**Request from Indiana  
University to  
Temporarily Close  
North Woodlawn  
Avenue for  
Construction**

Jason Banach, with IU Realty, explained that half are IU properties, and the rest are privately held. The City fire station is one property, which IU holds a reversionary interest.

Cox Deckard asked if they are primarily rental properties.

Banach confirmed.

Boatman asked if residents were notified before.

Banach explained this was addressed at the Old Northeast Neighborhood Association meeting. However, not all of the residents were present. IU staff is working with City staff to ensure everyone is informed.

Boatman made a motion to approve the Request from Indiana University to Temporarily Close North Woodlawn Avenue for Construction. Palazzo seconded. The motion passed. Closure approved.

Aten presented Change Orders #3 and #4 for Woodlawn Railroad Crossing. See meeting packet for further details.

**Approve Change

Aten presented Change Order #7 for Old State Road 37 and Dunn Correction Project. See meeting packet for further details.

**Approve Change Order  
#7 for Old State Road  
37 and Dunn  
Correction Project**

Boatman asked about the initial design elevation.

Aten explained the design allows the pedestrian bridge to flood. This change order will correct that.

Boatman made a motion to approve Change Order #7 for Old State Road 37 and Dunn Correction Project. Palazzo seconded. The motion passed. Change order approved.

Adam Wason, with Public Works, provided the following announcements:

- Almost two weeks ago City Council approved the Sanitation Modernization plan. There is an upcoming Town Hall meeting for residents to come and select cart sizes. Staff is anticipating an October implementation date.

Boatman asked about the process for establishing the fees.

Wason explained City Council approved a range of fees for each trash cart size; recycling is included. Over the next few months residents will receive surveys requesting their choice of cart size for trash. Staff will use the surveys to determine the number of carts per size, and the final fee.

Boatman asked if the survey choices are final.

Wason confirmed. There will be a 60-day grace period where residents may move to the next size up or down for free. The default size will be the middle size for both trash and recycling.

Cox Deckard asked if residents can choose different size containers for recycling and trash.

Wason confirmed. He explained carts will be on display at different locations around the city. The survey will indicate the range of prices for the various containers.

Boatman asked if all waste and recycling has to fit in the containers.

Wason confirmed. Residents would be asked to wait until the next week or use the South Walnut Street location. He would recommend that residents choose

the larger size to take care of this issue.

- A bridge rehabilitation taking place by IU on Jordan Avenue just north of 10<sup>th</sup> Street, will occur right after graduation,

Boatman asked if both Woodlawn Ave. and Jordan Ave. would be closed for awhile at the same time.

Wason confirmed. The only way to go north would be by using Fee Lane. Access on Fee Lane and Indiana Ave. will be maintained.

- There are two retirements coming up: Barry Collins, the Facilities Maintenance Director; and Mike Young, the Fleet Maintenance Manager. The two retirements mean the positions will be open.
