**\*\*\* Amendment Form \*\*\***

**Appropriation Ordinance #:** 22-01  
**Amendment #:** Am 01  
**Submitted By:** Cm. Sgambelluri  
**Date:** October 12, 2022

**Proposed Amendment:**

1. App Ord 22-01 shall be amended by reducing \$100,000 as it appears in Category 3 (Services and Charges) of the Jack Hopkins Fund (#9508) budgeted in the City Council Department in Budget Form 1 and by reducing the lines and totals in the various other forms as is necessary to implement this reduction accordingly.

**Synopsis and Intent**

This amendment is sponsored by Cm. Sgambelluri and would reduce the Jack Hopkins Fund (#9508), Category 3 (Other Services and Charges) in the Council's Department budget, by \$100,000. The intent behind this reduction is to give explicit guidance on an Emergency Reproductive Health Care Grant Program proposed for 2022 and 2023. As is proposed in Appropriation Ordinance 22-04 for 2022, this amendment is meant to indicate that any such grant program for 2023 should be funded and administered by the Community and Family Resources Department rather than out of the Jack Hopkins Fund.
