### <u>PETITIONS &</u> <u>REMONSTRANCES</u>

### CONSENT AGENDA

### NEW BUSINESS

Approve Interlocal Cooperative Agreement between the INDOT and Project. See meeting packet for further details.

Adam Wason, with Public Works, requested an overview of the project.

Kopper provided a brief background of the project. The meeting dates will be posted on Planning and Transportation and Public Works web pages.

Boatman asked about the time frame for the design and construction.

Kopper estimated construction to be completed by 2019. The contract allows for some flexibility. The goal is to get this done as soon as possible.

Boatman made a motion to approve the Interlocal Cooperative Agreement between INDOT and the City of Bloomington for W. 17th Street Reconstruction Project. Palazzo seconded. The motion passed. Contract approved.

Kopper presented the Consultant Service Contract with AZTEC Engineering Group, Inc. for the W. 17th Street Reconstruction Project. See meeting packet for further details.

Boatman asked if the Redevelopment Commission has different requirements than the Board for agreements of this nature.

Kopper explained it is generally similar to what the Board sees, but in a different format. The RDC has an initial project review and approval form, then they issue approval of funding for each individual component of the agreement.

Boatman asked for more visibility or understanding instead of such a narrow scope of the costs in the future.

Cox Deckard commented that the process for selecting the firms for this project was discussed at the Work Session.

See meeting packet for further details.

Boatman asked if the Board is authorizing the agreement so that work performed can be reimbursed by the Metropolitan Planning Organization (MPO).

Wason confirmed.

Boatman made a motion to approve the Bloomington/Monroe County Metropolitan Planning Organization Service Agreement to the Utilize Unified Planning Work Program Funding for 2017-2018. Palazzo seconded. The motion passed. Contract approved.

Jacqui Bauer, with Economic and Sustainable Development, presented the Amendment to the Contract with Solar Energy Solutions, LLC for BPD Solar Installation Project. See meeting packet for further details.

Boatman asked when the work will begin.

Bauer explained the work on the roof started last week. It will be a ballasted system. She estimated 2-3 weeks of work on the inside of the facility. She explained all work should be done by late February.

Boatman asked if there will be a showcase event upon completion.

Bauer said there may be a joint ribbon-cutting ceremony for the two solar projects.

Cox Deckard asked about the two information sessions.

Bauer said the first session will be held on January 30<sup>th</sup>, and the second date will be announced soon.

Wason asked who is eligible to participate.

Bauer said this is available to any resident or small business. Renters can also participate, with permission from their landlord. The vendor opened it up to everyone in Monroe County.. Approve

Christina Smith, with Public Works, presented the Outdoor Lighting Service Agreements with Duke Energy for 10<sup>th</sup> & 45/46 Bypass, and 8<sup>th</sup> & Fountain. See meeting packet for further details.

Boatman asked if lights are at the other corners of the 10th St. and 45/46 Bypass intersection.

Smith explained there is some lighting, but not enough.

Cox Deckard asked if this is the first installation of this style.

Smith explained this style is installed on 17<sup>th</sup> St between Fee Ln. and Dunn St. This will be the standard going forward.

Boatman made a motion to approve the Outdoor Lighting Service Agreement with Duke Energy for 10th & 45/46 Bypass, and 8th & Fountain. Palazzo seconded. The motion passed. Contract approved.

Wason presented the Board of Public Works Appointment to the Plan Commission. See meeting packet for further details.

Wason announced Heather Maritano as the BPW appointment to the Plan Commission. He explained the Board's appointment to the Plan Commission will impact future resolutions and items that come to BPW, including construction coordination and usage of right-of-way. He is looking forward to inviting her to a Board of Public Works Work Session to further discuss her appointment.

Boatman asked when she will start.

Wason said she attended the last meeting as a non-voting member. They meet on the second Monday of the month. This is a four-year term.

Palazzo made a motion to approve the Heather Maritano, Board of Public Works Appointment to the Plan Commission. Boatman seconded. The motion passed. Appointment Approve Outdoor Lighting Service Agreement with Duke Energy for 10<sup>th</sup> & 45/46 Bypass, 8<sup>th</sup> & Fountain

Wason made the following announcements:

- Animal Shelter construction project is out to bid right now.
- The Sanitation Modernization Advisory Committee met last week. The committee is working towards getting a final report to the Mayor. This report will be shared once it is approved. Information sessions will be scheduled after the final report.

Boatman asked when equipment purchases would occur.

Wason explained that would happen after the City Council has approved the rate change. He explained the purchasing process to the Board.

• He welcomed Nate Nickel to Public Works as the department's new Data and Business Manager.

Wason explained purchases on the claims register that were made to replenish the Salt Barn.

Boatman moved to approve the Claims Register for 1/13/2017-1/27/2017 in the amount of \$283,811.73. Palazzo seconded the motion. The motion passed. Claims approved.

Cox Deckard called for adjournment. Meeting adjourned at 6:05 p.m.

## Board of Public Works Staff Report

Project/Event:	Pushcart in right of way
Petitioner/Represen	tative: Moises Cordon – Gimmie Sum Moe's, LLC
Staff Representative	: Jason Carnes
Meeting Date:	February 7, 2017

Moises Cordon, owner of Gimmie Sum Moe, LLC has applied to renew his Pushcart License to operate a pushcart. It has been determined that when the applicant wants to operate in the right of way that before the permit is issued, permission must be obtained from the Board of Public Works. The Department of Economic & Sustainable Development has reviewed the application and the Board of Public Works' approval to operate in the public right of way is one of the items on the check list that is required before a permit can be issued. ESD will confirm that all rules and regulations have been met prior to a permit being issued.

The business will operate from a pushcart selling tacos, burritos, hot dogs, chips and beverages.

This application is for 6 months.

Staff is supportive of the request.

### CITY OF BLOOMINGTON BOARD OF PUBLIC WORKS RESOLUTION 2017-08

### Pushcart in Public Right of Way Gimmie Sum Moe, LLC

WHEREAS, the Board of Public Works is empowered by Indiana Code § 36-9-6-2 to supervise the streets, alleys, sewers, public grounds, and other property of the City of Bloomington ("City"); and

WHEREAS, Gimmie Sum Moe, LLC ("Vendor") intends to renew its Pushcart License under Bloomington Municipal Code 4.30; and

WHEREAS, Vendor desires to be able to use "City property" as defined in Bloomington Municipal Code 4.30.010, which includes sidewalks, on a temporary and transient basis for the purpose of selling food via a pushcart; and

WHEREAS, under the Bloomington Municipal Code, approval to use public sidewalks is provided by the Board of Public Works via resolution; and

WHEREAS, Vendor has obtained a Mobile Food Service Establishment license from the Monroe County Health Department, and

WHEREAS, Vendor will produce a type of spark, flame, or fire, and therefore, Vendor is required to obtain a temporary vender permit from the City of Bloomington Fire Department, which Vendor has obtained; and

WHEREAS, Vendor has agreed to the Standards of Conduct set forth in Bloomington Municipal Code 4.30.150 and signed the Release, Hold-Harmless and Indemnification Agreement as required by Bloomington Municipal Code 4.30.090; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS THAT:

1. Vendor has permission to use public sidewalks, on a temporary and transient basis, for the purposes of selling food via a pushcart for three months, beginning on February 7, 2017, and ending on August 6, 2017.

2. For the avoidance of doubt, the following conditions—which in some instances may mirror those that exist under Title 4.30 of the Bloomington Municipal Code—attach to this approval:

- a. Vendor agrees to maintain a clear five-foot path for pedestrians on the sidewalk at all times.
- b. Vendor will have obtained a valid Pushcart license issued by the City of Bloomington Controller prior to operation on City property, and will maintain a valid Pushcart license throughout the term of Vendor's operation on City property.
- c. Vendor may locate his business on a public sidewalk within a reasonable time, no more than one hour, before the vendor begins selling food to persons. Vendor must still comply with all other restrictions regarding its location on the public sidewalk.
- d. Vendor shall remove his business from the public sidewalk within a reasonable time, no more than one hour, following the time the vendor has stopped selling food to persons. Vendor must still comply with all other restrictions regarding its location on a public sidewalk.
- e. Vendor will comply with all other laws, ordinances, rules and regulations in effect at the time it conducts their business, including, but not limited to: (1) Bloomington Municipal Code 4.30 (Pushcarts), and (2) all applicable City regulations, restrictions, and ordinances.
- f. Vendor is prohibited from operating within a one-block radius of a Special Event, unless prior approval has been granted by either the operator of the Special Event or the City's Board of

Public Works. The Board of Public Works is not required to provide specific notice to Vendor when it recognizes a Special Event. The following are Special Events that have been recognized by the Board of Public Works:

- 1) City of Bloomington Farmers' Market;
- 2) City of Bloomington Holiday Market;
- 3) The Taste of Bloomington;
- 4) Lotus World Music and Arts Festival;
- 5) The Fourth Street Festival;
- 6) Arts Fair on the Square;
- 7) Strawberry Festival;
- 8) Canopy of Lights;
- 9) Fourth of July Parade; and
- 10) Any other special events approved by the City Controller.

### Standard of Conduct Agreement

Bloomington Municipal Code Section 4.30.150 provides Standards of Conduct for all Pushcarts. This Agreement provides a list of said Standards of Conduct. All signatories to this Agreement are required to review this Agreement prior to signing this Agreement.

As a licensed Pushcart I understand and agree that I cannot and will not conduct business in a manner that would violate any of the Standards of Conduct noted below:

- € Pushcart operators shall conduct themselves at all times in an orderly and lawful manner, and shall not make, or cause to be made, any unreasonable noise of such volume as to be in violation of the City of Bloomington Noise Ordinance as stated in Title 14 of the Bloomington Municipal Code
- € A device may not be used which would amplify sounds nor may attention be drawn to the pushcart by an aural means or a light-producing device (examples of such devices may include, but are not meant to be limited to the following: bull horns and strobe lights)
- € No pushcart may be permanently or temporarily affixed to any object, including but not limited to buildings, trees, telephone phones, streetlight poles, traffic signal poles or fire hydrants
- € No pushcart may be used to advertise any product or service which is not authorized to be sold from that pushcart
- € Each pushcart unit shall be limited to one sandwich board sign that meets the provisions of Section 20.05.086 of the Bloomington Municipal Code regardless of the zoning district in which it locates, provided a sign permit is obtained from the City's Planning and Transportation Department
- $\in$  No pushcart may make use of any public or private electrical outlet while in operation;
- € Each pushcart shall protect against littering and shall have both an adequate trash receptacle and a separate receptacle for recyclable materials:
  - The trash and recyclable receptacles shall be emptied sufficiently often to allow disposal of litter and waste by the public at any time
  - The trash and recyclable receptacles on the pushcart shall not be emptied into trash or recyclable receptacles owned by the City of Bloomington
  - Liquid from the pushcart shall not be discharged on or in a City sewer or drain or elsewhere on City property, nor on private property without the express written consent of the owner thereof
- € Before leaving any location each pushcart shall first pick up, remove and dispose of all trash, refuse and/or recyclable materials, including products spilled on the ground within twenty feet of the pushcart
- € No pushcart shall expose any pedestrian to any undue safety or health hazards nor shall it be maintained so as to create a public nuisance

- € Each pushcart shall be maintained free and clear of dirt, and finishes shall not be chipped, faded or unduly marred
- € Foods or beverages which present a substantial likelihood that liquid matter or particles will drop to the street or sidewalk during the process of carrying or consuming the food or beverage shall be sold in proper containers so as to avoid falling to the street or sidewalk
- € Pushcarts which utilize a grill or device that may result in a spark, flame or fire shall adhere to the following additional standards:
  - o Be placed approximately 20 feet from a building or structure
  - o Provide a barrier between the grill or device and the general public
  - The spark, flame or fire shall not exceed 12 inches in height
  - A fire extinguisher shall be within reaching distance of the pushcart operator at all times
- € Pushcart operators shall be required to obey the commands of law enforcement officers or fire officials with respect to activity carried out on City property, including, where possible, the removal of the pushcart and cessation of such sales
- € No pushcart shall ever be left unattended
- € Pushcarts shall not be stored, parked or left overnight on any City property
- € All pushcarts which are food service establishments as defined by Title 10.17 of the Bloomington Municipal Code shall install an approved grease interceptor or grease trap.
- € Foods, oils and greases shall never be discharged into the City's sewer or storm drains
- € All pushcart operators are required to collect and pay all applicable and appropriate sales taxes
- € No pushcart shall provide customer seating unless approval has been given by the City's Board of Public Works and the City's Planning and Transportation Department
- € All pushcarts shall comply with the lighting standards found in Chapter 20.05 of the Bloomington Municipal Code
- € All pushcarts shall comply with the vision clearance standards found in Chapter 20.05 of the Bloomington Municipal Code
- € No pushcarts shall have a drive-thru
- € The decibels of any generator(s) associated with a pushcart shall not exceed "70dBA".
  - Such noise measurement shall be made at a height of at least four (4) feet above the ground and at a point approximately twenty-five (25) feet away from where the noise is being emitted on a sound level meter operated on the "A" weighting network (scale).
  - No person other than the operators shall be within twenty-five (25) feet of the sound level meter during the sample period.
  - Sound measurements shall be conducted at that time of day or night when the relevant noise source is emitting sound.
  - The sound level measurement shall be determined as follows:
    - Calibrate the sound level meter within one (1) hour before use.
    - Set the sound level meter on the "A" weighted network at slow response.
    - Set the omnidirectional microphone in an approximately seventy degree position in a location which complies with subsections (1) and (2) herein.

The operator of the sound level meter shall face the noise source and record the meter's instantaneous response.

- Recalibrate the sound level meter after use.
- It shall be unlawful for any person to interfere, through the use of sound or otherwise, with the taking of sound level measurement

I, the undersigned, understand that if I conduct business in violation of any the above described standards of conduct that I subject myself to fines and possible revocation of my Pushcart License, as so described in Chapter 4.30 of the Bloomington Municipal Code.

#### Prohibited Location Agreement

Bloomington Municipal Code Section 4.30.130 prohibits Pushcarts from operating in certain locations. This Agreement provides for all of the prohibited locations. Two maps are also attached to this Agreement. All signatories to this Agreement are required to review not only this Agreement, but also the attached maps prior to signing this Agreement.

As a licensed Pushcart, I understand and agree that I cannot and will not operate my pushcart unit in a manner that would violate any of the below-listed location restrictions:

- € No pushcart shall locate in any parking lot, parking space, or parking facility owned, leased or managed by the City of Bloomington unless approval has been given by the City's Board of Public Works
- € No pushcart serving food or beverages shall operate within fifty feet of any façade of a ground level establishment that also sells food or beverages, or operate within fifty feet of the perimeter of such an establishment's outdoor seating area, regardless of whether or not the pushcart is currently conducting business. The distance restriction only applies from an hour before the opening time to an hour after the closing time posted by a ground level establishment on the facade of its building
- € No pushcart shall locate in a street, street median strip or alleyway
- € Pushcarts shall be located a reasonable distance from all posted bus stops, crosswalks, driveways, alleyways, right-of-way lines of two or more intersecting streets and building entrances or walk-up windows
- € No pushcart shall locate within a one block radius of a Special Event unless prior approval has been granted by either the operator of the Special Event or the City's Board of Public Works
- € No pushcart shall be located in a manner which would significantly impede or prevent the use of any City of Bloomington property, or which would endanger the safety or property of the public
- $\in$  No pushcart shall be located within fifteen feet of any fire hydrant
- € No pushcart shall locate within any zoning district except the following: Commercial General; Commercial Arterial; Commercial Downtown; Industrial General; Business Park; and Institutional
- € Pushcarts shall only be located on private property if the private property owner has provided both the business operator and the City written permission for the pushcart to locate on said property
- € No pushcart operating on private property shall displace required parking or landscaping nor block any drives, parking access aisles, fire lanes, sidewalks, or accessible routes required for the private parking by the City's zoning code
- € No pushcart shall park near an intersection and in a manner that blocks the lineof-sight of drivers using adjacent roadways

- $\in$  No pushcart shall locate on the B-Line Trail except in the following permitted areas:
  - Between the north side of Dodds Street and the south side of 2nd Street
  - o Between the north side of 3rd Street and the south side of 4th Street
  - o Between the north side of 6th Street and the south side of Fairview Street

I, the undersigned, understand that if I locate my pushcart in any of the above-described prohibited locations or manner that I subject myself to fines and possible revocation of my Pushcart License, as so described in Chapter 4.30 of the Bloomington Municipal Code.

Employer Identification Number: 46-2963565

Form: SS-4

Number of this notice: CP 575 A

For assistance you may call us at: 1-800-829-4933

IF YOU WRITE, ATTACH THE STUB AT THE END OF THIS NOTICE.

### WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 46-2963565. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 940	01/31/2014
Form 944	01/31/2014

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, Accounting Periods and Methods.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, Entity Classification Election. See Form 8832 and its instructions for additional information.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

#### IMPORTANT REMINDERS:

- \* Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.
- \* Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
- \* Refer to this EIN on your tax-related correspondence and documents.

If you have questions about your EIN, you can call us at the phone number or write to us at the address shown at the top of this notice. If you write, please tear off the stub at the bottom of this notice and send it along with your letter. If you do not need to write us, do not complete and return the stub.

Your name control associated with this EIN is GIMM. You will need to provide this information, along with your EIN, if you file your returns electronically.

Thank you for your cooperation.

Keep this part for your records. CP 575 A (Rev. 7-2007)

# Board of Public Works Staff Report

Project/Event:Mobile Vendor in right of wayPetitioner/Representative:Chad Sutor – The Big Cheeze 1Staff Representative:Jason CarnesMeeting Date:February 7, 2017

Chad Sutor, owner of The Big Cheeze has applied to renew his Mobile Vendor License to operate a food truck. This is his primary food truck. It has been determined that when the applicant wants to operate in the right of way that before the permit is issued, permission must be obtained from the Board of Public Works. The Department of Economic & Sustainable Development has reviewed the application and the Board of Public Works' approval to operate in the public right of way is one of the items on the check list that is required before a permit can be issued. ESD will confirm that all rules and regulations have been met prior to a permit being issued.

The business will operate from a food truck selling various grilled cheese sandwiches, sides and beverages.

This application is for 1 year.

Staff is supportive of the request.

#### CITY OF BLOOMINGTON BOARD OF PUBLIC WORKS RESOLUTION 2017-09

### Mobile Vendor in Public Right of Way Chad Sutor, dba The Big Cheeze 1

WHEREAS, the Board of Public Works is empowered by Indiana Code § 36-9-6-2 to supervise the streets, alleys, sewers, public grounds, and other property of the City of Bloomington ("City"); and

WHEREAS, Chad Sutor, dba The Big Cheeze 1 ("Vendor") intends to seek a Mobile Vendor License under Bloomington Municipal Code 4.28; and

WHEREAS, the issuance of a Mobile Vendor License under Bloomington Municipal Code 4.28 requires Vendor to submit a variety of documentation to the City—set forth at Bloomington Municipal Code 4.28.050—including an independent safety inspection, an open burn permit issued by the City of Bloomington Fire Department, and all applicable permits required by the Monroe County Health Department; and

WHEREAS, Vendor desires to be able to use "City property" as defined in Bloomington Municipal Code 4.28.010, which includes public on-street parking, on a temporary and transient basis for the purpose of selling food via a mobile kitchen and food truck; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS THAT:

1. Vendor has permission to use on-street public parking and sidewalks, on a temporary and transient basis, for the purposes of selling food via a mobile kitchen for one year, beginning on February 7, 2017, and ending on February 6, 2018.

2. For the avoidance of doubt, this Resolution is not the Business License referenced by Chapter 4.28 of the Bloomington Municipal Code. Thus, Vendor must ensure that all necessary documentation has been submitted to the City of Bloomington Controller and that the Business License has been issued by the City of Bloomington Controller before utilizing the permission to use on-street public parking and sidewalks granted in the paragraph above. Operating a mobile vendor without a business license is a violation of Bloomington Municipal Code 4.28.180(a)(1), and would subject Vendor to a fine of \$2,500 for the first offense.

3. For the avoidance of doubt, the following conditions—which in some instances may mirror those that exist under Title 4.28 of the Bloomington Municipal Code—attach to this approval:

- a. Vendor agrees to maintain a clear five-foot path for pedestrians on the sidewalk at all times.
- b. Vendor will have obtained a valid Mobile Vendor license issued by the City of Bloomington Controller prior to operation on City property, and will maintain a valid Mobile Vendor license throughout the term of Vendor's operation on City property.
- c. Vendor may locate his business in a public parking space within a reasonable time, no more than one hour, before the vendor begins selling food to persons. Vendor must still comply with all other restrictions regarding its location in a public parking space.
- d. Vendor shall remove his business from a public parking space within a reasonable time, no more than one hour, following the time the vendor has stopped selling food to persons. Vendor must still comply with all other restrictions regarding its location in a public parking space.
- e. Vendor will comply with all other laws, ordinances, rules and regulations in effect at the time it conducts their business, including, but not limited to: (1) Bloomington Municipal Code 4.28 (Mobile Vendors), and (2) all City parking regulations, restrictions, and ordinances.
- f. Vendor is prohibited from operating within a one block radius of a Special Event, unless prior

approval has been granted by either the operator of the Special Event or the City's Board of Public Works. The Board of Public Works is not required to provide specific notice to Vendor when it recognizes a Special Event. The following are Special Events that have been recognized by the Board of Public Works:

- 1) City of Bloomington Farmers' Market;
- 2) City of Bloomington Holiday Market;
- 3) The Taste of Bloomington;
- 4) Lotus World Music and Arts Festival;
- 5) The Fourth Street Festival;
- 6) Arts Fair on the Square;
- 7) Strawberry Festival;
- 8) Canopy of Lights;
- 9) Fourth of July Parade; and
- 10) Any other special events approved by the City Controller.

## **Prohibited Location Agreement**

Bloomington Municipal Code Section 4.28.140 prohibits Mobile Vendor Units from operating in certain locations. This Agreement provides for all of the prohibited locations. Two maps are also attached to this Agreement. All signatories to this Agreement are required to review not only this Agreement, but also the attached maps prior to signing this Agreement.

As a licensed Mobile Vendor Unit, I understand and agree that I cannot and will not operate my mobile vendor unit in a manner that would violate any of the below-listed location restrictions:

No mobile food vendor unit shall locate in any parking lot, parking space, or parking facility owned, leased or managed by the City of Bloomington unless approval has been given by the City's Board of Public Works.

No mobile food vendor unit shall operate within fifty feet of any facade of a ground level establishment that also sells food or beverages, or operate within fifty feet of the perimeter of such an establishment's outdoor seating area, regardless of whether or not the mobile food vendor unit is currently conducting business. The distance restriction only applies from one hour before the opening time to an hour after the closing time posted by a ground level establishment on the facade of its building.

No mobile food vendor unit shall locate in an alleyway.

Mobile food vendor units shall be located a reasonable distance from all posted bus stops, crosswalks, driveways, alleyways, right-of-way lines of two or more intersecting streets and building entrances or walk-up windows.

Mobile food vendor units shall only be located on private property if the private property owner has provided both the business operator and the City written permission for the mobile food vendor unit to locate on said property.

No mobile food vendor unit shall locate within a one block radius of a Special Event unless prior approval has been granted by either the operator of the Special Event or the City's Board of Public Works.

No mobile food vendor unit shall park on City property in violation of any City parking regulation, restriction, or ordinance. For example, if parking at one, or multiple, parking meters, the operator of the mobile food vendor unit shall feed all relevant parking meters with the required monetary amount.

No mobile food vendor unit shall be located in a manner which would significantly impede or prevent the use of any City of Bloomington property, or which would endanger the safety or property of the public.

No mobile food vendor unit shall be located within fifteen feet of any fire hydrant.

No mobile food vendor shall locate within any zoning district except the following: Commercial General; Commercial Arterial; Commercial Downtown; Industrial General; Business Park; and Institutional.

No mobile food vendor operating on private property shall displace required parking or landscaping nor block any drives, parking access aisles, fire lanes, sidewalks, or accessible routes required for the private parking by the City's zoning code.

No mobile food vendor unit shall be located more than one foot away from the curb of the street on which it is parked.

No mobile food vendor unit shall park near an intersection and in a manner that blocks the line-of-sight of drivers using adjacent roadways.

I, the undersigned, understand that if I locate my mobile vendor unit in any of the abovedescribed prohibited locations or manner that I subject myself to fines and possible revocation of my Mobile Vendor Unit License, as so described in Chapter 4.28 of the Bloomington Municipal Code.

Standard of Conduct Agreement

Bloomington Municipal Code Section 4.28.160 provides Standards of Conduct for all Mobile Vendor Units. This Agreement provides a list of said Standards of Conduct. All signatories to this Agreement are required to review this Agreement prior to signing this Agreement.

As a licensed Mobile Vendor Unit, I understand and agree that I cannot and will not conduct business in a manner that would violate any of the Standards of Conduct noted below:

Mobile food vendor unit operators shall conduct themselves at all times in an orderly and lawful manner, and shall not make, or cause to be made, any unreasonable noise of such volume as to be in violation of the City of Bloomington Noise Ordinance as stated in Title 14 of the Bloomington Municipal Code

A device may not be used which would amplify sounds nor may attention be drawn to the mobile food vendor unit by an aural means or a light-producing device (examples of such devices may include, but are not meant to be limited to the following: bull horns and strobe lights

No mobile food vendor unit may be permanently or temporarily affixed to any object, including but not limited to buildings, trees, telephone phones, streetlight poles, traffic signal poles or fire hydrants

No mobile food vendor unit may be used to advertise any product which is not authorized to be sold from that unit

Each mobile food vendor unit shall be limited to one sandwich board sign that meets the provisions of Section 20.05.086 of the Bloomington Municipal Code regardless of the zoning district in which it locates, provided a sign permit is obtained from the City's Planning and Transportation Department

No mobile food vendor unit may make use of any public or private electrical outlet while in operation

Each mobile food vendor unit shall protect against littering and shall have both an adequate trash receptacle and a separate receptacle for recyclable materials:

- The trash and recyclable receptacles shall be emptied sufficiently often to allow disposal of litter and waste by the public at any time;
- The trash and recyclable receptacles on the mobile food vendor unit shall not be emptied into trash or recyclable receptacles owned by the City of Bloomington;
- Liquid from the mobile food vendor unit shall not be discharged on or in a City sewer or drain or elsewhere on City property, nor on private property without the express written consent of the owner thereof;

• Before leaving any location each mobile food vendor unit shall first pick up, remove and dispose of all trash, refuse and/or recyclable materials, including products spilled on the ground within twenty feet of the mobile food vendor unit.

No mobile food vendor unit shall expose any pedestrian to any undue safety or health hazards nor shall it be maintained so as to create a public nuisance

Each mobile food vendor unit shall be maintained free and clear of dirt, and finishes shall not be chipped, faded or unduly marred

Foods or beverages which present a substantial likelihood that liquid matter or particles will drop to the street or sidewalk during the process of carrying or consuming the food or beverage shall be sold in proper containers so as to avoid falling to the street or sidewalk

Mobile food vendor units which utilize a grill or device that may result in a spark, flame or fire shall adhere to the following additional standards:

- Be placed approximately 20 feet from a building or structure;
- Provide a barrier between the grill or device and the general public;
- The spark, flame or fire shall not exceed 12 inches in height;
- A fire extinguisher shall be within reaching distance of the mobile food vendor unit operator at all times;

Mobile food vendor unit operators shall be required to obey the commands of law enforcement officers or fire officials with respect to activity carried out inside of the City's jurisdictional limits, including, where possible, the removal of the mobile food vendor unit and cessation of such sales

No mobile food vendor unit shall ever be left unattended

. .

Mobile food vendor units shall not be stored, parked or left overnight on any City property

All mobile food vendor units which are food service establishments as defined by Title 10.17 of the Bloomington Municipal Code shall install an approved grease interceptor or grease trap. Foods, oils and greases shall never be discharged into the City's sewer or storm drains

All mobile food vendor unit operators are required to collect and pay all applicable and appropriate sales taxes

No mobile food vendor shall provide customer seating unless approval has been provided by the City's Board of Public Works and the City's Planning and Transportation Department

All mobile food vendors shall comply with the lighting standards found in Chapter 20.05 of the Bloomington Municipal Code

All mobile food vendors shall comply with the vision clearance standards found in Chapter 20.05 of the Bloomington Municipal Code

No mobile food vendor shall have a drive-thru

The decibels of any generator(s) associated with a mobile food vendor unit shall not exceed "70dBA".

• Such noise measurement shall be made at a height of at least four (4) feet above the ground and at a point approximately twenty-five (25) feet away from where the

noise is being emitted on a sound level meter operated on the "A" weighting network (scale).

- No person other than the operators shall be within twenty-five (25) feet of the sound level meter during the sample period.
- Sound measurements shall be conducted at that time of day or night when the relevant noise source is emitting sound.
- The sound level measurement shall be determined as follows:

, .

- Calibrate the sound level meter within one (1) hour before use.
- Set the sound level meter on the "A" weighted network at slow response.
- Set the omnidirectional microphone in an approximately seventy degree position in a location which complies with subsections (1) and (2) herein. The operator of the sound level meter shall face the noise source and record the meter's instantaneous response.
- Recalibrate the sound level meter after use.
- It shall be unlawful for any person to interfere, through the use of sound or otherwise, with the taking of sound level measurement.

I, the undersigned, understand that if I conduct business in violation of any the above described standards of conduct that I subject myself to fines and possible revocation of my Mobile Vendor Unit License, as so described in Chapter 4.28 of the Bloomington Municipal Code.

# Board of Public Works Staff Report

Project/Event:	Mobile Vendor in right of way		
Petitioner/Represen	tative: Chad Sutor – The Big Cheeze 2		
Staff Representative: Jason Carnes			
Meeting Date:	February 7, 2017		

Chad Sutor, owner of The Big Cheeze has applied to renew his Mobile Vendor License to operate a food truck. This is their secondary food truck. It has been determined that when the applicant wants to operate in the right of way that before the permit is issued, permission must be obtained from the Board of Public Works. The Department of Economic & Sustainable Development has reviewed the application and the Board of Public Works' approval to operate in the public right of way is one of the items on the check list that is required before a permit can be issued. ESD will confirm that all rules and regulations have been met prior to a permit being issued.

The business will operate from a food truck selling various grilled cheese sandwiches, sides and beverages.

This application is for 1 year.

Staff is supportive of the request.

#### CITY OF BLOOMINGTON BOARD OF PUBLIC WORKS RESOLUTION 2017-10

### Mobile Vendor in Public Right of Way Chad Sutor, dba The Big Cheeze 2

WHEREAS, the Board of Public Works is empowered by Indiana Code § 36-9-6-2 to supervise the streets, alleys, sewers, public grounds, and other property of the City of Bloomington ("City"); and

WHEREAS, Chad Sutor, dba The Big Cheeze 2 ("Vendor") intends to seek a Mobile Vendor License under Bloomington Municipal Code 4.28; and

WHEREAS, the issuance of a Mobile Vendor License under Bloomington Municipal Code 4.28 requires Vendor to submit a variety of documentation to the City—set forth at Bloomington Municipal Code 4.28.050—including an independent safety inspection, an open burn permit issued by the City of Bloomington Fire Department, and all applicable permits required by the Monroe County Health Department; and

WHEREAS, Vendor desires to be able to use "City property" as defined in Bloomington Municipal Code 4.28.010, which includes public on-street parking, on a temporary and transient basis for the purpose of selling food via a mobile kitchen and food truck; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS THAT:

1. Vendor has permission to use on-street public parking and sidewalks, on a temporary and transient basis, for the purposes of selling food via a mobile kitchen for one year, beginning on February 7, 2017, and ending on February 6, 2018.

2. For the avoidance of doubt, this Resolution is not the Business License referenced by Chapter 4.28 of the Bloomington Municipal Code. Thus, Vendor must ensure that all necessary documentation has been submitted to the City of Bloomington Controller and that the Business License has been issued by the City of Bloomington Controller before utilizing the permission to use on-street public parking and sidewalks granted in the paragraph above. Operating a mobile vendor without a business license is a violation of Bloomington Municipal Code 4.28.180(a)(1), and would subject Vendor to a fine of \$2,500 for the first offense.

3. For the avoidance of doubt, the following conditions—which in some instances may mirror those that exist under Title 4.28 of the Bloomington Municipal Code—attach to this approval:

- a. Vendor agrees to maintain a clear five-foot path for pedestrians on the sidewalk at all times.
- b. Vendor will have obtained a valid Mobile Vendor license issued by the City of Bloomington Controller prior to operation on City property, and will maintain a valid Mobile Vendor license throughout the term of Vendor's operation on City property.
- c. Vendor may locate his business in a public parking space within a reasonable time, no more than one hour, before the vendor begins selling food to persons. Vendor must still comply with all other restrictions regarding its location in a public parking space.
- d. Vendor shall remove his business from a public parking space within a reasonable time, no more than one hour, following the time the vendor has stopped selling food to persons. Vendor must still comply with all other restrictions regarding its location in a public parking space.
- e. Vendor will comply with all other laws, ordinances, rules and regulations in effect at the time it conducts their business, including, but not limited to: (1) Bloomington Municipal Code 4.28 (Mobile Vendors), and (2) all City parking regulations, restrictions, and ordinances.
- f. Vendor is prohibited from operating within a one block radius of a Special Event, unless prior

approval has been granted by either the operator of the Special Event or the City's Board of Public Works. The Board of Public Works is not required to provide specific notice to Vendor when it recognizes a Special Event. The following are Special Events that have been recognized by the Board of Public Works:

- 1) City of Bloomington Farmers' Market;
- 2) City of Bloomington Holiday Market;
- 3) The Taste of Bloomington;
- 4) Lotus World Music and Arts Festival;
- 5) The Fourth Street Festival;
- 6) Arts Fair on the Square;
- 7) Strawberry Festival;
- 8) Canopy of Lights;
- 9) Fourth of July Parade; and
- 10) Any other special events approved by the City Controller.

# **Prohibited Location Agreement**

Bloomington Municipal Code Section 4.28.140 prohibits Mobile Vendor Units from operating in certain locations. This Agreement provides for all of the prohibited locations. Two maps are also attached to this Agreement. All signatories to this Agreement are required to review not only this Agreement, but also the attached maps prior to signing this Agreement.

As a licensed Mobile Vendor Unit, I understand and agree that I cannot and will not operate my mobile vendor unit in a manner that would violate any of the below-listed location restrictions:

- No mobile food vendor unit shall locate in any parking lot, parking space, or parking facility owned, leased or managed by the City of Bloomington unless approval has been given by the City's Board of Public Works.
- □ No mobile food vendor unit shall operate within fifty feet of any facade of a ground level establishment that also sells food or beverages, or operate within fifty feet of the perimeter of such an establishment's outdoor seating area, regardless of whether or not the mobile food vendor unit is currently conducting business. The distance restriction only applies from one hour before the opening time to an hour after the closing time posted by a ground level establishment on the facade of its building.
- □ No mobile food vendor unit shall locate in an alleyway.
- Mobile food vendor units shall be located a reasonable distance from all posted bus stops, crosswalks, driveways, alleyways, right-of-way lines of two or more intersecting streets and building entrances or walk-up windows.
- □ Mobile food vendor units shall only be located on private property if the private property owner has provided both the business operator and the City written permission for the mobile food vendor unit to locate on said property.
- No mobile food vendor unit shall locate within a one block radius of a Special Event unless  $\square$ prior approval has been granted by either the operator of the Special Event or the City's Board of Public Works.
- No mobile food vendor unit shall park on City property in violation of any City parking regulation, restriction, or ordinance. For example, if parking at one, or multiple, parking meters, the operator of the mobile food vendor unit shall feed all relevant parking meters with the required monetary amount.
- □ No mobile food vendor unit shall be located in a manner which would significantly impede or prevent the use of any City of Bloomington property, or which would endanger the safety or property of the public.
- $\Box$  No mobile food vendor unit shall be located within fifteen feet of any fire hydrant.

- No mobile food vendor shall locate within any zoning district except the following: Commercial General; Commercial Arterial; Commercial Downtown; Industrial General; Business Park; and Institutional.
- □ No mobile food vendor operating on private property shall displace required parking or landscaping nor block any drives, parking access aisles, fire lanes, sidewalks, or accessible routes required for the private parking by the City's zoning code.
- □ No mobile food vendor unit shall be located more than one foot away from the curb of the street on which it is parked.
- □ No mobile food vendor unit shall park near an intersection and in a manner that blocks the line-of-sight of drivers using adjacent roadways.

I, the undersigned, understand that if I locate my mobile vendor unit in any of the abovedescribed prohibited locations or manner that I subject myself to fines and possible revocation of my Mobile Vendor Unit License, as so described in Chapter 4.28 of the Bloomington Municipal Code.

# **Standard of Conduct Agreement**

Bloomington Municipal Code Section 4.28.160 provides Standards of Conduct for all Mobile Vendor Units. This Agreement provides a list of said Standards of Conduct. All signatories to this Agreement are required to review this Agreement prior to signing this Agreement.

As a licensed Mobile Vendor Unit, I understand and agree that I cannot and will not conduct business in a manner that would violate any of the Standards of Conduct noted below:

- Mobile food vendor unit operators shall conduct themselves at all times in an orderly and lawful manner, and shall not make, or cause to be made, any unreasonable noise of such volume as to be in violation of the City of Bloomington Noise Ordinance as stated in Title 14 of the Bloomington Municipal Code
- □ A device may not be used which would amplify sounds nor may attention be drawn to the mobile food vendor unit by an aural means or a light-producing device (examples of such devices may include, but are not meant to be limited to the following: bull horns and strobe lights
- □ No mobile food vendor unit may be permanently or temporarily affixed to any object, including but not limited to buildings, trees, telephone phones, streetlight poles, traffic signal poles or fire hydrants
- □ No mobile food vendor unit may be used to advertise any product which is not authorized to be sold from that unit
- □ Each mobile food vendor unit shall be limited to one sandwich board sign that meets the provisions of Section 20.05.086 of the Bloomington Municipal Code regardless of the zoning district in which it locates, provided a sign permit is obtained from the City's Planning and Transportation Department
- □ No mobile food vendor unit may make use of any public or private electrical outlet while in operation
- □ Each mobile food vendor unit shall protect against littering and shall have both an adequate trash receptacle and a separate receptacle for recyclable materials:
  - The trash and recyclable receptacles shall be emptied sufficiently often to allow disposal of litter and waste by the public at any time;
  - The trash and recyclable receptacles on the mobile food vendor unit shall not be emptied into trash or recyclable receptacles owned by the City of Bloomington;
  - Liquid from the mobile food vendor unit shall not be discharged on or in a City sewer or drain or elsewhere on City property, nor on private property without the express written consent of the owner thereof;

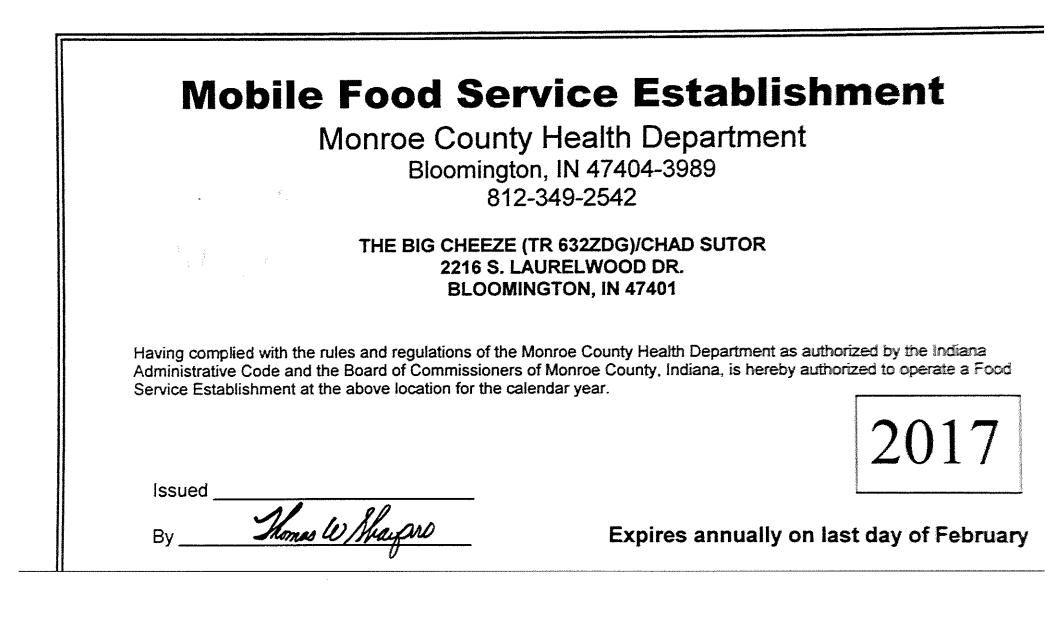

- Before leaving any location each mobile food vendor unit shall first pick up, remove and dispose of all trash, refuse and/or recyclable materials, including products spilled on the ground within twenty feet of the mobile food vendor unit.
- □ No mobile food vendor unit shall expose any pedestrian to any undue safety or health hazards nor shall it be maintained so as to create a public nuisance
- □ Each mobile food vendor unit shall be maintained free and clear of dirt, and finishes shall not be chipped, faded or unduly marred
- □ Foods or beverages which present a substantial likelihood that liquid matter or particles will drop to the street or sidewalk during the process of carrying or consuming the food or beverage shall be sold in proper containers so as to avoid falling to the street or sidewalk
- □ Mobile food vendor units which utilize a grill or device that may result in a spark, flame or fire shall adhere to the following additional standards:
  - Be placed approximately 20 feet from a building or structure;
  - Provide a barrier between the grill or device and the general public;
  - The spark, flame or fire shall not exceed 12 inches in height;
  - A fire extinguisher shall be within reaching distance of the mobile food vendor unit operator at all times;
- □ Mobile food vendor unit operators shall be required to obey the commands of law enforcement officers or fire officials with respect to activity carried out inside of the City's jurisdictional limits, including, where possible, the removal of the mobile food vendor unit and cessation of such sales
- □ No mobile food vendor unit shall ever be left unattended
- □ Mobile food vendor units shall not be stored, parked or left overnight on any City property
- □ All mobile food vendor units which are food service establishments as defined by Title 10.17 of the Bloomington Municipal Code shall install an approved grease interceptor or grease trap. Foods, oils and greases shall never be discharged into the City's sewer or storm drains
- □ All mobile food vendor unit operators are required to collect and pay all applicable and appropriate sales taxes
- No mobile food vendor shall provide customer seating unless approval has been provided by the City's Board of Public Works and the City's Planning and Transportation Department
- □ All mobile food vendors shall comply with the lighting standards found in Chapter 20.05 of the Bloomington Municipal Code
- □ All mobile food vendors shall comply with the vision clearance standards found in Chapter 20.05 of the Bloomington Municipal Code
- $\hfill\square$  No mobile food vendor shall have a drive-thru
- □ The decibels of any generator(s) associated with a mobile food vendor unit shall not exceed "70dBA".
  - Such noise measurement shall be made at a height of at least four (4) feet above the ground and at a point approximately twenty-five (25) feet away from where the

noise is being emitted on a sound level meter operated on the "A" weighting network (scale).

- No person other than the operators shall be within twenty-five (25) feet of the sound level meter during the sample period.
- Sound measurements shall be conducted at that time of day or night when the relevant noise source is emitting sound.
- The sound level measurement shall be determined as follows:
  - Calibrate the sound level meter within one (1) hour before use.
  - Set the sound level meter on the "A" weighted network at slow response.
  - Set the omnidirectional microphone in an approximately seventy degree position in a location which complies with subsections (1) and (2) herein. The operator of the sound level meter shall face the noise source and record the meter's instantaneous response.
  - Recalibrate the sound level meter after use.
- It shall be unlawful for any person to interfere, through the use of sound or otherwise, with the taking of sound level measurement.

I, the undersigned, understand that if I conduct business in violation of any the above described standards of conduct that I subject myself to fines and possible revocation of my Mobile Vendor Unit License, as so described in Chapter 4.28 of the Bloomington Municipal Code.

## **Board of Public Works Staff Report**

ITS Surplus Equipment
Rick Dietz, Director, Information & Technology Services
Rick Dietz
02/07/2017

### Report:

The City of Bloomington Information & Technology Services ("ITS") Department purchases and provides information and communications technology tools for city ITS operations and for a significant portion of City employees in order to support their work on behalf of the City. These devices (phones, computers, servers, printers, copiers, etc.) all have limited life cycles; and as these devices become inoperable and/or outdated they are reclaimed by ITS and replaced. ITS has accumulated a number of devices, which ITS wishes to dispose of as surplus property.

We are requesting the Board of Public Works to declare the equipment in Attachment A be worthless and for the equipment in Attachment B be authorized to be provided to two not for profit organizations.

### BOARD OF PUBLIC WORKS RESOLUTION 2017-12

### TO DISPOSE OF SURPLUS PERSONAL PROPERTY OWNED BY THE CITY OF BLOOMINGTON

WHEREAS, the City of Bloomington Information & Technology Services Department ("ITS") purchases and provides equipment for City Departments including, but not limited to, copiers, computer hard drives, keyboards, monitors, computer accessories, scanners, fax machines and cellular telephones, which are used by a significant portion of City employees in order to assist the employees in their work on behalf of the City; and

WHEREAS, all of this equipment has limited life cycles; and

WHEREAS, as this equipment becomes inoperable and/or outdated it is returned to ITS by City Departments, and ITS provides those Departments with new replacement equipment; and

WHEREAS, ITS has a large stock of returned equipment which ITS wishes to dispose of as surplus personal property; and

WHEREAS, this equipment is identified in Attachments A and B, which are attached hereto and incorporated herein by reference; and

WHEREAS, pursuant to Indiana Code § 5-22-22-6, the City of Bloomington Board of Public Works (hereinafter "Board of Public Works") may determine this equipment to be surplus property and may conduct a private sale or transfer the property without advertising, as there is more than one (1) item, and the value of this inoperable and/or outdated equipment is less than five thousand dollars (\$5,000); and

WHEREAS, ITS has assessed the value of this equipment contained in Attachment A to be less than five thousand dollars (\$5,000); and

WHEREAS, pursuant to Indiana Code § 5-22-22-8, the Board of Public Works is also authorized to consider this equipment worthless, if the value of the equipment is less than the estimated cost of the sale and transportation of the equipment; and

WHEREAS, in considering the expense of labor, equipment and fuel required to organize and transport all of this equipment contained in Attachment A for a sale or transfer, ITS believes that these costs exceed the value of the equipment; and

WHEREAS, Indiana Code 5-22-22 *et seq.*, does not apply to the sale or lease of property by a unit to an Indiana nonprofit corporation organized for educational, literary, scientific, religious, or charitable purposes that is exempt from federal income taxation under Section 501 of the Internal Revenue Code; and

WHEREAS, ITS agrees to sell and convey the surplus property contained in Attachment B to the Indiana nonprofit corporations identified therein for One Dollar (\$1.00) and the nonprofits agree to purchase said equipment;

NOW, THEREFORE, be it hereby resolved by the Board of Public Works that:

- 1. The equipment contained in Attachments A and B is hereby declared to be surplus personal property.
- 2. The value of the equipment contained in Attachment A is assessed to be less than five thousand dollars (\$5,000).
- 3. The costs of transporting this equipment and conducting a private sale exceeds the value of the equipment.
- 4. The equipment contained in Attachment A is therefore determined to be worthless and, pursuant to Indiana Code § 5-22-22-8, may be demolished or junked.
- 5. The equipment contained in Attachment B is hereby approved for sale to the Indiana nonprofit corporations identified in said Attachment.

# PASSED AND ADOPTED by the City of Bloomington Board of Public Works this 7<sup>th</sup> day of February, 2017.

## Board of Public Works Staff Report

Project/Event:	Approve Change Orders #1 through #6 for Old SR 37 and Dunn Curve Correction Project
Petitioner/Representative:	Planning and Transportation Department
Staff Representative:	Roy Aten
Date:	02/07/2017

**Report:** Construction for the 37 and Dunn Street Project has been completed and INDOT has submitted the following six change orders (CO) for Board approval.

- CO1 Test Piles On August 12th, 2016 the INDOT Office of Geotechnical Services approved the installation methods for the pedestrian bridge abutments. Part of that approval was that the steel piles will be required to be re-struck after 120 hours of installation. Additionally, an added requirement for pile shoes were added to the installation. The resulting extra work and materials has <u>added \$6,335.76</u> to the contract price.
- CO2 *Change in tree size* During construction the contractor raised concerns about the ability to plant larger trees (2" caliper) on the steep slopes adjacent to the new roadway. For construction purposes, as well as the survivability of the trees, it was decided to switch 129 trees to a smaller 3 gallon size. Total cost of this change was a <u>deduct of \$45,511.20</u> from the contract price.
- CO3 *18" Pipe Catch Basin* During construction it was discovered that one storm structure could not be installed as planned without extra excavation of the embankment and the loss of a large oak tree outside of the construction limits. A smaller size storm structure was determined to be adequate and the installation would not require the extra excavation. Total cost of the change was a <u>deduct of \$225.00</u> from the contract price.
- CO4 *Revised seed mix* It was discovered during construction that the required native seed mix may have difficulty growing if planted late in the construction season. It was decided that a change to a more typical R-mix would be allowed and thus have a better chance of grass survivability. Total cost of the change was a <u>deduct of \$6,122.79</u> from the contract price.

- CO5 *Additional Paving Work* The City requested that the contractor pave two additional areas outside the original construction limits. The change was necessary to replace older deteriorated asphalt. Total cost of the change was a <u>addition of \$9,520.60</u> to the contract price.
- CO6 *Added Curb Ramp* During construction it was discovered that one curb ramp was depicted without ADA detectable elements. The original ramp was removed and an ADA compliant ramp installed. Total cost of the change was a <u>addition of \$1,510.22</u> to the contract price.

The total cost of the six changes orders will result in deduction from the original contract \$34,492.42 or -2.30%.

#### Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended. General or Standard Change Order Explanation

The addition of the work proposed in this change order is the result of the pile hammer and foundation review by INDOT Geotechnical Services on July 19, 2016. The results of this review required the addition of an indicator test pile, the re-striking of the indicator test pile, and pile shoes (as recommended by the designer of the foundation). This is work required and paid for in addition to the existing contract pay item for piling.

#### General or Standard Change Order Explanation

On August 12, 2016, the INDOT Office of Geotechnical Services approved the hammer and foundation for this contract (see attached hammer data sheet and foundation plans). Included in this approval was the the requirement by the foundation designer to include pile shoes on each H-Pile. As a part of this requirement, a re-strike was required after 120 hours (See attached approval letter dated 8-12-16). On August 15, 2016, E&B Paving submitted a letter requesting an added pay item for restriking the piling (see attached e-mail dated 8-15-16)). A verbal request was made by the contractor to INDOT to waive the re-striking of the pile. In a follow up e-mail on August 26, 2016, INDOT directed the contactor to submit unit prices for Test Pile, Indicator, Production, as well as Test Pile, Indicator, Restrike (see attached e-mail dated 8-26-16).

#### General or Standard Change Order Explanation

The contractor submitted unit price costs in accordance with Section 109. 05 (b) of the ISS for the three pay items required per the review of the foundation plan. The detailed costs were reviewed by CrossRoad Engineer's inspection personnel for accuracy, and are attached. General or Standard Change Order Explanation

A contract time adjustment is not required for this change. The INDOT Project Manager's written concurrance for the unit prices is attached.

#### Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above. Notification and consent to this change order is hereby acknowledged. Date:\_\_\_\_\_

Gentlemen:

We have com pleted our review of the proposed h ammer ICE-I-42S for the subject proj ect. Based on the information included in t he "Pile and Driving Equi pment Data Form", we have concluded that the proposed hammer is adequate for driving the proposed 12 X 53 H- piles to Nominal Driving Resistance of 238 tons.

It is the contractor's responsibility to make field adjustments (stroke adjustments) in order to prevent damage to the pile. The <u>restrike</u> for the pile shall be performed after 120 Hours

If changes ar e made to the proposed ha mmer, the c ontractor shall subm it a revised "Pile and Driving Equipment Data Form" to the INDOT Office of Geotechnical Services for review and approval of the new driving system.

If you have any questions concerning this subject project, please call us.

Very truly yours,

Peza Asad Asadi

Mr. Garrett Gough Estimator/Project Manager E&B Paving, Inc. 2520 W. Industrial Park Dr. Bloomington, IN 47404 CROSSROAD ENGINEERS, PL

RE: INDOT Contract R-36164 Unit Price Request #1

Dear Garrett:

After discussions with Reza Asadi with INDOT Geotechnical Services, there will be a 5-day re-strike period for the piling on the referenced contract in accordance with Section 701.01(a) of the ISS. Please provide the following unit prices, with a breakdown in how the unit prices were derived:

PLN/CLN 0104...701-09558...TEST PILE, INDICATOR, PRODUCTION...60 LFT PLN/CLN 0104... 701-09560... TEST PILE, INDICATOR, RESTRIKE...2 EACH

Per the above referenced specification, an indicator test pile shall be the first pile driven at each bent and shall be driven to the plan tip elevation or to the nominal driving resistance whichever occurs first.

Steel piles shall be provided such that additional 10 ft of driving will not require an additional splice.

Each indicator test pile shall be re-struck after the 120 hours specified per Reza Asadi's letter to Joe Jones, dated August 12, 2016.

Payment for the TEST PILE, INDICATOR, PRODUCTION, will be the driven length measured by the linear foot to the nearest 0.1 ft. for the actual number of linear feet of piling complete in place for indicator test piles per Section 701.14 of the ISS.

Please contact me at (317) 319-4990 with any questions.

Sincerely, CrossRoad Engineers, P

Robert A. Bleich Resident Project Representative

Subject:	Re: R-36164-A Pedestrian Bridge Foundation Piling Options

Trent/Bob,

I talked with Reza and he is unwilling to waive the 120 hour pile restrike due to the fact the top limits may have driveable shale and the soil above the rock may relax.

That being said, I believe you will have to add an item for test pile, indicator, production by the LFT and test pile, indicator, restrike. E&B is welcome to request a 5 day time extension as well, since this was not indicated in the original contract.

When you request this information of E&B, please copy the project manager.

Thanks, Rachel Wren, PE Indiana Department of Transportation Seymour District - Construction Area Engineer

#### Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.

General or Standard Change Order Explanation

The addition of work proposed in this change order is a result of the contractor and subcontractor, CA Fulkerson LLC, raising concerns of the steep slope on the south side of Old State Road 37 at an August 16, 2016 progress meeting. The area in question was at approximate stations 17+25 to 19+00 and stations 22+50 to 28+75. Please see the attachment titled CA Fulkerson letter August 8, 2016 for reasons on why the planting of trees in this area wasn't possible. A determination of switching tree sizes to 3 gallons for this slope was made after confirming with the design engineer, Brock Ridgway, that this was an acceptable alternative while keeping the same number of trees.

General or Standard Change Order Explanation

Per review of the original bid items, this work was not originally required on the contract and therefore by specification 104.03 this work is to be paid for by change order.

General or Standard Change Order Explanation

The pricing submitted has been reviewed and compared using weighted averages. See pricing review attached in Site Manager. A contract time adjustment is not required for this change.

#### Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above.

Re: R-36164 Additional Seeding Items

Mr. Bleich,

As requested, we are supplying you with pricing for 3 gallon trees to be used on the project in lieu of the originally specified 2"-2.5" trees for some areas on the Old SR 37 and Dunn project. This pricing to allow for placement of trees in the steep slope area along Old SR 37 from approximate station 17+25 to 19+00 and from approximate station 22+50 to 28+75. This work will be performed by our subcontract CA Fulkerson.

Rachel:

Please see the attached unit price from E&B for the change in tree sizing for the referenced contract.

There is no pay item for "3 Gallon" trees, and the closest related item found is Item Code 622-05648, "Plant, Deciduous Tree, Single Stem, 1.25 IN. or Under."

The historical unit price for this item is \$58.58/EACH, with a high of \$450.00/EACH and a low of \$38.00/EACH. The unit price of \$79.20/EACH falls within the high/low range.

Compared to the prorated historical unit prices based on the current PLN/CLN, the proposed unit price is within 10% (6.4%) of the prorated unit price. See the attached calculations (JotNot\_8-31-16) for this comparison.

The proposal did not include 15 trees if one species that I have requested E&B to revise. The net change to the contract, for a total of 129 trees, will be a deduct of \$45,511.20. Assuming there is no change in the unit price, we are recommending acceptance of the unit price of \$79.20/EACH.

Unless you or Brandi have an alternate recommendation, I am recommending the reason code "SCOPE CHANGES, Material Related".

Please let me know if you have any questions or comments, or if you are in agreement, please respond accordingly.

E&B Paving, Inc. Mr. Garrett Gough

Re: Monroe County; R-36164-A

Garrett,

I recently visited the job-site and have some concerns about the seeding and location of the trees. The seeding with erosion control blanket (station 1900 LT to 2350LT) is a safety issue. It simply can't be installed on this steep of a slope. A lot of rock is visible. I don't believe a good stand of grass is possible with these type of soil conditions. It is not possible for the trees to be planted on these steep slopes. The chance of survival for the trees would be minimal because they could not get adequate amount of water.

Line item #56, mulched seeding, native: this seed mix is to be used with the erosion control blanket and mulched seeding on this project. The optimum time to seed is late April until the first week of July. In a wet area, it could be frost seeded after the first of November with hope the seed does not come up until late spring. Please keep this in mind for scheduling purposes.

I recommend to contact INDOT to review and come up with a alternate plan. I want to instill a safe work environment, and to ensure the project will improve, beautify, and safeguard the environment.

Respectfully Yours,

#### Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.

General or Standard Change Order Explanation

Prior to Progress Meeting 4 on August 30, 2016 a visual field inspection by E&B foreman determined that Structure 17B (PLN/CLN 0082) at station 19+20 would not be able to be placed per plan due to sloping issues. The inlet could not have been set with a backside slope of 2:1 without having to remove trees outside the construction limits. Once this issue was discovered there would've been additional payment for additional rock excavation and a tree removal if the structure was set per plan. It was discussed and recommended that Structure 17B be changed from the specified E-7 Inlet to an 18-inch Pipe Catch Basin set at plan elevations. This decision was confirmed with Bloomington Senior Project Manager, Roy Aten, after field inspecting the structure in question.

General or Standard Change Order Explanation

Per review of the original bid items, an 18-inch Pipe Catch Basin was not originally required on the contract therefore a new pay item is to be introduced per ISS 104.03, and to be paid for in accordance with ISS 109. 05(a) by change order.

General or Standard Change Order Explanation

The pricing submitted has been reviewed by using item bid history. See pricing review attached in Site Manager. The cost is higher than item bid history due to the removal of rock that was required for this work, which is included in the cost of the pipe catch basin. A contract time adjustment is not required for this change.

#### Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above.

Roy,

Please see the attached unit price from E&B for the pipe catch basin replacing structure 17B.

The median unit price for this item is \$1,339.70/EACH, with a high of \$2,500.00/EACH and a low of \$500.00/EACH. The proposed unit price of \$1,525.00/EACH falls within the high/low range but outside of the median. The reason the proposed price is outside of median range is due to the rock excavation included to set the basin.

Compared to the prorated historical unit prices based on the current PLN/CLN, the proposed unit price is within 10% (1.5%) of the prorated unit price. The calculations are attached (R36164015) for comparison.

RE: INDOT Contract R-36164 Unit Price Request #2

Dear Garrett:

After discussions at our previous progress meeting on August 30th, it was determined that structure 17B would not be able to be placed per plan and instead will be replaced with an 18" pipe catch basin. Please provide a unit price and a unit price cost breakdown to substantiate the submitted price that will be required in accordance with ISS 109.05(a).

PLN/CLN 0108... 720-45270... PIPE CATCH BASIN, 18 IN...1 EACH

The pipe catch basin will not include a concrete collar per SD E-720-CBST-06.

The structure will be constructed to plan elevations as shown in the structure data table for Str. 17B.

Please contact me at (317) 412-2959 with any further questions.

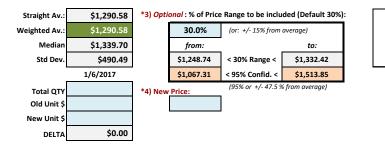

Sincerely, CrossRoad Engineers, P.C.

# Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.

General or Standard Change Order Explanation

During the open discussion in Progress Meeting 3 on August 16, 2016 (attached), Dave Fulkerson, with CA Fulkerson LLC, discussed his concerns with the Mulched Seeding, Native Mix (PLN/CLN 0056) being planted so late in the Fall and not being able to take resulting in no Notice Of Termination. It was discussed and recommended that we switch to R-mix Seeding in areas that were not in the floodplain. The floodplain areas were to remain as Native Seeding per the Indiana Department of Natural Resources permit.

General or Standard Change Order Explanation

Because the Mulched Seeding, R-mix differs materially from original contract line items, a new pay item is to be introduced per ISS 104.03, and paid for in accordance with ISS 109.05(a)by change order

General or Standard Change Order Explanation

The pricing submitted has been reviewed by using historical weighted averages. See pricing review attached in Site Manager. A contract time adjustment is not required for this change.

#### Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above. Notification and consent to this change order is hereby acknowledged.

E&B Paving, Inc. Mr. Garrett Gough

Re: Monroe County; R-36164-A

Garrett,

I recently visited the job-site and have some concerns about the seeding and location of the trees. The seeding with erosion control blanket (station 1900 LT to 2350LT) is a safety issue. It simply can't be installed on this steep of a slope. A lot of rock is visible. I don't believe a good stand of grass is possible with these type of soil conditions. It is not possible for the trees to be planted on these steep slopes. The chance of survival for the trees would be minimal because they could not get adequate amount of water.

Line item #56, mulched seeding, native: this seed mix is to be used with the erosion control blanket and mulched seeding on this project. The optimum time to seed is late April until the first week of July. In a wet area, it could be frost seeded after the first of November with hope the seed does not come up until late spring. Please keep this in mind for scheduling purposes.

I recommend to contact INDOT to review and come up with a alternate plan. I want to instill a safe work environment, and to ensure the project will improve, beautify, and safeguard the environment.

Respectfully Yours,

David 2

RE: INDOT Contract R-36164 Old SR 37 at Dunn Street, Bloomington

### Rachel:

Per our progress meeting on August 16, 2016 for the referenced contract, the seeding sub-contractor, C.A. Fulkerson, expressed concern for the application of the proposed "native seeding" with erosion control blanket in the fall. Their opinion is that the optimum time to seed with this mix is in the spring. With no guarantee that this seed would take in the fall would leave the proposed embankment slopes exposed to the potential for significant erosion over the winter after the project has been completed. Their recommendation, for a more immediate stabilization of the slopes being constructed in the fall, would be to replace the proposed "native seeding" with an INDOT Mulched Seeding, "R".

Re: R-36164 Additional Seeding Items

Mr. Bleich,

As discussed at the progress meeting last week, we are supplying you with pricing for additional seeding items to be used on the Old SR 37 and Dunn project. This work will be performed by our subcontract CA Fulkerson.

Seed Mixture, R	\$4.12/lb
Seed Mixture, T	\$3.30/lb
Mulching Material	\$484.00/ton

Please note that whenever these items are used we will expect payment for mobilization and demobilization for seeding and fertilizer at the established unit price for the project.

Please contact me with any questions and to let us know how to proceed on this matter ASAP.

Sincerely,

Garrett Gough

### Safety:

- Daily safety meetings to continue to be conducted.
- Be mindful of traffic, POV's, construction, even though the road id closed.
- Proper PPG's to be worn by all persons while on site. (vest, safety glasses, hard hats, etc.)

### **Utilities:**

- City of Bloomington Completed replacement of water main across Old SR 37 on July 20.
- AT&T Set an anchor pole NW of the pole in question to take the tension off the guy anchors in conflict with the storm sewers on August 10<sup>th</sup>. Tree felled to set the anchor pole needs to be removed by AT&T (correspondence to Brent McCabe on 8-12-16).
  - Per Roy, he would like for Bob to contact Brent about removing trees that were laid down.
- Zayo/Smithville Coordination with Dan Jones continues. Discussed via phone on Aug. 10<sup>th</sup>, and was told he would coordinate this work.
- Comcast completed their work on August 2. •
- Duke Met with Dawn McDaniel on August 3, she will coordinate removal of the two topped poles on the west side of Dunn St (topped pole on Old SR 37 removed by E&B during storm

R-36164-A: Old SR 37 at Dunn St Progress Agenda #3 August 16, 2016 structure installation).

### **Controlling Operation:**

- Storm Sewer
- Estimated number of normal inclement weather days per Section 101.02 of the S.S.
  - for the period from 6/27/16-10/24/16 (120-day closure period) is 20 days.
  - $\circ$  for the period from 6/27/16-11/19/16 (intermediate completion date) is 28 days.
- Through July 23, 2016 (last weekly report submitted), there have been 3 inclement weather days.
  - Charles will double check this number, has increased as of late.

## Work Performed (last 2 weeks):

## E&B/Subcontractors:

- <u>E&B</u>
  - Completed subgrade treatment on Dunn St on August 4<sup>th</sup> Per special provision "Settlement of Dunn Street Embankment", 60-day count begins this date and ends at EOD Oct. 3<sup>rd</sup>.
  - 2. Storm Structures
  - 3. Excavation on Old Sr 37.

## Proposed Work (next 2 weeks):

## E&B/Subcontractors:

- E&B
  - *1.* Storm Structures
  - 2. Subgrade work
  - Garrett would like to see some possible foundation work on the bridge

### Issues/Discussion topics:

- Schedule (ahead/behind/on time) general progress discussion.
  - Per Garrett, the project is still on track.
- Status/discussion of the grade/elevation issues (tie-in on north end of project) addressed on 8/2/16 reference 7/19/16 progress meeting minutes regarding plan quantity acceptance for excavation and borrow quantities based on completion of clearing and issues regarding the completion of the north end tie-in issues.
  - Garrett asked for Bob to get with him to discuss plan quantity agreement, as well as discussing borrow quantity and payment.
- Weekly reports (sign and barricade, erosion control, IC 124) need to check more frequently, particularly Monday morning after the weekend.
  - Garrett will talk to Chris about getting these reports to Charles/Bob more frequently.

### **Open Discussion**

- 1. CA Fulkerson/E&B concern with trees on steep slopes and seeding with erosion blanket on left side Old 37.
  - David Fulkerson's concern is that the hillside where rock was blasted is too steep to lay blanket with native seed mix and that the steep slope on the right of Old 37 won't be able to grow trees successfully. He will be putting together a letter explaining that he refuses to plant the trees and why. There is a possibility of switching tree sizes (mention of 3-gallon size) that may be able to grow on these slopes. After the meeting CRE requested that the contractor submit a size and cost for these smaller tree to plant on the slope area. It was confirmed with Brock Ridgway, the designer, that this would be an acceptable

### R-36164-A: Old SR 37 at Dunn St Progress Agenda #3 August 16, 2016

alternative.

- Rachel will contact Li at INDOT about changing the seed type from Native mix. After the meeting and after discussing with Brock Ridgway, the designer, we presented the full list of native seed choices to E&B for consideration to see if CA Fulkerson could choose something that is suitable. If not, then CA Fulkerson will submit the mix they want to plant and that then can be discussed with INDOT for potential approval.
- 2. Bridge Foundation issue regarding restrike/encasing pile in concrete
  - INDOT spec 701.14 and 701.15, interpreted that restriking is included in price of pile per Trent. After the meeting concluded, this was corrected. The re-striking of a test pile is a pay item which would apply for 2 piles as was submitted by contractor. Rachel Wren will be contacting INDOT to discuss due to the designer's and consultant geotech opinion that the re-striking is not necessary.
  - Trent will send Rachel the pile hammer approval letter.

The next regularly scheduled bi-weekly progress meeting will be held on **Tuesday, August 30th at 9:00 am** in the field office located at 2801 N. Walnut St, Unit 8.

# Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.

General or Standard Change Order Explanation

This work covers additional paving performed at the request of the City of Bloomington for 2 separate sections of pavement contiguous to the site construction limits. The first section, on Dunn Street from the project limits at Station 14+80 Line D to the bridge slab over Griffey Creek at approx. Station 15+95.5 Line D, was initially looked at when the contractor first mobilized to the site. Two concerns were into the existing pavement on Dunn Street would require some adjustment to the cross slope in the transition area, and the condition of the existing pavement would most likely create a transverse joint that would unravel quickly. With a bridge approach 115 feet from the limits of the paving, various options were forwarded to the City of Bloomington on September 21, 2016, for their consideration. The second section, on Old SR 37 along the front of Hillview approach, from approx. Station 14+36 Line A to the project limits at Station 14+90 Line A, was discussed after a large storm event on September 8, 2016, that undermined the pavement surface within these limits. The recommendation to mill and overlay this section was forwarded to the City of Bloomington on September 21, 2016. On October 10, 2016, the City of Bloomington agreed to the recommendations to mill and overlay both sections as non-participating work. The contractor agreed to perform the work under existing contract pay items, but requested a mobilization for a milling machine at last minute since all milling had been completed prior to the decision being made to perform this work.

General or Standard Change Order Explanation

This work is to be introduced to the contract per ISS 104.03, but will all be non-participating work, and the cost to be paid by change order.

#### General or Standard Change Order Explanation

The cost basis for the mobilization costs is a lease agreement between the contractor and their sub-contractor, and has been reviewed for accuracy. The quantity calculations and costs for mobilization are attached in Site Manager. A contract time adjustment is not required for this change.

Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above. Notification and consent to this change order is hereby acknowledged.

Bob,

We have set up McCrite to perform this milling tomorrow morning (October 12th) (I can get you rental lease agreement if necessary). Given the short duration between authorizing the work to be done and needing to perform the work we went ahead and scheduled to perform the work because we believe that it is what needs to be done to be properly tie into the existing roadway at this end.

That being said, since we were not able to get authorization to perform this work while performing the remainder of the milling on the project we are requesting a \$3,500 mobilization fee for bringing in a milling machine to perform this small quantity of milling. Please note that this is in addition to payment that will be allowed per the existing milling pay item.

We are paying McCrite \$3,700 as a lump sum for the work performed on October 12th.

We will be expecting payment of the work performed per square yard plus \$3,500.00.

My guess at the was that approximately \$200.00 of the \$3,700 would be covered with payment of the milling per square yard. This is not to say that what was covered by existing items was exactly \$200.00. I was just trying to be fair given the difficult position we were placed in requesting the work to be done 2 days before we were going to perform the surfacing on the project.

Also, please note that we did not markup this work in any way.

I guess I still don't understand. There was a small uproar over the \$3,500.00 to begin with, which I addressed, and your e-mail stated that the \$3,500.00 was "*in addition to payment that will be allowed per the existing milling pay item.*" We measured each of the milled areas, and that is the basis for our payment of that item, as provided in the e-mail Charles sent you last week. I cannot make up an additional \$200.00 in milling.

What am I missing?

I figured approximately \$200.00 of the cost could be covered by the amount being paid for under the actual milling item.

#### Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.

General or Standard Change Order Explanation

During the open discussion in Progress Meeting 7 on October 11, 2016, Roy Aten, with the City of Bloomington, stated that the sidewalk across from Hillview Drive needs to be ADA compliant with detectable warning elements. It is noted that this sidewalk was placed per plan and did not show ADA elements. An additional MOT cost was necessary because this work was done after the road had been opened to traffic and was done under traffic, flaggers were needed to direct traffic around where work was being performed. The MOT costs have been reviewed and the hours appear consistent with the amount of time required to do this work. During the discussion it was determined that a unit price of a curb ramp would be supplied by E&B.

#### General or Standard Change Order Explanation

Per review of the original bid items, a curb ramp was not originally required on the contract therefore a new pay item is to be introduced per ISS 104.03, and to be paid for in accordance with ISS 109.05(a) by change order.

General or Standard Change Order Explanation

The pricing submitted has been reviewed by using item bid history. See pricing review attached in Site Manager. A contract time adjustment is not required for this change.

Change Order Explanation for Specific Line Item

It is the intent of the parties that this change order is full and complete compensation for the work describe above.

Notification and consent to this change order is hereby acknowledged.

#### **General Terms and Conditions**

These terms shall supersede any different terms stated in any other documents that have been or may hereafter be issued or executed for the above Project or Work. Customer's acceptance of this Proposal may occur by signature below, or by any act or expression manifesting Customer's intention to proceed hereunder, including but not limited to Customer's approval, directive or authorization for us to commence Work. We shall not be bound by any additional or different terms stated by Customer in any prior or future expression concerning the Project, or by any modifications or additions to terms stated herein, unless separately agreed to by us in writing.

Customer shall (a) not cause, create or allow others to cause or create any conflict, delay or hindrance in our performance of Work; (b) provide and expedite responses to submittals and inquiries, and provide sufficient and timely information, permits and approvals; (c) assure access to and make all provisions for our entry upon lands, including easements and rights of way; (d) assure and guarantee that products of our Work remain free of damage, deterioration or other adverse or detrimental conditions due to deficiencies or inadequacies in design, inspections or other work undertaken by or for Customer or others; (e) take such other action and manage the Project in other respects to enable us to perform Work in an uninterrupted, expedited and singleshift operation; and (f) indemnify us and hold us harmless as to any losses, costs and damages arising from third party claims and caused in whole or part by the Customer or others for whose acts Customer is responsible.

We shall not be held responsible for or otherwise become obligated with respect to any of the following:

Conforming to any original or updated scheduling that is has not been expressly approved by us beforehand in writing;

Delays, hindrances or other adverse and unavoidable conditions and circumstances (including adverse weather) not exclusively caused by us and within our control, or which render our performance impossible, impracticable or unduly burdensome or costly;

Damages to or conflicts with utilities or other physical structures or conditions (or the removal or relocation thereof), the existence or location of which were omitted or misstated by plans, surveys,

reports, markings or other information relied upon by us in the course of planning or executing Work;

- d. Providing any services, labor, materials or equipment that is not specifically included in the description of Work contained in this Proposal or duly signed change order or other written modification of these terms; provided, we may elect to perform additional or extra work or services pursuant to any request or directive from Customer without mutual written agreement specifying the basis for payment for same, and in such case we will be compensated based on our standard rates and charges in effect when such work or services are rendered, and we shall also be entitled to an appropriate scheduling extension if and as needed.
- e. Errors, inconsistencies or deviations shown by or inherent in plans, drawings, surveys or other information furnished to us by Customer or others and relied upon by us in performance of the Work;
- f. Utilizing means, methods, techniques or procedures which would result in added costs, delays, inefficiencies or other unplanned adverse impacts upon our Work;
- g. Performing any Work in an area affected by asbestos, polychlorinated biphenyl (PCB) or other hazardous material or toxic condition or substance (as those terms are defined by law or common trade practices) which has not been rendered harmless;
- h. Damage to or deterioration or diminished performance characteristics of our Work or other property resulting from any cause or condition beyond our exclusive and direct control, including, but not limited to those caused by (i) failures, discrepancies, deficiencies or other inadequacies in construction performed or undertaken by Customer or others, whether or not the existence of such failure or inadequacy was known or discoverable by us at or prior to the time our Work was undertaken by us, and (ii) deferral or postponement of any part of the Work due to weather or seasonal conditions, or for Customer's convenience.
- i. Any special, incidental, consequential or liquidated damages.
- 3. If we encounter any condition or circumstance in performing Work that differs materially from that described herein or indicated in applicable plans or specifications or other Project information that has been provided to us as of this date, or is not of the type generally encountered in performing the type and nature of Work described herein, then we shall be entitled to an equitable adjustment in price and/or allotted time for performance of the Work. If Work is delayed or accelerated for any reason beyond our control, compensation shall be equitably adjusted and time for performance shall be extended to account for such delay or acceleration.
- Subject to conditions and limitations stated elsewhere in this Proposal, our Work will be of good quality in accordance with generally accepted trade standards and free from material defects not inherent in the quality specified or permitted to be performed or installed. Such warranty excludes any remedy for damage or defect caused by or resulting from abuse, modifications not executed by Subcontractor, errors or deficiencies inherent in the selection of products, methods or procedures specified or permitted by the Subcontract Documents, improper or insufficient maintenance, improper operations, or normal wear and tear under normal usage, or inadequacies caused or aggravated by deficient work or inspections performed by others. This warranty shall be in force for a limited period of one (1) year following the last day when significant construction activities for the affected Work were last performed by us, or one (1) year after substantial completion of the entire Work, whichever occurs first. This warranty shall be in lieu of any other express or implied warranty in respect of the Work. No claim arising from any actual or alleged defects or deficiencies in our Work shall be valid unless (i) we substantially neglect or refuse to address the circumstance(s) giving rise thereto within fourteen (14) days after receipt of written notice from Customer describing the defect or deficiency and requesting correction of same, and (ii) expiration of seven days (7) following our receipt of an additional written notice from Customer stating the claim or other action intended to be taken by Customer. Failure of Contractor or any other party to give such notices to us shall conclusively be deemed a release and waiver of any claim in respect of any actual or alleged defect, deficiency or other inadequacy in our Work.
- 5. Except as otherwise specifically provided herein, Customer shall make payments for Work based upon monthly invoices for Work rendered and within thirty (30) days following receipt of invoice. Failure to provide written notice objecting to any invoiced charges within ten (10) days following receipt of invoice shall be deemed an acceptance and approval of same. No retainage shall be withheld from any interim or final payment. Past due payments shall bear interest at the rate of two percent (2%) per month. Customer's obligation to make payment shall not be conditioned upon Customer's receipt of payment from any third party.
- 6. We may cease performing work and terminate further contractual obligations concerning our Work upon (i) any substantial failure of the Customer to perform in accordance with the terms hereof, or (ii) nonpayment of

amounts remaining unpaid for 10 days or longer after such amounts first become due. In such case, we shall be entitled to payment for all Work executed and for all loss and damages pertaining to Work remaining to be performed, including reasonable allowances for overhead and profit.

Any controversy or claim arising out of or related to this Proposal or rendering of Work shall, at our sole discretion, be settled by arbitration conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association currently in effect. Such arbitration, if implemented, shall not impair any mechanics' lien or bond claim rights or similar remedies. We shall not be bound by any award, judgment or other form of decision or adjudication in connection with any claim or dispute in any proceeding in which we are not lawfully joined as a party. ### CITY OF BLOOMINGTON LEGAL DEPARTMENT MEMORANDUM

- TO: City of Bloomington Board of Public Works
- FROM: Jacquelyn F. Moore, Assistant City Attorney
- **RE:** Bituminous Materials (Asphalt) Bids
- DATE: February 7, 2017

On February 23, 2016, bids for bituminous materials were opened and read aloud at the regular meeting of the City of Bloomington Board of Public Works. After a careful review, staff recommended and the Board approved the awarding of two (2) separate contracts for bituminous materials, the first to Milestone Contractors, L.P., (Milestone) as the lowest responsible and responsive bidder and the second to E & B Paving, Inc., (E & B). In 2016 Milestone was approved to serve as the City's primary asphalt provider, and E & B served as the secondary provider. Milestone recently informed the City that it would like to renew its contract for 2017, as the option to renew for an additional year was contained in the 2016 bid documents. E & B has also informed the City that it would like to serve as the secondary provider for 2017; however, the resolution approved by the Board in March 2016 only covered E & B's services as the secondary provider in 2016.

#### **Awarding Multiple Contracts**

State law authorizes the Board to "award separate contracts to different offerors . . . if the purchasing agent makes a written determination showing that the award of separate contracts is in the interest of efficiency or economy." Ind. Code § 5-22-17-12-12(b). The Board has awarded contracts for primary and secondary providers of asphalt since 2011. In the past when the City's asphalt provider was out of commission, City projects were delayed. Given the City's prior experience with plant shut downs, staff feels that it is in the interest of both efficiency and

economy to continue to contract with two asphalt suppliers. Staff recommends that the Board approve E & B as the City's secondary provider of asphalt in 2017.

#### **Conclusion**

Staff firmly believes that it is in the City's best interest to contract for the City's 2017 asphalt purchases with both a primary asphalt provider and a back-up provider. Therefore, pursuant to Indiana Code § 5-22-17-12(c) and Indiana Code § 5-22-17-12(b), Staff recommends that the Board of Public Works renew its contract with Milestone Contractors, L.P., as the primary provider of bituminous materials and approve Resolution 2017-13, authorizing the award of a contract with E & B Paving, Inc., as the secondary provider of bituminous materials for 2017.

#### BOARD OF PUBLIC WORKS RESOLUTION 2017-13

# **RESOLUTION TO AUTHORIZE E & B PAVING, INC., TO SERVE AS SECONDARY SUPPLIER OF BITUMINOUS MATERIALS FOR 2017**

**WHEREAS**, the Board of Public Works wishes to contract with a secondary supplier of bituminous materials for 2017; and,

**WHEREAS**, in 2016 the Board of Public Works invited bids for the provision of bituminous materials; and,

**WHEREAS**, two contractors, Milestone Contractors, L.P., and E & B Paving, Inc., submitted responsive and responsible bids to that invitation; and,

**WHEREAS**, the Board of Public Works awarded a contract to Milestone Contractors, L.P., as the primary provider of asphalt; and,

**WHEREAS**, the Board of Public Works is authorized pursuant to Indiana Code § 5-22-17-12(c) to award a contract for supplies to an offeror other than the lowest offeror as long as the Board makes a written determination documenting the reasons for its selection; and,

**WHEREAS**, paragraph (9) of the Instructions to Bidders authorized the Board of Public Works to consider the City's convenience when awarding a bid; and,

**WHEREAS**, the City of Bloomington has had problems with asphalt plant shutdowns delaying City projects in the past; and,

WHEREAS, staff has prepared a memorandum for the Board of Public Works setting forth its recommendation that the Board authorize E & B Paving, Inc., to continue serving as the City's secondary provider of asphalt for 2017, in accordance with Indiana Code § 5-22-17-12(b); and,

**WHEREAS**, E & B Paving, Inc., has informed the City that it is willing to continue serving as the City's secondary supplier of asphalt for 2017;

# NOW, THEREFORE, BE IT RESOLVED, BY THE BLOOMINGTON BOARD OF PUBLIC WORKS THAT:

1. The Board of Public Works adopts the memorandum submitted by Staff as its Written Determination setting out the reasons for the award of contract as provided below.

2. The Board of Public Works hereby extends E & B, Inc.'s, contract as the secondary provider of bituminous materials during 2017. E & B Paving, Inc., in accordance with the terms set forth in E & B Paving, Inc.'s bid, is authorized to furnish the City with asphalt as needed when the City's primary asphalt provider is incapable of meeting the City's need.

**PASSED AND ADOPTED** this 7th day of February, 2017, by the Board of Public Works of the City of Bloomington, Indiana.

#### MEMORANDUM OF UNDERSTANDING REGARDING BITUMINOUS MATERIALS

This Memorandum of Understanding, entered into between the Board of Public Works of the City of Bloomington ("Board") and E & B Paving, Inc. ("E & B"), WITNESSETH THAT:

- WHEREAS, on February 23, 2016, the Board opened and received bids at a regular meeting for the purchase of bituminous materials ("asphalt"); and
- WHEREAS, E & B submitted a responsive bid to the Board for the provision of asphalt; and
- WHEREAS, after careful review, the Board awarded to E & B a secondary or back-up contract for the provision of asphalt to the City of Bloomington through the end of calendar year 2016; and
- WHEREAS, E & B wishes to continue serving as a secondary supplier with the City of Bloomington for the provision of asphalt through the end of calendar year 2017;

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

(1) The bid submitted by E & B on February 23, 2016, is hereby incorporated as part of this agreement. The fundamental price terms contained in E & B's bid are as follows:

<u>Cold Mix</u>: \$110.00 per ton <u>Hot Mix</u> (Surface #11 or #9): \$49.00 per ton <u>Hot Mix</u> (Binder #8 or #9): \$45.00 per ton <u>Hot Mix</u> (Base #5): \$43.00 per ton <u>RAP: -\$6.00 per ton</u>

- (2) At the option and discretion of the Board, during the term of this *Memorandum of Understanding*, the Board may purchase the materials listed in paragraph (1) above at the prices indicated in amounts to be determined by the Board, and E & B shall be required to sell to the Board at those prices.
- (3) The term of this *Memorandum of Understanding* shall be from the date of execution of this document through the end of calendar year 2017.

In witness of acceptance of all conditions contained in this agreement, the parties execute this agreement this 7<sup>th</sup> day of February, 2017.

#### **PROJECT NAME:** Emergency Power Generation Planned Equipment Maintenance

#### AGREEMENT FOR EMERGENCY POWER GENERATION PLANNED EQUIPMENT MAINTENANCE

This Agreement, entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 2017, by and between the City of Bloomington Department of Public Works through its Board of Public Works (hereinafter referred to as "Board"), and Cummins Crosspoint, LLC (hereinafter referred to as "Consultant"),

#### WITNESSETH:

WHEREAS, the Board wishes to enhance the services it provides by engaging in efforts to maintain the quality of City facilities.

WHEREAS, the Board requires the services of a professional consultant in order to **perform maintenance of emergency power generation equipment for the City's power generation system**, which shall be hereinafter referred to as "the Services", and the Board wishes to have the flexibility to assign additional tasks to the consultant at its discretion, and;

WHEREAS, the tasks currently identified include the following:

#### Task 1: Maintenance of Emergency Power Generation Planned Equipment

WHEREAS, it is in the public interest that such Services be undertaken and performed; and

WHEREAS, Consultant is willing and able to provide such Services to the Board;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

**Article 1.** <u>Scope of Services</u>: Consultant shall provide required Services for the Board as set forth in Exhibit A, Scope of Services. Each task assigned under this Agreement shall be described in Exhibit A. Exhibit A is attached hereto and incorporated herein by reference as though fully set forth.

Consultant shall diligently pursue its work under this Agreement and shall complete the Services as described in Exhibit A in a timely manner. Consultant shall perform all Services as expeditiously as is consistent with professional skill and care and the orderly progress of the work.

In the performance of Consultant's work, Consultant agrees to maintain such coordination with the Board as may be requested and desirable, including primary coordination with the City officials designated by the Board as project coordinator(s).

Consultant agrees that any information or documents, including digital GIS information, supplied by the Board pursuant to Article 3, below, shall be used by Consultant for this project only, and shall not be reused or reassigned for any purpose.

**Article 2.** <u>Standard of Care</u>: Consultant shall be responsible for completion of the Services in a manner to meet high professional standards consistent with the Consultant's profession in the location and at the time of the rendering of the services. The City's Operation and Facility Director shall be the sole judge of the adequacy of Consultant's work in meeting such standards. However, the Operation and Facility Director shall not unreasonably withhold his approval as to the adequacy of such performance.

Article 3. <u>Responsibilities of the Board</u>: The Board shall have the following responsibilities under this Agreement and shall meet these responsibilities in a timely manner so as not to delay the orderly progress of the Services, and Consultant shall be entitled to rely upon the accuracy and completeness of information supplied by the Board:

#### A. Information/Reports

Provide Consultant with reports, studies, site characterizations, regulatory decisions and similar information relating to the Services that Consultant may rely upon without independent verification unless specifically identified as requiring such verification.

#### **B.** Representative

The Board hereby designates the Operation and Facility Director, to serve as the Board's representative for the project. The Board's representative shall have the authority to transmit instructions, receive information, interpret and define the Board's requirements and make decisions with respect to the Services.

#### C. Decisions

Provide all criteria and full information as to Board's requirements for the Services and make timely decisions on matters relating to the Services.

Article 4. <u>Compensation</u>: The Board shall pay Consultant a fee based on the payment schedule set forth in Exhibit B, Schedule of Compensation. Exhibit B is attached hereto and incorporated herein by reference as though fully set forth. The total compensation paid including fees and expenses shall not exceed the amount of: Eight Thousand Ninety Dollars and Forty-Three Cents (\$8,090.43).

These amounts include salaries, payroll taxes and insurance, employee fringe benefits, general overhead costs, profit, and project related expenses. Payments will be made according to Consultant's monthly progress statements for each phase and shall be invoiced for the work completed only.

Additional assignments or additional services not set forth in Exhibit A, changes in work, or incurred expenses in excess of the rates set forth in Exhibit B must be authorized in writing by

the Board or the Board's designated representative prior to such work being performed, or expenses incurred. The Board shall not make payment for any unauthorized work or expenses. Claims for additional work or expenses must be submitted within thirty (30) days of the completion of the work or expenditure, and must be accompanied by a statement of itemized costs.

#### 1. Timing and Format for Billing:

Invoices shall be submitted monthly for Services completed at the time of billing and are due upon receipt. Invoices shall be considered past due if not paid within forty-five (45) calendar days of the due date. Such invoices shall be prepared in a form supported by documentation as the Board may reasonably require.

Tasks shall be invoiced separately, either as separate lines on a single invoice, or on separate invoices at the Board's direction.

#### 2. Billing Records:

Consultant shall maintain accounting records of its costs in accordance with generally accepted accounting practices. Access to such records will be provided during normal business hours with reasonable notice during the term of this Agreement and for 3 years after completion.

Article 5. <u>Appropriation of Funds</u>: Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by the Board are at any time not forthcoming or are insufficient, through failure of any entity, including the Board itself, to appropriate funds or otherwise, then the Board shall have the right to terminate this Agreement without penalty as set forth in Article 7 herein.

**Article 6.** <u>Schedule</u>: Consultant shall perform the Services according to the schedule set forth in Exhibit C, Schedule. Exhibit C is attached hereto and incorporated herein by reference as though fully set forth. The time limits established by this schedule shall not be exceeded, except for reasonable cause as mutually agreed by the parties.

**Article 7.** <u>Termination:</u> In the event of a party's substantial failure to perform in accordance with the terms of this Agreement, the other party shall have the right to terminate the Agreement upon written notice. The nonperforming party shall have fourteen (14) calendar days from the receipt of the termination notice to cure or to submit a plan for cure acceptable to the other party.

Article 8. <u>Ownership of Documents and Intellectual Property</u>: All documents, drawings and specifications, including digital format files, prepared by Consultant and furnished to the Board as part of the Services shall become the property of the Board. Consultant shall retain its ownership rights in its design, drawing details, specifications, data bases, computer software and other proprietary property. Intellectual property developed, utilized or modified in the performance of the Services shall remain the property of the Consultant.

Article 9. <u>Independent Contractor Status</u>: During the entire term of this Agreement, Consultant shall be an independent contractor, and in no event shall any of its personnel, agents or subcontractors be construed to be, or represent themselves to be, employees of the Board.

Article 10. <u>Indemnification</u>: To the fullest extent permitted by law, Consultant shall indemnify, defend and hold harmless the City of Bloomington, the Board, and the officers, agents and employees of the City and the Board from any and all third party claims, demands, and allegations and the damages, costs, expenses or other liability in connection therewith, arising out of bodily injury or property damage (collectively "Claims") but only to the extent that such Claims are found on a comparative basis of fault to be caused by any negligent act or omission of Consultant or Consultant's officers, directors, partners, employees, or subconsultants in the performance of services under this Agreement.

Article 11. <u>Insurance</u>: During the performance of any and all Services under this Agreement, Consultant shall maintain the following insurance in full force and effect:

- a. General Liability Insurance, with a minimum combined single limit of \$1,000,000 for each occurrence and \$2,000,000 in the aggregate.
- b. Automobile Liability Insurance, with a minimum combined single limit of \$1,000,000 for each person and \$1,000,000 for each accident.
- c. Professional Liability Insurance ("Errors and Omissions Insurance") with a minimum combined single limit of \$1,000,000 for each occurrence, and \$2,000,000 in the aggregate.
- d. Workers' Compensation Insurance in accordance with the statutory requirements of Title 22 of the Indiana Code.

All insurance policies shall be issued by an insurance company authorized to issue such insurance in the State of Indiana. The City of Bloomington, the Board, and the officers, employees and agents of each shall be named as additional insured under both the General Liability Insurance and Automobile Liability Insurance policies, and the policies shall stipulate that the insurance will operate as primary insurance and that no other insurance effected by the City will be called upon to contribute to a loss hereunder.

Consultant shall provide evidence of each insurance policy to the Board prior to the commencement of work under the Agreement. Approval of the insurance by the Board shall not relieve or decrease the extent to which Consultant may be held responsible for payment of damages resulting from service or operations performed pursuant to this Agreement. If Consultant fails or refuses to procure or maintain the insurance required by these provisions, or fails or refuses to furnish the Board required proof that the insurance has been procured and is in force and paid for, Board shall have the right at Board's election to forthwith terminate the Agreement.

Article 12. <u>Conflict of Interest</u>: Consultant declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of Services

required under this Agreement. The Consultant agrees that no person having any such interest shall be employed in the performance of this Agreement.

Article 13. <u>Waiver</u>: No failure of either party to enforce a term of this Agreement against the other shall be construed as a waiver of that term, nor shall it in any way affect the party's right to enforce that term. No waiver by any party of any term of this Agreement shall be considered to be a waiver of any other term or breach thereof.

**Article 14.** <u>Severability</u>: The invalidity, illegality or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of the Agreement shall be construed and enforced as if it did not contain the particular provision to be held void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Article shall not prevent this entire Agreement from being void should a provision which is of the essence of this Agreement be determined void.

**Article 15.** <u>Assignment</u>: Neither the Board nor the Consultant shall assign any rights or duties under this Agreement without the prior written consent of the other party; provided, however, Consultant may assign its rights to payment without the Board's consent. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement.

Article 16. <u>Third Party Rights</u>: Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the Board and the Consultant.

Article 17. <u>Governing Law and Venue</u>: This Agreement shall be governed by the laws of the State of Indiana. Venue of any disputes arising under this Agreement shall be in the Monroe County Circuit Court, Monroe County, Indiana.

**Article 18.** <u>Non-Discrimination</u>: Consultant shall comply with City of Bloomington Ordinance 2.21.020 and all other federal, state and local laws and regulations governing non- discrimination in employment.

Article 19. Notices: Any notice required by this Agreement shall be made in writing to the addresses specified below:

Board:

Consultant:

City of Bloomington Department of Public Works Attn: Operation & Facility Dir. 401 N. Morton Street Bloomington, IN 47404 Cummins Crosspoint, LLC Attn: Jeffrey Flodder 3661 West Morris St. Indianapolis, IN 46241

Nothing contained in this Article shall be construed to restrict the transmission of routine communications between representatives of the Board and the Consultant.

Article 20. <u>Intent to be Bound</u>: The Board and the Consultant each bind itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners to the other party to this Agreement, and to the successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement.

Article 21. <u>Integration and Modification</u>: This Agreement, including all Exhibits incorporated by reference, represents the entire and integrated agreement between the Board and the Consultant. It supersedes all prior and contemporaneous communications, representations and agreements, whether oral or written, relating to the subject matter of this Agreement.

This Agreement may be modified only by a written amendment signed by both parties hereto.

Article 22. <u>Warranty.</u> Any warranties associated with this proposal are defined in manufacturer's warranties accompanying the purchase of this product and are made by the manufacturer. The written warranties shall be exclusive and in lieu of all other representations and warranties, express or implied; and any implied warranty of merchantability or fitness for particular purpose is expressly excluded. In no event will Consultant be liable for any direct, special or consequential damages arising out of or in connection with the delivery, use or inability to use, or performance of this product(s).

**Article 23.** <u>Verification of New Employees' Immigration Status</u>. Consultant is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists.) Consultant shall sign an affidavit, attached hereto as Exhibit D and incorporated herein by reference, affirming that Consultant does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code chapter 12 or by the U.S. Attorney General.

Consultant and any subconsultants may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the contractor or subcontractor subsequently learns is an unauthorized alien. If the Board obtains information that the Consultant or a subconsultant employs or retains an employee who is an unauthorized alien, the Board shall notify the Consultant or subconsultant of the contract violation and require that the violation be remedied within 30 days of the date of notice. If the Consultant or subconsultant verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Consultant or subconsultant fails to remedy the violation within the 30 day period, the Board shall terminate the contract, unless the Board determines that terminating the contract to remain in effect until they procure a new Consultant. If the Board terminates the contract, the Consultant or subconsultant is liable to the Board for actual damages.

Consultant shall require any subconsultants performing work under this contract to certify to the Consultant that, at the time of certification, the subconsultant does not knowingly employ or contract with an unauthorized alien and the subconsultant has enrolled in and is participating in

the E-Verify program. Consultant shall maintain on file all subconsultants' certifications throughout the term of the contract with the Board.

<u>Article 24. No Collusion</u>: Consultant is required to certify that it has not, nor has any other member, representative, or agent of Consultant, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevent any person from making an offer nor induce anyone to refrain from making an offer and that this offer is made without reference to any other offer. Consultant shall sign an affidavit, attached hereto as Exhibit E and incorporated herein by reference, affirming that Consultant has not engaged in any collusive conduct.

**IN WITNESS WHEREOF,** the parties hereto have caused this Agreement to be executed the day and year first written above.
