Copies of the revised ordinance and memo are attached.

The second ordinance is Ord 11-12 which approves the Transit Budget for 2012. After initially postponing this item (for consideration on September 27 and October 5), the Council voted last week to consider it for adoption on September 21.

The legislation and supplemental material can be found at the links provided above.

**RE: Economic Development Revenue Bonds for Bloomington Dyslexia Center  
LLC**

The City of Bloomington Common Council has adopted two ordinances approving the issuance of tax exempt economic development bonds for the benefit of Bloomington Dyslexia Center, LLC. Ordinance 10-18, adopted December 1, 2010, authorized the issuance of Recovery Zone Facility Bonds under Section 1400U of the American Recovery and Reinvestment Act of 2009 (the "Stimulus Act"). Because the Bonds could not be issued prior to the expiration of the Stimulus Act, the Council, on March 23, 2011, adopted Ordinance No. 11-02, which amended Ordinance No. 10-18 to provide for the issuance of the Bonds as Economic Development Revenue Bonds under IC 36-7-12 et. seq. Ordinance No. 11-02 contains a provision which requires the Bonds to be issued within 180 days of its date of adoption. This time limit expires on September 19, 2011. While negotiations with a purchaser for the Bonds are ongoing, it is questionable whether the transaction can be consummated within the time limit contained in Ordinance No. 11-02. The proposed ordinance amends the prior ordinances by extending the time limit for issuing the Bonds for 360 days from the date of adoption of the amending ordinance. It makes no other changes to the transaction as previously authorized by the Council. Because the amending ordinance changes the time limit as set forth in Ordinance No.11-02, it will relate back to the date of adoption of that Ordinance. Therefore, the authorization of the Bonds by the Council will continue to be valid even if the amendment is adopted after the expiration of the time limit set forth in Ordinance 11-02.

The Bonds continue to be payable solely from revenues generated by the project, and are not a debt of the City, Monroe County or the State. They will not impact the City's credit rating or debt capacity. The financing documents provide indemnification to the City for any liability arising with respect to either the Bonds or the Project.
