## **January 14 2019 - Meeting Minutes**

### **III. Public Comments**

- Ann Edmonds asked about the status of the new Short Street Connection.

### **IV. Communications from Commission Members**

- Jim Rosenbarger noted that the Fire Station #4 hadn't cleaned off its sidewalk after a snow storm but had cleaned its roads. He suggested that local ordinances be amended to require that sidewalks are cleared when roads are cleared. Jim will follow-up with the fire department. Beth suggested another ordinance adjustment option might be to time-of-day for when to ticket for snow removal instead of "24 hours".
- Mark Stosberg suggested that the six signs seen at the Tamarron intersection as seen from the South feel overwhelming or counterproductive. There are so many signs that they visually overlap and it's hard to pay attention to them all you approach. (TODO: Share photo)

### **V. Reports from Staff**

- Julia Karr asked about the "Dismount Zone" signs mounted on signs downtown. She suggested they might be easier to see if they were posted lower on poles they would be easier to see.
- Beth Rosenbarger gave an overview of the Curry Pike/Smith Pike/Woodyard Intersection Improvement

### **VII. New Business**

- Jim Blickensdorf, Chair of the Parking Commission presented an overview of the Parking Commission.

## **February- No Meeting**
