be a self-contained three stage progressive filtration design system. Please see Manual for more information.

2.2 Safety: Station personnel safety being a top priority, the air filtration system will include the following safety features:

- All components are ETL, UL 507 and CSA approved.
- Filtration units will have an integral overload breaker switch to work in tandem with the existing electrical panel breakers
- Filtration unit blower and wiring to be contained in a single blower box compartment, inaccessible to personnel
- All TSCMM control wiring shall be 100% low voltage (24VAC max) to eliminate electrical hazard.

2.3 Features:

- Ceiling suspended design evenly distributing unit weight.
- Provide 115V or 230V to power the filtration units. ATS to use existing power from existing Hose system.
- Utilize a Vertical pull-through design for optimum exhaust elimination.
- Rear Green or Amber LED filter change indicator to be visible from the floor level.
- Rear visible breaker switch light showing system is in operation.

- Capable of 24/7 operation.
- Accommodate any size vehicle or vehicle arrangement.
- Accommodate any ceiling height and ceiling construction.
- Multi-stage filtration system.

2.4 Activation: All supplied air filtration units will work in tandem with and include an automatic, hands free, low voltage (24V) activation system featuring:

- Operation engineered through a wall mounted TSCMM.
- **No scheduled maintenance will be required over the entire life of the activation system. Excluding filters.**
- TSCMM to be approved to ETL UL507 (US & CANADA) and CSA C22.2 (Canada)
- TSCMM enclosure to be NEMA UL508 Type 3R, 4, 12, and 13.
- TSCMM to contain a 90 minute timer adjustable to operate in 3 minute increments from 21-90 minutes.
- 24/7 operation.
- A photoelectric-eye to span up to 200 contiguous feet of bay doors and be able to operate at least seven feet (7') off the floor. Doors not in-line with other doors or having obstructions with over four feet (4') of wall or barrier protrusions eliminating a clear line of site will require a separate photoelectric-eye beam. Door brackets will back up this system in case of failure.
- Each bay door shall have a plastic or metal bracket installed one per door below the eye beam to break the beam as the door goes up or down, thereby triggering the activation system to start/stop

3. Delivery and Installation

3.1 Delivery: All system components and auxiliary tools will be delivered in a timely fashion to meet or exceed the delivery and installation requirements. **Delivery date is within five (5) weeks from which Notice to Proceed is provided to Contractor. ESCROW AGREEMENT

AIR FILTRATION SYSTEM INSTALLATION AND MAINTENANCE FOR CITY OF BLOOMINGTON FIRE STATIONS

THIS ESCROW AGREEMENT made and entered into this ____ day of _____, 2017, by and between the City of Bloomington Board of Public Works (the "Owner"), and Air Technology Solutions of Delaware LLC, (the "Contractor"), and First Financial Bank (the "Escrow Agent").

WHEREAS, the Owner and Contractor have entered into a public construction contract in the amount of \$100,000 or more, dated the _____ day of _____, 2017, for a public works project; and,

WHEREAS, said construction contract provides that portions of payments by Owner to Contractor shall be retained by Owner (herein called retainage) and placed in an escrow account;

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. To the extent that the Owner retains funds out of payments applied for by the Contractor under the provisions of the Contract providing for payments based on the value of the work in place and the materials stored, the Owner shall place the funds so retained in an escrow account.
2. The Escrow Agent shall open a "Money Market" account and deposit said funds promptly into the account and invest the retainage in such obligations as selected by the Escrow Agent at its discretion.
3. The income from and earnings on and all gains derived from the investment and reinvestment of the funds (escrow income) shall be held in the escrow account. The Escrow Agent shall deposit all funds and hold all investments in a separate escrow fund so that a quarterly accounting can be made to the Contractor of all deposits and investments made in such funds.
4. The Escrow Agent may commingle the escrow funds with other escrow funds or invested construction funds held by it pursuant to other escrow agreements or trust instruments to which the Owner and the Contractor are parties. To expedite the handling of the investments and reinvestments of the escrow funds, the Escrow Agent may cause all savings accounts, securities, obligations and investments (other than bearer instruments) to be registered in its own name, or in the name of its nominee or nominees, or in such form that title may pass by delivery.
5. The Escrow Agent shall pay over the net sum held by it hereunder as follows:
 - A. The Escrow Agent shall hold all of the escrow funds and shall release the principal thereof only upon the execution and delivery to it of a notice executed by the Owner and by the Contractor specifying the portion or portions of the principal of the escrow funds to be released and the person or persons to whom such portions are to be released. After receipt of said notice the Escrow Agent shall remit the designated part of escrowed principal and the same proportion of then escrowed income to the person specified in the notice. Such release of escrow funds shall be no more than thirty (30) days from the date of receipt by the Escrow Agent of the release executed by the Owner and Contractor. All income earned on the escrowed principal shall be paid to the Contractor with the exception of that amount necessary to pay any fee for the Escrow Agent's services. No escrow income shall be paid to the Contractor until the Escrow Agent's fee, if any, has been paid in full.
 - B. In the absence of such a joint written authorization, upon receipt from the Owner of a copy of certification from Owner's Engineer, that Owner has exercised its right to terminate the services of the Contractor pursuant to Article 16.02 of the General Conditions, then the Escrow Agent shall pay over to the Owner the net sum held by it hereunder.

C. In the absence of such a joint written authorization and in the absence of the termination of the Contractor as provided in "B", above, in the manner directed by a certified copy of a judgment of a court of record establishing the rights of the parties to said funds.

6. The "Commercial Quick Draw" account set up by the Escrow Agent to hold the retainage shall be a no fee account with no minimum balance required. The account shall earn interest at a variable rate.

7. This Agreement and anything done or performed hereunder by either the Contractor or Owner shall not be construed to prejudice or limit the claims which either party may have against the other arising out of the aforementioned construction agreement.

8. This instrument constitutes the entire agreement between the parties regarding the duties of the Escrow Agent with respect to the investment and payment of escrow funds. The Escrow Agent is not liable to the Owner and Contractor for any loss or damages not caused by its own negligence or willful misconduct.

ARTICLE 2. SERVICES

2.01 CONTRACTOR shall complete all work required under this Agreement within thirty (30) days from the date of the notice to proceed, unless the parties mutually agree to a later completion date. Substantial Completion shall mean completion of all work.

2.02 It is hereby understood by both parties that time is of the essence in this Agreement. Failure of CONTRACTOR to complete all work as herein provided will result in damages to CITY. It is hereby agreed that CITY will be damaged for every day the work has not been performed in the manner herein provided. CONTRACTOR agrees the CITY, at its sole discretion, may withhold monies otherwise due CONTRACTOR.

It is expressly understood by the parties hereto that these damages relate to the time of performance and do not limit CITY's other remedies under this Agreement, or as provided by applicable law, for other damages.

2.03 CONTRACTOR agrees that no charges or claims for damages shall be made by him for any delays or hindrances, from any cause whatsoever during the progress of any portion of the services specified in the Agreement. Such delays or hindrances, if any, may be compensated for by an extension of time for a reasonable period as may be mutually agreed upon between the parties, it being understood, however, that permitting CONTRACTOR to proceed to complete any service, or any part of the services / project, after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of CITY of any of its rights herein.

ARTICLE 3. COMPENSATION

3.01 CONTRACTOR shall provide services as specified in Attachment A, "Scope of Work", attached hereto and incorporated into this Agreement.

3.02 Upon the submittal of approved claim(s), CITY shall compensate CONTRACTOR in a lump sum not to exceed Five Thousand Nine Hundred Forty Dollars (\$5,940.00) CITY may withhold payment, in whole or in part, to the extent necessary to protect itself from a loss on account of any of the following:

3.04 CONTRACTOR shall maintain proper account records for the scope of all services of this Agreement and provide an accounting for all charges and expenditures as may be necessary for audit purposes. All such records shall be subject to inspection and examination by CITY's representatives at reasonable business hours.

4.01 Escrow Agent The retainage amount withheld shall be placed in an escrow account. First Financial Bank, Bloomington, Indiana, shall serve as the escrow agent.

4.02 Retainage Amount The escrow agent, Owner and Contractor shall enter into a written escrow agreement. Under that agreement, the Owner shall withhold five percent (5%) of the dollar value of all work satisfactorily completed until the Contract work is complete. The escrow agent shall invest all escrowed principal in obligations selected by the escrow agent. The escrow agent shall be compensated for the agent's services by a reasonable fee, agreed upon by the parties, that is comparable with fees charged for the handling of escrow accounts of similar size and duration. The fee shall be paid from the escrow income. The escrow agent's fee may be determined by specifying an amount of interest the escrow agent will pay on the escrowed amount, with any additional earned interest serving as the escrow agent's fee. The escrow agreement may include other terms and conditions as deemed necessary by the parties. However, if Contractor intends to receive a Single Lump Sum payment upon acceptance of this project, retainage will not be required and an Escrow Agreement will not be required.

ARTICLE 5. GENERAL PROVISIONS

5.01 CONTRACTOR agrees to indemnify and hold harmless CITY and its officers, agents, officials and employees for any and all claims, actions, causes of action, judgments and liens arising out of any negligent act or omission by CONTRACTOR or any of its officers, agents, officials, employees, or subcontractors or any defect in materials or workmanship of any supply, materials, mechanism or other product or service which it or any of its officers, agents, officials, employees, or subcontractors has supplied to CITY or has used in connection with this Agreement and regardless of whether or not it is caused in part by a party indemnified herein under. Such indemnity shall include attorney's fees and all costs and other expenses arising there from or incurred in connection therewith and shall not be limited by reason of the enumeration of any insurance coverage required herein.

5.02 Abandonment, Default and Termination

5.02.01 CITY shall have the right to abandon the work contracted for in this Agreement without penalty. The earned value of the work performed shall be based upon an estimate of the proportion between the

work performed by CONTRACTOR under this Agreement and the work which CONTRACTOR was obligated to perform under this Agreement. This proportion shall be mutually agreed upon by CITY and CONTRACTOR. The payment made to CONTRACTOR shall be paid as a final payment in full settlement of his services hereunder.

5.02.02 If CONTRACTOR defaults or fails to fulfill in a timely and proper manner the obligations pursuant to this Agreement, CITY may, after seven (7) days' written notice has been delivered to CONTRACTOR, and without prejudice to any other remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to CONTRACTOR. In the alternative, CITY, at its option, may terminate this Agreement and take possession of the site and of all materials, equipment, tools and construction equipment and machinery thereon owned by CONTRACTOR, and may finish the project by whatever method it may deem expedient, and if the such action exceeds the unpaid balance of the sum amount, CONTRACTOR or his surety, shall pay the difference to CITY.

5.02.03 Default: If CONTRACTOR breaches this Agreement or fails to perform the work in an acceptable manner, he shall be considered in default. Any one or more of the following will be considered a default:

Failure to begin the work under this Agreement within the time specified.

Failure to perform the work with sufficient supervision, workmen, equipment and materials to insure prompt completion of said work within the time limits allowed.

Unsuitable performance of the work as determined by PARKING GARAGE MANAGER or his representative.

Neglecting or refusing to remove defective materials or failure to perform anew such work as shall have been rejected.

Discontinuing the prosecution of the work or any part of it.

Inability to finance the work adequately.

If, for any other reason, CONTRACTOR breaches this Agreement or fails to carry on the work in an acceptable manner.

5.02.04 CITY shall send CONTRACTOR a written notice of default. If CONTRACTOR, or his Surety, within a period of ten (10) days after such notice, fails to remedy the default, then CITY shall have full power and authority, without violation of the Contract, to take the prosecution of the work out of the hands of said CONTRACTOR, to appropriate or use any or all materials and equipment on the ground as may be suitable and acceptable, and may, at its option, turn the work over to the Surety, or enter into an agreement with another Contractor for the completion of the Agreement according to the terms and provisions thereof, or CITY may use such other methods as, in its opinion, shall be required for the completion of said Contract in an acceptable manner.

5.02.05 All cost of completing the work under the Contract shall be deducted from the monies due or which may become due to said CONTRACTOR. In case the expenses so incurred by CITY shall be less than the sum which would have been payable under the Contract if it had been completed by said CONTRACTOR, CONTRACTOR shall be entitled to receive the difference. However, in case such expense shall exceed the sum which would have been payable under the Contract, CONTRACTOR and his Surety will be liable and shall pay to CITY the amount of said excess. By taking over the prosecution of the work, CITY does not forfeit the right to recover damages from CONTRACTOR or his Surety for his failure to complete the work in the time specified.

5.02.06 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of the Agreement by CITY are at any time not forthcoming or are insufficient, through failure of any entity to appropriate the funds or otherwise, then CITY shall have the right to terminate this Agreement without penalty by giving prior written notice documenting the lack of funding in which instance, unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void.

5.02.07 CITY agrees that it will make its best effort to obtain sufficient funds, including but not limited to, including in its budget for each fiscal period during the term hereof a request for sufficient funds to meet its obligations hereunder in full.

5.03 **Successors and Assigns**

5.03.01 Both parties agree that for the purpose of this Agreement, CONTRACTOR shall be an Independent Contractor and not an employee of CITY.

5.03.02 No portion of this Agreement shall be sublet, assigned, transferred or otherwise disposed of by CONTRACTOR except with the written consent of CITY being first obtained. Consent to sublet, assign, transfer, or otherwise dispose of any portion of this Agreement shall not be construed to relieve CONTRACTOR of any responsibility of the fulfillment of this Agreement.

5.04 **Extent of Agreement: Integration**

5.04.01 This Agreement consists of the following parts, each of which is as fully a part of this Agreement as if set out herein:

5.05 **Insurance**

5.05.01 CONTRACTOR shall, as a prerequisite to this Agreement, purchase and thereafter maintain such insurance as will protect him from the claims set forth below which may arise out of or result from CONTRACTOR’S operations under this Agreement, whether such operations be by CONTRACTOR or by any SUBCONTRACTORS or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

5.07 Applicable Laws CONTRACTOR agrees to comply with all federal, state, and local laws, rules and regulations applicable to CONTRACTOR in performing work pursuant to this Agreement, including, but not limited to, discrimination in employment, prevailing wage laws, conflicts of interest, public notice, accounting records and requirements. This Agreement shall be governed by the laws of the United States, and the State of Indiana, and by all Municipal Ordinances and Codes of the City of Bloomington. Venue of any disputes arising under this Agreement shall be in the Monroe Circuit Court, Monroe County, Indiana.

5.08 Non-Discrimination

5.08.01 CONTRACTOR and subcontractors shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Agreement, with respect to hire, tenure, terms, training, conditions or privileges of employment, because of race, sex, color, religion, national origin, ancestry, disability, sexual orientation, gender identity, veteran status, or housing status. Breach of this covenant may be regarded as a material breach of the Agreement.

5.08.02 CONTRACTOR certifies for itself and all its subcontractors compliance with existing laws of the City

Prohibition of discrimination in employment practices on the basis of race, sex, color, religion, national origin, ancestry, disability, sexual orientation, gender identity, veteran status, housing status, or any other legally protected classification;

The utilization of Minority and Women Business Enterprises. CONTRACTOR further certifies that it:

- a. Has formulated its own Affirmation Action plan for the recruitment, training and employment of minorities and women, including goals and timetable; which has been approved by the City's Contract Compliance Officer.
- b. Encourages the use of small business, minority-owned business and women-owned business in its operations.

5.08.03 FURTHER, PURSUANT TO INDIANA CODE 5-16-6-1, CONTRACTOR AGREES:

A) That in the hiring of employees for the performance of work under this Agreement or any sub agreement hereunder, no contractor, or subcontractor, nor any person acting on behalf of such CONTRACTOR or subcontractor, shall by reason of race, sex, color, religion, national origin, ancestry, or any other legally protected classification, discriminate against any citizen of the State of Indiana who is qualified and available to perform the work to which the employment relates.

B) That no contractor, subcontractor, or any person on their behalf, shall, in any manner, discriminate against or intimidate any employee hired for performance of work under this Agreement on account of race, religion, color, sex, national origin, ancestry, or any other legally protected classification.

C) That there may be deducted from the amount payable to CONTRACTOR, by CITY, under this Agreement, penalty of Five Dollars (\$5.00) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement. Any such person discriminated against retains the right to file a discrimination complaint with the appropriate civil rights agency or court.

D) That this Agreement may be canceled or terminated by CITY and all money due or to become hereunder may be forfeited, for a second or any subsequent violations of the terms or conditions under this section of the Agreement.

5.09 Workmanship and Quality of Materials

5.09.01 CONTRACTOR shall guarantee the work for a period of one (1) year from the date of substantial completion. Failure of any portion of the work within one (1) year due to improper construction, materials of construction, or design may result in a refund to CITY of the purchase price of that portion which failed or may result in the forfeiture of CONTRACTOR's Performance Bond.

5.09.02 OR EQUAL: Wherever in any of the Agreement Documents an article, material or equipment is defined by describing a proprietary product, or by using the name of a manufacturer or vender, the term "Or Equal" or the term "The Equivalent" if not inserted, shall be implied, and it is done for the express purpose of establishing a basis of durability and efficiency and not for the purpose of limiting completion. Whenever material or equipment is submitted for approval as being equal to that specified, the submittal shall include sufficient information and data to demonstrate that the material or equipment conforms to the Contract requirements. The decision as to whether or not such material or equipment is equal to that specified shall be made by the ENGINEER. The approval by the ENGINEER of alternate material or equipment as being equivalent to that specified, shall not in any way relieve CONTRACTOR of responsibility for failure of the material or equipment due to faulty design, material, or workmanship, to perform the function required by the Contract Documents. Specifications as determined by other entities within the City of Bloomington such as City Utilities shall only be substituted or changed by their approval which shall be submitted in writing to the ENGINEER.

5.09.03 CITY shall be the sole judge of the sufficiency of workmanship and quality of materials. Disputes shall be resolved by the City Engineer and are not subject to arbitration.

5.10 Safety. CONTRACTOR shall be responsible for the safety of employees at all times and shall provide all equipment necessary to insure their safety. CONTRACTOR shall ensure the enforcement of all applicable safety rules, regulations, ordinances and laws, whether federal, state or local. Contractor's Superintendent of Safety shall make daily inspections upon the arrival and leaving of the site at the close of each workday.

5.11 Amendments/Changes

5.11.01 Except as provided in Paragraph 5.11.02, this Agreement may be amended only by written instrument signed by both CITY and CONTRACTOR.

5.11.02 Without invalidating the Agreement and without notice to any surety, CITY may, at any time or from time to time, order, in writing, additions, deletions, or revisions in the work. Upon receipt of any such document, CONTRACTOR shall promptly proceed with the work involved, which will be performed under the applicable conditions of the Agreement Documents.

5.11.03 If CONTRACTOR believes that any direction of CITY under paragraph 5.11.02, or any other event or condition, will result in an increase in the Contract time or price, he shall file written notice with CITY no later than twenty (20) calendar days after the occurrence of the event giving rise to the claim and stating the general nature of the claim with supporting data. No claim for any adjustment of the Contract time or price will be valid if not submitted in accordance with this Paragraph.

5.11.04 CONTRACTOR shall carry on the work and adhere to the progress schedule during all disputes or disagreements with CITY. No work shall be delayed or postponed pending resolution of any dispute or disagreement except as CONTRACTOR and CITY may otherwise agree in writing.

5.12 Performance Bond and Payment Bond

5.12.01 For contracts in excess of \$100,000, CONTRACTOR shall provide CITY with a Performance Bond and Payment Bond in the amount of one hundred percent (100%) of the contract amount.

5.12.02 Failure by CONTRACTOR to perform the work in a timely or satisfactory fashion may result in forfeiture of CONTRACTOR'S Performance Bond.

5.12.03 If the surety on any bond furnished by CONTRACTOR becomes a party to supervision, liquidation, or rehabilitation action pursuant Indiana Code 27-9 *et seq.* or its right to do business in the State of Indiana is terminated, CONTRACTOR shall, within thirty (30) calendar days thereafter, substitute another bond and surety, both of which must be acceptable to CITY.

5.13 Payment of Subcontractors CONTRACTOR shall pay all subcontractors, laborers, material suppliers and those performing services to CONTRACTOR on the project under this Agreement. CITY may, as a condition precedent to any payment hereunder, require CONTRACTOR to submit satisfactory evidence of payments of any and all claims of subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR. Upon receipt of a lawful claim, CITY shall withhold money due to CONTRACTOR in a sufficient amount to pay the subcontractors, laborers, material suppliers, and those furnishing services to CONTRACTOR.

5.14 Written Notice Written notice shall be considered as served when delivered in person or sent by mail to the individual, firm, or corporation, or to the last business address of such known to CONTRACTOR who serves the Notice. Notice shall be sent as follows:

TO CITY:

TO CONTRACTOR:

City of Bloomington		
Attn: Ryan Daily, Parking Garage Manager		
P.O. Box 100 Suite 120		
Bloomington, Indiana 47402		

5.15 Severability and Waiver In the event that any clause or provision of this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect

any other provision of this Agreement. Failure of either party to insist on strict compliance with any provision of this Agreement shall not constitute waiver of that party's right to demand later compliance with the same or other provisions of this Agreement.

5.16 Notice to Proceed CONTRACTOR shall not begin the work pursuant to the "Scope of Work" of this Agreement until it receives an official written Notice to Proceed from the City. Contractor shall start active and continuous work on the Agreement within fifteen (15) calendar days after the date of the Notice to Proceed. In no case shall work begin prior to the date of the Notice to Proceed. If a delayed starting date is indicated in the proposal, the fifteen (15) calendar day limitation will be waived. Work day charges will then begin on a date mutually agreed upon, but not later than the delayed starting date specified. In the event that any Agreement is canceled after an award has been made but prior to the issuing of the Notice to Proceed, no reimbursement will be made for any expenses accrued relative to this contract during that period.

5.17 Steel or Foundry Products

5.17.01 To comply with Indiana Code 5-16-8, affecting all contracts for the construction, reconstruction, alteration, repair, improvement or maintenance of public works, the following provision shall be added: If steel or foundry products are to be utilized or supplied in the performance of any contract or subcontract, only domestic steel or foundry products shall be used. Should CITY feel that the cost of domestic steel or foundry products is unreasonable; CITY will notify CONTRACTOR in writing of this fact.

5.17.02 Domestic Steel products are defined as follows:

"Products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two (2) or more of such operations, from steel made in the United States by open hearth, basic oxygen, electric furnace, Bessemer or other steel making process."

5.17.03 Domestic Foundry products are defined as follows:

"Products cast from ferrous and nonferrous metals by foundries in the United States."

5.17.04 The United States is defined to include all territory subject to the jurisdiction of the United States.

5.17.05 CITY may not authorize or make any payment to CONTRACTOR unless CITY is satisfied that CONTRACTOR has fully complied with this provision.

5.18 Verification of Employees' Immigration Status

Contractor is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). Contractor shall sign an affidavit, attached as Attachment B, affirming that Contractor does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code Chapter 12 or by the U.S. Attorney General.

Contractor and any of its subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the Contractor or any of its subcontractors learns is an unauthorized alien. If the City obtains information that the Contractor or any of its subcontractors employs or retains an employee who is an unauthorized alien, the City shall notify the Contractor or its subcontractors of the Agreement violation and require that the violation be remedied within thirty (30) calendar days of the date of notice. If the Contractor or any of its subcontractors verify

the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Contractor or its subcontractor did not knowingly employ an unauthorized alien. If the Contractor or its subcontractor fails to remedy the violation within the thirty (30) calendar day period, the City shall terminate the Agreement, unless the City determines that terminating the Agreement would be detrimental to the public interest or public property, in which case the City may allow the Agreement to remain in effect until the City procures a new contractor. If the City terminates the Agreement, the Contractor or its subcontractor is liable to the City for actual damages.

Contractor shall require any subcontractors performing work under this Agreement to certify to the Contractor that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Contractor shall maintain on file all subcontractors' certifications throughout the term of this Agreement with the City.

5.19. No Collusion: Contractor is required to certify that it has not, nor has any other member, representative, or agent of Contractor, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevent any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. Contractor shall sign an affidavit affirming that Contractor has not engaged in any collusive conduct. Attachment C is attached hereto and incorporated herein by reference as though fully set forth.

IN WITNESS WHEREOF, the parties of this Agreement have hereunto set their hands.

BETWEEN
CITY OF BLOOMINGTON
AND
JANE ST. JOHN, LLC**

This Agreement, entered into on this ____ day of _____, 2017, by and between the City of Bloomington (hereinafter referred to as “City”), and Jane St. John, LLC (hereinafter referred to as “Consultant”), WITNESSETH THAT:

WHEREAS, the City desires to advance certain strategic initiatives as defined in Exhibit A, and other projects as mutually agreed upon by City and Consultant; and

WHEREAS, Consultant is qualified, experienced, and capable of providing the City with the services as defined in Exhibit A;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

Article 1. Scope of Services:

Consultant shall support the City in its evaluation and development of three key priority projects: 1) a short-term and long-term high quality Pre-K strategy; 2) optimization of access to locally grown and manufactured food, including the possibility of a food hub; 3) a bike share program, as further detailed in Exhibit A. In addition, the Consultant will support the City’s implementation of sustainability projects as required by the departure of the City’s sustainability coordinator.

Consultant shall be required to work substantially from the offices of the Economic & Sustainable Development Department for completion of the work assigned. Temporary access to the Department’s relevant documentation and City information technology access will be provided during the term of the agreement.

Consultant shall complete all work required under this Agreement on or before December 31, 2017, unless the parties mutually agree to a later completion date. Substantial Completion shall mean completion of all work.

In the performance of Consultant’s work, Consultant agrees to maintain such coordination with the City as may be requested and desirable, including primary coordination with Alex Crowley as the City’s Project Manager for the projects. Consultant agrees that any information or documents

supplied by the City pursuant to Article 3, below, shall be used by Consultant for this project only, and shall not be reused or reassigned for any purpose.

Article 2. Standard of Care: Consultant shall be responsible for completion of the Services in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. The City shall be the sole judge of the adequacy of Consultant's work in meeting such standards. However, the City shall not unreasonably withhold its approval as to the adequacy of such performance. Upon notice to the Consultant and by mutual agreement between the parties, the Consultant will, without additional compensation, correct those services not meeting such a standard.

Article 3. Responsibilities of the City: The City shall provide all necessary information regarding requirements for the Services. The City shall furnish such information as expeditiously as is necessary for the orderly progress of the work, and Consultant shall be entitled to rely upon the accuracy and completeness of such information. The City shall designate Alex Crowley to act on its behalf with respect to this Agreement.

Article 4. Compensation: The City shall pay Consultant for all fees and expenses an amount not to exceed Thirty-Nine Thousand Seven Hundred Fifty Dollars (\$39,950.00). Should the City and Consultant mutually agree upon additional hours, those hours shall be billable at a rate of \$85.00 per hour.

Consultant shall submit a monthly invoice to the City totaling the hours of work consumed during the period at a rate of \$85.00 per hour. The invoices shall be sent to:

Alex Crowley
Department of Economic & Sustainable Development
City of Bloomington
401 N. Morton Street
Bloomington, Indiana 47404

Invoices may be sent via first class mail postage prepaid or via email.

Payment will be remitted to Consultant within forty-five (45) days of receipt of invoice.

Additional services not set forth in Article 1, or changes in services must be authorized in writing by the City or its designated project coordinator prior to such work being performed, or expenses incurred. The City shall not make payment for any unauthorized work or expenses.

Article 5. Appropriation of Funds: Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by the City are at any time not forthcoming or are insufficient, through failure of any entity, including the City itself, to appropriate funds or otherwise, then the City shall have the right to terminate this Agreement without penalty.

Article 6. Termination: In the event of a party's substantial failure to perform in accordance with the terms of this Agreement, the other party shall have the right to terminate the Agreement upon written notice. The nonperforming party shall have fourteen (14) calendar days from the receipt of the termination notice to cure or to submit a plan for cure acceptable to the other party.

The City may terminate or suspend performance of this Agreement at the City's prerogative at any time upon written notice to the Consultant. The Consultant shall terminate or suspend performance of the Services on a schedule acceptable to the City and the City shall pay the Consultant for all the Services performed up to the date that written notice is received, plus reasonable termination or suspension expenses. Upon restart, an equitable adjustment shall be made to the Consultant compensation and the schedule of services. Upon termination or suspension of this Agreement, all finished or unfinished reports, drawings, collections of data and other documents generated by the Consultant in connection with this Agreement shall become the property of the City, as set forth in Article 8 herein.

Article 7. Identity of the Consultant: Consultant acknowledges that one of the primary reasons for its selection by the City to perform the duties described in this Agreement is the qualification and experience of Consultant. Consultant thus agrees that the services to be done pursuant to this Agreement shall be performed by Consultant. Consultant shall not subcontract any part of the Services without the prior written permission of the City. The City reserves the right to reject any of the Consultant's personnel or proposed outside professional sub-consultants, and the City reserves the right to request that acceptable replacement personnel be assigned to the project.

Article 8. Ownership of Documents and Intellectual Property: All documents, drawings and specifications, including digital format files, prepared by Consultant and furnished to the City as part of the Services shall become the property of the City. Consultant shall retain its ownership rights in its design, drawing details, specifications, data bases, computer software and other proprietary property. Intellectual property developed, utilized or modified in the performance of the Services shall remain the property of the Consultant.

Article 9. Independent Contractor Status: During the entire term of this Agreement, Consultant shall be an independent contractor, and in no event shall any of its personnel, agents or sub-contractors be construed to be, or represent themselves to be, employees of the City. Consultant shall be solely responsible for the payment and reporting of all employee and employer taxes, including social security, unemployment, and any other federal, state, or local taxes required to be withheld from employees or payable on behalf of employees.

Article 10. Indemnification: To the fullest extent permitted by law, Consultant shall indemnify and hold harmless the City of Bloomington, the City, and the officers, agents and employees of the City and the City from any and all claims, demands, damages, costs, expenses or other liability arising out of bodily injury or property damage (collectively "Claims") but only to the

extent that such Claims are found on a comparative basis of fault to be caused by any negligent act or omission of Consultant or Consultant's officers, directors, partners, employees, or sub-consultants in the performance of services under this Agreement.

Article 11. Conflict of Interest: Consultant declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of Services required under this Agreement. The Consultant agrees that no person having any such interest shall be employed in the performance of this Agreement.

Article 12. Waiver: No failure of either party to enforce a term of this Agreement against the other shall be construed as a waiver of that term, nor shall it in any way affect the party's right to enforce that term. No waiver by any party of any term of this Agreement shall be considered to be a waiver of any other term or breach thereof.

Article 13. Severability: The invalidity, illegality or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of the Agreement shall be construed and enforced as if it did not contain the particular provision to be held void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Article shall not prevent this entire Agreement from being void should a provision which is of the essence of this Agreement be determined void.

Article 14. Assignment: Neither the City nor the Consultant shall assign any rights or duties under this Agreement without the prior written consent of the other party; provided, however, Consultant may assign its rights to payment without the City's consent. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement.

Article 15. Third Party Rights: Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the City and the Consultant.

Article 16. Governing Law and Venue: This Agreement shall be governed by the laws of the State of Indiana. Venue of any dispute arising under this Agreement shall be in the Monroe Circuit Court, Monroe County, Indiana.

Article 17. Non-Discrimination: Consultant shall comply with City of Bloomington Ordinance 2.21.020 and all other federal, state and local laws and regulations governing non-discrimination in employment.

Article 18. Compliance with Laws: In performing the Services under this Agreement, Consultant shall comply with any and all applicable federal, state and local statutes, ordinances, plans and regulations.

Article 19. E-Verify. Consultant is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). Consultant shall sign an affidavit, attached as Exhibit B, affirming that Consultant does not knowingly employ an unauthorized alien. “Unauthorized alien” is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code chapter 12 or by the U.S. Attorney General.

Consultant and any subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the Consultant or subcontractor subsequently learns is an unauthorized alien. If the City obtains information that the Consultant or subcontractor employs or retains an employee who is an unauthorized alien, the City shall notify the Consultant or subcontractor of the contract violation and require that the violation be remedied within 30 days of the date of notice. If the Consultant or subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Consultant or subcontractor did not knowingly employ an unauthorized alien. If the Consultant or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the City determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City procures a new Consultant. If the City terminates the contract, the Consultant or subcontractor is liable to the City for actual damages.

Consultant shall require any subcontractors performing work under this contract to certify to the Consultant that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Consultant shall maintain on file all subcontractors’ certifications throughout the term of the contract with the City.

Article 21. Intent to be Bound: The City and the Consultant each bind itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners to the other party to this Agreement, and to the successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement.

Article 22. Integration and Modification: This Agreement, including all Exhibits incorporated by reference, represents the entire and integrated agreement between the City and the Consultant. It supersedes all prior and contemporaneous communications, representations and agreements, whether oral or written, relating to the subject matter of this Agreement.

This Agreement may be modified only by a written amendment signed by both parties hereto.

Article 23. Non-Collusion: Consultant is required to certify that it has not, nor has any other member, representative, or agent of Consultant, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. Overview

Projects will align with and advance the department's mission: "...to enhance the quality of life for citizens by administering strategic programs and initiatives which foster an environment where businesses may thrive and retain and create new, quality jobs."

Each project will deliver identifiable actions to positively address these three areas, to be determined as the initial step in each project. The goal is to focus on what can be done and then do it, without being overly sidetracked by the complexity of issues.

The city sees its role as contributor and catalyst, not necessarily as implementer. The question is: how can the City help already existing, succeeding efforts?

Approach for each topic

1. What can the city do immediately? (Note: this question won't apply in all areas.)
2. What is the larger problem? Define it.
 - a) Tapping/collecting existing information—past and current efforts
 - b) Create matrix of services and availability of services
3. What is the community wide solution?
4. What is the city's role? (The goals within the plan will be SMART goals: strategic and specific; measurable; attainable; results-oriented and realistic; and time-bound.)

Projects & Time Estimates

Pre-K Initiatives (Short-Term & Long-Term)

Goal: Develop City participation in short-term and long-term Pre-K effort (WGTF recommendation)

Deliverable(s): Recommendation for action and support of selected phases of implementation.

Project Timeline: Complete by December 8 (see dates under time estimates below)

There are many agencies in Bloomington working on this topic. Discerning how the City can best participate involves creating a matrix of ages, population size and current service options for each, including how private sector entities are addressing the child care needs of their employees. A product (if it doesn't exist already) would be a timeline, including budget, of what it would take to have 100% pre-K child care for Bloomington.

Key contacts: Tina Peterson; Jennifer Myers; Whitney Thomas; Jeff Baldwin

Time Estimates/Timeline

1. Tap into and collect existing information—past and current efforts. What is the larger problem? Define it.

Time allotted: 30-40 hours

Complete by: September 29

Survey the key agencies and players involved and solutions under discussion. Discussions would include: MCCSC; the Community Foundation of Bloomington and Monroe County; MCUM; BHA; IU Hospital Bloomington; United Way; Boys and Girls Club; Bun, Two, Three; and others, as necessary. Create matrix of services to show availability and gaps. Research solutions and approaches currently practiced in other communities.

2. What is the community wide solution? What is the current plan in progress and what are next steps, to be taken, by whom? Insert current suggested activities in matrix to show how they would fill the gaps and where gaps would still remain.

Time allotted: 20-30 hours

Complete by: October 20

3. How can the city help? What is the city's role? What are the city's SMART goals (strategic and specific; measurable; attainable; results-oriented and realistic; and time-bound)? How does the city implement strategically for the long term?

Time allotted: 20-30 hours

Complete by: November 10

4. Begin implementing the city's plan.

Time allotted: 20-30 hours

Complete by: December 8

Work with appropriate constituents within and outside the City of Bloomington to implement the role deemed most appropriate for the city. Present, write, collaborate, implement, as necessary.

Total estimated project hours (range): 90-130 hours

Bloomington as a Food Hub

Goal: Evaluate viability of Bloomington as a food hub.

Deliverable(s): Recommendation for action and support of selected phases of implementation.

Project Timeline: complete by December 15, 2017 (see dates under time estimates below)

Bloomington has many components of a food hub—local growers, a popular farmer's market and strong public support for healthy food. One key area that needs improvement is helping small local producers connect to larger purchasers like IU, MCCSC, Cook, the hospitals, Ivy Tech, and

nursing homes. This requires an advocacy component on the growers' behalves because the large purchasers typically purchase from large suppliers. Done right, the Food Hub serves both the local growers' need to sell and the large markets' desire for the highest quality, affordable food.

Key contacts: Jeff Mease; Marcia Veldman; Gabriel Gluesenkamp; BloomingFoods

Time Estimates

1. How is the city already poised to be a food hub?

Time allotted: 30-40 hours

Complete by: August 25

Bloomington has some components in place as a food hub. What components does it have—and how adequately—and what does it lack? What would it take to become a viable and successful food hub? What are the challenges blocking Bloomington? Define them. Collect information from involved and interested parties, including farmers, large purchasers, and other food providers. Create matrix of services in place, services required and where the gaps exist.

2. What is the community wide solution?

Time allotted: 30-40 hours

Complete by: September 22

Given the steps needed to become a hub (and provided the city wants to pursue them), what is the city's role and what are the SMART goals that would lead Bloomington to become a food hub? Plan how to garner public support: How would Bloomington's status as a food hub be manifest? What difference would it make to Bloomington and how can that be quantified in a way that the public would want to support it?

3. Implement the plan.

Time allotted: 20-30 hours

Complete by: November 17

As determined by the phases above, work with involved individuals and agencies to implement steps that will lead to Bloomington becoming a food hub.

Total estimated project hours (range): **80-110 hours**

Bike Share

Goal: Explore whether Bloomington can and should sustain a bike share program

Deliverable(s): Recommendation for action and support of selected phases of implementation.

Project Timeline: complete by 2017 (see dates under time estimates below)

Given the demand for bicycles—both for employment and enjoyment—how viable is it for Bloomington to retain a service for this? What derailed the last attempt with bike share and what can we learn from that if we choose to pursue this option?

Key contacts: Beth Rosenbarger; Kevin Whited; Scott Robinson; Neil Kopper; Tom Morrison

Time Estimates

1. Build upon and further current work already under way.

Time allotted: 40-50 hours

Complete by: September 8

Collect and vet community opinion on the bike share idea and collect input on prospective plans and timeline. Interact with university as necessary. Gauge community support. Is bike share desired and feasible? Meet with relevant constituents. Work with prospective vendor to obtain drafts of routes, bike station renderings, address safety questions/concerns. Create Frequently Asked Questions sheet. Create and vet implementation timeline for input.

This phase will include conversation with prospective vendors/providers of the service and with businesses and not-for-profit organizations who would collaborate with the city as a branded co-sponsor/financial supporter of the project. Vendor and sponsor would be selected or selection would be well under way if not doable within the timeline.

2. What is the community wide solution? What is the city's role?

Time allotted: 20-30 hours

Complete by: October 27

Secure contractor and co-sponsorship partner. Obtain permission from necessary entities for routes and stations around town, as necessary. Involve city departments (HAND/ Parks/Planning) in plan and involve citizen groups who support the idea.

3. If decided to pursue, implement the plan for installing and beginning use of the bike share program.

Time allotted: 20-30 hours

Complete by: April, 2018

Due to the weather, it may not make sense to install the bicycles in the fall, only to have them sit out all winter. Implementation more likely in spring.

Total estimated project hours (range): 80-110 hours
